### **Trustees' Report For the year ended 31 December 2022**

---

The Board of Trustees presents its report and the audited consolidated financial statements of the Sarjudas Foundation for the year ended 31 December 2022.

The Foundation is a socio-religious Hindu organisation established as a charity under a Trust Deed dated 16th November 1976 (amended by Resolution on 26 September 2012) and registered with the Charity Commission under registered number 273425. Its headquarters are in London and it has mandirs (places of worship) and centres throughout the United Kingdom and in mainland Europe.

The principal object of the charity is the advancement of the Hindu faith amongst its followers and others with particular reference to the teachings and principles of Bhagwan Swaminarayan.

#### **Our Vision**

The growth of a transparent and efficiently managed organisation to foster a spiritual, moral, tolerant and religious society to inspire many to follow the path of righteous living.

#### **Aims and Objectives**

To achieve this vision, the Foundation's aims and objectives continue to be:

- To impart social, cultural, moral and traditional values to children, teenagers, youths and adults.
- To ensure that legislation and regulation is complied with in relation to the impact of change and the burden of bureaucracy on charities.
- To raise standards by developing and promoting the best practice in the management of charities – through training and information.
- To ensure the Foundation remains a sustainable organisation through fundraising activities.

#### **Activities in the year**

Sarjudas Foundation continues to receive donations from its principal donor, Bochasanwasi Shri Akshar Purushottam Sanstha (BAPS), a well-established charity whose donors are diverse and very supportive. Its trading operations are also long established and continue to trade well. During the year, it received donations of £6.5m (2021 - £2m).

The Charity makes donations to other charities that undertake activities that promote the Hindu faith and achieve the Charity's objectives.

In 2022, Sarjudas Foundation made Charitable donations of £Nil (2021:£Nil) to Nilkanth Estates. Sarjudas Foundation made a charitable donation of £7.2m to Brandon House Limited in 2022.

There has been no outsourced fundraising via professional fundraisers or other third parties. As a result, the charity is not registered with the fundraising regulator and received no fundraising complaints in the year.

#### **Structure, Governance and Management**

The body responsible for the management of the Charity is the Board of Trustees. The Board meets fortnightly and additionally as required.

## **Sarjudas Foundation**

### **Trustees' Report**

**For the year ended 31 December 2022**

---

#### **Board of Trustees**

The following Trustees served during the year:

Jitendrakumar Maganbhai Patel  
Amar Parekh  
Bhavik Patel

Trustees are appointed or removed by the Board of Trustees. Potential new trustees are periodically identified by the Board of Trustees. These individuals work alongside existing Trustees for a period of three years before being considered for appointment. All trustees give their time voluntarily and receive no benefits from the charity. A remuneration policy for key management personnel is not relevant for the Charity as the trustees who are not remunerated are the key management personnel.

#### **Managing and Coordinating the Charity Group Activities**

The Charity is organised so that the Trustees meet regularly to manage its affairs. Jitendrakumar Patel, a trustee, manages the day-to-day administration of the Charity and is in regular contact with the other trustees. There are a number of full time and part time volunteers.

One of the trustees sits on the board of directors of the Charity's trading subsidiaries.

The Charity is based in the UK and has its head office in Neasden, London.

#### **Statement as to Disclosure of Information to Auditors**

The Trustees who were in office on the date of approval of these consolidated financial statements have confirmed, as far as they are aware, that there is no relevant audit information of which the auditors are unaware. Each of the Trustees have confirmed that they have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditor.

#### **Statement of Trustees' Responsibilities**

The Trustees are responsible for preparing the Trustees' Report and the consolidated financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and the Group, and of the incoming resources and application of resources of the Charity and the Group for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities Statement of Recommended Practice on Accounting and Reporting;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue to operate.

The Trustees are responsible for maintaining proper accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and the Group and enable them to ensure the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and the Group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **Sarjudas Foundation**

### **Trustees' Report For the year ended 31 December 2022**

---

#### **Risk, risk management and internal control**

The Trustees are responsible for ensuring effective risk management, and that internal controls are in place to appropriately manage the risk exposure of the Group. In doing so, the Board has considered the major risks to which the Group is exposed, the potential impact and probability associated with each risk, and the mitigating actions needed to reduce each risk to a level that the Trustees considers to be acceptable.

