Additional information (optional)

Policies and procedures adopted for the induction and training of trustees	The group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees, they are responsible for complying with legislation applicable to charities. This includes registration, keeping proper accounts and making returns to the Charity Commission as appropriate.
	The Committee consists of 3 independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leader, individual section leaders (if opted to take on the responsibility) and parent representation and meets every 2 months.
	Members of the Executive Committee complete 'Essential Information for Executive Committee' training within the first 5 months of joining the committee.
	This Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:
	The maintenance of Group property;
	-The raising of funds and the administration of Group finance;
	-The insurance of persons, property and equipment; -Group public occasions; Assisting in the recruitment of leaders and other adult support;
	-Appointing any sub-committees that may be required;
	-Appointing Group Administrators and Advisors other than those who are elected.
	Risk and Internal Control
	The Group Executive Committee has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

and an anti-anti-anti-anti-anti-anti-anti-anti-	Damage to the building, property and equipment. The Group would request the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout Groups. Similar reciprocal arrangements exist with these organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.
	Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.
	Reduced income from fund raising. The Group is primarily reliant upon income from subscriptions and fundraising. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.
- entert brin ² er enter	Reduction or loss of leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.
	Reduction or loss of members. The Group provides activities for all young people aged 6 to 18. If there was a reduction in membership in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.
	The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and comprehensive insurance policies to ensure that insurable risks are covered.
