Objectives and activities

Objects and aims

To promote social inclusion for the public benefit by preventing people with learning disabilities from becoming socially excluded, Relieving the needs of any such people who are socially excluded and assisting them to integrate into society, particularly but not exclusively by the provision of:

- (1) education in the arts,
- (2) recreational facilities and opportunities ; and
- (3) work based learning and activities.

Objectives, strategies and activities

In this financial year Superstar Arts has adapted to deal well with ongoing changes & continued to provide important creative and work related opportunities for people with learning disabilities.
it is our mission to:

Use volunteers who are an important resource in delivering projects and activities for Superstar Arts participants. Volunteers give their time freely but are eligible for remuneration of costs incurred for travel/food etc. As many of our participants require support to complete tasks, the staffing ratio we are funded for does not always allow for the support needed whilst learning. Volunteers also play an important role in providing participant support for social events.

Deliver innovative, expressive & artistic experiences, as well as work-based learning and social opportunities for people with learning disabilities.

Use commercial activities , grant applications and fundraising opportunities to work towards financial security. This includes income generated from our online shop, coffee bar, charity shop and garden.

Adapt and review our offer in the light of changes in adult day services, specifically to expand the 'work based learning' emphasis of participant experience. This will be achieved mainly by providing training and practical work experience in designing and printing Superstar products, our coffee shop, charity shop, gardening project and in the operation of our online shop.

Enable people with learning disabilities to explore social and emotional issues in a positive, creative way.

Provide creative opportunities for people with learning disabilities to develop their own ideas and responses to different ideas and situations, including the recent COVID pandemic.

Promote the health, well-being and encourage learning-disabled participants to be as independent as possible, whilst staying safe.

Help people develop friendships, improve social skills and grow positive, productive relationships that will provide support particularly through challenging times.

Create links with local groups and organisations that are public facing to promote positive images of people with learning disabilities.

Superstar Arts CIO

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Achievements and performance

Work Based Learning

Work based learning has become an increasingly important part of what we do. WSCC continue with changes to their own 'in-house' offer with the closing of some services. The aim of these changes was to modernise services and move provision from isolated 'units' to more community based provision and work-based learning. Superstar Arts fits in well with this model and is seen as a good example of how services can be integrated into the community, so more learning disabled people will be able to access paid work - developing a model which suits a variety of abilities.

Fundraising

Superstar Arts was nominated as one of Lord Mayor Henna Chowdury's three nominated charities for her term. We also actively raised funds via a 12 hour danceathon in which a huge majority of participants, families & carers took part. Online fundraising via Facebook/Instagram & our Localgiving page continues to develop.

Creative Projects

Creative projects remain a very important part of our delivery in and out lockdown with groups being involved with collaborations with local craft businesses, the Brookstead Choir, Beach House Exhibition and Inspired & Neighbourhood Store '. We also had success with the sale of artwork at the Colonnade House exhibition . 'At the Table' Exhibition at Worthing Museum.

Friendship Group, Breaks and Weekend Activities

This has been an important element in the social activities that Superstar Arts provides.

The friendship group offers evening social events, short breaks and holidays. These have provided participants with the opportunity to build and maintain a social life & develop important friendships, whilst providing parents and carers the opportunity of respite.

Superstar Charity Shop, Online shop and Coffee bar

To support the work based learning model we have successfully taken on a nearby charity shop & garden at the rear of the shop, as well as taking over the coffee bar at the community church where we are based.

All are proving steady sources of income and participants are enjoying and developing from the opportunities they offer.

In addition our website was transferred to our own hosting service, and we have created our own online shop platform via Wordpress. We now sell our handmade artistic items all over the world, promoted by our social media platforms.

Financial review

Total income for the year was £319,324 (2021 £358,920) with expenditure of £312,196 (2021 £349,634). Unrestricted reserves at 31 December 2022 were £95,567 (2021 £103,140) and restricted reserves were £14,701 (2021 £nil). Total reserves at 31 December 2022 were £110,268 (2021 £103,140).

Policy on reserves

The Charity Commission advises that it is good practice to hold six months reserves. We have chosen to aim for this in order to provide a 6 month grace period if we should need to wind down the charity.

We have increased from 4 months to 6 months in order to reflect our growth as a day service and increased financial responsibilities (more staff, more participants, charity shop and coffee bar).

Superstar Arts running costs are approximately £20,000 per month, therefore our reserves target is £120,000. At 31 December 2022 the free reserves were £95,567, which represent 4-5 months running costs. The charity aims to increase the level of free reserves over the next 12 months.

Investment policy and objectives

The objects of the company authorises it to invest and deal with moneys not immediately required for its purposes in and upon such investments securities and property as may be thought fit.

Plans for future periods

Independent Examiner's Report to the trustees of Superstar Arts CIO ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of Independent Examiner, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Superstar Arts CIO as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Superstar Arts CIO

Notes to the Financial Statements for the Year Ended 31 December 2022

1 Charity status

The charity is a Charitable Incorporated Organisation (CIO) and consequently does not have a share capital.

The address of its registered office is:

61 Kingsland Road

Worthing

West Sussex

BN14 9ED

These financial statements were authorised for issue by the trustees on 20 June 2023.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

Superstar Arts CIO meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity. The trustees have a reasonable expectation that the charity will continue in operational existence for the foreseeable future. The financial statements have therefore been prepared on a going concern basis.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Superstar Arts CIO

Notes to the Financial Statements for the Year Ended 31 December 2022

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Deferred income

Deferred income represents amounts received for future periods and is released to incoming resources in the period for which, it has been received. Such income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions which must be met before the charity has unconditional entitlement.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Superstar Arts CIO

Notes to the Financial Statements for the Year Ended 31 December 2022

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £100.00 or more are initially recorded at cost.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Stock

Stock is valued at the lower of cost and estimated selling price less costs to complete and sell, after due regard for obsolete and slow moving stocks. Cost is determined using the first-in, first-out (FIFO).

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Superstar Arts CIO

Notes to the Financial Statements for the Year Ended 31 December 2022

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Foreign exchange

Transactions in foreign currencies are recorded at the rate of exchange at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are reported at the rates of exchange prevailing at that date.

The results of overseas operations are translated at the average rates of exchange during the period and their balance sheets at the rates ruling at the balance sheet date. Exchange differences arising on translation of the opening net assets and results of overseas operations are reported in other comprehensive income and accumulated in equity (attributed to non-controlling interests as appropriate).

Other exchange differences are recognised in the Statement of Financial Activities in the period in which they arise except for:

- 1) exchange differences on transactions entered into to hedge certain foreign currency risks (see above);
- 2) exchange differences arising on gains or losses on non-monetary items which are recognised in other comprehensive income; and
- 3) in the case of the consolidated financial statements, exchange differences on monetary items receivable from or payable to a foreign operation for which settlement is neither planned nor likely to occur (therefore forming part of the net investment in the foreign operation), which are recognised in other comprehensive income and reported under equity.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Financial instruments

Classification

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
