REPORT of TRUST ACTIVITIES

The Trustees have continued to invest the assets of the Trust to maximise income without incurring risk; to further the aim of setting up national collections to conserve orchids, and to promote education and conservation.

During 2022, the Trustees confirmed that they would continue their award scheme to make grants available to orchid growers holding National Plant Collections of Orchids, public orchid collections in Botanical Gardens and specialist private collections of orchids; and to schemes which aid conservation of orchids. These grants can be given for small capital projects, such as the purchase of plants, equipment or materials for the furtherance of a collection, especially for educational projects or for scientific work. The grants are awarded twice yearly (or more frequently by arrangement of the Trustees), the total amount given being up to the amount of interest accrued during the year (and carried over from previous years). Details of the scheme are publicised in the Journal of The Orchid Society of Great Britain and in The Orchid Review and will also be circulated to the British Orchid Council and its member societies.

In 2022, just one award was applied for, and granted. A conservation award of £673 was made to the Mathers Foundation to assist in the conservation of a collection of *Stanhopea* orchids.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES
31 DECEMBER 2022

Independent examiner's report to the trustees of the Barbara Everard Trust for Orchid Conservation

I report to the trustees on my examination of the accounts of the Barbara Everard Trust for Orchid Conservation for the year ended 31 December 2022.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. Accounting records were not kept in respect of the trust as required by section 130 of the Act; or
2. The accounts do not accord with those records.
3. The accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
