STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity is constituted as a company limited by guarantee, and is therefore governed by its Memorandum and Articles of Association.

The day-to-day affairs of the Charity are administered by the council of Trustees. None of the Trustees who are also the Directors have any beneficial interest in the Charity.

It is not currently the intention of the Trustees of the Charity to appoint new Trustees. Should the situation change in the future, the Trustees will apply suitable recruitment, induction and training procedures.

OBJECTIVES AND ACTIVITIES

The Charity is established to further those purposes both in the United Kingdom and abroad recognised as charitable by English Law and in furtherance of its objects. The Charity receives income from its investments which it utilises in the provision and distribution of grants and donations.

The Charity's principal activity throughout the year was the provision and distribution of donations and grants to charities, and no change is envisaged in the immediate future.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and setting the grant making policy for the year.

COMPANY LIMITED BY GUARANTEE
TRUSTEES' ANNUAL REPORT (INCORPORATING THE DIRECTOR'S REPORT)
(continued)
YEAR ENDED 31 MARCH 2023

ACHIEVEMENTS AND PERFORMANCE

During the year the Charity continued its philanthropic activities in support of religious, education and other Charitable Institutions. Aggregate donations in the sum of £671,250 (2022: £715,495) were paid in the year to 31 March 2023 (see note 7).

The Charity was reliant on the income derived from its investments and reserves brought forward. During the year under review the gross income arising from its investments was £61,357 (2022: £167,803).

The net deficit on incoming resources during the year under review is a result of the charity's continued effort to maintain its grants making activities, partially funded from accumulated reserves of the charity.

The financial results of the Charity's activities for the year ended 31 March 2023 are fully reflected in the attached Financial Statements together with the Notes thereon.

FINANCIAL REVIEW

Reserve Policy

The Trustees consider it is essential to maintain a suitable level of reserves to ensure funds are always available to meet their charitable objectives.

Significant grants were made during the year which reduced free reserves to a level more consistent with the charity's objectives.

Total reserves as reported on page 7 are £3,115,115 (2022:£3,680,417). By excluding fixed assets, adjusted free reserves are £1,917,110 (2022:£2,332,783).

Grant making policy

Grants are made to charitable institutions and organisations whose activities accord with the objects of the Charity.

Investment Powers and Policy and Objectives

Under the Charity's Memorandum and Articles of Association, the Trustees have the authority to make suitable investments, regularly evaluating the Charity's needs and investment policy.

Initially focused on secure income streams and capital growth from property holdings, following the sale of these holdings, the Charity has diversified its investments, including a UK property venture via its Subsidiary Undertaking (refer to note 15).

The trustees regularly review the risk profile of its investment portfolio monitoring the varying liquidity levels and returns of its investments.

PLANS FOR FUTURE PERIODS

The Trustees plan to continue to make distributions in accordance with their grant making policy and to ensure that an appropriate level of reserves is maintained, bearing in mind the global financial instability prevailing in the current economic environment.

PRINCIPAL RISKS AND UNCERTAINTIES

Risk Management

The Trustees have identified and reviewed the major risks to which the Charity is exposed, in particular those related to the operations and finance of the Charity, and are satisfied that systems are in place to manage those risks.

Going Concern

The Trustees are aware of the challenges they are likely to be facing in these uncertain times. COVID-19, natural disasters, geopolitical events such as the Ukraine-Russia conflict, inflation and high interest risks are just some of the major issues driving global economic uncertainty today.

Notwithstanding the uncertainty mentioned above, the financial statements have been prepared in accordance with the accounting principles appropriate to a going concern, as the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due, based on the net current asset position of the charity and available sources of finance. The Trustees recognise that they have the ability to exercise control over the charity's grant making charitable activities due to the absence of any legally binding obligations.

FIXED ASSETS INVESTMENTS

The movements in fixed asset investments are fully reflected in note 14 to the financial statements.

The Charity's unlisted investments are included at Trustees' valuations and the listed investments are included at their fair values at Balance sheet date and details of Assets values are disclosed in note 14.

SMALL COMPANY PROVISIONS

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on 20 December 2023 and signed on behalf of the board of trustees by:

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF 4 CHARITY
FOUNDATION
YEAR ENDED 31 MARCH 2023**

I report to the trustees on my examination of the financial statements of 4 Charity Foundation ('the charity') for the year ended 31 March 2023.

