### **OUTCOMES:**

The staff team, project volunteers, participants and partners were involved in our evaluation process. Project monitoring forms were completed for each project and monitoring data was reviewed. From the discussions, surveys and documents key outcomes from the overall project were identified and are outlined below.

#### **Physical health**

Low rates of physical activity are significantly more common amongst homeless people compared to the general population. Hence our core aim being the promotion of physical activity.

NHS practitioners at matchdays identified 28 people for referral to a GP for high blood pressure readings and 2 people were advised to attend A&E. They have encountered 2 x type 1 diabetics and engaged with the outreach team to monitor these individuals.

Dietitians have discussed options for healthier eating with between 7 and 10 individuals each session, discussing issues of storage of food in hostels, limited cooking ability and facilities. Managing a healthier lifestyle with people who have identified as alcoholics or managing the 'munchies' following drug taking.

Our podiatrist carried out 62 podiatry checks and made 9 referrals to GPs for further investigations.

#### **Mental well-being**

23 people attended our mental health drop-in sessions and 4 people went on to attend one to one counselling sessions.

Many of the participants commented that meeting new people and the camaraderie helps them feel less stressed and more able to participate. 79% felt healthier and more confident with 60% feeling less stressed.

#### **Reduced isolation**

Due to their chaotic lifestyles a lot of homeless people often experience isolation and loneliness. 89% of our participants said they enjoyed making new friends and found that spending time with others helps them to become more sociable and more prepared to face life's challenges.

GT age 29 *"Just actually getting out of bed is an issue for me, but on footy days I jump up early and run down to meet the lads."*

FD age 32 *"Life has been so tough the past few years. Getting back on track is so hard but coming here each week helps me focus. Step by step I am getting there. It may be taking longer than I thought but I know I can get myself sorted with the help of everyone here."*

### **CASE STUDIES**

CM became involved with the club from the very beginning when due to family problems he became homeless.

*"I was living in a hostel, and it was so boring and depressing. We all used to just hang about the streets being a nuisance to the neighbours. Then one day I was asked if I wanted to play footy, I wasn't much good, but I had a go. Then with the support and encouragement of the club, I became a qualified referee, and then a matchday steward at AFC Liverpool. All these years later I still go to the Spirit of Merseyside matchdays, but I am now in the middle of the pitch referring the games. I am happy and settled now with my partner who I love to travel the world with. I will always be with this club. and I would do anything for them because they are like my family."*

As part of the the national lottery advertising campaign, the Daily Mirror included an article, about our female coach Jess.

### **FINANCIAL REVIEW**

Total income in the year was £60,090 (2022: £80,808) of which £46,970 (2022: £56,570), related to funding for projects upon which restrictions are placed.

Total expenditure in the year was £105,010 (2022: £115,650), leaving a deficit for the year of £44,920 (2022: deficit £34,842).

At 31<sup>st</sup> March 2023 the charitable company's reserves stood at £12,359 (2022: £57,279) of which £4,731 (2022: £31,640) represented restricted funds

### **Risk Assessment**

The main risks, to which the charitable company is exposed, as identified by the Trustees, have been considered and systems have been established to mitigate those risks. A full business continuity plan has been developed and tested that enables all stakeholders to be fully informed as to when it needs to be activated and the individual actions required.

### **Reserves Policy**

It is the policy of the charitable company to maintain unrestricted funds, which are free reserves at a level to cover redundancy provision and six months' running costs should no further funding be received.

As at the end of the financial year the unrestricted funds totalled £7,628. The charitable company requires £5,671 for redundancy provision and £10,998 for six months' running costs, (total £16,669). The Trustees are addressing the shortfall in reserves.

### **PLANS FOR FUTURE**

Whilst the past year has been challenging we have been able to secure funding for the men's football projects and The womens football and crafty minds therapy. However, the charity has still to secure funding for salaries. Financial security for at least the next three years is being sought and the priorities for the year ahead are to:

Develop a sustainability action plan

Explore all available funding opportunities

### **STATEMENT OF TRUSTEES' RESPONSIBILITIES**

---

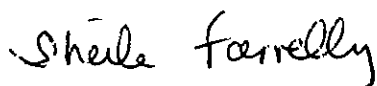

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing those financial statements, the trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principle in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue as a going concern;
- state whether applicable accounting standards have been followed, subject to any material departure disclosed and explained in the financial statements.

The Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the Charities Act 2011, Companies Act 2006, Accounting and Reporting by Charities; Statement of Recommended Practice (SORP 2019) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1<sup>st</sup> January 2019).

## INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF LIVERPOOL HOMELESS FOOTBALL CLUB

---

Respective  
responsibilities of  
trustees and examiner

I report on the accounts of the charitable company for the year ended 31<sup>st</sup> March 2023, which are set out on pages 9 to 20.

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act, and
- to state whether particular matters have come to my attention.

Basis of independent  
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's  
statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in, any material respect, the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

---

**1. Limited Liability**

The charity is a company limited by guarantee. Each member's liability is limited to £1.

**2. Accounting Policies**

**Basis of accounting**

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (SORP 2019) (effective 1<sup>st</sup> January 2019), Charities Act 2011 and the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The Charitable Company has taken advantage of the provisions in the SORP for Charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

**Going concern**

At the time of approving the accounts, the Trustees have a reasonable expectation that the Charitable Company has adequate resources to continue in operational existence for the foreseeable future. The Trustees have therefore adopted the going concern basis of accounting in preparing the accounts.

**Fund accounting**

Unrestricted funds are the Charitable Company's free reserves available for the trustees to apply in accordance with the charitable company's charitable objectives.

Restricted funds are subject to specific restrictive conditions imposed by the donor. All restricted funds are accounted for as restricted income and expenditure for the purposes is charged to the fund.

**Income recognition**

All income is recognised once the charity has entitlement to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Donations and legacies comprise of donations and general grants which are recognised in the accounts when received, with the exception of known legacies which are accounted for when their receipt is certain.

Income from charitable activities is recognised on an accrual's basis. Grants receivables are recognised on the date on which their unconditional payment is confirmed by the donor.

**Expenditure recognition**

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charitable company to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

## **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2023**

---

All expenditure is accounted for on an accruals basis. All expenses, including support costs and governance costs, are allocated or apportioned to the applicable expenditure headings in the Statement of Financial Activities. Support and governance costs are applied to unrestricted funds unless specifically included in the restrictions, as specified by the donor. Expenditure on charitable activities relate to the operation of the charity comprising of direct charitable expenditure to meet the objectives of the charitable company. Support and governance costs relate to the management and operation of the organisation and also compliance with constitutional and statutory requirements in producing the annual report. These are dealt with in the Statement of Financial Activities when payment has been approved by the charitable company.

### **Fixed Assets**

Capital expenditure of £200 and above is treated as a fixed asset and depreciated on the following bases in order to write off each asset over its estimated useful life:

|                    |                                      |
|--------------------|--------------------------------------|
| Computer Equipment | 33% per annum straight line basis    |
| Motor Vehicles     | 25% per annum reducing balance basis |
| Fixture & Fittings | 20% per annum reducing balance basis |

### **Cash and cash equivalents**

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts.

### **Financial instruments**

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

### **Critical accounting estimates and judgements**

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions

**LIVERPOOL HOMELESS FOOTBALL CLUB**  
**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2023**

are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

**Taxation**

Income and gains are exempt from taxation as they are received and applied for charitable purposes only. The charitable company benefits from various exemptions from taxation afforded by tax legislation and are not liable to corporation tax on income or gains falling within those exemptions.
