# Report of the Trustees

The Trustees present their report and the financial statements of the Charity for the period ended 31 December 2022

## The Hospital of St Cross

Described by Simon Jenkins as “England’s oldest and most perfect almshouse” the Hospital continues to provide charitable support and a home for up to 25 Brothers. The complex of buildings comprises a fine Norman Church, the accommodation wing, and the halls and supporting rooms, all set in tranquil gardens.

The Hospital is famous for its unique and ancient tradition of the Wayfarer’s Dole. All visitors can receive a drink of beer and some bread reflecting ancient times when travelling pilgrims and merchants received this sustenance when they passed by.

The Hospital is open to visitors 363 days of the year. In the summertime refreshments are available in the Hundred Men’s Hall, on the site where the “hundred men” were fed each day.

# Report of the Trustees

## Structure, governance and management

### Governing document

The Charity is governed by its Constitution.

### Trustees

In accordance with the Constitution new Trustees may be appointed from the membership. Nominations proposed and seconded by members must be received by the Trustees at least fourteen days before the date of the Annual General Meeting. Elections take into account personal competence, specialist skills and local availability. Trustees serve for a term of three years after which period they are eligible for re-election. The Constitution specifies that two Trustees must also be Trustees of the Hospital of St Cross.

### Trustee training

New Trustees are inducted into the working of the Charity and the Hospital of St Cross by other Trustees, the Master of St Cross and the Clerk to the Trustees of the Hospital.

### Organisational management

The Trustees meet as a Board at least four times a year to determine the general policy of the Charity and review its overall management and control, for which they are legally responsible. The Board delegates to three committees, the Marketing Committee, the Finance and Administration Committee and the Nominations Committee, the detailed running of the Charity. The part-time Administrator and the volunteer Treasurer manage the day-to-day administration of the membership and finance.

### Organisational relationship

The Charity works closely with the Trustees and management of the Hospital of St Cross.

### Risk Management

The Trustees have examined the principal areas of risk of the Charity's operations and considered the risks faced in each area. In the opinion of the Trustees the Charity has established resources and review systems which, under normal circumstances, should allow these risks to be mitigated to an acceptable level in its day-to-day operations.

### Objects

The Charity's objects are:

- i. to preserve for the benefit of the public the historical, architectural and constructional heritage of the Hospital, by the provision of funding to maintain and improve the buildings and grounds within the Hospital precinct.
- ii. for the public benefit to advance education in the historical, architectural and constructional heritage of the Hospital, in particular but not exclusively, by the provision of lectures, visits and open days.

The principal means by which the Charity aims to achieve these objectives is by soliciting memberships in order to raise funds for preservation and maintenance, and organising events to advance knowledge and appreciation of the Hospital of St Cross and other subjects.

The Trustees confirm that they have referred to the guidance contained in

**Friends of St Cross Hospital Winchester**

**Annual Report and Financial Statements for the year ended 31 December 2022**

the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning future activities.

## Report of the Trustees

### Achievements

During the year a total of 55 new Friends Memberships were added. However, deaths and non-renewals totalled 33 so that there was a net gain of 22 memberships. This brought the total number of Memberships at the end of the year to 524 and individual Friends to 797.

Due to the easing of COVID pandemic restrictions a full programme of events took place. This included the New Year Reception, five lectures, two outings, our Summer Party, the Winter lunches and the Annual Friends Day

Communication with our Friends was maintained through our monthly eBulletins. Also Social Media ensured that news about the Hospital and community happenings was available to Friends.

A grant corresponding to the surplus achieved in 2021 of £15,000 was made to the Hospital. This was to help purchase a stair lift between the Old Kitchen and the passage to the Brethren's Hall.

During the year one new Trustee joined the Friends Board and one stood down, thus maintaining the total of 11 trustees. The Board together with the part-time Administrator and a Brother's representative met quarterly during the year.

At the Annual General Meeting on the 10<sup>th</sup> June 2022 article E4 of the Constitution was amended to permit elected board members to serve for three-year terms and to be eligible for re-election for up to fifteen consecutive years of service.

The Marketing and Finance and Administration Committees, met at least quarterly to take forward the regular management of the Charity. The Nominations Committee did not meet in 2022.

### Future Plans

We will continue to seek new memberships and promote our activities with regular communications to our Friends.

To secure succession on our governing Board we are looking for new Trustees. If you are interested in joining us to continue the work of the Charity please contact the Chairman.

### Financial Review

The year saw a successful transition from the previous two years which were dominated by Covid restrictions which in turn restricted our ability to organise events for members and our ability to fundraise.

