Structure, Governance and Management

The organisation is a charitable company limited by guarantee (06552033), incorporated on 1 April 2008 and registered as a charity (1125698) on 3 September 2008. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. The day to day running of the charity is managed by the trustees.

Recruitment and Appointment

The directors of the company are also charity trustees for the purposes of charity law. Trustees are appointed by a resolution of the trustees passed at a special meeting. The minimum number of trustees is 3. Trustees are skilled to carry out their duties and responsibilities. If, however, further training is required then it will be provided.

Principal Objectives and Activities of the Charity

The company's objects and principal activities are:

- Through advancing education, relieving poverty and sickness and preserving and protecting the good health of people in Africa (and in particular, but not exclusively, in South Africa).
- Advancing in life and relieving the needs of young people by:
 1. Providing an indoor stadium(s) and playing fields primarily (although not exclusively) to help enable young people in the area of benefit to break out of the cycle of poverty, ill health, crime, drug abuse and marginalisation.
 2. The provision of other recreational and leisure time activities provided in the interests of social welfare, designed to improve their conditions of life.
 3. Providing support and activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals.

Public benefit

The trustees confirm that they have referred to the guidance contained in the charity commission's general guidance in public benefit when reviewing the trust's aims and objectives and in planning future activities and setting the grant making policy for the year.

Grant making policy

- Grants will only be made from the funds of Hope Through Action (HTA) to organisations whose objectives align with those of HTA;
- Occasionally it will be appropriate to make grants to individuals for specific project/activities. Any such grants will only be paid into recognised bank accounts and for defined purposes;
- Grants will not be made to political parties or to individuals for political purposes;
- Wherever possible feedback should be requested and provided from the recipient to demonstrate, evidentially, the outcomes achieved against those agreed prior to the grant being made.

Trustees' Report for the Year Ended 5 April 2023

Achievements and Performance

In this period the charity has raised a total of £112,845 and has expenses amounting to £177,251, of which £166,433 was granted to the Hope Through Action Foundation (SA) a Section 21 company based in South Africa. A formal Memorandum of Understanding has been established between the charity and the foundation in South Africa. This South African based organisation is the legal owner of facilities built in order to achieve the objectives of the charity.

The grants made towards the work in South Africa have enabled significant progress to be made in bringing about positive change in the lives of young people and their community.

The foundation in South Africa now operates, either directly or via partners, three community sports centres, two schools and a Learning Development Centre. The communities in which the charity have the privilege of working are becoming increasingly violent and unsafe places for children and young people. The centres are safe havens for young people to develop and grow.

The charity is conscious of its responsibilities to protect the children and young people with whom the charity, and partners, work. The charity has therefore continued to review its safeguarding policies and procedures and those of its key partners.

The Trustees of the foundation in South Africa continue to work with SCORE (Sports Coaching Outreach) as a local partner to run the centres and deliver the six key programmes i.e. health, welfare, education, leadership, business development and sports excellence. Programmes in the centres are aimed at helping young people develop physically, emotionally, intellectually and spiritually.

The COVID pandemic created many challenges for the communities in which we work with an increase of isolation, anxiety, violence, and abuse. Many children and young people have lost a significant period of formal education. We have partnered with Western Cape Education and local NGOs to develop and implement the @HomeLearning Programme. This is designed to support learners both at school, and in their homes, through structured interventions by trained "interns". The interns are young people who have completed their formal education but have not yet gone onto employment or further education. After taking the lead partner role in a pilot programme, the programme has now been extended across many communities in the Winelands of Western Cape.

Our centres and schools are now fully open after the pandemic and we continue to keep in touch with many vulnerable young people and their families.

The grants made from Hope Through Action have ensured that the objectives of the charity continue to be met.

There are both common and independent trustees in these two organisations to ensure appropriate governance and risk management.

The Trustees wish to recognise the contribution made by volunteers in helping to achieve the charities objectives.

Financial Review

There was net expenditure for the year of £64,406 (2022: £66,706 income) with retained funds of £12,324 (2022: £76,730) at the year end. The net income decreased in the year due to decreased donations received however there was also an increase in expenditure as due to the Covid-19 pandemic halting any trips to visit South Africa over the last two years, there was a tail off of planned expenditure resulting in lower costs incurred in 2022. The debtor balance of £Nil (2022: £9,025) represents the gift aid debtor that the Charity had claimed but not yet received for donations made to them in the year. The cash at bank and in hand figure remained steady at year end at £17,581 (2022: £72,745). The creditors balance of £5,257 (2022: £5,040) represents accrued accountancy and independent examination fees not yet paid.

Trustees' Report for the Year Ended 5 April 2023

Risk Management

The trustees have assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate exposure to the major risks. The main risk to the charity would be a reduction in donations received.

Reserves Policy

The trustees consider that the most appropriate level of free reserves in the long term is £5,000. The reserves held at the balance sheet date are sufficient at present to enable the charity to achieve its objectives.

Charity's Future Developments

The focus for the Trustees in the next period is to secure sufficient funds to sustain the long term operation of the South African activities and to allow the local team to respond to new challenges and community needs. It is not envisaged that there will be the requirement for significant capital funding as the approach is to concentrate on building effective development programmes at the existing facilities.

