REPORT OF THE TRUSTEES for the Year Ended 30 April 2023

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 April 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective I January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Objects of the Charity

The objects of Solva Edge Festival ("the Charity") as laid out in the Articles of Association are specifically restricted to the following:

1. To promote the arts, heritage and culture for the benefit of the public, including (without limitation) musical, literary, dramatic, performance, dance and visual arts particularly, but not exclusively, by organising and delivering arts and cultural festivals.

2. To advance the education of the public in heritage, culture and the arts, and in particular musical, literature, poetry, history and visual arts particularly, but not exclusively, through workshops, talks and other educational programmes at or in connection with arts and cultural festivals.

3. To promote the effectiveness and efficiency of registered charities and organisations promoting charitable work, including community groups, particularly, but not exclusively in the area of West Pembrokeshire.

4. To advance in life and help young people through:

(a) The provision of recreational and leisure time activities provided in the interest of social welfare, designed to improve their conditions of life.

(b) Providing support and activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals, including, but not exclusively, though advancement of their education.

Significant activities

Main activities of the Charity

The Solva Edge Festival was founded in 2015. The village of Solva is located in the coast of Pembrokeshire, West Wales, with a population of 865. Following the S4C TV production of Under Milk Wood in Pembrokeshire in 2014, the Festival was organised by a group of local volunteers who wanted to continue to promote and educate the local community about the arts, music and literature. In 2018 Solva Edge Festival received charitable status.

Following two years of no festivals due to the Covid-19 pandemic, the Solva Edge festival took place in July 2022. The festival was attended by 3,500 people over three days, with eight literature and poetry performances, twenty-five musical performances, three nature events, children's entertainment and more.

Key activities were as follow:

1. Advancing arts, culture and heritage. This is primarily delivered by an annual three-day festival that brings together a diverse range of performers, artists, writers and poets as well as experts in various subjects (architecture, history, etc.) to educate, inform and entertain visitors and residents of the area alike. Highlights in 2022-23 included:

- Literature and Poetry: talks, readings and performances from a number of writers and poets published by Seren Books and Bloodaxe.

- Music: a wide range of musicians performed, including folk, jazz, male voice choirs and more. The Festival provides an opportunity for local, young and emerging musicians to gain confidence and recognition by playing alongside well-established performers.

- Heritage and culture: there were a number of lectures, workshops, guided nature walks and other educational activities.

2. Advancing education and recreation: This is delivered by providing a programme of talks, workshops and nature events at the annual Festival by experts on a wide range of subjects. In 2022 we had a talk on architecture, guided river and nature walks and introduction to kayaking and paddleboarding for young people.

3. General charitable purposes: One of the key purposes of the Charity is to promote the effectiveness and efficiency of registered charities and organisations which carry out charitable work, including community groups, particularly, but not exclusively in the area of West Pembrokeshire.

In 2022-23 we made grants of £6, 581 subject to our grant making policy. As a result, Solva Edge Festival is a significant grant maker in this area. Grants were given for local sporting clubs, developing a play area for young people, environmental activities in the local area and more.

4. To advance in life and help young people by supporting young people who live locally in this remote and relatively poor area of Wales and providing key facilities for them.

The trustees have had due regard to the guidance issued by the Charity Commission on public benefit.

REPORT OF THE TRUSTEES for the Year Ended 30 April 2023

OBJECTIVES AND ACTIVITIES

Grantmaking

Grant making policy

Grants to local organisations based in Solva, St. Davids Peninsula and Haverfordwest are sought in the autumn each year, with the sum awarded dependent on any surplus generated by the Edge festival after a reserve has been retained to ensure the proper management of the charity.

The first of these objects give considerable discretion but it is clear that the purpose of grants must be inherently charitable. This means that:

" The organisation to which a grant is being made should itself be a registered charity, or:

" The organisation must use the grant for a charitable purpose as defined by law and in the opinion of the trustees of Solva Edge Festival.

Furthermore, the trustees have a preference to make grants to organisations where it can be demonstrated that additional funds have been raised or generated in order to match the grant requested of the Solva Edge Festival.

Volunteers

The Solva Edge Festival is run by volunteers. We employ a local person to manage the administration of the festival across the year, but the rest of the activity is undertaken by volunteers. During the festival in July 2022, 50 volunteers worked to manage the event. The core management committee of 20 volunteers meet monthly through the year to plan the festival.

FINANCIAL REVIEW

Financial position

The end of the period saw financial reserves standing at £22,999 (2022 £26,118).

Reserves policy

It is the trustees intention to try to retain sufficient reserves to ensure that advance costs on the next festival are held in reserves (deposits for performers, staging, insurance, etc).

FUTURE PLANS

The trustees are at an advanced stage of planning for the Solva Edge Festival in July 2023, not just for the education and artistic benefit it provides to the village and wider area, but also so that we can make grants to charitable causes in the local area. We will review future plans after assessing the impact of the Edge Festival in July 2023 and expect to hold the festival again in 2024.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The Charity is constituted as a company limited by guarantee (company registration number 10152191) and as a registered charity (charity registration number with charitable status (1180538).

The charity is entirely run and led by volunteers and there are no paid staff. For the weekend of the annual Festival, over 50 local people (some 10% of the adults resident in the village) volunteer to make the event a success. The charity has a board of 2 trustees elected by a management group of 20 volunteers. Positions are elected at least every three years. Management Group meetings are held monthly throughout the year. The Trustees meet regularly and have formal positions of Chair, Secretary and Treasurer. All trustees are residents of the village and we have a 50:50 gender mix.

The charity is governed by the Charity Commission's Model Articles of Association for a charitable company. The Memorandum and Articles were incorporated 28 April 2016 and amended by Special Resolution registered at Companies House on 21 September 2018.
