Section C

them.

Objectives and activities

Summary of the objects of the charity set out in its governing document

and procedures to manage

Clay Hill Community Association manages the Riverside Community Centre at Rosemoor Gardens, Newbury, and uses it as a base for its activities such as school holiday clubs and free food distribution. We make halls available to hire for private events, and support many local organisations that use our halls and rooms for purposes that benefit the whole local community and the natural environment.

In planning our activities we keep in mind the Charity Commission's guidance on public benefit.

We maintain and let out a community centre with two halls, two meeting rooms and a kitchen. We encourage but do not require hiring by local residents or for the benefit of local residents. During this year a lot of use was made of our centre by the West Berkshire District Council's Children's Services department for family contact sessions.

Throughout the year we have been distributing food donated by ALDI to local families in need. This happens between 1 and 2 times a week.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- · policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Summary o	f the main
achievemen	nts of the charity
during the	year

We had a very full programme of events in the community centre. Our role is to facilitate and support organisations and private individuals who need space for their activities.

We take pride in the standard of our centre and put a lot of effort into maintaining and improving it, from litter picking to installing LED lighting.

Section E

Financial review

Brief statement of the charity's policy on reserves

We have maintained healthy bank balances throughout.
We believe our reserves are adequate without being excessive.

Details of any funds materially in deficit

Not applicable

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Our major source of income is the fees that hirers pay to hire our halls and rooms. We have kept our rates constant for several years in order to keep fees affordable to all, in consideration of part of our catchment area being an Area of Deprivation.

We have not performed any fund-raising, nor been given any financial awards, grants or gifts.

Expenditure this year has largely gone on the running costs of our routine activities, including maintenance of the centre and its grounds.

We have no investments outside our bank accounts.
