HOOKED ON FISHING

Report of the Trustees for the Year Ended 31 March 2023

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

WHAT WE DO:

The purposes of the charity are set out in its Articles of Association and are to:

o provide facilities for all aspects of angling;

o ensure these facilities are accessible to those who have a need by reason of their age, gender, ethnicity, social circumstances or economic circumstances;

o improve the condition of life of the users;

o reduce the incidence of crime and anti-social behaviour within communities.

The Board of Trustees have had due regard to the Charity Commission's 'Public Benefit Guidance, 2013', PB1, 2 and 3. This influences decision-making regarding:

o the way in which people benefit from our charitable purposes;

o the people who will benefit from our charitable activities;

o the way in which risks are identified, minimised and managed.

GHoF is heavily reliant on voluntary help and all the GHoF Projects encourage volunteers, angling and non-angling, to participate in a range of roles; helping as coaches for example.

The main focus of the charity is on supporting young people, and others, who are at risk of social exclusion.

It seeks to achieve positive personal development through the medium of angling to the advantage of the individual client and wider community. A key tenet of the ethos of GHoF teaching is to instil the ability to mentor and help others as well as a respect for the natural environment. Young people act as volunteers - as peer mentors supporting other young people new to GHoF.

GHoF also works with other groups to enable them to access the health and well-being benefits of fishing and the environment.

The charity relies on grants and awards from charitable trusts, community funds, etc. plus donations and income from fees and charges to cover its operating costs. Our charitable activities are provided free of charge to our beneficiaries and our charging policy reflects our commitment to be inclusive and accessible.

HOW WE DO IT:

Our activities, which are based on programmes designed to strengthen personal and social skills, have had a profound and long-term effect on both participants and their communities across the UK. GHoF can demonstrate that if a structured and supportive initiative is created around a fun and accessible activity, then key personal skills and attributes can be developed successfully and, more importantly, sustained. GHoF is able to cite many instances where young people from a broad range of backgrounds have become GHoF Peer Mentors, gained qualifications, apprenticeships and employment and then seized opportunities to contribute to their local communities.

The strategies employed to achieve our objectives have been to:

- o maintain the core charity and our current regional GHoF projects across the UK;
- o increase the number of GHoF projects and GHoF Associates as and when funding allows;
- o increase the number of angling and non-angling volunteers;
- o work with carefully selected partners who share our goals and ambitions;

o seek funding from a broad range of sources;

o employ a range of fundraising and fund-saving strategies;

o provide a range of flexible opportunities to enable people to access the well-documented benefits of angling.

Volunteers

GHoF is heavily reliant on voluntary help and all the GHoF Projects encourage volunteers, angling and non-angling, to participate in a range of roles, helping as coaches, for example. Young people act as volunteers - as peer mentors supporting other young people new to GHoF. Volunteers are not required to undertake a DBS or PVG check and the risk is managed accordingly.

Report of the Trustees for the Year Ended 31 March 2023

ACHIEVEMENT AND PERFORMANCE

WHAT WE HAVE ACHIEVED DURING 2022/23:

During what has been an extremely challenging year, the charity has maintained its core support to its projects operating in Scotland, Tyneside, Teeside, County Durham, Cheshire, Staffordshire, Shropshire, Warwickshire, Worcestershire and Ealing.

GHoF has continued to strengthen its partnerships with a range of carefully chosen partners. These have included the Environment Agency, the Angling Trust, the National Lottery Community Fund, Mayor of London, the angling trade, local authorities, community groups, charitable trusts, and national, regional and local media.

During 2022/23, we were able to:

- Access grants and support to enable the charity to maintain its infrastructure during the uncertain times.
- Maintain contact with our loyal volunteer-base across the UK.
- Maintain contact with our partner schools, alternative education providers and community groups.
- Continually monitor our risk assessments based on national guidance to ensure the safety of beneficiaries, staff and volunteers.
- Develop new partnerships enabling us to access new audiences and beneficiaries.
- Develop new methods of delivery for both our social inclusion sessions and 'Have a Go!' sessions.

GHoF is looking forward to focusing on three main areas of activity in 2023/24:

- our social inclusion programmes for those at risk of social exclusion and improve health and wellbeing:
- our 'Family Fishing' national campaign;
- our holiday and weekend 'Have a go!' angling sessions.

Social Inclusion:

The charity's core work focuses on using angling as the vehicle to improve young people's personal and social skills and to help them access the well-documented benefits of angling. Although this mainly involves working with groups of young people in blocks of six weeks, we have continued to deliver one-to-one and small group programmes as well. These have included work experience opportunities and Duke of Edinburgh Bronze Skills Award sessions.

