**Objects and activities of the charity**

The purposes of the charity are set out in its governing document:

- 1) The promotion of community participation in healthy recreation in particular the provision of teaching and facilities for the development and practice of swimming and synchronised swimming within local communities across London starting with the boroughs of Barnet, Enfield, Haringey and Waltham Forest.
- 2) To promote for the benefit of the inhabitants of London, starting with the boroughs of Barnet, Enfield, Haringey and Waltham Forest, the provision of facilities for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving the condition of life of the said inhabitants.

**Aquavision Swimming**  
**Company registration number 8152305 Charity registration number 1150224**  
**Trustees' Annual Report for the year ended 31 December 2022**

The main activities undertaken in relation to those purposes during the year:

The charity has actively encouraged participation in swimming and in particular synchronised swimming within local communities across London, particularly within the boroughs of Barnet and Waltham Forest. It has aimed to train and encourage children and adults to take various skill levels that are nationally recognised qualifications for swimming and synchronised swimming. It has encouraged children and adults to devise routines, organise events and fundraise for the benefit of this charity and other local charities in the community.

The main activities undertaken during the year to further the charity's purpose for the public benefit:

Aquavision has considered the Charity Commission's guidance on public benefit and, in particular the specific guidance for charities for the advancement of health, education, amateur sports and the relief of those in need by reason of youth, age, ill health, disability, financial or other disadvantage. All our charitable activities, as seen in our Objects above, focus on making swimming accessible to all and, through individual and team sport, we hope to help children and adults build healthier stronger communities.

The Trustees have had regard to the Charity Commission's guidance on public benefit in managing the activities of the charity.

The main achievements and performance of the charity during the year:

The competitive arm of the club did extremely well during the year, medalling at both National Age Groups, and Beacon Games. A number of swimmers of differing age groups also trained and swam with teams representing Great Britain. Our more junior swimmers also equipped themselves well at competitions such as Combo Cup and London Regional. It was very pleasing to see a return to competitions following the restrictions of the pandemic years. We are extremely grateful to the coaches and volunteers that gave up their time to allow members to train for and attend these competitions.

Fundraising activities during the year:

Our trustees have been using their expertise both behind the scenes and at the front line to establish the long term goals and charitable objective. We are very grateful to the volunteers who organised a number of events for the club. The focus in the coming year will be to continue to work on the development of the new fundraising strategy and initiatives.

The difference the charity's performance during the year has made to the beneficiaries of the charity:

With increased participation in the club through volunteers we have focused on increasing skills and training and have historically successfully trained people into a variety of roles from welfare officer to registered officials and judges. As we recover from the pandemic restrictions the Trustees recognise that this needs to be a priority once again. We have a Youth Development Programme which has now been running for 7 years and has contributed to the achievements of the charity. The programme was set up to develop young people's aquatic skills by offering financial and mentoring support to swimmers who wish to develop skills such as coaching and judging, which are roles vital to the success of the sport. The programme benefits not only the swimmers taking part but the club as a whole.

As the club returns to financial stability we have also been able to support a number of members that have been facing financial constraints, as well as subsidising the cost of additional training in a number of instances. The Trustees intend to continue to offer such support throughout 2023 and beyond.

**Aquavision Swimming**  
**Company registration number 8152305 Charity registration number 1150224**  
**Trustees' Annual Report for the year ended 31 December 2022**

The degree to which the achievements and performance during the year have benefitted wider society:

It is hoped that the additional capacity afforded through the expertise and direction provided by our Trustees will allow us to increase our profile and help make a difference with the aim of reaching new audiences and provide swimming for disadvantaged communities. In particular we are continually trying to interest boys to try the sport. The Trustees are extremely grateful to all of those that give up their time, resources and funds to contribute to this.

**Structure governance and management of the charity:**

The methods used to recruit and appoint new charity trustees:

The Trustees periodically discuss whether their particular skill sets are sufficient to effectively manage and drive forward the charity. Should a skill set be found to be lacking, parents of the children swimming within the club are approached in the first instance to establish if the need can be met and an additional Trustee recruited. Should this be unsuccessful the Trustees would continue the search within the wider community.

