The Police Arboretum Memorial Trust

Chairman's Report for the Year Ended 31 December 2022

The Police Arboretum Memorial Trust is responsible for the UK Police Memorial which pays tribute to our police service and honours the dedication, courage and sacrifice of those officers and staff who have given their lives to policing. This new Memorial provides a place of ceremony, remembrance and quiet reflection at the National Memorial Arboretum in Staffordshire, the UK's national place for year-round remembrance.

Since 1749 and the creation of the Bow Street Runners as the world's first recognised police service, over 4,000 men and women have given their lives to serve and protect our communities in the United Kingdom. Losses in British Colonial and other UK administered forces overseas number as many as a further 1,000.

The sacrifices made by the officers and staff of our police services deserve to be acknowledged and that tribute must become a part of the fabric of our national life. It is therefore fitting that, to honour the lives of the men and women who have given so much to serve and protect our communities, our nation should have a place of remembrance and celebration - both for them and their families.

We are delighted to say that thanks to the generosity of all our many donors, we achieved sufficient funding to complete the first phase of the project in July 2021 - the physical Memorial at the National Memorial Arboretum, a place where the nation can remember and pay tribute to our colleagues who have made the ultimate sacrifice.

We are now working to fully complete the Memorial project in a final phase which will include the development of a digital remembrance programme, and funding to endow a long-term maintenance programme for both the physical and digital elements of the Memorial.

The digital remembrance programme (<https://www.ukpolicememorial.com/digital-remembrance-programme/>), will use the latest multi-media technology to tell the stories behind the badge, commemorating by name those 4,000 plus members of our police service who have given their lives to the service. It will honour lives lived as well as remembering lives lost.

Our project is one of major national significance, supported by leaders, forces and associations of the police service. The Trustees and Patrons of the Police Arboretum Memorial Trust invite you to help us complete the Memorial that our police service and our country so richly deserve. A heartfelt thank you to all of those who have supported us and to all who are considering support.

When we enlist with the police service, we don't sign up to lay down our lives in the service of our communities. We do know that might happen, however, and sadly it has happened to many of our colleagues over the years.

Please support us as we now complete the vision and provide the tribute our policing heroes so richly deserve.

**Report of the Trustees
for the Year Ended 31 December 2022**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives, aims and significant activities

The Police Arboretum Memorial Trust has been established to ensure a fitting tribute is paid to the UK's police service through:

- the creation of a new UK Police Memorial at the National Memorial Arboretum in Staffordshire;
- a digital remembrance programme, commemorating those who have given their lives to policing.

The objects of the charity are:

1. The promotion of good citizenship for the public benefit through the provision and maintenance of a permanent memorial to the police officers who have lost their lives in the performance of their duties.
2. To relieve the needs of the dependents of police officers who have lost their lives in the performance of their duties by providing or assisting in the provision of counselling, support and by such other means as the Trustees may determine.

More specifically, the new Memorial aims to achieve many goals, which its trustees believe are fundamental to our country and national conscience:

- Honour the dedication, courage and sacrifice of UK policing members who have dedicated their lives to serve and protect their communities;
- Provide quiet space for personal reflection and remembrance;
- Create an area for larger public events;
- Foster a deeper understanding of UK policing nationally;
- Celebrate UK policing - our nation's gift to the world.
- Work with other police charities to support the families left behind.

Public benefit

In setting these objectives and aims, the trustees have given due regard to the guidance published by the Charity Commission on Public Benefit.

for the Year Ended 31 December 2022**

ACHIEVEMENT AND PERFORMANCE

Charitable activities

FUNDRAISING

Fundraising during 2022 has been achieved largely through police family organisations, grant-making trusts, corporate and individual donors. The latter have been progressed mainly through personal networks of existing donors and supporters who have become ambassadors for the Trust. Leads have been progressed only where there has been an indication of interest in the Memorial project.

Public fundraising is managed via the Trust's website which leads to the Trust's Just Giving page so that individuals who opt to make a gift, do so through a publicly respected forum.

The charity has always undertaken all its fundraising in a manner without undue intrusion, pressure or persistence.

The Trustees would like to thank those within the police family, individuals, businesses, trusts and foundations and Government for their generous support to date.

A further £550,000 is required so that we can complete the rest of the project which includes completion of the digital remembrance programme and an endowment fund which will ensure the maintenance of the Memorial in perpetuity.

