OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the CIO are, for the public benefit:

- To advance the Christian faith in accordance with the statement of beliefs in the boroughs of Merton and Kingston upon Thames and in such other parts of the United Kingdom and the world as the charity trustees may from time to time think fit;
- The prevention or relief of poverty in the boroughs of Merton and Kingston upon Thames and in such other parts of the United Kingdom and the world as the charity trustees may from time to time think fit.

Our Mission

DDCC, along with all the other campuses in the Doxa Deo family, dreams about a City and its communities transformed into a place where God reigns. At DDCC we believe that every person is called to be a City Changer, and to make a real difference in our strategic city.

DOXA DEO COMMUNITY CHURCH

Report of the Trustees for the Year Ended 31 December 2022

OBJECTIVES AND ACTIVITIES

Significant activities

A major emphasis of the ethos of the trust and church is to reach out and bless the people of the community in which we live, particularly those people in need. Members are encouraged to engage with other Christian charities, be active in the community and to initiate or join activities to promote the objectives of the charity. This is done by providing relevant information and by stories of success. Also, the activities of the trust are not restricted to members of DDCC but are open to all.

Sunday Celebrations

The church gathered weekly on Sunday mornings, beginning our year with worship and teaching on a monthly-in-person rhythm to continue as we had done so at the end of 2021. Online gatherings took place on the Sundays that were not in-person. We met to encourage people in their relationship with God around the overarching theme of Faith with a readiness for more frequent in-person occasions at Tolworth Recreation Centre. From April we shifted to a fortnightly-in-person rhythm as teams and roles were re-established to capacitate for the higher frequency of meetings. This rhythm continued through the summer before making the shift to a weekly-in-person rhythm for our gatherings at the Tolworth Recreation Centre from September onwards. The children and teenagers met in person for age-relevant sessions.

Groups

During 2022, our members remained connected into church life in personal relationship through group interaction and the use of online zoom meetings. The alternative ways to connect people through Hotspots - terms we have used for small gatherings of people - remained a vital part of keeping connected. Gathering our senior cohort at fortnightly mid-week gatherings called Tea with the King, enabled those more isolated or at risk of loneliness the opportunity to be connected frequently with others in a social and spiritual way.

Cherish Ladies

Cherish is the ladies' ministry of Doxa Deo Family of Churches, a women's Ministry with a mission and passion to nurture, love and inspire women to become and live abundantly in all God has created and designed them to be as women. The Cherish team held teaching series and safe place moments to connect together after long periods being apart, whereby women continued to grow, share and develop in their faith journey with one another. We also saw the re-introduction of in-person events to connect and share together in relationship with one another.

Next Gen Ministry

This was an area identified in 2021 by the Kingston Campus team that required the need to position more intently for growth and equipping of life skills and faith among the age group in 2022. The appointment of a new Next Gen Leader enabled the team to support those under 18 years of age more intentionally. A rise in the frequency of opportunities to meet more regularly gave children and their peers a greater sense of community in the year. This also saw spiritual and numerical growth to noticeably take place over the course of the year. At key points in the calendar year there were additional social events and community events arranged that provided opportunities to connect with new families and raise the level of friendship among the children and teenagers.

CITY CHANGER PROJECTS

Doxa Deo Community Church run a growing number of initiatives that bring faith, love and hope to our communities which we call City Changer Projects. We respond with help immediately, identifying the underlying causes and then supporting to see lasting change.

Kingston Foodbank

Formed in 2011 as part of the national charity Trussell Trust we provide emergency food and support to people experiencing crisis in the Royal Borough of Kingston upon Thames and campaign to end food poverty. During 2022, 3404 food packages containing 62.9 tonnes of food with a value of £159,185 were given out to 7185 recipients (4617 adults / 2568 children). The Director for our food projects sits on the local authority strategy group to consider borough wide responses to food insecurity.

