TRUSTEES' REPORT FOR THE YEAR ENDED 31st May 2023

STRUCTURE, GOVERNANCE AND MANAGEMENT

GOVERNING DOCUMENTS

The organization is a charitable company limited by guarantee, incorporated on 24th of May 2012. The company was established under a Memorandum of Association, which established the objects and powers of the charitable company and is governed by its Articles of Association. In the event of the charitable company being wound up, members are required to contribute an amount not exceeding 10.

RECRUITMENT AND APPOINTMENT OF THE MANAGEMENT COMMITTEE

The Charity has a membership, which is open to anyone with a genuine wish to assist in enhancing the wellbeing of those affected by online bullying and hate campaigns. The majority of members are volunteer workers, those that support our cause or those that have been affected by digital abuse.

The constitution lays down that Trustees are appointed from within this membership. However, if an eligible person is recommended, proposed and seconded by members they can be put forward for election as a Trustee provided that they become a member of the Charity.

A Trustee may serve for a maximum period of three years, after which she/he must stand down and, if willing, seek re-election after having been duly proposed and seconded by members. Trustees are appointed at the Annual General Meeting. This is done by a show of hands or ballot if the number of nominations exceeds the vacancies. All nominated Trustees have to be approved by the existing Board of Trustees prior to the Annual General Meeting.

TRUSTEE INDUCTION AND TRAINING

Trustees are mainly members and an induction course for them is unnecessary. Any new Trustee who is not a member is given full details of the aims of the Charity and his/her duties and responsibilities and is interviewed by the Director and Secretary of the Charity. All Trustees are issued with copies of the Articles of Association, the Memorandum of Association, the Directors and Secretaries Guide from Companies House and the Responsibilities of Charity Trustees from the Charity Commission.

RESERVES POLICY STATEMENT Currently, The Cybersmile does not hold any funds as reserves due to lack of any considerable overheads or financial commitments that could potentially put the operational functionality of the charity at risk. Essential Cybersmile operations are safeguarded by ensuring all operational costs are covered for periods of between 12 and 24 months. Operations are flexible in their nature, to allow for streamlining when required.

Regular finance meetings ensure that fundraising activities and sponsorship acquisition targets are met and that future planning for sustainable funding is being implemented. The Reserves Policy Statement will be reviewed at least once per annum by the board of directors.

SAFEGUARDING

With the welfare of service users, employees and volunteers being the charity's prime objective, the anticipation and elimination of risk is fundamental to our day-to-day activities. All volunteers and members who connect with our service users follow safeguarding guidelines and policies for reducing risk. All statutory requirements of the appropriate insurances are kept current and are regularly reviewed by The Trustees to this effect.

ORGANISATIONAL STRUCTURE

Mr. C Dugmore is the Director of the charity and acts as Chairman of the Board of Trustees, who are responsible for policy decisions.

The Articles of Association state that there shall normally be not less than three and not more than twelve Trustees.

Implementation of policy, human resource issues, financial administration and the day- to-day operation of the Charity is the responsibility of the Director, assisted by staff and volunteer workers.

RELATED PARTIES

In developing the Charity and our related user services we have formed working relationships with the following organizations.

UKCCIS – UK Council for Child Internet Safety, The Diana Award, NSPCC – National Society for the Prevention of Cruelty to Children, CEOP – Child Exploitation and Online Protection Centre, The Samaritans, The All-Party Parliamentary Group For Bullying, The All-Party Parliamentary Group for Young People and Tech, UK Crown Prosecution Service, Twitter Safety Team, Intel Corporation Diversity in Gaming Group. THE CYBERSMILE FOUNDATION – WHAT WE DO

The Cybersmile Foundation is a multi-award-winning anti-cyberbullying non-profit organization. Committed to tackling all forms of digital abuse, harassment and bullying online, we work to promote diversity and inclusion by building a safer, more positive digital community.

Through education, innovative awareness campaigns and the promotion of positive digital citizenship we reduce incidents of cyberbullying and through our professional help and support services we empower victims and their families to regain control of their lives. Founded in 2010, Cybersmile has grown to become the world's leading anti-cyberbullying non-profit organization. Registered as a 501(c)3 not-for-profit organization in the U.S. and as a registered charity in the U.K. – Cybersmile provides expert support, resources and consultancy to individuals, governments, corporations and educational institutions around the world.

Our educational programs, support services and messages of hope and positivity reach millions of people around the world each year, whilst maintaining our core values of integrity, equality and compassion – the Cybersmile hallmark.

OUR MISSION

Our mission is a simple one; we believe that everybody should have the right to access and enjoy the benefits that our new connected digital world offers – without the fear of bullying, threats and abuse.

Unfortunately, cyberbullying, harassment and digital abuse is increasing, holding many back from enjoying the benefits that access to the internet can provide. Our current online environment lacks the balance and social rules of engagement that have been cultivated over generations, governing the behaviour and relationships in the communities where we live, play and work – the physical world.

The Cybersmile Foundation are committed to helping everyone realize their true potential by supporting those that are bullied and abused online, changing the behaviour of the bullies themselves and through education – preparing this and further generations for a safe and positive digital future.

PERFORMANCE AND ACHIEVEMENTS 2022-2023

GLOBAL SUPPORT SERVICES

Our advisors and support resources enable us to help internet users who experience abuse, harassment, bullying and all forms of online harm. We work with people to find solutions and positive outcomes that will enable them to deal effectively with the experiences that they have gone through and to empower them with the tools, knowledge and confidence to move on.

