Nelson Street Church Rochale Trustees annual report for the period ending 31 December 2022

The Board of Trustees present their reports for Nelson Street Church Rochdale for the period ending 31 December 2022.

Structure, Governance and Management

Governing Documents

The organisation is a charitable company limited by guarantee without share capital, incorporated on 15th September 2020 and registered as a charity on 29th October 2020. Nelson Street Church Rochdale was established under a Memorandum of Association that establishes its objects and powers and is governed under its Articles of Association. Members of the charitable company guarantee to contribute an amount not exceeding £10 to the assets of the charitable company in event of winding up.

Structure

The directors of the company are also charity trustees for the purpose of charity law. The Board of Trustees is responsible for the governance and management of the church. The responsibility for leadership of the church's activities, development of its spiritual life and its daily management has been delegated to the senior leadership team who are supported in that role by the staff team including clergy. The Board of Trustees retains final decisions over policy, employment of staff and finance, and takes responsibility for all matters of legal and regulatory compliance.

Trustees give their time voluntarily and receive no financial benefit from the charity. Trustees are appointed by trustee members and can be appointed by ordinary resolution at a general meeting of members.

Decision Making

All financial and strategic decisions over £10,000 are taken by the entire Board of Trustees. Any financial and strategic decisions over £5,000 are taken by the senior leadership team. The organisational implementation of the strategy is carried out by senior leadership. The Revd Janie Cronin fulfils the key day-to-day senior management role.

The salary of the key management role is paid by the diocese in accordance with the agreed salary structure of ordained personnel in the Church of England.

Training

All staff, volunteers and trustees undergo formal recruitment and selection process, followed by an induction period that includes any training considered necessary to

effectively perform their role. Senior Leadership of the church consists of clergy, whose pay is set via stipend, the level of which is set by the Diocese.

Volunteers

The church benefits from the dedicated work of a great number of volunteers. In accordance to FRS 102 and the Charities SORP (102), the economic contribution of general volunteers is not recognised in the accounts.

Objectives and Activities

Nelson Street Church Rochdale is an Anglican 'Bishop's Mission Order' Church, led by Revd Janie Cronin who was commissioned by the Bishop of Manchester to plant a resource church in Rochdale.

Our objectives are set in our governing documents, the Memorandum and Articles of Association, which was agreed by the Board of Trustees in September 2020.

Our objectives:

The advancement of the Christian religion principally:

- through the provision of an Anglican place of worship in Rochdale, and
- by contributing towards the establishment, renewal and revitalisation of churches with the Anglican communion.

The Board of Trustees is committed to the vision statement of the church to play our part in the re- evangelisation of the nation, the revitalisation of the church and the transformation of society by 'loving God, loving people and making a difference'. In accordance with the vision statement, the church aims to meet its objectives through the provision of church services, courses, and planting churches. Given the diversity of the church's activities, performance is measured on a case-by-case basis.

Public Benefit

In accordance with our duties as stated in section 17(5) of the Charities Act, we have considered the guidance provided by the Charity Commission regarding public benefit. This public benefit has been demonstrated by the activities undertaken since inception of the charity outlined in this document.

Achievements and Performance

Since the charity was formed all decisions made and the structure put in place will help us deliver our vision as stated above.

Highlights of the period January 2022 to December 2022 include:

Sunday Services – In December 2022 average Sunday morning attendance reached 75 adults and 32 children each week. In September we celebrated 12-months of meeting in the church building with 109 people who stayed for lunch. Approximately 60% of the congregation were previously de-churched or unchurched and almost 50% were under the age of 40. About 55 adults volunteered on various teams (worship, AV, welcome, hospitality, children) over the period of a term.

Dedication Service – in June 2022, 224 individuals (173 adults and 51 children) attended our first Infant Dedication Service. 3 unchurched families stayed in regular connection with Nelson Street Church as a result of this service.

Youth Service – NYouth led the service 3 times in 2022, with over 100 individuals attending each one. The service was fully led by the youth – including sung worship and sharing a thought. The NYouth band was made up of young people representing 4 local churches.

Children – Throughout 2022 two children's groups ran alongside the Sunday services for those aged 0-3 (NTots) and 4-11 (NKids). These sessions were attended by approximately 20-30 children each week.

Youth – NYouth continued a fortnightly Youth Group on a Sunday evening aimed at discipling 11-18 year olds. On average, 16 young people attended these sessions on a monthly basis. The NYouth Band practiced every fortnight. A more social NYouth session was launched on a Friday evening in January 2022. By December 2022, an average of 30 young people attended each month. Nelson Street Church Rochdale linked in with The Message Trust and other local churches to host a music event attended by 75 young people from Rochdale. 45 young people from Rochdale were taken by coach to the Festival Manchester event in Wythenshawe in July 2022.

