TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 DECEMBER 2022

The trustees present their annual report and financial statements for the year ended 31 December 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's [governing document], the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The charity's objects are to promote for the benefit of the inhabitants of Edgeley and the surrounding area, the provision of facilities for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social or economic circumstance or for the public at large in the interests of social welfare and with the object of improving the condition of life of the inhabitants of Edgeley, Stockport for the public benefit by such means as the trustees may determine.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

The Olive café provides a day-time friendly, welcoming and inclusive environment for the people of Edgeley with free wi-fi for café users and a dedicated children's area. The café provides life-enhancing opportunities for the most vulnerable in our community. This not only empowers the individual (e.g. adults with learning difficulties) but also helps break down barriers and change perceptions.

As part of its support to the community, the charity provides:

- · Free wi-fi
- · Craft activities for children during school holidays
- · Bi-weekly card making sessions
- Story-time for under-5s
- Sharing of information that benefits the local community via social media and within the café including a regular drop-in to speak directly with various support agencies
- Senior specials for the elderly
- Regular outreach events
- Local service organizations utilise the café space to meet and offer support to the local community.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

Achievements and performance

During 2022, we continued to introduce and strengthen our usual community activities, which are always well received by local people. This included:

free craft sessions for children during the school holidays

· weekly free Storytime sessions, managed by a volunteer leader, as well as guest facilitators with Bible Encounter

· several successful outreach sessions, including a Day of Blessings, to bring people together and share the gospel and local support

• free facilities, such as wi-fi, and a dedicated children area. This has enabled us to continue to attract a wide range of customers, from young mums and families to professionals holding business meetings, and older folk looking for company

· supporting vulnerable adults with life enhancing volunteering opportunities, with our partnership with Pure innovations and local education organisations

- developing a vibrant and exciting menu, with healthy options available, seasonal specials, and dedicated children's options
- started a weekly Friendship Cafe in partnership with a local care company

Our new management team are in a strong position to deliver our aims and objectives and to explore new ways in which we can meet the needs of our community.

Financial review

The café is staffed be a mix of paid part-time staff and unpaid volunteers. Staff costs are a major component of the charity's expenditure and are necessary for the café to maintain a stable and professional café environment.

Total income for the year was impacted by the aftermath of the Coronavirus pandemic. However, the café continued to recover as customer confidence returned though not as quickly as the trustees and staff hoped.

The trustees regularly review the café operation and take such measures as are deemed necessary to enable the charity to operate at a surplus.

It is the policy of the charity that unrestricted funds which have not been designated for a particular use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in income, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This reserve funding level remains a target.

The trustees has assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.
