FOR THE YEAR ENDED 5TH APRIL 2023 (Continued)

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

• Management Arrangements

The Trustees meet half yearly to monitor the activities of the Charity, including the investment performance.

During the year, the day to day administration of the Charity is undertaken by the Chairman, Mr D Eldridge and Mr E Gardiner with Mrs D Gardiner providing a focal point as trust administrator. Appropriate advice and support is also provided by the Charity's professional advisers.

• Risk Management

The Trustees continually review the major risks to which the charity is exposed, in particular those related to the finances of the charity, and are satisfied that systems are in place to mitigate their exposure to major risk. The major risk of the charity is its investment portfolio.

OBJECTS AND ACTIVITIES

• Objects of the Charity

The objects of the charity, as set out in the Trust Deed, are:

- to foster and promote the education of the general public in the appreciation of the arts and music,
- the relief of poverty,
- such other purposes recognised by the law of England and Wales to be exclusively charitable.

• Criteria for Grants

Within these objectives, the Trust funds carefully chosen cultural and heritage preservation projects in the UK (especially East Anglia).

Eligible areas include support for:

- Schemes or bursaries for classical music education, to enable young musicians to attend courses or
 music groups and orchestras, to provide practical experience for singers and instrumentalists with the
 prospect of a career in classical music;
- conservation and crafts training, via bursaries to recognised higher educational teaching organisations;
- education projects in museums, the theatre and poetry, which inspire young people and enhance their experience.

Conservation of specific endangered historic artefacts and of the natural heritage environment is also eligible, as are preventive projects to protect historic or natural collections.

Exclusions

The Trust never funds repair work to the fabric of buildings or structures, nor the purchase of musical instruments or works of art. Choral societies are ineligible as are festivals. Individuals cannot be funded directly.

All applications must be on behalf of a registered charity.

Application process

The Trust holds meetings twice a year in April and October. Applications should be sent to the Administrator, either by post or as an email attachment, to the Principal office address. Applications can be received at any time, but not later than 15th March or 15th September to be in time for consideration for inclusion on the Agenda of the following month's half-yearly meeting.

ANNUAL REPORT

FOR THE YEAR ENDED 5TH APRIL 2023 (Continued)

OBJECTS AND ACTIVITIES (continued)

• Objectives for the Year

The entire funds for the Charity were provided by the late Barbara Whatmore and the Trustees seek to make grants, within the terms of the Trust Deed, that are appropriate as a memorial to her.

ACHIEVEMENT AND PERFORMANCE

• Achievement of Objective and Public Benefit

- The Charity continued to make donations to appropriate charities, which this year totalled £87,776, as listed in the Notes to the Accounts, page 11.
- In making these grants the Trustees have referred to the guidance contained in the Charity Commission's guidance on public benefit. In particular the Trustees considered how planned activities contribute to the aims and objectives of the Charity and are satisfied that this is the case.

• Grant Making Policies

Grant applications are reviewed to ensure they comply with the requirements of the Charity and the Trustees authorise each payment.

FINANCE REVIEW

• Results for the Year

The Charity plans to expend its income on charitable donations, whilst keeping its capital intact.

In the year the Charity received investment income of £98,368 and expended £89,883, resulting in net income for the period of £8,485 before losses on investment assets.

The Charity saw a decrease of £47,817 in the market value of its investments during the year. The investment portfolio is managed professionally.

Reserves Policy

The Trustees maintain sufficient reserves in the Income Fund to meet expected direct charitable expenditure.

The Capital Fund is invested to produce income for the Income Fund.

FUTURE ACTIVITIES

The Charity will continue to generate income to make grants to charitable bodies.

ANNUAL REPORT

FOR THE YEAR ENDED 5TH APRIL 2023 (Continued)

STATEMENT OF TRUSTEES' RESPONSIBILITIES

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of the charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, giving a true and fair view, the trustees should follow best practice and:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements;
- prepare financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue to operate.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and which enable them to ensure that the financial statements comply with relevant legislation and the trust deed. They are also responsible for safeguarding the assets of the Charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

REPORT OF THE INDEPENDENT EXAMINER

TO THE TRUSTEES

I report to the trustees on my examination of the accounts of the Barbara Whatmore Charitable Trust (the Trust) for the year ended 5th April 2023, which comprise the Statement of Financial Activities, the Balance Sheet and related notes.

This report is made to the Trustees, as a body, in accordance with the terms of my engagement. My work has been undertaken so that I might carry out an Independent Examination of the financial statements in accordance with the General Directions given by the Charity Commissioners. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Trust and the Trust's Trustees as a body for my work or for this report.

Responsibilities and basis of report

As the Trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES FORMING PART OF THE ACCOUNTS

FOR THE YEAR ENDED 5TH APRIL 2023

1. ACCOUNTING POLICIES

(a) Basis of Preparation and Assessment of going concern

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. They have been prepared in accordance with the Statement of Recommended Practice Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102 effective January 2019) and the Charities Act 2011.

The accounts have been prepared to give a 'true and fair view' and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Charity constitutes a public benefit entity as defined by FRS 102.

The Trustees consider that there are no uncertainties about the Charity's ability to continue as a going concern.

The Charity has taken advantage of the exemption not to prepare a cash flow statement.

(b) Funds

The Capital and Income Funds represent the funds of the Charity that are not subject to any restrictions regarding their use and are available for application to the general purposes of the Charity. Funds designated for a particular purpose by the Charity are unrestricted. Restricted Funds are funds which are used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for a particular purpose.

(c) Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

(d) Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

NOTES FORMING PART OF THE ACCOUNTS

FOR THE YEAR ENDED 5TH APRIL 2023

1. ACCOUNTING POLICIES (continued)

(e) Investments

Investments are a form of basic financial investment and are initially recognised at their transaction value and subsequently measured at fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluations and disposals throughout the year.

Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value.

(f) Current Assets and Liabilities

All known current assets are brought into the accounts at the amounts which they are expected to realise. All known liabilities are brought into the accounts at their expected cost.
