TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 DECEMBER 2022

The Trustees present their annual report and financial statements for the year ended 31 December 2022, which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The Charity's objects are specifically restricted to the following , for the public benefit:

- The advancement of amateur sport including providing facilities for playing football, rugby league or other amateur sports promoting health as the Trustees shall determine:
- the promotion of facilities for recreation or other leisure time occupation for the benefit of the inhabitants of the Spenborough district of Kirklees and the other surrounding area in the interests of social welfare and with the object of improving the condition of life of the said inhabitants;
- the advancement of health; and
- the advancement of education and training, in particular in amateur sports and health.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake.

Achievements and performance

The Charity has operated for the full financial year incurring a small deficit which has been funded from its reserves.

Financial review

The Charity's total income from resources was £72,257 to 31st December 2022 (December 2021: £55,884). The Charity's total expenses were £76,023 for the same period (2021: £73,574) Leaving a deficit for the year of £3,766 (2021: £17,690), and a surplus to carry forward of £10,847.

It is the policy of the Charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The Trustees have assessed the major risks to which the Charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Plans for future periods

Plans continue to be worked on to further improve the facilities at the site and establish new channels of revenue to ensure the site continues to be viable going forward working with all interested parties and stakeholders.

The Trustees of EBCSA continue to be very focused on ensuring the operating model is able to sustain the running costs of the site and work on ways to secure investment into future development of the site, its facilities and all those who use them.

The Board wish to thank everyone for their contributions during the reporting period, the plans continue to build for the site and we hope to be able to start the further development of the site within the next couple of years.

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

Structure, governance and management

The Charity is a company limited by guarantee , incorporated on 24 February 2016 and registered as a charity on 14 December 2016 .

The Trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mr S Armitage Mr R C Light Mr A Redmond Mr A M Walker Mrs N J Redmond Mr B A Fagborun Mr D Smith Mr N L Page

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

The charity's preference is that all trustees have an interest, as well as the skills required to offer and assist the charity's development. There is no specific policy in place for inducting new trustees into the charity but is something which will be considered moving forward as it grows.

None of the Trustees has any beneficial interest in the company. All of the Trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

The directors as a board agree and deliver the strategy and policies of the charity. The key objectives are to manage the site and its facilities and to also ensure that it is able to meet all its liabilities from a running cost perspective.

The organisational structure is detailed as follows:

Members

The liability of members is limited to $\pounds 1$ – this means that if the Charity dissolved each member would only have to provide $\pounds 1$ towards the cost of any liabilities (Article 3).

Members must be organisations (Article 6.4). However, the articles of the Charity state that if a member is an unincorporated organisation it needs to nominate a representative to act on its behalf (Article 6.3). The current members of the Charity are:

- Birkenshaw Blue Dogs Rugby League Club open age (acting by Simon Armitage)
- Birkenshaw Blue Dogs Rugby League Club juniors (acting by Andrew Redmond)
- Gomersal & Cleckheaton Football Club open age (acting by Nathan Page)
- Gomersal & Cleckheaton Football Club juniors (acting by David Smith)

The Charity also has two independent trustees who have the same voting power as the member clubs and these include:

- Independent (acting Robert Light)
- Independent (acting Andrew Walker)

(Article 6.2)

The members can appoint trustees. The Articles of the Charity say that each member can appoint at least 2 trustees who are themselves members, or are members of a current member (Article 8.3).

New members must be approved by a special resolution of the Charity (i.e. with the approval of 75% of the current members (article 6.4)). It is worth a quick line as to what constitutes a special resolution – this is passed if 75% or more of members voting at a general meeting approve the matter.

Trustees (article 8)

The trustees have control of the Charity, its property and funds. Trustees (other than independents (see below)) are appointed by members as referred to above and are removed in accordance with Article 8.5. There is to be a minimum of 5 trustees. Currently the Charity has 8.

The trustees can appoint the secretary, chairman, treasurer and can delegate their functions to committees. Each committee must be made up of at least one trustee. I refer to these board appointments later in the note.

The trustees have the responsibility of keeping the accounts and annual returns.

The trustee board must have at least two (subject to a maximum of three) independent trustees who are not also members. This is to ensure fairness and help in managing conflicts. Such trustees are appointed by the other trustees in accordance with Article 8.2. They are removed in accordance with Article 8.5.

The charity recognises that it has a responsibility to provide guidance and assist new trustees in fulfilling their duties and responsibilities. This is done in accordance with Charity Commission guidance.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies

Charity information

East Bierley Community Sports Association is a private company limited by guarantee incorporated in England and Wales. The registered office is 20 Owl Lane, Dewsbury, West Yorkshire, WF12 7RQ.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest \pounds .

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies

1.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold land and buildingsNilPlant and equipment25% Reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

2 Critical accounting estimates and judgements

In the application of the Charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
