ACHIEVEMENTS AND PERFORMANCE

• Main achievements of the Charity

During the twelve months of operation April 2022– March 2023 as The Corner House Youth Project, we have delivered a range of programmes and initiatives across Stockton on Tees and as seen from the Project Activity, we continually strive to adhere and remain faithful to our Strategic Priorities which aim to:

- Enable young people and individuals to identify their own needs and aspirations
- Encourage young people and individuals, currently on the fringes of society, to re-engage and participate positively in their communities;
- Encourage and motivate young people into education, training, and employment.
- Ensuring that opportunities are available for young people and families to take a lead in the continued development of the project
- Provide work in partnership with other organisations and agencies to provide and gain access to additional services in recognition that we cannot address all young people's needs, nor it is 'healthy' for the young people to be divorced from mainstream services and activities.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

Financial review

• Going concern

The Trustees consider that the Charity has sufficient reserves to cover any potential shortfall in the year, and therefore have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

• Reserves policy

At 31st March 2023, the total funds were £184,074 comprising unrestricted reserves of £153,000 including £71,845 committed expenditure and £81,155 uncommitted.

The charity aims to build up cash reserves to ensure that there are sufficient unrestricted funds to cover a minimum of three months operations costs currently estimated to be £30K.

Unrestricted reserves are to provide the necessary funds to manage cash flow, cover emergencies and to provide short-term gap funding. Any use of reserves which reduce the reserves amount below the three-month provision requires approval from the board of trustees. The Trustees will review this policy on an annual basis.

• Overview

The Financial Statements for the year ending 31 March 2023 show a deficit of income over expenditure of £1,753 (2022: deficit of £68,893).

Carrying forward unrestricted and non-committed general fund balances of £81,155 (2022: £34,124) has enabled the Trustees to continue the charity's operations into the next financial year in accordance with an agreed budget projecting a small deficit for the year. Grant funding and new sources of income will be actively pursued throughout the year in order to eliminate this shortfall.

STRUCTURE, GOVERNANCE AND MANAGEMENT

• Constitution

Corner House @ Newtown is a registered charity, number 1168996, and is constituted under a Trust deed adopted on 12 January 2016 and amended 4 August 2016.

• Methods of appointment or election of Trustees

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

- **Financial risk management**

The Trustees are satisfied that the Charity is in a position to continue according to financial budgets for the next financial year.

This is based on a risk review process which also includes other major risks to which the Charity is exposed.

Systems are in place to mitigate those risks including a Risk Assessment Policy, Financial Regulations and a robust monitoring system. These documents and processes are regularly reviewed by the finance sub group and the board of Trustees. Internal risks are minimised by the implementation of procedures for authorisation of all transactions of the project and to ensure consistent quality of delivery of all operational aspects of the Charity

PLANS FOR FUTURE PERIODS

Whilst funding streams remain consistent, and our reputation goes from strength to strength there is always a challenge in securing funding for long term projects.

We also look forward to continuing our partnership work which provides the best possible offer to all young people we engage with across Stockton on Tees.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF CORNER HOUSE @ NEWTOWN
(the Charity)**

I report to the Charity Trustees on my examination of the accounts of the Charity for the year ended 31 March 2023.

RESPONSIBILITIES AND BASIS OF REPORT

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of financial statement set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statement give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

The Trustees, having made due and careful enquiry and preparing forecasts, are of the opinion that the Charity has adequate working capital to execute its operations over the next 12 months. The Trustees therefore, have made an informed judgement, at the time of approving the financial statements, that there is reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. As a result the Trustees have continued to adopt the going concern basis of accounting in preparing the annual financial statements.

2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

All expenditure is accounted for on an accruals basis.

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the Charity and its compliance with regulation and good practice.

National Lottery Growing Together

Partnership funding with The Five Lamps Organisation, Little Sprouts, Corner House Youth Project and Cultivate Tees Valley. This is funded for 3 years, 4th January 2022 to 5th January 2025, with The Five Lamps Organisation as the lead partner and accountable body for the grant.

The aim of the project is to bring people together and build strong relationships across communities by engaging with young people and their families.

The Corner House Youth Project will deliver the "Youth Voice" element of the grant employing a Youth Voice Co-Ordinator to set up Youth Voice Forums where young people will come together to discuss local issues and needs for young people. There will also be training packages for local young people to raise aspirations and improve life chances. A programme of Youth Mentors and Youth Assistants will be delivered who will assist staff in supporting the wellbeing of children and young people who attend our youth work sessions across the borough.