We continue to receive positive feedback from both representatives of the organisations we work with and our beneficiaries. They report that our courses and programmes help them to learn new skills and knowledge, feel more confident and calmer, meet and work with new people, feel proud of what they achieve and provide them with a diversionary activity, away from negative influences.

Family Fishing:

During 2022/23 we have steadily increased the number of Family Fishing community days and accessed funding from the Angling Trust and Hubbub to run a 'Treasure your River' anti-litter campaign. We have collaborated with partners and other charities to enable participants to access advice regarding mental health and well-being and also financial health and well-being.

Have a go! Sessions:

During 2022/23 we have been able to gradually increase the number of sessions delivered for individuals, families and community groups.

WHAT DIFFERENCE WE HAVE MADE:

Many of the children and young people we have engaged with over the last year are known to have the following additional needs:

- o ADHD medicated (Attention Deficit Hyperactive Disorder)
- o EBSD (Emotional Behavioural Social Difficulties)
- o MLD (Moderate Learning Difficulties)
- o SEN (Special Educational Needs)
- o SPLD (Specific Learning Difficulties such as Dyslexia)
- o FSM (Free School Meals)
- o BESD (Behaviour, Emotional and Social Difficulties)
- o VI (children with Visual Impairments)
- o Young carers

From the data collected we have evidence of positive outcomes for children and young people in the following areas:

- 1. Develop Angling Skill and Participation
- 2. Personal Development Educational
- 3. Personal Development Accessing Employment
- 4. Personal Development Improving Leadership
- 5. Personal Development Avoiding crime and anti-social behaviour
- 6. Personal Development Volunteering
- 7. Personal Development Health and Well-being
- 8. Developing Facilities
- 9. Informal and accredited GHoF Programmes, Awards and Qualifications

Report of the Trustees for the Year Ended 31 March 2023

This year, the charity has worked with the Centre for Youth Impact and has successfully maintained the 'Project Oracle Standard 1' for our evaluation processes. We have also been recognised and promoted by the Angling Trust as a 'Get Fishing for Well-being' authorised provider and accessed 'Get Fishing' funding.

FINANCIAL REVIEW

The charity has continued to benefit from financial support from the Environment Agency via the National Angling Strategic Services (NASS2) contract with Angling Trust, Sport England's Tackling Inequalities Fund via the Angling Trust and the Mayor of London's Sport Unites Fund. We continue to engage the services of a professional fund-seeker as and when appropriate.

GHoF has continued to implement its 'Fund-raising, Fund-seeking and Fund-saving Strategy' across the core charity and its projects. The Board of Trustees has agreed that it is a priority to increase the charity's unrestricted reserves to aid growth and increase impact. As part of the charity's strategic collaboration with the Angling Trust it is anticipated that a number of fund-saving opportunities will be explored. At the year ended 31 March 2023 unrestricted reserves totalled \pm 56,356 (2022 - \pm 56,356).

Reserves policy

The Trustees have examined the charity's requirements in terms of reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed held by the charity should be between three and six months of expenditure. The reserves are needed to meet the working capital requirements of the charity and the Trustees are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding.

OUR PLANS FOR THE FUTURE:

During 2022/23 GHoF plans to:

- increase the charity's unrestricted reserves;
- continue to provide core charity support for existing GHoF Projects;
- expand into regions where the charity has no presence, as and when funding opportunities arise;
- increase our social media presence and activity;
- review our PR and Marketing Strategy;
- increase the number of angling and non-angling volunteers working with us.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, the Articles of Association, and constitutes an incorporated charity, company number 06800071. These are available for inspection on the website www.ghof.org.uk

Recruitment and appointment of new trustees

A Trustee may be appointed or discharged by a resolution of a meeting of the Trustees. The First Trustees are not required to retire from office on expiry of their first Term (three years) and their trusteeship automatically continues for a second Term. Trustees appointed subsequently are required to retire from office on expiry of the Term (three years). A Trustee may offer himself for re-election but the maximum length of service of any Trustee is three terms (nine years).

The qualities found in all the trustees are dedication to the pursuit of the objectives of the charity, and to angling. Within the board there is a depth of experience in business, law, the angling trade, education, the criminal justice system, angling media and fishery management. The Trustees also represent the regional make-up of the charity with trustees' resident in England, Scotland and Wales.

Organisational structure

The Trustees of Get Hooked on Fishing meet at least four times a year and are responsible for the strategic direction and policy of the charity. The day-to-day management of the charity is the responsibility of the CEO, Sarah Collins.

Induction and training of new trustees

Most trustees are already familiar with the practical work of the charity and are made aware of the operational framework of the charity as well as being provided with Get Hooked on Fishing's 'Our Vision' document. Trustees are encouraged to actively support their local GHoF Project and the core charity at national, regional and local events and delivery.