The major financial risks are each subject to ongoing monitoring and management. Income and cost control are subject to ongoing review on at least a quarterly basis with prior approval of the Board needed for significant cost activities.

The activities of the Group are dependent on its ability to raise funds from donations, investments and its trading activities. The key risk for 2022-23 therefore is the Group's ability to secure ongoing funding. The trustees consider this risk to be low as its principal donor is BAPS, a well-established charity whose donors are diverse and very supportive. Its trading operations are also long established continue to trade well. Charitable expenditure is largely discretionary and can be reduced to mitigate a substantial reduction in income. In addition, the Group's retained reserves are sufficient to mitigate any short or medium-term reduction in net income.

#### **Internal Control**

The Trustees have overall responsibility for ensuring that the Group has appropriate systems of internal controls.

The systems of internal control are designed to provide reasonable, but not absolute, assurance against material misstatement or loss. Internal control processes implemented by the Trustees include:

- Production of monthly management accounts and review of financial results and performance indicators by the Trustees at monthly meetings.
- Delegation of authority and segregation of duties.
- Identification and management of risk.

#### **Volunteers' contributions in achieving the objectives of the Group**

Volunteers are involved in the general management of the organisation and assist in the operation of its trading subsidiary companies, e.g. Saya Enterprises Limited trading as Shayona, where volunteers participate in the manufacture and distribution of food for catering activities and Cultural Festival of India Limited, where volunteers assist in the operation of a book and souvenir stall.

#### **Public Benefit**

In reviewing our aims, objectives and planning future activities, the Trustees have taken into account the Charity Commission's general guidance on public benefit and in particular its supplementary public guidance on the advancement of religion for the public benefit. The Trustees always ensure that the activities undertaken are in line with the charitable objectives and aims of the Foundation. One of the Foundation's principal aims and objectives is to impart social, cultural, moral and traditional values to children, teenagers, youths and adults thereby helping to provide a moral and ethical framework for people to live by and so playing an important part in building a better society.

#### **Reserves policy**

The Trustees consider the key measure of sustainability for the Group to be current and future liquidity cover, rather than the surplus or deficit accounting position. As a consequence, the Trustees have set appropriate reserves policies relating to liquidity based on the relationship between readily realisable assets, on-going level of donations received and the cash requirements associated with sustaining the Group's operations for a period.

## Sarjudas Foundation

### Trustees' Report For the year ended 31 December 2022

---

In establishing this policy, the Board of Trustees conducts an annual review of the level of unrestricted reserves in the general fund by considering risks associated with the various income streams, expenditure plans and balance sheet items. This enables an estimate to be made of the level of reserves that are sufficient:

- to allow time for re-organisation in the event of a downturn in income or asset values;
- to protect on-going work programme; and
- to allow the Group to meet its objectives.

Risks and issues considered by the Board of Trustees in making this judgement on the level of unrestricted reserves include:

- likelihood of a downturn in income streams;
- period of time required to re-establish income streams;
- period of time required to downsize the Charity operations;
- whether there is adequate control over budgets;
- potential decrease in the value of the investment portfolio; and
- requirements for a reasonable level of working capital.

As the Charity's operating expenditure is largely discretionary and does not exceed £200,000 per annum, the Trustees are of the view that maintaining cash reserves of at least £1 million will provide sufficient resources in the event of adverse conditions. The Trustees have also assessed other operational and business risks which they face and confirm that they have established systems to mitigate the significant risks. In the event of the Charity facing difficult financial circumstances, this would allow it to continue operations during a period of managed adjustment to these new circumstances.

Actual cash reserves including fixed term deposits as at 31 December 2022 were approximately £15.93 million (2021: £14.52 million). Free reserves at 31 December 2022 were approximately £3.4m (2021: £2.9m).

