## **Objectives and Activities**

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	For the public benefit in Norfolk and Suffolk, the relief of those in need by reason of youth, age, ill health, disability, financial hardship, or other disadvantage and the furtherance of such purposes as are exclusively charitable within the law of England and Wales, including the provision of facilities for recreation and other leisure time occupation in the interests of social welfare with the object of improving the conditions of life for whom they are intended.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	In furtherance of the Charity's aims we have raised funds from variety of local sources including a market stall selling items donated from the local community, charitable donations from local fundraising bodies and individual donations or bequests. We have regularly published the charity's performance in local free magazine and summarised our stated aims of raising funds for a playground in memory of Liam Hills and assisting with the funding of special equipment for a disabled young lady Bethany Shaw.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The charity is thankful for the guidance issued by the Charity Commission and in particular the application form we have developed

Policy on grant making	Para 1.38	The Charity has designed an application form to assist in the decision making process and whilst we are focussed on our stated aims it does not preclude individuals from making an application for a grant. Forms are available from any trustee
Policy on social investment including program related investment	Para 1.38	No policy in place at this time
Contribution made by volunteers	Para 1.38	We are extremely proud of our volunteers and indeed the whole local community who have embraced the local good causes and have assisted in running the stall in often atrocious weather on Market days and at local events. We are grateful for contributions made by local businesses and the support received from their patrons and staff alike.

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Charity made a sizeable donation to assist with the mobility equipment for a very physically disabled young lady and this has assisted the family to achieve their own fund raising goal. The efforts and publicity surrounding the Liam Hill playground funding was also galvanised by the announcement of the first grant.

Additional information (optional) You may choose to include further statements where relevant about:

Achievements against objectives set	Para 1.41	The charity achieved one of its stated aims of contributing to the fundraising for specialist mobility equipment.
Performance of fundraising activities against objectives set	Para 1.41	The Market Stall has stuttered more in year however donations have been forthcoming from a variety of local individuals and groups. £17,080.90 was raised in year.
Investment performance against objectives	Para 1.41	As interest rates have increased the Trustees resolved to move funds to a new community account especially for charitable purposes (this was achieved by September 2023)

## **Financial Review**

Review of the charity's financial position at the end of the period	Para 1.21	The Charity has raised £49,463.59 in the two reporting periods. A single grant of £6,622.14 has been made and the only costs incurred by the Charity were £22.75 of bank charges for paying in cash earned at the stall. The charity maintained its objective of donating as much of the funds raised to good causes.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The principal short-term objectives include raising funds towards play equipment in memory of Liam Hills and for specialist equipment required by Bethany Shaw and the latter was achieved in this reporting period. The play equipment is a long term goal and it will be necessary to retain reserves until we can afford the project and provide a facility that the entire community can be proud of.
Amount of reserves held	Para 1.22	£42,788.44
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	The Charity is in a sound financial position and is operated voluntarily by the trustees and all volunteers and there is no reason to doubt the viability.

Additional information (optional) You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	Fundraising has been achieved by operating a weekly market stall including donations of unwanted goods from individuals and families in Brandon and neighbouring towns and villages in Norfolk and Suffolk. This has accounted for £9.2k of year 1 income. Local Clubs, businesses and other individuals have been extremely generous in their giving and without whom we would not be anywhere near our current fund raising levels. None of this would have been possible without our volunteers.
Investment policy and objectives including any social investment policy adopted	Para 1.46	All funds are held in a UK interest bearing bank account.

A description of the principal risks facing the charity	Para 1.46	Inflation is the biggest risk faced by our charity as it will increase the time taken to reach our objectives and slow grants to other worthwhile causes in Norfolk and Suffolk