RESPONSIBILITIES AND BASIS OF REPORT

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ending 31 March 2023 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements were approved by the board of trustees and authorised for issue on 20 December 2023, and are signed on behalf of the board by:

NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31 MARCH 2023**

1. GENERAL INFORMATION

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 121 Princes Park Avenue, London, NW11 0JS.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investments measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

With the exception for those going concern issues (mentioned in the trustees' report) in respect of the global economy, the trustees' are of the opinion that there are no other material uncertainties about the Charity's ability to continue its operation in the foreseeable future.

Consolidation

The entity has taken advantage of the option not to prepare consolidated financial statements contained in Section 398 of the Companies Act 2006 on the basis that the entity and its subsidiary undertaking comprise a small group.

3. ACCOUNTING POLICIES *(continued)*

Judgements and key sources of estimation uncertainty

Judgements made by the trustees in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are as follows:

(i) **Investment Valuation**

The valuation of unlisted investments at trustees' valuation is subjective and depends on many factors including the nature of the investment and its expected future returns and capital appreciation. Therefore, the valuation is subject to a degree of uncertainty and is made on the basis of assumptions which may not prove to be accurate particularly in periods of difficult market or economic conditions.

(ii) **Debtors**

Management use details of the age of loan debtors and the status of any disputes together with external existence of the credit status of the counterparty in making judgements concerning any need to impair the carrying value.

The trustees do not consider there are any critical judgements or sources of estimation uncertainty requiring disclosure beyond the accounting policies listed above.

Foreign currencies

Foreign currency transactions are initially recorded in the functional currency, by applying the spot exchange rate as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate ruling at the reporting date, with any gains or losses being taken to the statement of financial activities.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All income is included in the statement of financial activities on accrual basis and when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

4 CHARITY FOUNDATION
COMPANY LIMITED BY GUARANTEE
NOTES TO THE FINANCIAL STATEMENTS *(continued)*
YEAR ENDED 31 MARCH 2023

3. ACCOUNTING POLICIES *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates.

Expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

14. INVESTMENTS *(continued)*

The shares in the group undertaking are held at cost. All other investments are held at fair value.

The Listed investments are listed on recognised Stock Exchange markets and are valued according to the market value at 31 March 2023.

The Charity's investments were included in the accounts at their fair values based on Assets Managers Investment reports.

The Trustees are aware of the challenges they are likely to be facing in these uncertain times. COVID-19, natural disasters, geopolitical events such as the Ukraine-Russia conflict, inflation and high interest risks are just some of the major issues driving global economic uncertainty today.

As at 20 December 2023, the date that these financial statements were authorised for issue, the Charity has sold majority of its investments, realising a net gain over its historical values, whilst the fair value of its remaining non-UK unlisted investments had remained substantially unchanged since 31 March 2023. Any subsequent changes in the fair value of the Charity's investments are not reflected in the financial statements as at 31 March 2023.

The trustees have no participating interests in the Charity's investments and have no influence over the strategic policies in those investments other than the group undertakings.

No provision has been made for any deferred tax liability on unrealised surpluses on revaluation of the charity's investments as it is anticipated that all realised surpluses will be applied for the benefit of this Company's charitable purposes and that no tax liability will arise.

Investment in Subsidiary

The Charity owns 93% of the issued share capital of 4 Brentwood Ltd, a company incorporated in Great Britain and registered in England and Wales.

As of the reporting date, 4 Brentwood Ltd, the subsidiary undertaking, had not yet prepared its set of accounts for a year ended 31 March 2023. Consequently, the financial results of the subsidiary is not available for disclosure.

The results of 4 Brentwood Ltd for the year ended 31 March 2022 and 2021 per the Financial statements are:

	2022	2021
	£	£
Aggregate capital and reserves	(939,384)	(936,816)
Profit and (loss) for the year	(2,568)	106,099

Consolidated financial statements have not been prepared as the Charity has taken advantage of the exemptions conferred by section 398 of the Companies Act 2006 and section 139 of the Charities Act 2011.

The charity has outstanding amounts owed by its subsidiary, 4 Brentwood Limited, facing delays in repayment due to COVID-19 and project delays. The loan accrues interest at Barclays Base rate plus 5% annually, secured by assets. Repayments are ongoing, but uncertainty exists regarding accrued interest, leading to a provision against it.

Additionally, a £149,172 loan to a charity supporting medical care aligns with the charity's objectives. The trustees have deferred repayment of this debt in order to support the medical activities of the debtor charity following Covid-19.