The Trustees have confirmed that, after careful review of the reserves policy, as at 31 December 2022, the Group's liquidity position was substantially in excess of its reserves policy. In considering the adequacy of the reserves, the Trustees have taken into account the largely discretionary nature of its expenditure and the amount of cash held and investment income derived. Surplus reserves are accumulated and held to be donated at the appropriate time to other charities with similar objects including Nilkanth Estates which acquires and develops properties for use as new Hindu temples.

#### Financial Review

The Group Statement of Financial Activities (SOFA) on page 14 shows net income for the year of £1.36m (2021: £2.97m). The SOFA also shows the financial activity of the group distinguishing between restricted and unrestricted activities and shows the trading activities of the group. The difference between the group and the Charity funds is the retained profits in the trading subsidiaries.

At 31 December 2022, the group had net assets of £24.9m (2021: £23.5m).

## Sarjudas Foundation

### Trustees' Report For the year ended 31 December 2022

---

#### **Funding the Charity's Activities**

The Foundation's main activity of sharing the values and teachings of the Hindu faith are funded by the following main activities:

- (i) Donations received
- (ii) Trading operations
- (iii) Treasury management.

#### ***Donations***

During the year, the Group received donations amounting to £7,509,060 (2021: £2,009,376) including £6.5m (2021: £2m) from Bochasanwasi Shri Akshar Purushottam Swaminarayan Sanstha (also known as BAPS). Sarjudas Foundation and BAPS have a few common trustees and both entities have the same aims and objectives.

#### ***Trading operations***

The main wholly-owned trading subsidiaries are Saya Enterprises Limited (and its wholly owned subsidiaries) and Cultural Festival of India Limited. These companies donate their annual profits to the Charity. The companies have their own Board of Directors responsible for the operation and development of their respective businesses. The directors are appointed by the Board of Trustees and some of the Trustees are also directors of these companies.

Saya Enterprises Limited t/a Shayona, is a manufacturer, wholesaler and retailer of Indian vegetarian food and provides catering for various events. It was incorporated in 1991 and has its own freehold manufacturing premises, four shops and a restaurant. For 2022, the company and its subsidiaries had a turnover of approximately £8.12 m (2021: £6.17m) and made a loss of £421,801 (2021: loss £13,105) after donating £1,256,743 (2021: £628,941) to the Charity.

Cultural Festival of India Limited is a retailer of books, souvenirs, CDs, DVDs and other religious items. The company was incorporated in 1985 and in 2021 had a turnover of £667,359 (2021: £97,165) and made a loss of £19,513 (2021: profit of £9,858) having donated £Nil (2021: £22,698) to the Charity.

The Trustees are pleased with the contribution made by the Charity's trading subsidiary companies and would like to thank the respective directors, employees and volunteers for their continued efforts.

The Trustees are satisfied that these trading subsidiaries continue to meet the objectives set for them. For both companies, the objectives are to continue to develop the respective businesses and generate a contribution for the Charity.

#### ***Treasury management***

The Foundation derives income from interest receivable on its bank deposits as well as from equity investment income.

#### ***Treasury Management – Interest Receivable***

The Trustees utilise term deposit accounts to maximize the amount of interest earned on cash balances held.

#### ***Equity Investment Income***

The Board of Trustees invest some of its surplus funds (not exceeding £2M) in FTSE 100 companies and various options and derivatives, with an intention of generating gains to contribute towards funding the Charities activities. The Board is advised by an FCA authorised brokerage house in the making of its equity investments. During the year, the Group disposed investments of £Nil (2021: £47,094) and made an unrealised gain of £36,403 (2021: £317,773). It also earned dividends and income from the shares and derivatives of £92,585 (2021: £57,708). The value of its investments in listed company shares and derivatives as at 31 December 2022 was £1.633m (2021: £1.597m).

---

## **Sarjudas Foundation**

### **Trustees' Report**

**For the year ended 31 December 2022**

---

The Trustees have overall responsibility for the investment of charity's funds for short, medium and long-term objectives and requirements. The investment policy is to prioritize the potential for returns in the form of income and capital appreciation in order to further the aims of the charity; the investment policy therefore does not take account of social, ethical and environmental considerations.