The charity's relationships with related parties:

Purchase of swimming costumes and other swimming aids: Aquaswim Supplies Limited, 50 Hillfield Park, London. N21 3QL

**Financial Review**

The Charity's financial position at the end of the year ended 31 December 2022:

The financial position of the charity as at 31 December 2022 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:

	<b>2022</b>	<b>2021</b>
	<b>£</b>	<b>£</b>
Net income/ (expenditure)	9714	(4112)
Unrestricted funds available for the general purposes of the Charity	9951	247
Restricted Revenue funds	2019	2009
Total funds	11970	2256

Financial review of the position at the reporting date, 31 December 2022:

The Trustees consider the financial performance of the charity in the year to have been satisfactory – particularly during such a challenging period. We are very grateful to the members who continued to support us in this time.

Policy on Reserves:

The reserves policy relates to Aquavision's unrestricted funds only and has been set to meet the future needs of Aquavision. In setting the policy the Trustees have considered the effective management of cash flow in meeting Aquavision's short term obligations whilst allowing Aquavision to react to change in funding in both the internal and external environment. The Trustees have revised the target range for reserves to £10,000 - £12,000. The decision reflects the concerns about the recent increase in the cost of living and energy bills. Additionally the membership cohort has altered significantly through 2023 and the Trustees are continuing to monitor the effect that this will have on income and expenditure. The revised target broadly equates to one month's core expenditure. At 31<sup>st</sup> December

**Aquavision Swimming**  
**Company registration number 8152305 Charity registration number 1150224**  
**Trustees' Annual Report for the year ended 31 December 2022**

2022 Aquavision had unrestricted reserves of £11971. The Trustees will continue to work towards maintaining this level of reserve in 2023.

Availability and adequacy of assets of each of the funds:

The board of Trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

Future plans and going concern assessment

We are pleased to say that training within the club has now expanded following the easing of Coronavirus restrictions and we are beginning to rebuild our membership. We are very encouraged with the level of interest that we have seen from new swimmers.

We have managed to find alternative pool training spaces and are able to offer a number of training sessions throughout the week.

The government bounce back loan has allowed us to successfully navigate cash flow issues with initial pool hire costs, and has given us some financial breathing space. We have now started to repay this loan.

We do consider that the club is still able to operate as a going concern.

## **INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF AQUAVISION SWIMMING**

### **Independent Examiner's report to the Trustees of Aquavision Swimming**

I report to the Trustees on my examination of the accounts for the year ended 31 December 2022.

#### **Responsibilities and basis of the report**

As the charity's trustees of the Company (and also its directors for the purposes of Company Law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act, 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act, 2011 ("the 2011 Act"). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent Examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that –

1. Accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act, or
2. The accounts do not accord with those records, or
3. The accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view, which is not a matter to be considered as part of an independent examination, or
4. The accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland [FRS 102].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The directors are satisfied that the company is entitled to exemption from the requirement to obtain an audit under section 477 of the Companies Act 2006.

The members have not required the company to obtain an audit in accordance with section 476 of the Act.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of accounts.

The charity is subject to Independent Examination under charity legislation and the Independent Examiner's report is on page 5.

The financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies regime.

**Andrew Gormanly**  
Trustee

# Aquavision Swimming

## Annual Report and Accounts 2022

Registered Company number 8152305 and  
Registered Charity number 1150224

### Notes to the accounts for the year ended 31 December 2022

#### 1. Accounting policies

##### *Policies relating to the production of the accounts*

###### **Basis of preparation and accounting convention**

The accounts have been prepared on the accruals basis, under the historic cost convention, and in accordance with the Financial Reporting Standard 102 (effective 1 January 2016) and FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (effective January 2016) and in accordance with all applicable law in the charity's jurisdiction of registration.

###### **Risks and future assumptions**

###### **Donated goods, facilities and services**

**Donated fixed assets** are recognised at their current fair value. All such donations are recognised as donations income and debited to fixed assets.

**Donated goods that are not fixed assets** are recognised at their current fair value, unless it is impractical reliably to measure the value of the donated items.

In the absence of any direct evidence of the fair value of donated goods a value is derived from the cost of the item to the donor or, in the case of goods that are expected to be sold, the estimated resale value after deducting any anticipated costs of sales.

If it is impractical to measure the fair value of goods donated for resale, or the costs of valuation outweigh the benefits, the donated goods are recognised as income when sold, with an equivalent amount being recognised as an expense.

