WELSH RAILWAY TRUST YMDDIRIEDOLAETH RHEILFFYRDD CYMRU

TRUSTEES ANNUAL REPORT 2022

This report was agreed by the Board of Trustees at their meeting on 26 September 2023.

1. OBJECTIVES AND ACTIVITIES

The charitable objects as set out in the charity's governing document are:

To advance the education of the public in the history and development of railway locomotion by the preservation and maintenance in working order of historic railway equipment.

The main activities undertaken by the charity during the reporting period were:

- Arrangements for the transfer of assets (two steam locomotives, rolling stock and funds for their repair) from the Swansea Vale Railway Society to the Welsh Railway Trust.
- Acquisition and commencement of restoration of a Diesel hydraulic locomotive from the Ford Motor Company's Bridgend plant,
- Ongoing restoration of historic steam locomotive Haulwen,
- Raising funds for the restoration of Taff Vale Railway locomotive 28 and starting restoration work,
- Raising funds for the purchase and repair of a British Railway Restaurant Coach,
- The restoration of 2 Victorian railway carriages,
- Raising funds for and starting construction of a storage shed and display facility for the Welsh Railway Trust's collection of historic rolling stock, and
- Establishing structures procedures for receiving legacies.

The acquisition of historic locomotives, rolling stock and railcars by donation or for a nominal sum is of benefit to the public by securing these historic artifacts for operation and display to the education and enjoyment of the general public in accordance with the WRT's charitable objectives.

The restoration of the two Victorian carriages will give the public the opportunity to experience genuine Victorian railway travel in south west Wales and provide an invaluable educational resource for schools.

The development of the storage and display facility (Dan Do Project) in conjunction with the Gwili Railway Company Ltd will provide undercover storage for some of the Welsh Railway Trust's historic rolling stock which is currently stored in less than ideal conditions outdoors. This will be a major step in conserving these items for the long-term helping to safeguard the items in the care of the Welsh Railway Trust. The facility will also allow for visitors to view the historic rolling stock and for it to be properly interpreted for educational purposes.

The Trustees are mindful of their responsibilities under charity law and grants are made only:

- a) In respect of repair, maintenance, restoration or good stewardship of items in the care of the Welsh Railway Trust;
- b) For facilities, items and projects which further the aims of the Welsh Railway Trust. This may include expenditure on items not in the care of the Welsh Railway Trust where a clear benefit to the Trust or furtherance of its objectives can be shown.
- c) The Trustees may impose conditions on the award of a grant to ensure that the benefits conferred are in line with the charitable objects.

The role of volunteers is central to the work of the Welsh Railway Trust. All trustees and officers carry out their duties in a voluntary capacity, and Welsh Railway Trust projects are volunteer led. The aim of the Welsh Railway Trust is to support volunteers in furthering the Welsh Railway Trust's objectives, provide support, training, facilities, equipment and motivation to enable volunteers to fully participate in the Welsh Railway Trust's work.

The trustees have had regard to the Charity Commission's guidance on public benefit during their deliberations.

2. ACHIEVEMENTS AND PERFORMANCE

The Welsh Railway Trust was successful in raising over £120,000 in support of the various projects outlined in Section 1. This has enabled substantial progress to be made on a number of projects including;

- The restoration of steam locomotive Haulwen
- The restoration of 2 Victorian carriages
- The restoration of a historic British Railway Restaurant Coach
- The repair of the Ford diesel locomotive
- Commencement of construction of the storage and display facility at Abergwili Junction (Dan Do Project)

Progress was made in fundraising and preparation for the restoration of steam locomotive Raff Vale Railway No 28 including the acquisition of machine tools, acquisition of relevant drawings and plans, fundraising and publicity for the project. The stripping down of the locomotive prior to restoration has now begun.

The acquisition of a Diesel Hydraulic locomotive from the Ford Motor Company's Bridgend plant will showcase the role of railway transportation in the south Wales industrial sector as well as providing an additional locomotive for use on the Gwili Railway and in managing the Welsh Railway Trust's other historic rolling stock.

3. FINANCIAL REVIEW

The year was financially successfull with a number of significant donations, regular small donations, the transfer of assets from the Swansea Vale Railway Society and a number of significant donations via he Charities Aid Foundation. The full financial statements are attached.

4. PLANS FOR FUTURE PERIODS

The Welsh Railway Trust will continue with a number of projects including the restoration of the locomotives Haulwen, 28 and the Ford locomotive, vintage carriages 216 and 220, raising funds for the repair of a British Railway Restaurant Coach, raising funds for and construction of a storage shed and display facility for the Welsh Railway Trust's collection of historic rolling stock, in the next year.

In the longer term the Welsh Railway Trust intends to embark on a number of projects for which fundraising has already begun including the restoration of the HST power car and the British Railways Diesel Railcar.

The Welsh railway Trust will also continue to work to acquire other locomotives, rolling stock and other items which further the aims and objectives of the charity.

5. STRUCTURE, GOVERNANCE AND MANAGEMENT

The Welsh Railway Trust is a charitable company, registered both as a Charity (Number 519531) and Company Limited by Guarantee (Number 01204259) and is governed by a Memorandum and Articles of Association incorporated 19th March 1975 amended by special resolution 5 November 1987 as amended on 31 March 2021.

The Welsh Railway Trust was formerly known as the Caerphilly Railway Society Ltd. In 2021 the Gwili Vintage Carriage Group, another charity with similar objectives transferred its assets to and merged with the Welsh Railway Trust. The trustees of the Gwili Vintage Carriage Group were co-opted to the board of trustees of the Welsh Railway Trust.

While the Welsh Railway Trust is a standalone organisation, it works in close co-operation with the Gwili Railway Preservation Society and Gwili Railway Company Ltd (a not-for dividend company) to promote the Welsh Railway Trust's objectives, specifically on the Gwili Railway.

The Welsh Railway Trust is not a membership organization and trustees are appointed either;

- By invitation by the exiting trustees (having regard for representation from supporters and volunteers of the former Caerphilly Railway Society, Gwili Vintage Carriage Group, Brynteg Railway Group, Swansea Vale Railway Society and specialist knowledge, skills or expertise which could assist the Welsh Railway Trust in pursuit of its objectives), or
- 1 member may be nominated by the committee of the Gwili Railway Preservation
 Society and 1 by the board of the Gwili Railway Company Ltd in accordance with the

Memorandum of Understanding signed between the Welsh Railway Trust, Gwili Railway Preservation Society and the Gwili Railway Company Ltd on 6 August 2022)

Accounting policies

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources:
 - it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability

Offsetting

Legacies

There has been no offsetting of assets and liabilities, or income and expenses, unless required permitted by the FRS 102 SORP or FRS 102.

Grants and donations

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).

Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

Government grants The charity has received government grants in the reporting period

Tax reclaims on donations and gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Contractual income and performance related grants

This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.

Donated goods

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.

Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable

Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.

Donated services and facilities

Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.

Support costs

The charity has incurred expenditure on support costs.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Income from interest. royalties and dividends

This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

subscriptions

Income from membership Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies

> Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.

Independent examiner's report on the accounts

Section A	ndependent Examiner's Report	
Report to the trustees/ members of	Chanty Name Welsh Railway Trust	
On accounts for the year ended	31/12/2022	Charity no (if any) 519531
Set out on pages	(remember to include the page numbers of additional sheets)	
Respective responsibilities of trustees and examiner	The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed. It is my responsibility to: • examine the accounts under section 145 of the Charities Act, • to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and • to state whether particular matters have come to my attention.	
Basis of independent examiner's statement	My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.	
Independent examiner's statement		
	to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
