Trustees' Annual Report for the period 1st April 2022 to 31st March 2023.

Objectives and Activities

Purpose

The object of the CIO is the promotion of community participation in healthy recreation for the benefit of the public in Suffolk, Norfolk and the East Anglian region by providing facilities to participate in water sports and providing training to enable the safe participation of the public in water sports.

Activities

This was the second year of activity of the new CIO. In 2021-2 we had concentrated on raising funds and making good the facilities of the Centre: the funding coming largely from grants and donations, and much of the work being done through the activities of our volunteers. In 2022-3 with the facilities largely restored we were able to employ a Centre Manager (part time) who was able and qualified to run courses in sailing and paddle sports.

Following our accreditation by the Royal Yachting Association (RYA), British Canoeing (BC) and the Adventure Activities Licencing Authority (AALA) our delivery of training activities to schools, youth groups and those seeking water sports qualifications raised nearly £20,000, but we also made £11,000 from our hiring service. As in the previous year, the hiring service was run largely by our volunteers, though we also employed an assistant for some weekends to help with this service. The hiring service was used both by local people and holiday makers from around the country.

Public Benefit

The Centre provides safe access to outdoor (water-based) activities for adults and children from the local area as well as visitors. The Trustees believe that these facilities benefit the local area as well as encouraging more people to take part in healthy outdoor exercise. The uptake by schools and youth groups was slower than we would have liked, but since the feedback from these groups has been very positive, we expect the demand for these sessions to rise in 2023-4.

Volunteers

As in the previous year, the Centre has relied largely upon our dedicated volunteers to maintain and service the watercraft. They have also provided maintenance and decoration

services for the buildings and grounds, as well as running the hiring service. It is estimated that 200 days of volunteer time was spent on-site.

All group courses are led and run by qualified water sport instructors, but in addition there is a pool of voluntary helpers who are qualified to assist on the water during activities. Most of the school and large group sessions benefit from at least one additional voluntary helper. In total we estimate the equivalent of 40 days of volunteer time was contributed in this way.

Although the Centre Manager is involved with contacting schools, as well as running courses, taking bookings etc, much of the administration, finance work, (invoicing, making payments, payroll) fund raising (Grants), HR, PR and IT work has been carried out by volunteers. It is likely that this will largely continue to be done by volunteers in the future. This voluntary management contribution is harder to evaluate as mostly it occurs in the home setting. However, we estimate that time spent by volunteers and Trustees on administration, finance, etc amounts to be at least 240 days.

Achievements

The main objectives this year were:

- to make use of the new Centre Manager (recruited at the end of 2021-2) in promoting the Centre as well as running courses.
- to open the Centre, for courses, holiday activities and for tuition especially for young people.
- to continue with recognition by the Royal Yachting Association, British Canoeing, Adventure Activities Licencing Authority (AALA, and other bodies, to ensure that water sports could be undertaken in a safe and professional manner,
- to publicise the services on offer, especially to schools and other organisations

All these objectives have been achieved.

Statement Of Recommended Practice

This report and accounts have been prepared in line with SORP FRS 102.

Financial Review

Review of the charity's financial position at the end of the period

Sources of Funds in 2022-3

Grants and Donations

In the previous year we received large grants to help us start up and deal with COVID. This was essential for the Centre to be able to reopen this year. Further, and most importantly, these grants and donations provided the financial security for us to be able to appoint a Centre Manager in 2022-23 on an annual contract.

However, in 2022-3, as expected, we had a much smaller amount of grant funding (£5,623). These grants consisted of £423 from several small donations, and £4700 from East Suffolk Council: Enabling communities budget for the purchase of wing surfing equipment that was

in place for the start of the 2023 season. A further £500 was donated from Localgiving Ltd and enabled us to refurbish our fleet of Pico dinghies.

Activities run by OBWSC:

Running courses, holiday activities and training sessions raised £15,021. Most of this was from training sessions and school/youth groups, though the holiday activities also raised over £4,762. Earlier promotion of the available sessions in 2023-4 should mean that these income streams increase in future.

427 children and young people participated in at least one water sport training session as part of our work with schools and colleges.

Hiring of paddle craft to the public raised over £11,000. Enabling over 400 people to try out one of our paddle crafts.

Other income from use of the Centre and its equipment, including scout groups, the Lowestoft and District Canoe Club, the Lowestoft Rowing Club, and the OBWS Supporters Grouse was just over £1800.

Equipment of the Water Sports Centre

The Centre owns a considerable amount of equipment (craft, safety clothing etc.). From time to time some of this becomes less useful for our specific activities and might be sold. During the year 2022-23 £7180 of old equipment was sold (no asset value). £10,895 was spent on replacement of these items with something more appropriate.