Surplus funds not required in the short or medium term are invested in equity and other securities with an acceptable level of risk to provide yields with a better return than fixed deposit interest.

The ongoing monitoring and review of equity investment involves reviewing the investments from time to time with the investment manager; assessing the suitability of the investments; and maintaining an acceptable balance between the risk and return.

In the current economic climate, the Trustees are happy with the return generated from the equity investments during the year.

#### **Charitable expenditure**

During 2022, the Group spent a total of £7,375,557 (2021: £162k) on operating costs and donations made from unrestricted funds, of which charitable donations amounting to £7.2m (2021: £Nil) were made to Brandon House Limited.

The Group aims to support other charities whose objects are similar to those of itself. Nilkanth Estates and Bochanawasi Shri Akshar Purushottam Sanstha (BAPS) are such charities. Nilkanth Estates and its subsidiary acquires and constructs buildings for use by BAPS. The acquisition and development of these buildings require considerable amounts of funds and Sarjudas Foundation seeks to accumulate sufficient funds from its own activities to be able to make donations which are adequate for Nilkanth to complete its acquisitions and fund the development of the buildings for suitable use by BAPS or other charities with similar objects.

#### **Plans for Future Periods**

There are no immediate plans for funds held by Sarjudas Foundation. However, should funds be required by Nilkanth to fund refurbishment of existing buildings or acquisition of properties for similar objects, Sarjudas Foundation may donate further funds to Nilkanth.

The Trustees wish to maintain the continued success achieved by the Foundation in delivering its aims and objectives.

#### **Events since the end of the year**

Information relating to events since the end of the year is given in the notes to the financial statements.

#### **Related parties and relationships with other organisations**

Sarjudas Foundation is related to BAPS due to a common trustee, and both the charities share the same objectives. In 2022, Sarjudas Foundation received a donation of £6.5m from BAPS (2021: £2m) and made a donation of £7.2m to Brandon House Limited (2021: £Nil). The Sarjudas Foundation group also occupied a number of properties owned by Nilkanth Estates for which no rent is payable.

Sarjudas Foundation has a number of subsidiaries and sub-subsidiaries as disclosed in the notes to the accounts.

**The Trustees would like to acknowledge the tremendous efforts of the volunteers and the many supporters of the Charity for their kind and generous donations as well as their continued support in helping the Charity to achieve its objectives.**

## **Sarjudas Foundation**

### **Audit Report**

**For the year ended 31 December 2022**

---

## **INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF SARJUDAS FOUNDATION**

### **Disclaimer of Opinion**

We were engaged to audit the financial statements of Sarjudas Foundation (the 'parent charity') and its subsidiaries (the 'group') for the year ended 31 December 2022 which comprise the Consolidated and Charity Statement of Financial Activities, the Consolidated and Charity Balance Sheets, the Consolidated and Charity Statement of Cashflows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

We do not express an opinion on the accompanying financial statements of the group and parent charity. Because of the significance of the matter described in the basis for disclaimer of opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

### **Basis for disclaimer of opinion**

We were unable to attend and observe the year-end stock count for financial year-end 2020 and thus did not observe the counting of physical inventories at the end of the year. We were unable to satisfy ourselves by alternative means concerning the inventory quantities held at 31 December 2020, Consequently, we were unable to determine whether there was any consequential effect on the cost of sales included in the Income Statement for the year ended 31 December 2021. Our audit opinion on the financial statements for the year ended 31 December 2021 was modified accordingly.

Our opinion on the current period's financial statements also has a disclaimer because of the possible effect of this matter on the comparability of the current period's figures and the corresponding figures.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's or parent charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

## **Sarjudas Foundation**

### **Audit Report**

**For the year ended 31 December 2022**

---

#### **Other information**

The other information comprises the information included in the trustees' report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the trustees' reports. Our opinion on the group and parent charity financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Matters on which we are required to report by exception**

Except for the matter described in the basis for qualified opinion, in the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit performed subject to the pervasive limitation described above, we have not identified material misstatements in the trustees' report.

