Trustees' Annual Report (Incorporating the Director's Report) (continued)

Year ended 31 March 2023

Structure, governance and management

Northern Roots was first incorporated as a company on 15 March 2018.

The registration as a charity was completed on 29 November 2021.

As a registered charity and a company limited by shares, the Company is governed by its Memorandum and Articles of Association, dated August 2019. These have not been changed since incorporation and were transferred over from the company to the charity in November 2021. The members of the Charity are the Trustees who have consented to act and become members and whose names have been entered into the members register. The maximum liability of each member is limited to £1, in the event of the Company being wound up.

It is registered with the Charity Commission with number 1196806.

Recruitment and appointment of Trustees

The Trustees aim for the highest possible standard of governance by ensuring that the charity has a governance framework that is appropriate to a charity of its size/complexity, stage of development, and its charitable objects, and reflects the diversity of its users. This framework is regularly reviewed, along with the Board's performance.

In consultation with the Chief Executive, the Board has the mix of skills and experience it requires to govern the charity well. The Board has access to, and will consider, relevant external professional advice and expertise when required.

All members of the Board receive appropriate induction on their appointment and continue to receive appropriate advice, information and training (both individual and collective). Trustees have a code of conduct and comply with it and there are mechanisms for the removal of Trustees who do not abide by the trustee code of conduct.

There is a minimum of nine Trustees allowed to sit on the Board, with a maximum of thirteen. The Board will have four council appointed Trustees with the remainder independently appointed. Trustees are appointed for a 36-month term. Appointments can be extended at the end of the term to a maximum of three terms. A Chair and Vice Chair will be appointed by the Trustees, for an initial term of three years, with potential to be extended for one further term of three years, to a maximum of six years.

None of the Trustees have any beneficial interest in the company. All the Trustees are members of the company and guarantee to contribute £1 in the event of winding up.

The Trustees, who are directors for the purpose of company law, present their annual report and the financial statements for the year ended 31 March 2023. There were four Board meetings from April 2022 to March 2023.

Trustees' Annual Report (Incorporating the Director's Report) (continued)

Year ended 31 March 2023

Trustees

The Trustees who served during the year are as follows:

A Jabbar J Bland ¹ B Brownbridge ² Z Chauhan S Lockwood ² G Koosar ² P Morton ¹ A Selby ² A Tyrer ¹

The Board approved the formation of two sub committees to ensure the best possible governance and reporting structures from the management team to the Board. These are the Finance and Risk committee chaired by Alan Tyrer and the HR committee chaired by Stuart Lockwood.

1 - Denotes member of Finance and Risk committee

2 - Denotes member of the HR committee

Objectives and activities

The object of the Charity, as set out in its Memorandum and Articles of Association is to provide, maintain, protect, improve and equip the gardens, landscaped areas, woodlands, open spaces, playing fields and recreational amenity spaces within the Northern Roots site, and to advance the health and wellbeing and communal pride of local communities by promoting outdoor activities including horticulture and agriculture, land-based activities, recreation, amateur sport, arts, heritage and culture activities. All the charities activities are undertaken to further the charities purposes for public benefit.

Achievements and performance

Over the last year Northern Roots has made significant progress towards the realisation of the charity's vision and purpose. Revenue funding enabled the company to recruit a full management team, as well as staff to develop growing, landscape management, community engagement and educational activities. With this team the charity delivered five large scale arts and culture events, training programmes and work experience placements for over 100 young people, and a behaviour change programme conveying "What not to flush, what not to pour" messaging to local residents. The team also began the creation of the first phase of the Northern Roots farm, with cabin, storage, workshop, apiary and initial market garden facilities, at the top of the site. They continued to enhance the landscape and habitats of the site by, for example, managing dangerous and diseased trees, litter picking, and planting two kilometres of new hedgerow. The charity ran an initial business support programme to identify and support local residents with ideas for businesses that could be established at Northern Roots. Many projects were delivered in partnership with organisations, including Positive Steps, The Conservation Volunteers, Fatima Women's Association and the Lancashire Wildlife Trust.

Planning permission was approved for two linked planning applications for a Bike Hub facility, and for an area encompassing approximately the top third of site which includes a Visitor Centre, Learning Centre, Market Garden, Forestry Hub and Solar Array. In partnership with Oldham Council a tender process was undertaken to select construction partners to deliver the first phase of the capital build.

Trustees' Annual Report (Incorporating the Director's Report) (continued)

Year ended 31 March 2023

Financial review

The Board of Trustees have tasked the day to day running of the charity to a management team headed by Anna da Silva as Chief Executive.

The Trustees are pleased with the financial performance of the Charity in the year 2022/23. The results show a surplus of £170,950. The surplus generated is in part attributable to restricted funds received in advance. Northern Roots will complete three restricted funds programmes to a value of £164,256 in 2023/24. Northern Roots was able to increase its continuity fund which may be reinvested in in the near future as agreed by the Board. The Trustees have put in place a robust budget for 2023/24 which will build on the excellent results achieved to date.

