Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the CIO are to provide training, mentoring, education and employment opportunities for dental technicians and trainee dental technicians around the world. The CIO will also aim to provide affordable dental appliances to those patients who are in need and/or do not have the means to pay for them in the UK and developing countries. Finally volunteering opportunities for dental technicians based in the UK to those same developing countries to carry out the mentoring, training and education as stated above.

	Working with other UK based dental charities and organisations to provide dentures to their homeless, veterans, socially mobile & poor patients via a postal service to volunteer laboratories and through volunteer/subsidised dental clinics appointments. We confirm that the trustees have had regard to the guidance issued by
	the Charity Commission on public benefit.
Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)	
Additional details of objectives	and activities (Optional information)
You may choose to include further statements, where relevant, about:	
 policy on grantmaking; 	
 policy programme related investment; 	
 contribution made by volunteers. 	

Achievements and performance Section D This year we were once again able to offer any face to face services Summary of the main within our dental practice environments through our service providers and achievements of the charity we still continue to support our UK charities through offering a send away during the year lab service via our volunteer laboratories. We have continued to raise awareness of our existence and the services that we are willing & able to offer through social media channels to the dental profession and homeless groups. Our main achievements in this year were: In October we headed out to Uganda with a small team and were able to set up an onsite dental laboratory and support the provision of general dental services within the Destiny Medical Centre in the Wakiso District of Uganda. This was achieved through the use of dental equipment donated by dental laboratories around the UK. During our time in Uganda we also assisted in the running of dental outreach activities, treating 117 patients over 2 days, including providing 6 same day dentures.
