# Blossom Project

Annual Report for the year ending 31 March 2023

Trustees' Report:

## Introduction from Chair

I am pleased to introduce this report of our charity. Coming out of the Covid 19 Pandemic 2022/23 has been a very good year for the charity with a lot to celebrate and be proud of. We have continued to expand our services for Older People in tackling loneliness and social isolation through our Blossom Together Year 3 project funded by Tower Hamlet Council, expanded our volunteering project and we continue to attract more local diverse residents who have benefited from having a local community space.

In addition, we have secured funding from Wakefield Tetley Trust to recruit our first BAME Outreach Coordinator. Older people and vulnerable adults in the BAME community have suffered disproportionately during the pandemic. The recruitment of a BAME Outreach Coordinator will make a difference to the lives of beneficiaries with language barriers as this is one of the most important things that builds trust and confidence.

Going forward our aim is for Blossom Project to continue to be a vibrant hub where all Tower Hamlets residents from every background can come together to gain access to free services or low-cost activities that would otherwise not be available to them. A Community Café, exercise classes, after school tuition, arts and crafts, intergenerational activities, activities for the family, a space for community groups to meet, a hub for education, a hub for learning and development, a hub for training for employment - and an affordable space for family celebrations.

As our name suggests, we want our community to grow and to blossom. Supporting all ages, all backgrounds and all cultures and without barriers - Blossom Project plays a key role in strengthening our community by connecting people.

We continue to broaden our network and strengthen our existing partnerships. We aim to co-develop new projects with the local community during 2023-2024 through Inclusive project planning whilst building our own capacity and adapting to a post-Covid world.

I thank our trustees, general members, professionals from partner organisations, volunteers, funders and supporters who have contributed to the growth of Blossom Project with their skills, generous amounts time, investment, dedication and expertise.

Ruhana Begum (Blossom Project Chair of Trustees)

## Blossom Project Aim and Objectives

The charity's objects are for the benefits of the inhabitants of Tower Hamlets and neighbouring areas in London and in particular people of disadvantaged communities who are in hardship.

1. To relieve disadvantaged people who are in need by reason of age, infirmity, disability, youth or poverty. Advancing education in particular the provision of language and other subject classes.
2. To promote the education and training of disadvantaged people who through their social and economic circumstances are in need and unable to gain employment and to promote and support schemes where such people may receive training for employment.
3. The provision of facilities for recreation and leisure time occupation in the interests of social welfare with the object of improving the conditions of life of the said inhabitants having need of facilities by reason of their youth, age, infirmity, poverty, or social and economic circumstances.

We aim to do this through:

- Be-friending services for the elderly through; Outreach and telephone to individuals regularly for hard to reach and vulnerable individuals.
- Day resources Centre, to offer resource Centre i.e., Luncheon club for the elderly and vulnerable adults suffering from isolation and neglect.
- Offering information, advice, and advocacy service for the elderly and vulnerable adults.
- Training for adults, providing and advancement of education to those who are not in employment or whose English is a second language.
- Health Promotion, assisting and providing services for people living with mental and physical Long-Term Conditions. Also helping in the community by way of project management, advisory services, such other services as the director of the charitable company shall consider appropriate.
- Volunteering opportunities, through encouraging residents to build confidence and build experience to further education and work opportunities.

## Blossom Together Project

Blossom Together funded by Tower Hamlet Council is a project that brings people together to tackle loneliness and isolation in the community.

In combating loneliness our outreach worker and volunteers engaged with and supported hard to reach individuals living with loneliness. They delivered activities such as tea/coffee mornings, intergenerational conversational English discussions, walking club and light exercise, urban gardening, arts and crafts and trips. 47 weekly Blossom Together sessions in total were delivered during the year with a total attendance of 515.

Activities such as urban gardening combined with arts enabled beneficiaries to assemble and paint their own planters. The planters were then used to grow herbs, salads, vegetables.

The Blossom Together Project facilitated weekly Discussion Sessions including Wellbeing Workshops.

Weekly Light Exercise at Blossom Together helped with mobility, physical and mental wellbeing.

## Community Café

Our free Community Café has gone from strength since 2017 when Blossom Project identified an urgent need to tackle social isolation facing older people and vulnerable adults. Supported by the Blossom Together Project, the Community Café hosts weekly Tea/Coffee mornings and Lunches. Total attendance of this be-friending service have been 593 during 2021/22. Our volunteers have worked tirelessly to ensure that local people have a warm and friendly place to meet, have a bite to eat and connect with other residents.

*'Our Community Café brings people together, promoting greater understanding and respect between generations and contributes to building a cohesive community whilst tackling loneliness, health and social wellbeing'*

## Training and Employment Project

Blossom Project has been working in partnership with Supporting Care in engaging residents on low or no income who may be interested in entering or returning back to employment within the caring sector.

We have found that common barriers to employment include lack of qualifications, low skills, lack of work experience, caring responsibilities (need for flexible employment), employer biases, confidence and coming from a disadvantaged background. Working in partnership with Supporting Care we have been able to support local people in overcoming these barriers through tailored support, advice and guidance, accredited training, volunteering opportunities, work experience and creating employment opportunities with flexible hours.

