## The Ruddock Foundation for the Arts

### Report of the trustees For the year ended 5 April 2023

---

The trustees are pleased to present their annual report and financial statements for the year ended 5 April 2023.

The financial statements have been prepared in accordance with the accounting policies set out in Note 1 and comply with the Charities Act 2011 and the second edition of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The Trust was established by a Trust Deed dated 12 January 2010 and registered with the Charity Commission in England and Wales on 10 March 2010.

#### Objects of the Foundation

The objects of the Foundation are:

- a. To advance, promote and educate for the benefit of the public generally all branches of the arts with particular, but not exclusive reference to the performing, literary and decorative arts.
- b. To advance the preservation, protection and improvement of pictures, historic records, books, manuscripts, monuments, armour, porcelain, silver and gold objets d'art and other chattels or items of artistic, historic, or national interest.
- c. To establish and maintain a museum and/or art gallery for the display and promotion of the arts with particular, but not exclusive, reference to the decorative and medieval arts for the benefit of the public.
- d. Notwithstanding the above, to support or carry out such other objects or purposes as are exclusively charitable in accordance with the laws of England and Wales.

#### Organisation

Trustees meet twice a year to consider grant applications, review investment performance and discuss matters of a strategic and administrative nature.

The power to appoint new trustees is vested in the existing trustees of the Foundation. There is an informal interview and induction process for any new trustee. Continuing training for trustees is undertaken through regular meetings and discussions with individuals and organisations in the areas supported by the Foundation.

#### Achievements, performance and future plans

The Charity paid grants of £1,395,189. This includes payments committed to unconditional future funding for some organisations which were accrued in the prior year financial statements.

	£
Grants paid in the period provided for in 2022	890,681
Impact of foreign currency rates	94,200
New grants awarded in the year	410,308
Total grants paid	<u>1,395,189</u>

The focus remains on supporting research, conservation and display in museums as well as supporting the work of non-commercial theatres. The vast majority of grants are to institutions or charities that are world leaders in their respective fields.

## **The Ruddock Foundation for the Arts**

### **Report of the trustees For the year ended 5 April 2023**

---

During the year the major grants were:

Metropolitan Museum, New York:

\$950,000 (£766,000): to support the renovation of the Ancient Near Eastern galleries and for curatorial support

Courtauld Institute, London:

£300,000 to support gallery renovations and academic research

British Museum:

£50,000 towards curatorial support

King Edward's School, Birmingham:

£50,000 to support the Future Plan

Afrikids:

£50,000: general support for work combatting poverty in Ghana

Other charities that received grants between £10,000 and £25,000 were:

Factum Foundation

Friends of the Potteries Museum

Mansfield College, Oxford

Musee de Cluny

Musee de Louvre

MV youth

#### **Grant making policy**

Is to focus on three main areas:

- a. Institutions which look after and conserve paintings and works of art
- b. Research projects with a focus on medieval art
- c. Theatre and playwriting

The trustees confirm that they are aware of the Charity Commission's guidance on public benefit and will consider this when agreeing future grants.

#### **Reserves policy**

At 5 April 2023, the reserves of the Foundation comprised an unrestricted income fund and an expendable endowment fund. Donations from the Founder are treated as capital and are invested in line with the policy below. As at 5 April 2023, the expendable endowment fund contained £23,642,949 (2022: £26,469,802).

Trustees do not consider it necessary to maintain substantial reserves in the Income Fund. Accordingly, such reserves are reviewed annually and will not normally exceed the annual amount of net resources expended.

At 5 April 2023 free reserves, being the unrestricted income fund, were £Nil (2022: £Nil). The trustees are satisfied with the level of free reserves held.

**Report of the trustees  
For the year ended 5 April 2023**

---

**Investment policy**

There are no restrictions on the Foundation's powers to invest. The policy of the trustees is to seek to maximise total return, whilst maintaining the real value of the portfolio and not subjecting it to undue risk. Trustees review investment performance at each meeting, and their policy at least annually.

The investment policy is to aim for returns targeting a long-term return of LIBOR+3-5%. The Foundation's assets are allocated to a range of managers investing in global equities, private equity and real estate.

**Financial review**

*Income*

Total income for the year amounted to £1,501,254 (2022: £584,223).

Investment income earned this period was £241,682 (2022: £45,140). The Foundation manages its investments on a total return basis so that investment income is simply one component of the total investment return.

The Trustees are aware of their responsibilities under the Charities (Protection and Social Investment) Act 2016 and confirm that the Foundation does not carry out any fundraising activities.

*Grants and Donations*

The Foundation committed to grants totalling £410,308 during the year (2022: £4,307,715).

