## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>MPCG became a charity in March 2022, following the work of a small group of local residents who worked with the community to redesign and reinvigorate the garden. With the support of local residents who voted for the project in the People's Assembly, the previous year (21-22) was extremely busy: the garden was planned, designed and laid out; new plants were planted and grew.</p> <p>Following this year of intense activity, the year 22-23 was a year of maintenance, taking stock, and trialling ways that the garden can be used for the benefit of local residents.</p> <p>During the year we ran or hosted informal workshops and activities for children (part-funded by The Lyle's Fund), open gardening sessions, workshops on sustainable energy. Local residents offered yoga taster sessions and used the space for community meetings.</p> <p>We've been featured in two articles in Newham Voices and the Guardian in November 2022.</p> <p>We were consulted by LB Newham on the redesign of the space around Manor Park Station and provided advice and feedback on flowerbeds and use of space.</p> <p>The year was a very positive one, full of learning and most importantly, enthusiastic use of the space by residents.</p>

## Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<b>The garden has minimal running costs, so although our cash balance is low, it is sufficient for the garden's needs. The need for certain costs such as Garden Host (41% of this year's costs) came to end early in the year so is not an ongoing financial commitment.</b>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<b>We do not currently have sufficient income to create reserves, though as our running costs are so low this was not a priority for this year. We will be looking at this in 2023-24.</b>
Amount of reserves held	Para 1.22	<b>None</b>
Reasons for holding zero reserves	Para 1.22	<b>Please see above.</b>
Details of fund materially in deficit	Para 1.24	<b>None.</b>
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	<b>We have low costs for maintenance of the garden, and strong community support so have no concerns about the charity as a going concern.</b>

## Structure, Governance and Management