As access to our online world grows across, the issues facing internet users continue to affect more people. To meet the ever-growing need for support, education and advisory support services, we have continued to develop our support services with a focus on scope, scalability and accessibility.

Our main resources and services are comprised of key areas of activity which allow us to maximise our reach and our digital response capabilities. These include:

Cybersmile Assistant

Cybersmile Assistant, our interactive AI based smart assistant continues to provide internet users from all demographics with instant access to advice, information for issues such as cyber bullying and online abuse, anxiety, mental health, body image, cyberbullying, self-esteem, eating disorders and much more. This year we have continued to enhance the range and accessibility of the Cybersmile Assistant, and have also begun the research and development of further AI capabilities to improve the overall capabilities and accessibility of the assistant. Plans for 2024 include the development of improved language models to enhance the conversational program interface, and the introduction of speech/avatar programs to provide more opportunities for inclusive and diverse modes of delivery.

EDUCATION – PROVISION AND RESOURCES

Interactive Digital Learning Platform.

The Cybersmile Interactive Learning Platform contains interactive learning modules covering a wide range of topics. The modules are designed to deliver learning outcomes to students that teach them how recognize risk in digital environments, how to deal with challenging or uncomfortable situations and how to develop healthy online behaviours.

In Oct 22, we launched a new module to mark World Mental Health Day. The new 'Digital Wellbeing' module was created to help people better understand the relationship between internet users and their mental and physical wellbeing, exploring issues including excessive or unhealthy screen-time, poor exercise and sleep routines, and how algorithms can affect your online consumption. The module was guided by our recent research and findings from our Digital Wellbeing Report 2022 - our bi-yearly study which examines the impact of social media and internet use on Gen Z wellbeing across the UK.

Since launch, our learning platform has educated over 460,000 internet users.

Cybersmile.org

Cybersmile.org remains our primary resource for education, awareness, and guidance - engaging with diverse audiences, both socially and geographically, to facilitate delivery of our advisory and educational resources to internet users across the globe.

Our educational and advisory content is curated at Cybersmile.org with contributions and consultation with our expert Advisor Panel, Official Cybersmile Ambassadors, industry professionals and educational partners. The resources created include workshop lesson plans, online safe practices, informative blog posts, shared experiences and testimonials, expert and celebrity Q&A's and access to our online community forum.

Cybersmile.org is also the home to the Cybersmile Help Centre, which contains a comprehensive list of advice-based materials covering many aspects of online harms including, harassment, bullying, extortion, sexual blackmail, revenge porn, self-harming, doxing, hacking and game-rage, to name a few.

To help those who are experiencing serious issues outside of our cyberbullying and online abuse support capabilities, we provide access to authorities and organisations that provide specialist support for a wide range of topics including urgent crisis support, suicide and self-harm prevention, mental-health support and law enforcement.

All the educational resources and materials that we create at Cybersmile are promoted and amplified through our digital engagement mechanisms to deliver optimum awareness and provide access for internet users around the world. All of our support resources are available completely free of charge 24hrs a day, 365 days a year.

HELP CENTER

Access to our resources is promoted throughout the year to our audience of over 2.5 million followers on social media, and to global digital communities worldwide through diverse promotional campaigns and organic viral messaging.

Research and development of our site upgrade is still underway and we have extended this process into 2024 to ensure our integration with new AI-based technologies are fully explored and have all the necessary safeguards in place for user wellbeing. In addition, we have taken advantage of this extended research and development period to update all site content and create more material. We expect to launch the new site at the end of the second quarter 2024.

Cybersmile.org provided guidance, advice, education and support resources for over 3.4 million internet users this year

RAISING AWARENESS – ONLINE ENGAGEMENT & ACCESSABILITY

Our online engagement activities are mostly supported via our corporate partnership campaigns, helping us to address specific issues throughout the year and also providing the crucial funding, sponsorship and donated resources needed to maintain our three core pillars of activity, education, awareness and support.

All awareness campaigns and promotions are supported and amplified through our network of followers, supporters, volunteers and influencers, who help us to spread our messaging around the world online throughout the year. Some of our highlights and most successful campaigns this year include:

This year we brought together brands, experts, governments, celebrities and educators to pledge their commitment to a kinder more inclusive internet, and to support our messages for this years Stop Cyberbullying Day. These include highlighting the need for internet users to learn more about digital wellbeing and finding a healthy balance in our online and offline lives.

We also marked the day by publishing our second bi-yearly report examining the relationships with social media in the UK. Key topics include mental health, body image, social comparisons, negative news consumption and social media addiction.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of Chartered Institute of Management Accountants .

Having satisfied myself that the charity is not subject to an audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;

- state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINERS STATEMENT

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINER'S STATEMENT

FOR THE YEAR ENDED 31/05/2023

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and

- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

INDEPENDENT EXAMINER'S STATEMENT

FOR THE YEAR ENDED 31/05/2023

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE CYBERSMILE FOUNDATION

I report on the accounts of the company for the year ended 31/05/2023 .

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of Chartered Institute of Management Accountants .

Having satisfied myself that the charity is not subject to an audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINERS STATEMENT

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINER'S STATEMENT

FOR THE YEAR ENDED 31/05/2023

INDEPENDENT EXAMINERS STATEMENT

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and

- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached
