Governors' Report

The Governors present the annual report together with the financial statements of the charity for the year ended 31 March 2023.

Objectives and activities

Objects and aims

The income of the charity, after defraying the administration and management costs of the charity, is used in the following ways:

To provide items, services and facilities for The Henry Box School and any other school that substantially serves Witney.

To further the education of persons under the age of 25 who are in need of financial assistance and who live (or whose parents live) within the area of benefit or have attended a school in the area of benefit.

To provide, or assist in the provision of, recreational and other leisure-time facilities for the inhabitants of Witney with the object of improving their condition of life.

Public benefit

During the year grants were awarded to sixteen local schools plus; Injury Minimization Programme for Schools, Oxfordshire County Council Children and Families Sevices, Witney Partnership of Schools (WPOS), The Hedgehog Club, Witney Air Cadets, Rotary Club of Witney, Synolos, Yellow Submarine, Citizens Advice West Oxfordshire and one individual.

One grant of £13,500 was paid to Assisted Reading for Children (ARCh) on behalf of the Witney Partnership of Schools, for 30 volunteer readers in 14 schools.

The total expenditure on Grants for the year was £61,086 (2022: £40,965) plus three Isabelle Spencer Bursary Awards of £1,000 each

The Governors confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Achievements and performance

The Governors continue to support local schools, support agencies and individuals, thus providing a valuable service to the local community.

The Governors wish to support activities that are of benefit to all the schools in the Witney Partnership of Schools.

The Governors hope that by supporting WPOS projects, a greater number of people will benefit.

The Governors were pleased to receive a donation of £113.42 from St Mary's Infant School (the proceeds of a Mayday collection by the children).

The Governors gratefully acknowledge the help and support provided by Archetype Design in the setting up and maintenance of the WEF website.

Governors' Report (continued)

Financial review

Policy on reserves

Reserves are currently significantly in excess of the level required to ensure that the Charity can meet its commitments over the next twelve months. Definite requirements in any one year are difficult to predict but all are at the discretion of the Governors - in recent years the total of grants has varied between £32,000 and £66,000.

The Governors review all applications for appropriateness and have advertised the availability of the funds in all appropriate educational establishments. The Governors are concerned about this excess of reserves in the balance sheet and continued efforts are being made to find appropriate beneficiaries.

Investment policy and objectives

To obtain a reasonable long term overall return at a medium to high risk. Review of the portfolio is made by professional advisers every six months and their recommendations are considered by the Governors. In the light of the stock market performance over the past year, it is considered that this is being achieved.

Going concern

The Governors consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Structure, governance and management

Nature of governing document

Deed of Trust

Recruitment and appointment of Governors

Vacancies for Governors are filled by the five nominating authorities from individuals considered by them to be suitably qualified, or in the case of co-opted Governors, by recommendation by the existing Governors on the basis of their knowledge of them as individuals with an interest in the educational need of the community.

Induction and training of Governors

When appointed they receive formal advice of their responsibilities, together with copies of the Trust Deed, most recent accounts, up to date minutes and a synopsis of the function and financial boundaries within which the Foundation must operate. Subsequent initial knowledge is augmented by participation in the deliberations which arise when the Governors consider applications received.

Organisational structure

The Governors have joint control of the Foundation

Statement of Governors Responsibilities

The Governors are responsible for preparing the Governors' Report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the Governors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Governors are required to:

- · select suitable accounting policies and then apply them consistently;
- · observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Governors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The Governors are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Governors are responsible for the maintenance and integrity of the corporate and financial information included on the charitable trust's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Examiner's Report to the trustees of Witney Educational Foundation

I report to the Governors on my examination of the accounts of Witney Educational Foundation for the year ended 31 March 2023.

Responsibilities and basis of report

As the Governors of Witney Educational Foundation you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Witney Educational Foundation's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1. accounting records were not kept in respect of Witney Educational Foundation as required by section 130 of the Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