Expenditure

In 2022-3 the expenditure exceeded income by almost £20,000. This was not unexpected: the new Centre Manager only started to work in April, and until he was available, very little in the way of courses or other activities could take place or even be booked. The income of the centre is always going to be heavily weighted to the summer months, so this made it particularly hard to create enough income in this first year of operation.

The main expenditure was the Centre Manager's pay and on-costs (part-time), which amounted to almost £32,000. Administrative costs including office costs, advertising and promotion, and financial services were kept to a minimum through use of volunteers: amounting to only just over £1500 in total. Other indirect costs for running the Centre including utility services, maintenance of the premises, and rent were £6300. Direct costs for the delivery of the activities themselves covering, the cost of licences, affiliations, all essential costs for running the services, including payment for our qualified water sport instructors (employed by the session), amounted to over £15,000.

In cash terms, this overspend was covered by the remaining funds built up from Grants and donations in 2021-2.

Reserves

The intention (and Policy) is to build up a reserve of about 30% of the annual operating expenditure. This would be to cover the rent for 6 months and permanent staff salaries and related costs for 6 months.

However, in 2022-3 with lower turnover than we had hoped and the costs of a permanent member of staff (albeit part time) leaving us with a lower cash balance than we had had at the end of the previous year (which was expected), the Trustees did not feel that we could start a reserve fund.

Principal risks facing the charity.

The risks are:

1. Financial:
 - a. In the year 2022-3 OBWSC spent nearly £20,000 more than it earned. This was possible because of the funds (mostly grants) that were received in the initial year (2021-2) when we could not fully open. We knew that this was likely to happen, and this was expected as a buffering effect, prior to the Centre Manager being in place and extending our reach. This position is obviously not sustainable, and we already know that more schools and organisations have booked for courses/events in 2023-4, so the income should increase to cover the costs.
 - b. COVID19 showed that the Centre is vulnerable to external factors that prevent schools and groups from participating in regular activities. Our current lack of reserves means that in the event of a repetition of a similar global or regional event, we will struggle to have enough funds to pay a permanent employee. However, without an employee, we do not have the capacity to carry out any work to generate income. This remains a current operating risk.
 - c. If the higher cost of living restricts schools and other groups from being able to afford to take part in water sports activities, (which aren't cheap, despite offering all our primary-purpose customers reduced rates), we may not have enough turnover.
 - d. The recent rises in the cost of living may increase our overheads by more than we could increase prices.
2. Volunteers
 - a. This charity was set up by volunteers and runs thanks to volunteers. It would not be viable as an organisation if it had to pay for the work that the volunteers currently undertake. If volunteers are unable or unwilling to carry out as much work as they have done for the last two years, we could not continue in the same way. We would need to increase turnover both in our primary-purpose sector and in other commercial sectors. Otherwise, we would need to reduce the number of courses, or the number of craft in use. This would make it more difficult to cover our overheads.
 - b. As with all organisations there are key members of the management team (currently all but one are volunteers) who would be greatly missed if they became unavailable for any reason.
3. Staff
 - a. If our Centre Manager should leave, we would struggle to find other sessional instructors to carry out booked training courses, let alone to organise other courses.
4. Weather
 - a. Extreme weather conditions: extreme heat, cold, storms, or flooding may make it impossible to run training courses at the pre-booked times. Alternative dates are unlikely to be available for schools, due to existing timetables, exams, opening hours etc. Also the fact that water sports (at the level of

training involved at OBWSC) really have at best, a six month time slot: and for schools nearer six weeks. Cancellation might have an impact of future bookings as well as reducing income in the short term.

Structure, Governance and Management

The charity is a Charitable Incorporated Organisation: number **1193626**

At our General meeting of trustees in February 2023 Claire Grasby, Edward Killett and Peter Edwards retired from the board of trustees. We would like to thank them for their great help in the inauguration and early establishment of OBWSC.

We were pleased to add Judith Warr and John Davis to the trustees.

Organisation

There are currently eight trustees, meetings are held on a regular basis, to agree direction, policies and review the financial position.

The Management Team includes Trustees and other volunteers, and now includes the Centre Manager (from April 2022). The Management team are in regular contact with, and direct the activities of the volunteers.

Independent Examiner's Report

Report to the trustees of Oulton Broad Water Sports Centre On accounts for the period ended 31 March 2023

I report to the trustees on my examination of the accounts of the above Charity for the year ended 31 March 2023.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act;
or
- the accounts did not accord with the accounting records;
or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
