**Report of the Trustees**  
**for the Year Ended 31 December 2022**

The trustees present their report with the financial statements of the charity for the year ended 31 December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

The Foundation's objects are to advance the education of people in the subjects of music and the arts. The Foundation makes grants to organisations and individuals in accordance with its objects and are agreed by the trustees.

The Trustees, having regard to the Public Benefit guidance published by the Charity Commission, in accordance with Section 17 of the Charities Act 2011, consider that the purpose and activities of the charity satisfy the requirements of the public benefit test set out in Section 4 of the same Act.

**FINANCIAL REVIEW**

The financial statements are set out on pages 4 to 5.

The Foundation received further donations from the settlor and trustee, Richard Davey during the year. The trustees have appointed investment managers to invest in a wide range of quoted bonds and securities. The value of these investments had been adversely affected by coronavirus, but this and the previous year has seen a recovery in global markets benefitting the portfolio.

The trustees' policy is to apply income and capital towards the promotion of its objects.

At the period end, the Foundation had reserves of £2,780,192 (2021: £3,095,749).

The financial performance of the Foundation is dependent upon further donations received from the settlor and investment performance. There is a risk that the value of investments could fall, affecting the ability of the trustees to make donations from income.

**ACHIEVEMENTS, PERFORMANCE AND PLANS FOR THE FUTURE**

The success of the Foundation is measured in terms of the level of donations it receives and from investment income.

The Foundation's plans for the future rest on the charitable intentions of the trustees.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

The Foundation was constituted on 5th January 2018 and is governed by the trust deed. The Foundation is a Charitable Incorporated Organisation.

The identification and appointment of new trustees is considered by the existing trustees. A new trustee may be appointed by a resolution of a meeting of the trustees.

The trustees who served during the year are shown in the 'Reference and administrative details' section below. All trustees give of their time freely and no trustee remuneration was paid during the period. The major risks to which the Foundation is exposed, as identified by the trustees, have been reviewed and systems have been established to mitigate those risks.

**Independent Examiner's Report to the Trustees of  
The Margaret Killbery Foundation**

**Independent examiner's report to the trustees of The Margaret Killbery Foundation**

I report to the charity trustees on my examination of the accounts of The Margaret Killbery Foundation (the Trust) for the year ended 31 December 2022.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Notes to the Financial Statements  
for the Year Ended 31 December 2022**

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The financial statements have been prepared under the going concern basis.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Tax reclaimable on donations is included in the financial statements at the same time as the donation to which they relate.

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

**Taxation**

The charity is exempt from tax on its charitable activities.

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

**Hire purchase and leasing commitments**

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

**Investments**

Investments are stated at quoted market value at the balance sheet date, less any provision for impairment. All investments are quoted on recognized stock exchanges. Realised and unrealised gains or losses are shown net in the statement of financial activities.