The costs of goods donated for distribution to beneficiaries is deemed to be the fair value of those goods on receipt. When the goods are distributed freely or for a nominal consideration, the carrying amount is adjusted at the time of sale, to the value at the point of distribution and the adjustment is shown as a cost

**Donated services and facilities** (included seconded staff and use of property) are included in the accounts on the basis of the value of the gift to the charity.

All donated services and facilities are recognised as donation income when received, provided the value of the gift can be measured reliably, and recognised as an expense with an equivalent value.

###### **Membership subscriptions**

The income and associated gift aid or other tax refund from a membership subscription received by the charity in the nature of a gift is accounted for on the same basis as a donation.

The income from a membership subscription received by the charity where the subscription purchases the right to services or benefits is recognised as income from charitable activities.

##### *Policies relating to expenditure on goods and services provided to the charity*

###### **Recognition of liabilities and expenditure**

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement and when the amount of the obligation can be measured or reliably estimated.

Liabilities arising from future funding commitments and constructive obligations, including performance-related grants, where the timing or amount of future expenditure required to settle the obligation is uncertain, give rise to a provision in the accounts, which is reviewed at the year end. The provision is increased to reflect any increases in liabilities, decreased by the utilisation of the provision within the period and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

###### **Volunteers**

In accordance with the SORP, and in recognition of the difficulty in placing a monetary value on the contribution from volunteers, the contribution is not included in the income of the charity.

However, the Trustees value the significant contribution made to the activities of the charity by unpaid volunteers and this is described more fully in Note 6.

# Aquavision Swimming

## Annual Report and Accounts 2022

Registered Company number 8152305 and

Registered Charity number 1150224

### Notes to the accounts for the year ended 31 December 2022 (continued)

#### 1. Accounting policies (continued)

##### *Policies relating to assets, liabilities, provisions and other matters*

##### Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation or, if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual values over their estimated useful lives.

Plant and machinery	20% on a straight-line basis
---------------------	------------------------------

##### Stocks and work-in-progress

Stock is valued at the lower of cost and net realisable value.

##### Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

##### *Fund accounting*

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the objects of the charity.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal or as implied by law.

#### 2. Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1, Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly the charity is potentially exempt from taxation in respect of income or capital gains received within the categories covered by Chapter 3, Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity and is therefore included in the relevant costs in the Statement of Financial

#### 3. Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

#### 4. Significance of financial instruments to the charity's position

There are no financial instruments to be disclosed.

#### 5. Net surplus before tax in the financial year

	2022	2021
	£	£
The net surplus before tax in the financial year is stated after charging -		
Depreciation of owned fixed assets	675	675

#### 6. The contribution of volunteers

The charity depends on the support of its volunteers, which is much appreciated. In the year 816 hours were volunteered to support the swimmers. It is estimated that, without the help of volunteers, the charity would need to find the equivalent of over £19,060 to obtain similar services. The arrangements with volunteers are difficult to value precisely in monetary terms and have not been recognised in the Statement of Financial Activities. The volunteers and the charity accept and agree that no contract of employment is created by these arrangements.

#### 7. Staff costs and emoluments

	2022	2021
	6	5
The average number of part-time staff employed in the year was -		

No employee received emoluments (excluding pension costs) in excess of £60,000 per annum.

## Annual Report and Accounts 2022

Registered Company number 8152305 and  
Registered Charity number 1150224

### Notes to the accounts for the year ended 31 December 2022 (continued)

#### 18. The purposes for which the funds as detailed in Note 16 are held by the charity

##### **Restricted funds -**

##### **Jack Petchey**

Awarded to swimmers who are felt to have volunteered their free time to help others in need.

##### **Development**

To promote excellence and talent.

##### **Unrestricted and designated funds -**

These funds are held for meeting the objects of the charity, and to provide free reserves for future activities, and, subject to charity legislation, are free from all restrictions on their use.

#### 19. Ultimate controlling party

The charity is under the control of its legal members.

Every member of the charity is obliged to contribute such amount as may be required not exceeding £10 to the assets of the charity in the event of its being wound up while he or she is a member or within one year after he or she ceases to be a member.

#### 20. Related parties

Trustees are paid only expenses incurred on behalf of the Club on the production of receipts. Included in the cost of coaching are payments to the daughters of three of the Club's Trustees, Debra Harris, Fiona Sagoo and Wendy Weir of £16,078 (2021 - £12,248) and to a company owned by Debra Harris - Aquaswim Supplies Ltd, totalling £305 (2021 - zero).

#### 21. Donations and legacies