Arising from the limitation of our work referred to above:

- we have not obtained all the information and explanations that we considered necessary for the purpose of our audit; and
- we were unable to determine whether adequate accounting records have been kept.

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the parent charity financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

#### **Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement, the directors are responsible for the preparation of the group and parent charity financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the group and parent charity financial statements, the directors are responsible for assessing the group's and parent charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or the parent charity or to cease operations, or have no realistic alternative but to do so.

## Sarjudas Foundation

### Audit Report

For the year ended 31 December 2022

---

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the group and parent charity and the sector in which it operates to identify laws and regulations that could reasonably be expected to have a direct effect on the financial statements. We obtained our understanding in this regard through with trustees and management, industry research and experience of the sector.
- We determined the principal laws and regulations relevant to the group and parent charity in this regard to be those arising from the Charities Act 2011, the Companies Act 2006 for the subsidiaries as well as relevant tax and employee legislation.
- We designed our audit procedures to ensure the audit team considered whether there were any indications of non-compliance by the group and parent charity with those laws and regulations. These procedures included, but were not limited to enquiries of management and review of minutes,
- We also identified the risks of material misstatement of the financial statements due to fraud. We considered, in addition to the non-rebuttable presumption of a risk of fraud arising from management override of controls, that the recoverability of debts and valuation of stock to be areas of risk.
- As in all of our audits, we addressed the risk of fraud arising from management override of controls by performing audit procedures which included, but were not limited to: the testing of journals; reviewing accounting estimates for evidence of bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

### Notes to the consolidated financial statements

For the year ended 31 December 2022

---

#### 1. Accounting policies

##### (a) Basis of preparation

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102); the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102); the Charities Act 2011; and UK Generally Accepted Practice as it applies from 1 January 2019.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy or note.

These financial statements consolidate the results of the charity and its wholly-owned subsidiaries on a line by line basis. Transactions and balances between the Charity and its subsidiaries have been eliminated from the consolidated financial statements. Balances between the entities are disclosed in the notes to the Charity's balance sheet.

The trustees confirm that the consolidated financial statements comply with the requirements of FRS 102 and SORP FRS 102.

##### (b) Public benefit entity

The Charity meets the definition of a public benefit entity under FRS 102.

##### (c) Going concern

The trustees consider that there are no material uncertainties about the Group's ability to continue as a going concern.

The Group has continued to trade successfully despite disruptions to the economy caused by Covid 19 and has not changed its strategic and business plans. The Charity has minimal on-going legal or constructive commitments. There are no uncertainties, material or otherwise, regarding the Group's going concern.

The trustees therefore have reasonable expectation that the Group has adequate resources to continue in operational existence for the foreseeable future which exceeds 12 months from the date of signing of the financial statements and therefore continue to adopt the going concern basis of accounting in preparing the annual consolidated financial statements.

The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

## Sarjudas Foundation

### Notes to the consolidated financial statements

For the year ended 31 December 2022

---

#### 1. Accounting policies (continued)

##### (d) Income

Income is recognised when the Group has entitlement to the funds, it is probable that the income will be received and that the amount can be measured reliably.

Voluntary income comprises revenues generated from various forms of donations and ongoing activities. All income is included in the SOFA on an accruals basis.

Trading income comprises revenues generated by subsidiaries of the Charity. Trading income and expenses are included in the SOFA on an accruals basis.

Investment income includes the income generated from property investment, interest received on cash deposits and dividends received from listed investments, which are included on an accruals basis.

##### (e) Donations of gifts, services and facilities

Donated professional services and donated facilities are recognised as income when the Group has control over the item or received the service, any conditions associated with the donation have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), volunteer time is not recognised so refer to the trustees' annual report for more information about their contribution.

On receipt, donated gifts, professional services and donated facilities are recognised on the basis of the value of the gift to the Group which is the amount the Group would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

##### (f) Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds relate to the costs of sales in trading activities and operating expenses of the trading subsidiaries.
- Expenditure on charitable activities includes the costs of activities undertaken to further the purposes of the Group and their associated support costs including governance costs.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

##### (g) Allocation of support costs

All support costs are allocated to the expenditure on charitable activities as none of these costs are allocable to the costs of raising funds, which are the costs of the trading subsidiaries.

