

The Alligator Trust

Report of the Trustees for the year ended 31st January 2023

Charity No. 1081078

Charitable Status

The Alligator Trust is a charitable trust, registered in England, and established under a Trust Deed dated 1st February 2000.

The objects of the Trust are such exclusively charitable purposes as the Trustees in their absolute discretion from time to time think fit. The Trustees must use the income and may use the capital of the Trust in promoting the objects of the Trust.

The Trustees continue to review the major risks to which the charity is exposed. Systems have been established and continue to be regularly reviewed to mitigate those risks. The Trustees have regard to the Charity Commission's guidance on public benefit.

Financial Review

Details of financial activities during the year are shown in the accounts on pages 3 to 6.

The Trustees acknowledge their responsibility to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Trust and of the incoming resources and application of resources of the Trust for that year. In preparing those accounts, the Trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP
- make judgements and estimates that are reasonable and prudent;
- prepare accounts on a going concern basis, unless it is inappropriate to presume that the Trust will continue in its activities;

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Trust and to enable them to ensure that the accounts comply with the Charities Act 2011 and the Charities SORP. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
