#### TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2022

#### Objectives and activities

#### a. Policies and objectives

The Trustees present their annual report together with the financial statements of the British Society for Gynaecological Endoscopy Trust for the year 1 January 2022 to 31 December 2022. The trustees confirm that the Annual report and financial statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102).

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit and in particular to its supplementary public benefit guidance on the advancement of education.

#### b. Activities undertaken to achieve objectives

The main activities undertaken to achieve the charity's objectives are the organisation of courses and training activities for the advancement of gynaecological endoscopy. These courses are available to members and non-members of the society.

### c. Grant-making policies

Grants are provided to individuals who are seeking funding for the opportunity to study and learn first-hand the gynaecological endoscopy techniques used in the UK and abroad.

#### a. Review of activities

2022 has meant resumption of our face to face Annual scientific meeting (ASM) from 21st-22nd April 2022 . We had the event as a hybrid event to give our members the opportunity to attend virtually.

The Officers and Council have endeavoured to maintain and deliver the Charitable aims of BSGE:

1. Awards and Bursaries. The BSGE Clinical Research Grant is available to all members of the BSGE three times a year up to a limit of £3,000 per round. The annual sum set aside for bursaries and fellowships is £30,000 and continues to be utilised by the membership with just under one third allocated over 3 rounds. Apart from the Alan Gordon Fellowship, which is still only available once a year, there are three rounds of applications for fellowships and bursaries throughout the year, which has made them more flexible and accessible to the membership. These are available across the 3 membership categories: Consultants/SAS, Trainees and Nurses. In time we hope to add further flexibility to the use of awards such that if an award is not given in one category that amount can be used in another category if the criteria is met and there is Merit in the submission.

The following are available to BSGE members:

- Alan Gordon Travelling Fellowship once a year (April round) Consultants/SAS
- BSGE Travelling Fellowship Consultants/SAS, Trainees and Nurses
- Medical Bursaries Consultants/SAS, Trainees and Nurses
- BSGE Clinical Research Grant, all UK based BSGE members
- 2. BSGE Website. The website helps fulfil one of our charitable aims by increasing access for educational purposes to our members and the public at large. The main website has been an essential part the Society this year, allowing us to communicate with our members and providing information regarding upcoming webinars, courses and conferences, with any changes as they occur. In addition, the site contains links to related noteworthy articles, jobs and the society's newsletters. Our relationship with our website provider Akiko is ongoing. We are currently completely redesigning our website for the future. This require significant and ongoing investment until the build is complete.

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. #### b. Reserves policy

At the year end, the charity's reserves were all unrestricted and will be used to ensure that the charity can meet its growing training and course commitments in the future.

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

#### INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2022

## Independent examiner's report to the Trustees of British Society for Gynaecological Endoscopy Trust ('the charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 December 2022.

### Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

## INDEPENDENT EXAMINER'S REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

#### Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the ICAEW, which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

#### 1. General information

The British Society for Gynaecological Endoscopy Trust is unincorporated and recognised as a charitable trust by the Charity Commission. The address of the registered office is Royal College of Obstetricians & Gynaecologists, 10-18 Union Street, London, SE1 1SZ. The principal objective of the Trust is the organisation of courses and training classes on the advancement of gynaecological endoscopy.

### 2. Accounting policies

#### 2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

British Society for Gynaecological Endoscopy Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

### 2.2 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

#### 2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

#### 2. Accounting policies (continued)

#### 2.4 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

#### 2.5 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

#### 2.6 Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the statement of financial activities as a finance cost.

#### 2.7 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

### 2.8 Operating leases

Rentals paid under operating leases are charged to the statement of financial activities on a straight-line basis over the lease term.

#### 2.9 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.