Support costs include governance costs, which are the costs associated with the governance arrangements of the Group. These costs are associated with constitutional and statutory requirements and include any costs associated with the strategic management of the Group's activities.

## Sarjudas Foundation

### Notes to the consolidated financial statements

For the year ended 31 December 2022

---

#### 1. Accounting policies (continued)

##### (h) Operating leases and finance leases

Rental charges are charged on a straight-line basis over the term of the lease.

Assets held under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their useful economic lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is shorter.

The interest element of these obligations is charged to the SOFA over the relevant period. The capital element of the future payments is treated as a liability.

##### (i) Tangible fixed assets

Items of equipment are capitalised where the purchase price exceeds £500. Depreciation costs are allocated to activities on the basis of the use of the related assets in those activities. Assets are reviewed for impairment if circumstances indicate their carrying value may exceed their net realisable value and value in use.

Where fixed assets have been revalued, any excess between the revalued amount and the historic cost of the asset will be shown as a revaluation reserve in the balance sheet.

Depreciation is provided at rates calculated to write down the cost of each asset to its estimated residual value over its expected useful life. The depreciation rates in use are as follows:

• Long leasehold property	50 years
• Freehold buildings	50 years
• Furniture, fixtures and equipment	5 years
• Motor vehicles	4 years

Freehold land is not depreciated.

##### (j) Intangible fixed assets

Intangible fixed assets are recognised at cost and amortised over their useful economic lives, as follows:

• Goodwill	10 years
• Other intangible assets	5 years

Goodwill relates to the acquisition of a business in 2005 and 2016.

##### (k) Investment properties

Investment properties are measured at fair value at each reporting date and are not depreciated.

##### (l) Listed investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. Any change in fair value will be recognised in the statement of financial activities. Investment gains and losses, whether realised or unrealised, are combined and shown in the heading "Net gains/(losses) on investments" in the statement of financial activities.

##### (m) Investments in subsidiaries

Investments in subsidiaries are at cost.

## Sarjudas Foundation

### Notes to the consolidated financial statements For the year ended 31 December 2022

---

#### 1. Accounting policies (continued)

##### (n) Cash investments

Cash held in fixed term deposit accounts exceeding one year are classified as fixed asset investments as they are generally held with the overall intention of long-term retention for the continuing benefit of the charity in the form of income and capital appreciation.

##### (o) Stocks

Stocks are stated at the lower of cost and net realisable value. In general, cost is determined on a first in first out basis and includes transport and handling costs. Net realisable value is the price at which stocks can be sold in the normal course of business after allowing for the costs of realisation. Provision is made where necessary for obsolete, slow moving and defective stocks.

##### (p) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

##### (q) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account. Cash balances exclude any funds held on behalf of service users.

##### (r) Creditors and provisions

Creditors and provisions are recognised where the Group has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

The Group only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

##### (s) Pensions

The group operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the group pays fixed contributions into a separate entity. Once the contributions have been paid the group has no further payment obligations.

The contributions are recognised as an expense in the Statement of Financial Activities when they fall due. Amounts not paid are shown in accruals as a liability in the Balance Sheet. The assets of the plan are held separately from the Group in independently administered funds.

##### (t) Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rate of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the net movement in funds.

##### (u) Accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period to which they relate.

---

## Sarjudas Foundation

### Notes to the consolidated financial statements

For the year ended 31 December 2022

#### 1. Accounting policies (continued)

##### (u) Accounting estimates and judgements (continued)

Significant estimates made in the course of preparing the financial statements include investments, provisions and depreciation for which the accounting policies have been noted above.

##### (v) Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments apart from investment in options and derivatives. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

All investments classified as financial instruments including options and derivatives are measured at fair value, except cost for investment in subsidiaries, which are held at cost.

Pension	34,633	30,105	-	-
	<u>£2,247,050</u>	<u>£1,880,270</u>	<u>£ -</u>	<u>£ -</u>

No employees earned more than £60,000 during the year (2021: none).

