# APRIL 2022 - MARCH 2023

## **OVERVIEW**

Once again DASH has adapted and responded well to the needs of refugees and people seeking asylum in Kirklees this year.

We appreciated feeling welcome in our offices at The Quaker Meeting House in Paddock.

We were feeling thankful to see people again. Lockdown had taken its toll on both staff, volunteers and clients, the isolation from home working and the increase in hotel accommodation had tested our resilience.

Around 46,000 people were detected crossing the English Channel in small boats in 2022.

Just 4% of people who arrived in small boats in 2021 have had a decision, waiting times get longer and the backlog grows whilst people who have fled the most traumatic experiences are often waiting years for a decision about their asylum claim.

DASH now operates within three major departments, Legal, Welfare, and Integration.

Multiple projects run within these departments such as Asylum and Immigration, Outreach and Drop-ins, Asylum Guide, Substantive Interview Preparation, Integration and Partnership, Asylum Support, Fresh Claim etc.

Strengthening the Legal Department was part of this years target. New ventures such as the Immigration service and Substantive Interview Preparation project were introduced.

The Integration and Positive Change Project has interlocked legal and welfare support.

DASH runs 4 drop-ins per week, providing support to initial and dispersed accommodation clients. The Welfare Support Projects offer more than 20 services, the Legal department offers 13 services.

2 out of 4 drop-ins are held at the Initial Accommodation sites. One drop-in is held at the Friends meeting House with hot lunch and a relaxed art session, the other at The Mission in the town centre.

DASH has supported an average of 110 clients each week ranging from single men to families.

DASH has worked with multiple partners and has started offering training on Asylum to our partners. We are receiving positive feedback.

# HIGHLIGHTS OF THE YEAR

This years Ramadan month reflected the positive relationship between DASH and its partners, receiving prayer mats and dates from the local mosques.

The Iftar dinner was very successful with over 70 people attending from the local community, clients and volunteers, the food was delicious, home cooked by our client volunteers.

The Pop Up Cinema welcomed over 100 people from clients and local people to enjoy Bollywood and delicious food.

Our Pizza Day held in a local village welcomed over 100 people from the local community to enjoy alfresco lunch, learn about DASH and contribute to the fundraising.

We have developed a partnership with Growing Communities/Sanctuary Kirklees, where we support clients to attend a session a week in Golcar on an allotment type project and organise and support our clients to attend Sanctuary Suppers.

We attended a partnership/fundraising event with the Kirklees Young Employee Network at the university of Huddersfield where our staff members managed to fundraise money for DASH.

We were part of the Lawrence Batley Theatre Open Day. It was great to share our knowledge and work with local communities and different services.

We had regular Coffee and Catch ups with volunteers who are generously giving their time to assist in any way possible especially during this current challenging time!

As previous award winners, we were invited to join the panel at the Kirklees Diversity, Equality & Innovation Conference and Awards 2022. A room full of solidarity and an inspiring panel of business leaders sharing their innovative approaches to equality in the workplace.

Mike Prior took part in the Ilkley Triathlon to raise funds for our work. It was 500m swim, 14.5k bike and 4.8k run. He did it, 197th out of 291! Thank you, Mike, for all you do for us!

We attended the Yorkshire Integration Festival - a beautiful celebration of the positive impact made by migrants and refugees in Yorkshire and Humber.

Our incredible volunteers showcased their diverse range of cultures and customs that all contributed to making our region a special place to live.

Our clients have been able to access support and services, feel safe and establish friendships and connections in their local communities.

Our projects have enabled a positive experience of living in Kirklees, preparing our clients for the next stage of their lives, regardless of the outcome of their application.

We have held events for Refugee Week, Volunteer Week, Christmas celebrations, open door lunch at a weekly drop in, welcoming visitors from the local community along with clients.

We have worked to develop partnerships with local organisations to better connect with the refugee community and have expanded our legal programmes and services.

This year has been both challenging and rewarding! We are now a leading charity in Kirklees delivering Integration, Legal and Welfare Support to people seeking asylum.

#### THERE IS A LEGAL CRISIS!

There just aren't enough Solicitors, only 50% of our clients are able to secure legal representation. Changes in Legal Aid Contracts has meant many solicitor firms are no longer offering Legal Aid.

The majority of people who reach the UK seeking safety from violence, war and persecution need to apply to seek asylum when they arrive.

The Home Office have recently introduced a questionnaire for those who arrived into the UK before June 2022 from Eritrea, Libya, Yemen, Syria and Afghanistan, Iran and Iraq.

It requires an applicant to put in writing a significant amount of detail about their asylum claim, almost to the extent of a witness statement, but with complicated questions and unclear guidance.

This has increased our workload in both assisting with the questionnaire but also disseminating information in order to prepare our clients to expect a questionnaire and if they have a solicitor to contact them immediately as there are only 30 days to complete it.

For those without solicitors we are supporting with completing the questionnaires.

# **PROJECTS AND SERVICES**

We are developing new training programmes for our volunteers, providing volunteering opportunities for clients and local people who are supporting in all areas of work.

#### **DASH Treasurer's Report – Financial Year 2022-2023**

Author: K Wood – Treasurer Date: October 2023

This report covers the financial accounting period from 1<sup>st</sup> April 2022 to 31<sup>st</sup> March 2023.

The organization has grown through the last year, with 2 additional employees. Work in the welfare area has expanded and there are now at least 3 drop-ins each week. We have been pleased to receive funding from the Justice Fund to support our work assisting our clients to access the legal process to remain in the UK.

Some of our projects extend beyond one year – the rise in cash reserves to **£196,333** reflect that these funds will be used over a longer term. Our total income during the year was **£247,672**, the majority of which came from grants.

- The Tudor Trust: This grant provided **£32000** in this financial year, to help to cover management costs. Tudor also offered a further **£2,000** to support the welfare of staff and volunteers.
- KMC: £35,000 to fund a Welfare Support worker
- Refugee Action: £17,793 to support the Asylum Guides project.
- Blue Thread: £32,090 to support work on Asylum casework.
- National Lottery: £47,980 to support outreach work.
- Justice Fund: £28,634 to support legal and casework
- James Reckitt Fund: £15,400 funding for essential clothing for our clients

We continue to be supported through donations from both individuals and organisations. Nearly half of public donations are made regularly and we are especially grateful for these.

Our total outgoings for the year were  $\pounds 207,698$ . Of this total, DASH spent  $\pounds 39,324$  on direct financial support to clients in the form of client destitution payments ( $\pounds 22,237$ ), the payment of client legal expenses ( $\pounds 500$ ) and digital connectivity phone/data( $\pounds 11,013$ ).

Staff costs were our most significant outgoing (£146,178), with a further £6,012 spent on hiring office space in the Quaker Meeting House in Paddock and other general expenses including IT support, professional interpreter services plus stationery, printing and general admin costs.

We began the financial year with funds of  $\pounds$ 156,359 and these increased over the year so that we ended it with a cash balance of  $\pounds$ 196,333. Our funds are designated to salary costs and expenses for our projects, ensuring a sustainable service for our clients.

DASH ended the 2022-2023 financial year in a good financial position, allowing the organisation to expand operations wider to support our clients.