*Investment Performance*

During the year the Foundation allocated funds to several external asset managers including Marylebone Partners, Theleme Fund Managers, and Bridges, all of whom seek to deliver good absolute returns.

**Risk management**

The trustees are responsible for establishing and monitoring internal control systems within the Foundation. The major risks which may impact its activities have been reviewed during the period and the trustees are satisfied that the system of internal controls currently in place is adequate, whilst recognising that they are designed to manage rather than eliminate risk. Internal controls are reviewed on an ongoing basis as part of the day-to-day risk management process within the Foundation.

The Foundation is very well capitalised and there are no significant risks that are foreseen.

**Key management personnel remuneration**

The trustees consider the board of trustees as comprising the key management personnel of the Foundation in charge of directing and controlling the Foundation and running and operating the Foundation on a day-to-day basis. All trustees give of their time freely and no trustee remuneration was paid in the year. Details of trustee expenses are disclosed in note 4 to the accounts, and the trustees confirm there were no related party transactions, other than disclosed in note 2.

## The Ruddock Foundation for the Arts

### Report of the trustees

For the year ended 5 April 2023

---

#### Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material - departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on 13 Nov. 2023 and signed on its behalf by:

Sir Paul Ruddock  
Trustee

## **The Ruddock Foundation for the Arts**

### **Independent auditors' report to the trustees For the year ended 5 April 2023**

---

#### **Opinion**

We have audited the financial statements of The Ruddock Foundation for the Arts for the year ended 5 April 2023 which comprise the statement of financial activities, balance sheet, statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 5 April 2023 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

#### **Other information**

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

**Independent auditors' report to the trustees  
For the year ended 5 April 2023**

---

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact.

We have nothing to report in this regard.

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- the charity has not kept sufficient accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of trustees**

As explained more fully in the Trustees' Responsibilities Statement set out on page 5, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**Auditors' responsibilities for the audit of the financial statements**

We have been appointed as auditors under the Charities Act 2011 and report in accordance with regulations made under that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of

**Independent auditors' report to the trustees  
For the year ended 5 April 2023**

---

irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud are detailed below.

**Identifying and assessing risks related to irregularities:**

We assessed the susceptibility of the charity's financial statements to material misstatement and how fraud might occur, including through discussions with the trustees, discussions within our audit team planning meeting, updating our record of internal controls, and ensuring these controls operated as intended. We evaluated possible incentives and opportunities for fraudulent manipulation of the financial statements. We identified laws and regulations that are of significance in the context of the charity by discussions with trustees and updating our understanding of the sector in which the charity operates.

Laws and regulations of direct significance in the context of the charity include the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and guidance issued by the Charity Commission for England and Wales.

**Audit response to risks identified:**

We considered the extent of compliance with these laws and regulations as part of our audit procedures on the related financial statement items including a review of financial statement disclosures. We reviewed the charity's records of breaches of laws and regulations, minutes of meetings and correspondence with relevant authorities to identify potential material misstatements arising. We discussed the charity's policies and procedures for compliance with laws and regulations with trustees and those responsible for compliance.

During the planning meeting with the audit team, the engagement partner drew attention to the key areas which might involve non-compliance with laws and regulations or fraud. We enquired of management whether they were aware of any instances of non-compliance with laws and regulations or knowledge of any actual, suspected or alleged fraud. We addressed the risk of fraud through management override of controls by testing the appropriateness of journal entries and identifying any significant transactions that were unusual or outside the normal course of business. We assessed whether judgements made in making accounting estimates gave rise to a possible indication of management bias. At the completion stage of the audit, the engagement partner's review included ensuring that the team had approached their work with appropriate professional scepticism and thus the capacity to identify non-compliance with laws and regulations and fraud.

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities is available on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

**The Ruddock Foundation for the Arts**

**Independent auditors' report to the trustees  
For the year ended 5 April 2023**

---

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the trustees as a body, for our audit work, for this report, or for the opinions we have formed.

The notes on pages 13 to 20 form part of these financial statements.

**1. Accounting policies**

**1.1 Basis of accounting**

The financial statements are prepared under the historical cost convention and in accordance with applicable accounting standards. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (second edition) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) second edition rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The trust constitutes a public benefit entity as defined by FRS 102. The functional currency for these financial statements is £.

**1.2 Going concern**

The trustees have considered the financial position of the Foundation and consider it a going concern. The accounts have been prepared on this basis.

**1.3 Income**

Investment income is stated on an accruals basis. Donations are accounted for in the period in which the Foundation is entitled to receipt and include any associated gift aid. Gifts in kind are recognised on receipt at the value the Foundation would have paid for the goods or services on the open market.