In September 2022 we were awarded funding over three years to increase advice and advocacy services at all our support hubs and to start a job club.

Hygiene Bank

DOXA DEO COMMUNITY CHURCH

Report of the Trustees for the Year Ended 31 December 2022

OBJECTIVES AND ACTIVITIES

Kingston Foodbank has always provided household and hygiene projects through donations and distribution centres.

Fuelbank Foundation

Piloted and launched through Kingston Foodbank, during 2021/22 we issued 452 top up vouchers to the value of £18,080 supporting 1742 (1133 adults/ 609 children) local people.

Local Pantry Kingston

The Local Pantry project was launched in the south of the borough in September 2022 as a follow on referral project from Foodbank. The service aims to have 100 weekly clients by the end of the first year and supports families and individuals moving on from crisis through a subsidised shopping service.

Growbaby Kingston

With effect from January 2022 this project moved under City Changer Projects providing support for families with children aged 0-5 years with baby clothes, equipment, formula milk and nappies. It also runs parenting support groups in partnership with the local childrens' services. In December 2022 we distributed over 2000 Christmas gifts to children and care leavers as part of Growbaby Christmas.

Kingston United for Ukraine

Immediately following the invasion of Ukraine in February 2022 we opened one of our centres on a weekly basis to act as a Welcome Space for Ukrainian families arriving in Kingston with host families. In addition we ran the rematching project for the local authority where host arrangements didn't work out, started English classes for children, organised trips to the coast and central London museums and provided space for cooking and homework clubs for families in emergency hostel accommodation.

Community Cafes

In December 2022 we opened our first Community Café space in partnership with St Peters Church Norbiton to deliver a welcome space on the Cambridge Estate area and practical support for families impacted by the cost of living challenges and the estate regeneration project.

Christmas Lunch on Jesus

Christmas Lunch on Jesus is a seasonal initiative to deliver quality festive food hampers to homes, referred by front line agencies, across South West London who would otherwise be facing a challenging Christmas. In 2021 we were able to fund, pack and deliver 1110 hampers across 12 London boroughs, Elmbridge and Surrey. Tolworth Recreation Centre, the largest venue in Kingston, offered us their venue rent free to be able to run the project. We are grateful for their continuing support.

Grace Advocacy Kingston

Working directly with individuals and families struggling with complex issues to bring resolution and stability in areas of finance, benefits, housing, health, and social care we are working to establish advocacy centres as part of each Kingston Foodbank centre and all City Changer Projects initiatives.

Caring for Prison Leavers

During 2022 we supported 3 individuals and their immediate families. We aim to provide practical care and support for those serving sentences or leaving prison through visiting, writing, helping with the initial days after release and ongoing encouragement. We also support projects working with prison leavers in the Merton area through our Christmas Lunch on Jesus project.

DOXA DEO ONLINE CAMPUS

During the unprecedented challenges of the COVID-19 lockdowns, Doxa Deo responded with resilience and innovation, establishing an Online Campus. This digital space became a beacon of hope and community for individuals not only in the UK but across multiple nations globally. However, as the pandemic moved on and the restrictions lifted, we observed a natural ebb in online engagement. With careful consideration, we've decided to halt the Online Campus in its current iteration. Our commitment remains resolute: we will reflect, reimagine, and reintroduce this platform in a manner that aligns with our evolving global community's needs.

DOXA DEO COMMUNITY CHURCH

Report of the Trustees for the Year Ended 31 December 2022

OBJECTIVES AND ACTIVITIES

OTHER ACTIVITIES

Members of the church volunteer their time with several other local charities including: Kingston Street Pastors, Kingston Churches Action on Homelessness. Due to the lockdown restrictions those services that are in place to benefit the community were required to operate differently, therefore the interaction become more remote. The trust did not financially contribute to any of these charities in 2022.

Kingston Ecumenical Work

Doxa Deo Community Church continued to facilitate conversation between local church leaders from across the Royal Borough of Kingston upon Thames together with civic leaders and parliamentary leaders to continue the high level of contribution to the borough following the Covid-19 crisis. These helped continue the sense of cohesion across the borough and strengthened the building up of healthy relationships between church and local agencies. Monthly prayer meetings were facilitated through our direct interaction along with the continued effective contribution of our City Changer Projects through other local church interaction for the upliftment and strengthening of the borough.

London Ecumenical Work

Doxa Deo Community Church continues to connect with local church leaders from across the city. We worked closely with the Pioneer Network of churches, Christchurch London, and the Everything Movement. We were also part of a London group led by the Gather Movement and contributed to their national conference. We started the City Changers Learning Community for church leaders in the London Pioneer Network. About 25 people met monthly for nine months to learn and share on how the church can work towards the transformation of our communities. The first cohort finished the Learning Community in July.

Public benefit

In planning the activities of the trust the trustees have considered the Commission's guidance on Public Benefit and the advancement of Religion for the Public Benefit.

Grantmaking

It remains the policy of the trustees to make donations to causes, which share our objects, outside the church.

Volunteers

All of the trust's activities make significant use of volunteers without whom none of the activities could function. Some are responsible for the organisation and efficient running of activities and many contribute significant skills.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

General

The involvement of members of the church in community-based projects has been encouraged during the year by the teaching programme, by disseminating information on local initiatives by other groups and by success stories.

Several members serve on a voluntary basis in City Changer Projects which continues to develop.

Sunday morning worship and teaching meetings with concurrent children and youth groups have run well with a varied programme and continued to attract visitors and new members, chiefly through the church's website.

FINANCIAL REVIEW

Principal funding sources

The main source of funding is gifts from church members who are encouraged to give regularly using gift aid.

Investment policy and objectives

Funds not required for current running of the trust are invested a CCLA deposit account to produce the maximum returns without compromising security.

DOXA DEO COMMUNITY CHURCH

Report of the Trustees for the Year Ended 31 December 2022

FINANCIAL REVIEW

Reserves policy

The trustees believe the Trust requires sufficient level of reserves to enable it to continue to function in the short term (6 months) should there be a major decline in the level of giving to the Trust by members of DDCC. These members represent the chief source of the Trust's funds.

The trustees are aware that there would be additional costs if there was need to make staff redundant. The level of reserves is therefore considered satisfactory but the trustees will highlight a deficit in current income/expenditure to church members if needed.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a constitution, and constitutes a charitable incorporated organisation, company number CE013328, a charity registered as a body corporate under part 11 of the Charities Act 2011.

Recruitment and appointment of new trustees

The constitution requires trustees to be members of DDCC. Under the terms of the constitution Trustees are appointed for a period of three years (apart from the initial trustees, some of whose terms were staggered and shorter). Trustees are appointed by the Members of the trust and drawn from suitable candidates within the church fellowship. New trustees are provided with copies of the governing documents and the latest Annual Report.

Organisational structure

They are responsible for ensuring the trust operates in accordance with the law and its governing documents. The leaders of the church are responsible for spiritual direction of the church, set strategy and oversee the general running of the church's activities. The day to day operation of the church is the responsibility of the leaders, the staff of the church and volunteers appointed to positions of responsibility,

Related parties

While the trust cooperates with other parties in the pursuit of its charitable objectives and makes donations to some of them, there are no contractual commitments.

Risk management

The major risks to which the charity is exposed are considered annually and the action taken to reduce and manage the risks are reviewed. The major current risks identified, and the action taken are:

Depletion of funds: future budgets and cash flow considered at each bimonthly trustee meeting.

GDPR violation: policies in use and communicated to use

Loss or illness of key member of staff: use of teams where possible and keeping of ordered records.

Child abuse: Child protection policy in place, DBS checks maintained, regular reports to trustees.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- 25% on cost
Computer equipment	- 33% on cost

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
