**Report of the Trustees
for the Year Ended 31 December 2021**

The trustees present their report with the financial statements of the charity for the year ended 31 December 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objective of the charity is to relieve disabled children by the provision of wheelchairs so as to improve their conditions of life.

Throughout the UK and Ireland each year thousands of children are born with disabilities that severely affect their mobility, causing very real limits on their quality of life. This can be dramatically improved by the use of a modern and sophisticated powered wheelchair, giving the freedom and mobility to gain a degree of independence.

The charity's aim is to raise monies and to encourage golf clubs, societies, businesses and individuals to get involved and provide funds for a chair in their name for a child near their local area. Over successive years the charity has provided well in excess of 1,000 chairs around the UK.

The cost of chairs can vary enormously with a price tag between £3,000 and £13,000. They are built to a design that meets the specific needs of each child.

The charity raises funds in its own right but also works with and encourages other organisations, notably golf clubs, to raise monies in their own name for the purchase of powered wheelchairs for disadvantaged children with special needs.

Significant activities

Following Peter Alliss' death in 2020, the family and Trustees wanted to continue his work with disadvantaged children and so the 2021 Peter Alliss Masters Tournament took place at the end of September. Supported by our many generous sponsors we held a glorious event on a sunny autumn day where seven of the eight 2021 chairs were presented.

The charity also continued fund raising via the running of its charity auction of donated items. The income is used to purchase powered wheelchairs of a type and design that the state will not provide for children with disability and special needs.

Public benefit

The Trustees confirm that they have considered the general guidance issued by the Charity Commission in connection with public benefit in setting the objectives of the charity and in particular they have considered how planned activities further the charity's objects.

The charity benefits the public via the provision of modern and sophisticated powered wheelchairs to disabled children, enabling them to gain a degree of independence.

ACHIEVEMENT AND PERFORMANCE

Fundraising activities

Having been forced to cancel the annual golf tournament in 2020 due to the Covid-19 pandemic, the Trustees are pleased to report that the event was able to be run in 2021. The event celebrated the life of the late Peter Alliss by continuing his work with disadvantaged children. Whilst income was down in comparison to previous tournaments, the sponsorship received allowed the event to go ahead and generate additional donations. The day was completed in the evening by a Gala dinner where a further £5,000 pounds was raised which translates to our first chair of 2022.

The charity raised and contributed towards the purchase of four powered wheelchairs in its own right valued at £11,865 and assisted other part purchases valued at £13,947. In addition, golf clubs and other organisations placed a further £41,455 with the charity to be spent specifically on the purchase of a further ten chairs which were provided to children on their own nomination.

FINANCIAL REVIEW

Financial position

Following the cancellation of the annual golf tournament in 2020 due to the global pandemic, 2021 was a year of rebuilding. The family of Peter Alliss and Trustees of the charity wanted to continue his work with disadvantaged children and took the decision to utilise funds for that purpose. This resulted in a deficit for the year of £21,379 overall, with £21,153 of this being the spending from restricted funds on the provision of wheelchairs.

The charity is very grateful for the generous donations in the year which, amounted to £40,769 (2020: £53,879). The charity also raised £2,075 via its charity auction. These funds, together with brought forward reserves, enabled £67,267 (2020: £57,485) to be spent on the provision of specialist wheelchairs to children in need. Most of these chairs were purchased through the charity's Golf Chair Scheme, set up with a number of dealers in powered wheelchairs and mobility aids.

The deficit on unrestricted funds amounted to £226 (2020: Surplus of £10,946). The Trustees are pleased with the result given the difficult economic and operational challenges encountered during the year.

Reserves policy

The charity runs an annual golf tournament to which members and supporters are invited, in recognition of the efforts to raise funds for the purchase of wheelchairs. Although the cost of the tournament is borne by the entry fees paid by the corporate entries, the charity maintains sufficient funding to underwrite the cost of the event if necessary. This traditionally amounts to approximately £18,000.

At the 31st December 2021, unrestricted reserves totalled £53,970 (2020: £54,196). Restricted funds, which are for the purpose of providing wheelchairs to children to aid their independence, amounted to £2,464 (2020: £23,617).

FUTURE PLANS

The charity's aim is to continue to raise monies and to encourage golf clubs, societies, businesses and individuals to get involved and provide funds for a chair in their name for a child near their local area. This will be via the annual golf tournament, donations, and from the proceeds of the charity auction.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Charity constitution

The Constitution was adopted on the 26th September 2005 and amended on 7th March 2006, 20th August 2009 and 19th September 2016.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Recruitment and appointment of new trustees

Recruitment of Trustees is carried out through advertisement throughout the golfing community and more generally in order to recruit the required skills for administering the charity. From this, candidates are long-listed and interviewed prior to election by the Board of Trustees.

Each of the Trustees shall retire with effect from the conclusion of the next annual general meeting after his or her appointment but shall be eligible for re-election at that annual general meeting. Thereafter, Trustees will serve for a period of three years, after which they shall retire with effect from the conclusion of the third annual general meeting after his or her appointment, but shall be eligible for re-election at that annual general meeting. There is no limit to the number of times a member may stand for re-election as a Trustee.

Induction and training of new trustees

New trustees are informed of their legal obligations under charity law, the Charity Commission guidance on public benefit, the content of the foundation, the committee and decision-making processes, and recent financial performance of the Charity.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 15 February 2024 and signed on its behalf by:

Mrs J A Alliss - Trustee

Independent Examiner's Report to the Trustees of Peter Alliss Masters

Independent examiner's report to the trustees of Peter Alliss Masters

I report to the charity trustees on my examination of the accounts of Peter Alliss Masters (the Trust) for the year ended 31 December 2021.

This report is made solely to the Trustees, as a body, in accordance with the terms of our engagement. Our work has been undertaken so that we might carry out an Independent Examination of the financial statements in accordance with the General Directions given by the Charity Commissioners and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and Charity's Trustees, as a body, for our work, for this report, or for the opinions we have formed.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The notes form part of these financial statements

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial Statements have been prepared to give a 'true and fair view' and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent to provide a 'true and fair view'. The departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities Statement of Recommended Practice effective from 1 April 2015 which has since been withdrawn.

The financial statements are prepared in sterling which is the functional currency of the charity.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Legacies and donations are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

PETER ALLISS MASTERS

**Notes to the Financial Statements - continued
for the Year Ended 31 December 2021**

1. ACCOUNTING POLICIES - continued

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