4 out of our 6 Volunteers recruited during 2022-2023 and received training at Blossom Project successfully gain Employment: Ridwan Karim, Md Abdul Sattar and Rohima Khatun.

*A hand up in tackling worklessness, promoting social mobility and aspiration by equipping local residents with the necessary skills and experience to achieve their employment goals with confidence and dignity.*

## Food Hygiene Courses

## Energy Saving Workshops

To tackle the cost-of-living crises we delivered Energy Saving Workshops for local people.

## Volunteering Project

Blossom Projects Volunteering Project makes a difference to the community we serve. Our volunteers have a wide range of skills, experience and knowledge. Through volunteering they are able to build relationships with the community and also engage those in the community that are hard to reach. They inform the development and delivery of our services with local knowledge that is invaluable.

**By investing in our volunteers, we can provide opportunities for skills development and potential routes to employment.**

Our volunteers work in outreach, activity development and coordination, service delivery, befriending, guidance, mentoring, partnerships, policy development, governance, and administration. Volunteering helps our beneficiaries to improving their health and wellbeing, reduce their social isolation and build confidence and independence.

6 Volunteers were recruited during 2022-2023 and received training at Blossom Project. Pictured above is Rubel Miah, who now works for Supporting Care.

### **Direct Learning Academy: Supplementary Tuition Classes**

Blossom Project worked in partnership with Direct Learning Academy to provide local children with the opportunity to supplement the development of their English, Maths and Science abilities.

51 young people in total benefited from this new partnership during 2022-2023 and received group and individual 1-1 support in KS2, KS3, KS4 and A Level Maths.

*Through academic excellence, personalised learning and practicing exam questions young people are able to fill gaps in their subject knowledge and build confidence.*

## Chandogram Welfare Association

The Chandogram Welfare Association continues to meet at the Blossom Project venue to work on projects to improve community cohesion/relationships within their community in Bangladesh. It supports the population of Chandogram through financial aid and support for the poor people in the village including students to further their education.

In addition, the Association encourages the UK children of Chandogram families to learn about their heritage and culture and keep connections with Bangladesh.

At Blossom Project local people benefit from having a community space where they can meet, engage with other local residents and discuss issues that are close to their hearts.

Residents are given the opportunity to develop their own projects and co-develop activities with Blossom Project.

## Discounted and Affordable Spaces for the Local Community

During 2022--2023 local people were unable to benefit from Blossom Project's Hall booking and meeting room. These are offered at discounted rate to residents of Tower Hamlets making it an affordable and flexible alternative to hiring out commercial halls and meeting rooms. We hope to offer these spaces following the Governments recently announced Covid Roadmap.

## Special Thanks

First of all, we would like to thank all our Users, Residents, Volunteers and Partners for their support in delivering services that are most needed in the community.

Thanks to Hasina, Ruznna and Mubin for their continued 'behind the scenes' support in establishing and coordinating projects voluntarily whilst building partnerships with local private, public and voluntary sector organisations.

A big thanks to Supporting Care who have been an excellent tenant for the last five years, and for supporting and training our volunteers, some of whom are now working with them as care workers.

## Challenges

Blossom Project has been making progress in developing our services. There is still a lot of work to be done and challenges which need to be addressed through:

1. Targeted outreach to engage more local BAME Older Residents to the tea and coffee morning as well as local project engagement through arts and craft and healthy lifestyle.
2. Active involvement of participants in meetings, co-design and promoting the service.
3. Promoting our venue to local establishments and schools so that the venue can be used more frequently. So that we may continue to fund our projects post Covid-19.
4. Diversifying our income strategy to fund future projects and activities.

## Solutions/Planning

1. Continue to explore funding sources to develop; Tea and Coffee morning, Day Centre, and activities to tackle social isolation and loneliness for Older People and Vulnerable Adults.
2. Secure funding for tackling food poverty and unemployment due to Covid-19.
3. Secure funding for youth club and children and young people after-school activities.
4. Develop advocacy and advice service for children and adults 'familles project'.
5. Deliver a Women's self-defense club.
6. Continue to invest in Volunteers and develop a Volunteer Strategy.
7. Co-develop projects with residents, whilst building their capacity, skills, and confidence.
8. Post Covid to promote affordable hall hire in local establishments as well as online.
9. Fundraising to recruit more permanent staff members.

## **Reserves Policy**

## **Risk Mitigation**

The board has examined the principle areas of the charity's operations and considered the major risks, which may arise in these areas. In the opinion of the trustees the charity has adequate resources and review systems which, under normal conditions, should allow the risks identified by them to be mitigated to an acceptable level in its day-to-day operations.

## **Financial position**

The Statements of Financial Activities shows a surplus of £29,746 (£11,860 deficit in 2022). And the Balance Sheet at period end shows total funds at £45,705, which was an expected improvement. The charity continues to be resilient and has sufficient funds to continue into the next year.

## **INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF BLOSSOM PROJECT LTD**

I report on the accounts of the company for the period 01 April 2021 to 31 March 2023, which are set out on pages 19 to 23.

### **Respective responsibilities of trustees and examiner**

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

### **Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

### **Independent examiner's statement**

In connection with my examination, no material matters have come to my attention which gives me reasonable cause to believe that in, any material respect:

- accounting records have not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with the records, or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the methods have not been prepared in accordance with the Charities SORP (FRS102).

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