DIGITAL

We are working to complete the Memorial with a digital remembrance and education programme, in partnership with the Police Remembrance Trust, Staffordshire University and the College of Policing. This element of the Memorial will be a searchable multi-media hub commemorating over 4,000 fallen members of the police service; an 'on this day' feature which lists the names of those who have fallen on the anniversary of their death, along with a citation; and historical information linked to deaths in policing over the years.

It also features a number of enhanced profiles of fallen officers and staff which tell the human stories of those behind the badge. As funding becomes available, the Trust aims to develop more of these enhanced profiles.

Funding is also needed so that we can create an education programme to highlight the history of the police service, focusing on the vital role it plays in modern society and develop an education hub to provide informed learning for students and to support teaching professionals in the delivery of key milestone within the National Curriculum and a broader education framework.

FINANCIAL REVIEW

Principal funding sources

Principal funding to date has been secured through philanthropic donations from the majority of the UK's police forces, private donors, corporate partners and Government. The Trustees would like to express their gratitude to all who have supported the Memorial project and to all those who are considering their support.

Reserves policy

Reserves are reviewed at each meeting of the Operations Committee and of the Board of Trustees. Cashflow is closely monitored, and all activities will be reviewed, should the level of reserves fall below the amount required to operate the Trust for a period of six months.

The surplus of expenditure over income for the period is £104,746 which is as expected, given that work is ongoing to consult, scope and deliver the digital remembrance programme. Unrestricted free reserves are £16,789, which will contribute to the second and final phase of the Memorial project.

While the Trust aims to function within its operating budget, meeting short-term expenditure and liabilities, this reserves level is within anticipated levels, as work to deliver the digital remembrance programme progresses.

**Report of the Trustees
for the Year Ended 31 December 2022**

FUTURE PLANS

The Trust has achieved the first phase of its vision to create a fitting tribute to policing at the National Memorial Arboretum. It is now focusing on completing the project which will include completion of a digital remembrance and education programme and creation of an endowment fund to ensure the maintenance of the Memorial in perpetuity.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of The Police Arboretum Memorial Trust for the purposes of company law) are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

**Report of the Trustees
for the Year Ended 31 December 2022**

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, Locke Williams Associates LLP, will be proposed for re-appointment at the forthcoming Annual General Meeting.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

**Report of the Independent Auditors to the Members of
The Police Arboretum Memorial Trust (Registered number: 08961292)**

Opinion

We have audited the financial statements of The Police Arboretum Memorial Trust (the 'charitable company') for the year ended 31 December 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 14 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

**Report of the Independent Auditors to the Members of
The Police Arboretum Memorial Trust (Registered number: 08961292)**

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We planned our audit to gain an understanding of the legal and regulatory framework applicable to the charitable company and the sector in which it operates, and during the audit considered the risk of acts by the charitable company that were contrary to applicable laws and regulations, including fraud. We designed our detailed audit procedures in response to those risks, whilst recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

We concentrated on those laws and regulations which could give rise to a material misstatement in the financial statements, including, but not limited to, the Companies Act 2006, and the Charities SORP (FRS 102). Our audit tests included agreeing the financial statement disclosures to underlying supporting documentation and enquiries with management and with third parties, where relevant. There are inherent limitations in the audit procedures described above and, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. We did not identify any key audit matters relating to irregularities, including fraud.

As in all our audits, we also addressed the risk of management override of internal controls and evaluating whether there was evidence of bias by the management or trustees that represented a risk of material misstatement due to fraud.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

**Report of the Independent Auditors to the Members of
The Police Arboretum Memorial Trust (Registered number: 08961292)**

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements for the Year Ended 31 December 2022

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Grant income is recognised when there is: 1) entitlement to the grant, 2) virtual certainty that it will be received and 3) sufficient measurability of the amount. Where amounts so recognised are actually received after the balance sheet date, these are shown in the balance sheet as assets.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

Allocation and apportionment of costs

All costs, other than Governance costs, are incurred directly in support of expenditure on the objects of the charity and include:

Management	Costs of overall project management and fundraising management
Design and construction (including online)	Costs relating to the design, planning and construction of both the physical and digital memorials
Operations and fundraising	Costs incurred in support of the above activities, including advertising and branding and other general overhead costs.

All costs associated with the overall project management and design and construction of the memorial are expended through the Statement of Financial Activities, as the charity will not 'have ownership' of the memorial asset once constructed.

Taxation

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

The Police Arboretum Memorial Trust

**Notes to the Financial Statements - continued
for the Year Ended 31 December 2022**

1. ACCOUNTING POLICIES - continued

Fund accounting

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

At this time, the charity has only received funds in furtherance of its one charitable activity and so total funds are therefore unrestricted funds.

Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.