The Charity trustees were not paid or received any other benefits from employment with the Charity in the year (2021: £nil). No Charity trustee received payment for professional or other services supplied to the Charity (2021: £nil).

No trustee expenses were incurred in the year (2021: £nil).

#### 10. Staff numbers

The average number of employees (head count based on number of staff employed during the year was follows:

	Group		Charity	
	<u>2022</u>	<u>2021</u>	<u>2022</u>	<u>2021</u>
	£	£	£	£
Merchandising and trading	85	76	-	-
	<u>85</u>	<u>76</u>	<u>-</u>	<u>-</u>

#### 11. Related party transactions

The Sarjudas Foundation owns a number of subsidiaries, all of which are incorporated in England and Wales and are detailed in note 16. Transactions with subsidiaries are consolidated and therefore exempt from related party disclosures.

The Sarjudas Foundation received a donation of £6.5m (2021: £2m) from BAPS. There are a number of individuals who are trustees of both entities and both charities share the same aims and objectives.

The Sarjudas Foundation also donated £7.2m to Brandon House Limited. Brandon House Limited and Sarjudas foundation have a common Trustee.

## Sarjudas Foundation

### Notes to the consolidated financial statements

For the year ended 31 December 2022

---

#### 11. Related party transactions, continued

The subsidiaries of the Charity are listed in Note 16. The following transactions took place during the year:

- (a) Mr J.M. Patel, a Trustee of the Charity and a director of Saya Enterprises Limited and its subsidiaries and Mr Chandresh Patel, a director of Saya Enterprises Limited and its subsidiaries, have a material interest in Empire Food Brokers Limited (“Empire”).

The following transactions took place between the Group and Empire.

- Group undertakings have sold and purchased goods amounting to £278,715 (2021: £310,500) and £11,125 respectively (2021: £12,404) on normal trade terms from Empire.
  - The net trade balance due from Empire at year end was £11,776 (2021: £25,922).
- (b) Mr J M Patel, who is a Trustee of the Charity and director of Saya Enterprises Limited, has a material interest in Venue 5 Limited (“Venue 5”).

The following transactions took place between the Group and Venue 5:

- Group undertakings sold goods amounting to £2,330 (2021: £3,569) to Venue 5 Limited on normal trade terms. The trade balance due from Venue 5 at year end was £245 (2021: £1,432).
- (c) Bochasanwasi Shri Akshar Purushottam Swaminarayan Sanstha (“BAPS”) is a UK registered charity in which Messrs J M Patel is also a Trustee. During the year, Saya Enterprises Limited sold goods amounting to £108,792 (2021: £164,615) to BAPS on normal commercial terms and conditions.

Bank House Lockers Ltd made donations of £350,000 (2021: £212,000) to BAPS during the year.

	2022	2021
Amount due from related party at the balance sheet date	<u>£33,569</u>	<u>£29,117</u>

- (d) Bank House Lockers Ltd transferred loan amounts totalling £Nil (2021: £Nil) to Neelkanth Safe Deposit Limited during the year. The two directors of the company, K.V Pujara and M.K. Pujara hold 40% each (total of 80%) of the ordinary share capital of Neelkanth Safe Deposit Limited. The balance due to Bank House Lockers Limited at the year end was £100,000 (2021: £100,000). There is no formal agreement in place between the two companies.

- (e) Nilkanth Estates

Bank House Lockers Limited paid rent amounting to £45,000 to Nilkanth Estates. Nilkanth Estates and the Sarjudas Foundation have common trustees. There is no balance due at year-end to Nilkanth estates.

There were no other related party transactions in the current or prior year.

## Sarjudas Foundation

### Notes to the consolidated financial statements

For the year ended 31 December 2022

#### 12. Taxation

The Charity is exempt from corporation tax as all its income is charitable and is applied for charitable purposes. The Charity's trading subsidiaries donate available profits to the parent charity. The performance of the subsidiaries in the year is disclosed in note 16 and there was a charge to corporation tax of £Nil (2021: £Nil).