**1.4 Expenditure**

Expenditure is included on an accruals basis.

Costs of raising funds comprise those costs directly attributable to managing the investments or endowment fund assets.

Grants awarded and donations payable are charged in full against income when the offer is conveyed to the beneficiary, except in those cases where the offer is conditional and therefore recognised as expenditure when the conditions attached are fulfilled. Grants offered subject to conditions which have not been met at the period end are noted as a commitment, but not accrued as an expense.

**1.5 Support and governance costs**

Support and governance costs are allocated to the charitable activity as incurred.

**1.6 Governance costs**

Governance costs comprise all costs involving the public accountability of the Foundation and cost related with statutory requirements.

**1.7 Funds**

Unrestricted funds - The Income Fund represents the balance of income from all sources after deduction of donations and other necessary expenditure.

The Expendable Endowment Fund represents all the donations of the Founder and can be invested to provide an income from which to make future payments or spent at the trustees' discretion.

**1.8 Taxation**

The Trust is a registered charity and is not liable to United Kingdom income tax or corporation tax on charitable activities.

**1.9 Investments**

Quoted investments

Investments are stated at mid-market value at the balance sheet date. Realised and unrealised gains and losses on investments are accounted for in the Statement of Financial Activities.

Unquoted investments

Unquoted investments are valued at the trustees' best estimate of fair value. The principal unquoted valuations are calculated as follows:

Property fund investments held through funds are managed by private equity and property groups. No readily identifiable market price is available for these unquoted investments. These funds are included at the most recent valuations from the respective investment manager. In a limited number of cases where information is not available at 5 April, the most recent valuations from the managers are adjusted for cash flows and any foreign exchange movement between the most recent valuation and the balance sheet date.

Derivative financial instruments are used for the Foundation's risk management as part of the investment portfolio management and investment return strategy. The Foundation's use of derivative financial instruments includes currency forwards. The fair value of contract positions is recognised in the balance sheet and gains/losses on the contracts are recognised in the SOFA.

**1.10 Programme related investments**

Programme-related investments are initially recognised and measured at the amount paid to the beneficiary. Programme related investments relate to a concessionary loan made to further the charitable objects of the Foundation. The carrying amount is adjusted in subsequent years to reflect repayments and accrued interest and if necessary to adjust for any impairment. Any impairment is treated as a cost of charitable activities.

**1.11 Foreign exchange**

Transactions in foreign currencies are recorded at the rate of exchange at the date of transaction. Assets or liabilities in foreign currencies at the balance sheet date are translated into Sterling at that date. All exchange differences are recorded in the Statement of Financial Activities.

**1.12 Financial instruments**

The Foundation has financial assets and financial liabilities of a kind that qualify as basic and non-basic. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

## The Ruddock Foundation for the Arts

### Notes to the financial statements (continued) For the year ended 5 April 2023

Derivative financial instruments held by the Foundation are not basic financial instruments and are accounted for in accordance with the policy in 1.9.

#### 1.13 Key estimates and judgements

In application of the Foundation's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experiences and other factors considered to be relevant. Actual results may differ from these estimates.

#### 2. Donations and gifts

	2023 £	2022 £
Donations	1,259,572	539,083
	<u>1,259,572</u>	<u>539,083</u>

Donations include cash of £1,259,572 from trusts in which trustees are the settlors (2022: £539,083 in cash from trustees).

#### 3. Investment income

	2023 £	2022 £
Dividend income	92,642	45,140
Distributions from private equity funds	142,536	-
Interest	6,504	-
	<u>241,682</u>	<u>45,140</u>

#### 4. Allocation of overhead costs

	2023 £	2022 £
<b>Raising funds</b>		
Bank charges	1,884	1,634
	<u>1,884</u>	<u>1,634</u>
<b>Grant related support costs</b>		
Audit fees	4,356	3,960
Accountancy and tax advice	4,968	4,852
	<u>9,324</u>	<u>8,812</u>

The Foundation has no employees (2022: none).

## The Ruddock Foundation for the Arts

### Notes to the financial statements (continued) For the year ended 5 April 2023

During the period no payments were made to any Trustee for their services nor were any expenses reimbursed to them (2022: none).

#### 5. Analysis of grants payable

	2023 £	2022 £
The Foundation made grants across the following areas of focus:		
Research and curatorial support	83,306	726,169
Museum acquisitions	-	7,259
Museum and gallery projects	287,745	3,320,344
Cultural exhibitions	-	-
Other areas	39,457	253,942
<b>Total grants committed in the year</b>	<b>410,308</b>	<b>4,307,714</b>

The grants payable noted above does not include any donations made to individuals (2022: £Nil), all grants have been made to institutions.