We returned to many traditional events including our main fundraising Summer party. We also maintained activities developed during Covid restrictions of more lectures and membership drives. These led to one of our most successful years financially. We generated a surplus before grants of £22,705 (£13,284 2021).

Total income was significantly higher at £40,987 (2021 £25,991) mainly due to many more events being possible especially the summer party. Membership income also increased slightly to £15,161 (2021 £14,359)

We also received a £500 grant from the Council allowing us to purchase a new laptop.

4

A grant was made to the Hospital of £15,000 (linked to 2021 surplus) to part fund a stairlift between the Old Kitchen and the passage leading to the Brethren's Hall.

Excluding grants, we made an operating surplus of £22,705. The net position after the £15,000 grant was a reported net surplus of £7,705. This leaves balances carried forward of £51,254 and maintains a strong position to continue supporting the hospital in 2023 and in years to come. Plans are well developed for 2023 and beyond which gives optimism for strong finances in forthcoming years.

#### **Investment and reserves policy**

##### **Investment Policy**

Funds surplus to current requirements are transferred to the CCLA Charities Deposit Fund to benefit from a higher rate of interest.

##### **Allocation of Funds and Reserves policy**

Funds from net incoming resources each year will be allocated by the Board of Trustees to projects identified by the Trustees of the Hospital. A proportion of the net income may be retained as a reserve against major projects or emergency requests from the Hospital.

#### **Trustees' responsibilities for the financial statements**

Charity law in the United Kingdom requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the Charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- state whether applicable accounting policies and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the Charity and which enable them to ascertain the financial position of the Charity and to ensure that the financial statements comply with applicable law. They are also responsible for safeguarding the assets of the Charity and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees confirm that they have followed these charity law requirements in

**Friends of St Cross Hospital Winchester**  
**Annual Report and Financial Statements for the year ended 31 December 2022**  
the year under consideration.

ON BEHALF OF THE TRUSTEES

John Pringle  
Chairman

## Independent Examiner's Report to the Trustees of Friends of St Cross Hospital Winchester

I report on the financial statements of Friends of St Cross Hospital Winchester for the year ended 31 December 2022, which are set out on pages 7-12.

### Respective responsibilities of Trustees and Examiner

The Charity's Trustees are responsible for the preparation of the financial statements. The Charity's Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

This report, including my statement, have been prepared for and only for the Charity's Trustees as a body. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body for my examination work, for this report, or for the statements I have made.

### Basis of Independent Examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the financial statements present a 'true and fair' view and the report is limited to those matters set out in the statement below.

### Independent Examiner's statement

In connection with my examination, which is complete, no matters have come to my attention which give me reasonable cause to believe that in any material respect:

- accounting records were not kept in respect of Friends of St Cross Hospital Winchester in accordance with section 130 of the 2011 Act; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a 'true and fair' view which is not a matter

**Friends of St Cross Hospital Winchester**  
**Annual Report and Financial Statements for the year ended 31 December 2022**  
considered as part of an independent examination.

## Independent Examiner's Report to the Trustees of Friends of St Cross Hospital Winchester

I have no concerns and have come across no other matters in connection with the examination to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

Mr Keith Dunt  
FCA

Date:30/03/2023

## Principal accounting policies

### Basis of preparation

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Friends of St Cross Hospital Winchester meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The principal accounting policies are set out below.

### Going concern

The financial statements have been prepared on the basis that the charity is a going concern. The Trustees consider that there are no material uncertainties on the charity's ability to continue its activities for the foreseeable future.

### Income

#### Subscriptions

Annual subscriptions are recognised in full in the year in which they are received.

Term subscriptions of 5 and 10 years are amortised over the relevant period with a full year recognised in the year of receipt.

Life subscriptions are amortised over a period of 15 years with a full year recognised in the year of receipt. Gift Aid income tax recoveries are recognised in the year in which they are claimed.

#### Other voluntary income

Donations and other revenues are recognised in full in the year of receipt. Sponsorship income is recognised in the year in which the sponsored event(s) takes place.

#### Investment income

Interest and other investment income is accounted for when received.

#### Resources expended

Costs of Charitable activities include support costs associated with the

Governance costs comprise all costs involving the public accountability of the Charity and its compliance with regulations and good practice.

Grants payable are recognised in the balance sheet as a liability once the grant has been notified to the recipient and is unconditional.

8

## Principal accounting policies (cont)

### Debtors

Prepayments are valued at the amount prepaid net of any trade discounts due.

### Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

### Creditors

Creditors are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amounts of the settlement can be estimated reliably. Creditors are recognised at the amount that the trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for goods or services it must provide.

### Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the trust and which have not been designated for other purposes.