Trustees' Responsibilities

The trustees (who are also directors of Hope Through Action for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

These accounts are prepared in accordance with the provisions applicable to companies' subject to the small companies' regime.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF HOPE THROUGH ACTION

I report to the trustees on my examination of the financial statements of Hope Through Action ('the company') for the year ended 5 April 2023, which are set out on pages 6 to 13.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145 (5)(b) of the 2011 Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the accounts. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently, I express no opinion as to whether the accounts present a 'true and fair view' and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me reasonable cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements
For the Year Ended 5 April 2023

1. Accounting Policies

The following accounting policies have been applied consistently regarding items considered material to the accounts.

a) Company information

Hope Through Action is a private company limited by guarantee incorporated in England and Wales. The registered office is 15 Grassfield Way, Knutsford, Cheshire, WA16 9AF.

b) Accounting convention

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Hope Through Action meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The Charity has taken advantage of the provisions in the SORP for Charities applying FRS102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

c) Going concern basis of preparation

The Trustees have considered transactions that are anticipated to take place in the foreseeable future and have concluded that no additional financial resources will be required. On this basis the Trustees have concluded that adopting the going concern basis of accounting in preparing the annual financial statements is appropriate. The Trustees will only commit to expenditure when the funds are available to do so.

d) Incoming resources

Donations

Donations are credited to the statement of financial activities once the charity has entitlement to the resources, it is certain that the resources will be received, and the monetary value can be measured with sufficient reliability. Income from events are credited to the statement of financial activities at the time the event takes place and income is certain.

Interest receivable

Interest received is credited to the statement of financial activities when received.

HOPE THROUGH ACTION
(A Company Limited by Guarantee)

Notes to the Financial Statements
For the Year Ended 5 April 2023

1. Accounting Policies – continued

e) Resources expended

Resources expended are included in the statement of financial activities on an accruals basis, inclusive of any VAT which cannot be recovered.

Expenditure on charitable activities includes grants made and a proportion of overhead and support costs.

Grants payable are payments made to third parties in the furtherance of the charitable objectives of the Charity. Grants are accounted for when either the recipient has a reasonable expectation that they will receive a grant and the trustees have agreed to pay the grant without condition, or the recipient has a reasonable expectation that they will receive a grant and any condition attaching to the grant is outside of the control of the Charity.

Governance costs are related to the governance of the charity, such as trustees' expenses.

f) Fund accounting

Funds held by the charity are either:

- Unrestricted funds which can be used in accordance with the charitable objectives at the discretion of the trustees;
- Restricted funds which can only be used for a particular restricted purpose within the charitable objectives. The nature and purpose of each restricted fund is included in note 12 to the financial statements.

g) Foreign currencies

Assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to the statement of financial activities.

h) Donations in Kind

The charity received support from many organisations throughout the year. The trustees believe that the value of this support is not quantifiable and measurable or material to disclose within the accounts.

i) Financial instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102, in full, to all of its financial instruments.

Financial assets and financial liabilities are recognised when the Charity becomes a party to the contractual provisions of the instrument and are offset only when the Charity currently has a legally enforceable right to set off the recognised amounts and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

j) Financial assets

Other debtors which are receivable within one year and which do not constitute a financing transaction are initially measured at the transaction price and subsequently measured at amortised cost, being the transaction price less any amounts settled and any impairment losses.

HOPE THROUGH ACTION
(A Company Limited by Guarantee)

Notes to the Financial Statements
For the Year Ended 5 April 2023

k) Financial liabilities

Financial instruments are classified as liabilities according to the substance of the contractual arrangements entered into.

Other creditors (including accruals) payable within one year that do not constitute a financing transaction are initially measured at the transaction price and subsequently measured at amortised cost, being the transaction price less any amounts settled.

2. Critical accounting estimates and judgements

The trustees believe that estimates and assumptions do not have a significant risk of causing a material difference to the carrying amounts of assets and liabilities within the next financial year.

3. Donations and legacies

	Unrestricted Funds £	Restricted Funds £	Total 2023 £	Total 2022 £

14. Guarantee Company and Liability of Members

Hope Through Action is a company limited by guarantee and therefore does not have any share capital.

The liability of members is limited. In the event of the company being wound up during a member's period of membership or within 12 months afterwards, an amount not exceeding £1 will be required towards the costs of dissolution and the liabilities incurred by the Charity before the membership ceased. There were 4 members at the balance sheet date.

15. Financial Period

These financial statements cover the year ended 5 April 2023. The Trustees have selected 5 April as the most appropriate date for preparing financial statements.

16. Related Party Transactions

Hope Through Action Foundation, a charitable company registered in South Africa, is related to the Charity through Mr P J Bland, who is a Trustee of both charities. During the year the Charity made grants to Hope Through Action Foundation of £166,433 (2022: £86,440). No balances remain outstanding at 5 April 2023 (2022: £Nil).

During the year a £10,000 (2022: Nil) unconditional donation was received from a Trustee.