Alpha – 3 Alpha courses - a 7-week course that gives guests the opportunity to explore faith and the meaning of life whilst sharing a meal and developing community - were run in 2022, 2 adult courses (in February and October) and a Youth series in April. A total of 29 people completed the course.

The Bereavement Journey – The Bereavement Journey course, to support those dealing with grief, was run twice in 2022 (May and October). 14 individuals completed the course, predominantly with no previous connection to Nelson Street Church Rochdale. A local hospice has started signposting relatives to this course.

Living in Love and Faith – this course was run twice in 2022, in June and September, with the aim of providing a safe place for individuals from both Nelson Street Church Rochdale and other local churches to explore and discuss the concepts of sexuality and identity within the context of Christian faith.

Spirit Café – This initiative was launched in August 2022 to engage with the unchurched and particularly those seeking spirituality was launched. This takes place once a month.

Deeper Teaching – 4 bible-based teaching series were run throughout 2022, including a series on Hearing God's Voice and a series on the Father Heart of God. We also ran a Ministry Training session.

Community and Social Action — A carer and toddler group called NTots ran each week for parents in the local community, with an average of 24 attending. Throughout the summer of 2022 various 'Pop-Up' activities were hosted throughout Rochdale, including a Forest School experience, free crafts in the local shopping centre and film nights. In November 2022, Nelson Street Church Rochdale hosted an event named 'Survive the Squeeze' — an information and signposting evening to be a resource to Rochdale residents in the Cost of Living Crisis. This event was then replicated for the local council as part of their wellbeing week for their employees.

Boxes of Hope – In December 2022 we teamed up with The Message in Prisons to pack several hundred Christmas packs to be distributed in a North-West prison on Christmas Day.

Christmas 2022— In December 2022 we celebrated Christmas by holding a Family Picnic, and Nativity Service and a Carol Service, all of which were attended by over 100 people. On Christmas Eve we hosted another called 'Bedtime Stories' — an opportunity for families to hear the Christmas story in their pyjamas and with hot chocolates! On Christmas Day, 45 people attended church and a lunch was provided for 7 people from the community who had no other family to spend the day with. The Christmas Market was a new initiative for 2022, with 24 stalls of local small businesses and an estimated 300 attended throughout the day.

Resourcing – All the courses facilitated by Nelson Street Church Rochdale in 2022 were offered to local churches, primarily other Church of England churches. A joint Easter Tenebrae service was held with St Chad's.

Future Plans

Plans for 2023 include:

Future plans of the church involve continuing the activities outlined above, as well as relaunching The Marriage Course and to start ParenTalk, a course by Care for the Family. We plan to offer these courses as a resource to other local churches and community groups. We also hope to develop stronger links with local schools and colleges.

We plan to launch a series of 'Warm Café Spaces' in the winter/ spring to provide a place of community and to assist those struggling financially with the rising cost of living. We aim to have a weekly 'Stay and Play Café' for primary aged children and their parents. We also aim to host a weekly 'Friendship Café' during the day with free refreshments, cake and access to

board games and someone to chat to. We are also looking to launch a 'College Café' to create a space for college students once a month.

We also plan to launch Ceroc sessions - a partner dance which is a great tool for building friendship and community. We plan to take families from Nelson Street Church Rochdale congregation to Focus, a Christian festival hosted by CRT.

We will also host our first weekend conference, with several sessions of teaching and worship throughout the weekend. This will be a resource for local Christians.

We will also invest in raising up leaders with a view to plant churches in Rochdale and the surrounding areas.

Volunteers

Nelson Street Church Rochdale uses volunteers to help support all aspects of its ministry. At a normal Sunday morning service by the end of 2022 we had an average of 105 attendees (75 adults, 32 under-16s) with 55 volunteers to support the hospitality, worship, kids and youth teams. We also have 20 volunteers to help with our various courses.

Any midweek events such as The Bereavement Journey, Alpha, Spirit Cafe and the Youth Nights could not be run without substantial volunteer teams.

Key risks and uncertainties

The principal risks and uncertainties that the trustees see as facing the charity and any subsidiaries include the ongoing responsibility of the financial cost of maintaining the Church premises as well as SDF grant funding for staff roles tapering off in 2025. The trustees plans and strategies surrounding these risks include working closely with the Diocese to explore opportunities to apply for relevant grants as well as forecasting and budgeting for the increased financial responsibilities.

The trustees are aware of the impact of COVID-19 on the launch of Nelson Street Church Rochdale, primarily in not being able to fully launch as a church until September 2020 and therefore losing 12-months of congregational giving. However, the impact of this was lessened by the delay in the hand-over of the church premises and the reduced running costs. The Trustees are aware of the potential impact of the rate of inflation and cost of living on congregational income and are reviewing this throughout the year.

Financial Review

In 2022 the total income for the church was £296k (2020-21 £308k) of which £118k was unrestricted (2020-21 £114k). Expenditure during 2022 totalled £217k (2020-21 £324k). The surplus on unrestricted funds in 2022 was £47k (2020-21 deficit of £23k) leaving a balance on unrestricted reserves at the end of the year of £25k. Restricted reserves came to £39k at the end of 2022, up from a £23k deficit in 2020-21.

For more details behind these figures please see the financial statements following this report.

Reserves Policy

The Board of Trustees are aware of the need to maintain sufficient reserves. The aim is to have three months of free (i.e. unrestricted excluding fixed assets) reserves at any time. At the end of 2022 there was £117k of free reserves before taking into account the loan of the same amount which is now due to be repaid beginning 1st July 2025. By the time the loan is due to start being repaid the aim will be to have built up the free reserves, net of the loan, to the three month figure of around £25-30k.

Safeguarding

The Board of Trustees have adopted the Diocese of Manchester's safeguarding policy relating to children, young people and vulnerable adults and appointed Revd Janie Cronin and Mrs Linda Mycock as Safeguarding Officers. The Safeguarding Officers have completed the necessary diocese training courses in safeguarding young people and vulnerable adults.

The trustees are committed to the principles of best practice in relation to safeguarding and comply with the duty under section 5 of the Safeguarding and Clergy Discipline Measure 2016 in respect of having due regard to House of Bishops' guidance on safeguarding children and vulnerable adults. The guidance can be read in full on the Church of England official website.

The Board of Trustees responsibilities in relation to the Financial Statements

Charity law requires the trustees, who are also directors, to prepare a statement of financial activities and statement of assets and liabilities for each financial year, which gives a true and fair view of the state of affairs of the church and of its financial activities for that year and adequately distinguishes any material special trust or any other restricted fund of the church. In preparing those financial statements the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether policies adopted are in accordance with appropriate SORP on Accounting by Charities and the Accounting Regulations and with applicable accounting standards, subject to any material departures disclosed and explained in the financial statements;
- prepare the accounts on the ongoing concern basis unless its inappropriate to presume the church will continue to operate.

The trustees are responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the church, and to enable them to ensure that the financial statements comply with applicable Accounting Standards and Statements of Recommended Practice, the Companies Act 2006 and the regulations made

under the Charities Act 2011. They are also responsible for safeguarding the assets of the church and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF Nelson Street Church, Rochdale (the 'company')

Independent examiner's report to the Trustees of Nelson Street Church, Rochdale

I report on the financial statements of the charitable company for the year ended 31 December 2022, which comprise the statement of financial activities, balance sheet, related notes and are set out on pages 11 to 18.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 145 of the Charities Act 2011 (the 2011 Act). The charity is required by company law to prepare accrual based accounts.

Having satisfied myself that the charity is not subject to audit under part 16 of the 2006 Companies Act and is eligible for independent examination, it is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

This report, including my statement, has been prepared for and only for the charity's trustees as a body. My work has been undertaken so that I might state to the charity's trustees those matters that I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to any other than the charity and the charity's trustees as a body for my examination work, for this report or for the statements that I have made.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

I have completed by examination. I confirm that no matter has come to my attention:

- which gives me reasonable cause to believe that in any material respect the requirements
- to keep accounting records in accordance with section 386 of the Companies Act 2006 and section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of the Companies Act 2006 and Regulation 8 of the Accounts Regulations and the 2011 Act

have not been met; or

- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The Nelson Street Church Rochdale (NSCR) project is being funded by the Church Commissioners (CC). The project will be delivered jointly by NSCR and the MDBF (Machester Diocesan Board of Finance). The stipendary costs of a vicar and curate for the first 5 years plus the cost of refurbishing the church will be met directly out of the CC grants by the MDBF and these are not reflected in these accounts. Running costs of up to £208k, set up costs of up to £40k and salary costs of up to £595k will be covered by NSCR who will claim costs incurred back from the MDBF. Running costs, set up costs and salaries costs incurred by the MDBF on behalf of NSCR are also reflected in these accounts as are those costs incurred by NSCR directly and then reclaimed from the CC via the MDBF. Parish Share costs of £126k over the period are also covered by the grant.

The total claimed each year by NSCR will be reduced by the amount of congregational income generated which is estimated to be a total of £360k. A total of £41,326 was reported for congregational income for the period from April 2021 to December 2022

These accounts for 2022 reflect the amounts spent and claimed by NSCR from the MDBF out of the totals granted by the CC up to the end of 2022.

A further £65k was secured from the SDF in May 2023 for a children's worker starting after the summer of 2023,