Policy on Reserves

The Trustees have an established policy, whereby they designate a reserve fund 'Continuity Fund' which will enable the charity to continue, for a period of time, its current activities in the event of a significant reduction in annual funding. This is reviewed on a regular basis as it is obviously necessary to consider how the funding will be replaced or activities modified should such circumstances arise. The current policy of the Board is a target level of this fund equivalent to six months total budgeted costs and to attempt to increase it gradually to nine months total budgeted costs.

The target of six months' budgeted costs based on the 2022/24 budget, equates to £315,197 and the actual balance of the Continuity Fund at 31 March 2023 was £237,406 (March 22 £59,790). There is a shortfall of £77,791 on the target set by the Trustees for this fund. As a new charity the Trustees are fully aware that the target of six months' running costs will not be achieved easily. The funds that have been received so far may be required for reinvestment during the early building phase of the charity. The Trustees are very happy with the progress and will continue to take such measures that will allow the Continuity Fund to be grown in the future, in line with the charity's objectives.

Principal risks and uncertainties

Northern Roots is a highly ambitious programme. The risks are high in the build phase of the early years. The high-risk elements for 2023/24 will be securing the funding to build the charity in the years leading up to the site becoming self-sustainable. The charity has appointed an experienced Chief Executive to lead its management team and the Trustees are confident that the funding will be secured.

Northern Roots (Oldham) Limited Trustees' Annual Report (Incorporating the Director's Report) (continued)

Year ended 31 March 2023

Plans for future periods

Over the coming year the Charity will continue to establish phase 1 of the Northern Roots Urban Farm, planting and harvesting the first crops grown on site. It will continue to offer training opportunities for local residents through a range of volunteering, alternate provision and work experience programmes. It will offer school holiday activity programmes for local children. It will introduce its first green social prescribing project, in partnership with Hilltop GP surgery in Fitton Hill. It will deliver three further arts and culture events and a range of other activities for local residents. It will begin to support a few small businesses to operate at and from the site. It will continue to enhance the landscape and habitat of the site. The first phase of capital building will commence. The Charity will continue to apply for further capital and revenue funding, and will seek to finalise a lease on the site from Oldham Council.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of Northern Roots (Oldham) Limited

Year ended 31 March 2023

I report on the Financial Statements of the Charity for the year ended 31 March 2023 which are set out on pages 6 to 13.

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) or under Regulation 10 (1) (a) to (c) of The Charities Accounts (Scotland) Regulations 2006 (the 2006 Accounts Regulations) and that an independent examination is needed. The charity is required by company law to prepare accrued accounts and I am qualified to undertake the examination by being a qualified member of the Chartered Institute of Public Finance and Accountancy.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act);

- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and

- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) Which gives me reasonable cause to believe that in any material respect the requirements

- to keep accounting records in accordance with section 44(1)(a) of the 2005 Act; and

- to prepare accounts which accord with the accounting records, comply with the accounting requirements of the section 44(1)(b) of the 2005 Act; and

- which are consistent with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 31 March 2023

1. General Information

The charity is a public benefit entity and a private company limited by shares, registered in England and Wales and a registered charity In England and Wales. The address of the registered office is Oldham Council, Alexandra Park, Kings Road, Oldham, OL8 2BH.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

Northern Roots (Oldham) is a company limited by shares in the United Kingdom. The address of the registered office is given in the company information on page 2 of these financial statements. The nature of the charity's operation and principal activities are set out in the Trustees' report.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable In the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Northern Roots meets the definition of a public benefit entity under FRS 102 Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

These accounts have been prepared on the going concern basis, and the Trustees consider that no material uncertainties exist, after due regard to the measures put in place by the Trustees in respect of future costs savings and financial projections as highlighted in the Trustees report. The Board have approved a 3 year strategic forecast to ensure the charity continues to grow. As a result, the Trustees consider that the charity has sufficient reserves to meet liabilities as the fall due for a period of at least twelve months from the date of signing the accounts.

Notes to the Financial Statements (continued)

Year ended 31 March 2023

3. Accounting policies (continued)

Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the Trustees are required to make judgments, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experiences and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future period.

The Trustees do not believe that there are any estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Notes to the Financial Statements (continued)

Year ended 31 March 2023

3. Accounting policies (continued)

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established
- income from donated goods is measured at the fair value of the goods unless this is
 impractical to measure reliably, in which case the value Is derived from the cost to the donor
 or the estimated resale value. Donated facilities and services are recognised in the accounts
 when received if the value can be reliably measured. No amounts are included for the
 contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by the charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes an expenditure that Is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities, they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation fess any subsequent accumulated depreciation and sub-sequent accumulated impairment losses.

11 | Page

Notes to the Financial Statements (continued)

Year ended 31 March 2023

3. Accounting policies (continued)

Tangible assets (continued)

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Plant and machinery

25% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units

Financial Instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Notes to the Financial Statements (continued)

Year ended 31 March 2023

3. Accounting policies (continued)

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.