Report of the Trustees for the Year Ended 31 March 2023

STRUCTURE, GOVERNANCE AND MANAGEMENT Risk management

The trustees have a risk management strategy which comprises:

- an annual review of the principal risks and uncertainties that the charitable company face;

- the establishment of policies, systems and procedures to mitigate those risks identified in the annual review; and

- the implementation of procedures designed to minimise or manage any potential impact on the charitable company should those risks materialise.

This work has identified that financial sustainability is the major financial risk for the charitable company. A key element in the management of financial risk is a regular review of available liquid funds to settle debts as they fall due, regular liaison with the bank, and active management of debtor and creditor balances to ensure sufficient working capital by the charitable company.

Attention has also been focussed on non-financial risks from fire, health and safety and management. These risks are managed by ensuring accreditation is up to date, having robust policies in place, and regular awareness training for staff in operational areas.

Staff

Members of Staff are selected because of their skills at working with young people. Their hard work and commitment is one of the keys to our success. In England, all staff have successfully undergone Disclosure and Barring Service (DBS) checks and in Scotland Protecting Vulnerable Groups (PVG) checks. As angling coaches, hold a current licence issued via the relevant national governing body.

Independent Examiner's Report to the Trustees for the Year Ended 31 March 2023

Independent examiner's report to the trustees of Get Hooked on Fishing ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2023.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The charitable company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 March 2023.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 March 2023 in accordance with Section 476 of the Companies Act 2006.

The trustees acknowledge their responsibilities for

- (a) ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

These financial statements have been prepared in accordance with the provisions applicable to charitable companies subject to the small companies regime.

The financial statements were approved by the Board of Trustees and authorised for issue on

31st January 2024

..... and were signed on its behalf by:

Voit Artha

Mr K Arthur - Trustee

Mr N Botherway - Trustee

Notes to the Financial Statements for the Year Ended 31 March 2023

1. STATUTORY INFORMATION

Get Hooked on Fishing is a company limited by guarantee, incorporated in England and Wales. In the event of the company being wound up, the liability in respect of the guarantee is limited to $\pounds 1$ per member of the company. The company's registered number and registered office address can be found in the Report of the Trustees.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and the Companies Act 2006. The financial statements have been prepared under the historical cost convention. The financial statements are presented in Sterling \pounds and rounded to the nearest \pounds .

Going concern

The trustees have reviewed the results after the year end along with forecasts and cash flow projections which show a consistent position that will be sufficient to enable the trustees to reasonably conclude that the charitable company will be able to continue to meet its liabilities as they fall due for the foreseeable future. Consequently, the trustees continue to believe the going concern basis of accounting is appropriate in preparing these financial statements.

Income

All income is recognised once the charity has entitlement to the income, there is sufficient certainty or receipt and so, it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Income from grants, including capital grants, are included within incoming resources when communication has been received in writing of both the amount and the period to which they relate. In the event that the grant was received in advance of the period to which it relates, the grant is therefore deferred and included within creditors. When the grants are for a particular restricted purpose, this income is included in incoming resources of restricted funds when receivable.

Income earned from providing angling services is recognised when the amount of income can be measured reliably and when it is probable that future economic benefits will flow to the entity. The charitable company recognises this income once goods or services have been sold, and are stated net of trade discounts and value added tax.

Income from management fees and views are recognised when receivable and can be measured reliably by the charity.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Donated services and facilities

Donated service or facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of the economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. On receipt, donated services and facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of the receipt.

Expenditure and irrecoverable vat

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on charitable activities includes the costs of providing the service of introduction to the sport of angling to further the purposes of the charity and their associated support costs.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Allocation of support and governance costs

Support costs have been differentiated between governance and other support costs. Governance costs comprise all costs involving the public accountability of the charitable company and its compliance with regulation and good practice. These costs include costs related to independent examination, salaries and other general overheads.

Notes to the Financial Statements - continued for the Year Ended 31 March 2023

2. ACCOUNTING POLICIES - continued

Allocation and apportionment of costs

All costs are allocated between the expenditure categories of the Statement of Financial Activities a basis designed to reflect the use of the resource. All costs have been allocated to the charitable company's sole charitable activity.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Plant and machinery	-	15% on reducing balance
Motor vehicles	-	25% on reducing balance

Tangible fixed assets are stated at cost less depreciation.

Impairment of assets

At each reporting date fixed assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount. If estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in the statement of financial activities.

If an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in the statement of financial activities.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate. The charity has no liability beyond making its contributions and paying across the deductions for the employee's contributions.

Employee benefits

Short term employee benefits are recognised as an expense in the period in which they are incurred.

Financial instruments

The charitable company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Debtors

Trade and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid.

Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors and provisions

Creditors and provisions are recognised where the charitable company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

Notes to the Financial Statements - continued for the Year Ended 31 March 2023
