THE BIRMINGHAM DISTRICT NURSING CHARITABLE TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 18 JULY 2023

The Trustees present their report and financial statements for the year ended 18 July 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's Trust Deed, the Charities Act 2011 and the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102).

Objectives and activities

Application of income (but not part of the capital)

The Trustees first defray all the costs, charges and expenses of the Charity, which are properly payable out of income.

Subject to the payments above, the yearly income of the Charity is applied by the Trustees in such a manner as they shall, from time to time, think proper for the benefit of the sick, in or near the City of Birmingham within a radius of 20 miles from the Council House.

Public benefit

The Trust can make donations or subscriptions to:

- a) Any medical or nursing organisation.
- b) Any convalescent home.
- c) Any convalescent home or rest homes for nurses or other medical or nursing institution.

The Trust can make grants or contributions for or towards:

- (a) Amenities for patients or nursing staff of Birmingham Domiciliary Nursing Service.
- (b) Amenities for patients or nursing staff of any state hospital.

Reference should be made to the Trust Deed for clarification of the above. The Trustees have considered the Charity Commission's guidance on public benefit.

Reserves policy

The policy of the Trustees is to distribute available funds, as grants, in the year following their receipt. Retained reserves should therefore be minimal.

At 18 July 2023 the Trust had unrestricted funds of £71,141 (2022: £61,862) and endowment funds of £2,099,897 (2022: £2,089,348). In accordance with the policy, the intention of the Trustees is to grant the majority of the unrestricted funds in the year 2023-2024.

THE BIRMINGHAM DISTRICT NURSING CHARITABLE TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 18 JULY 2023

Grants

The Trustees are mindful of ensuring not only that all applicants fall within the objects of the Charity but also that the grant giving policies and practices, whilst supporting a number of applicants from year to year, ensure relevance to the current needs of our community and provide suitable flexibility for new organisations to receive awards. Careful consideration is given to each application both at the initial pre-selection stage by the Secretary and at the Trustees' meeting. The Trustees receive all applications well in advance of their annual meeting. In reaching their conclusions, the Trustees pay close regard to not only the written application, but the Trustees give consideration to their financial circumstances and also draw upon the considerable knowledge and expertise which each of the Trustees have in the relevant sectors.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning future activities and setting the grant making policy for the year.

The Trustees look forward to making grants to qualifying organisations from the community in future years having regard to the regular income stream from the capital portfolio which is invested under advice from their appointed stockbrokers.

Achievements and performance

Review of transactions and financial position before charitable grants

The gross income of the Trust for the year ended 18 July 2023 amounted to £84,516 (2022: £70,779).

During the year £51,450 (2022: £50,700) was distributed by way of charitable grants, leaving a balance of £71,141 (2022: £61,862) available for distribution, which includes a balance of income brought forward from the previous year.

Investments

During the year the Trust sold investments costing £181,416 (2022: £82,652) leading to a gain on disposal of £85,662 (2022: loss on disposal of £11,294). The Trustees are satisfied that the balance sheet at 18 July 2023 discloses funds adequate to fulfil the obligations of the Charity.

Going concern

The trustees have considered, in the context of the COVID-19 pandemic, the going concern concept and any associated material uncertainties, the basis of any significant judgements and the matters to consider when confirming the preparation of the financial statements on a going concern basis and the trustees are comfortable that there are not any adjustments required. The trustees expect the Charity to continue in operation for at least 12 months from the date of signing the financial statements.

The Trustees have assessed the major risks to which the Charity is exposed and are satisfied that systems are in place to mitigate exposure to those major risks.

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

THE BIRMINGHAM DISTRICT NURSING CHARITABLE TRUST TRUSTEES' REPORT FOR THE YEAR ENDED 18 JULY 2023

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

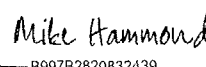

The Trustees' report was approved by the Board of Trustees.

THE BIRMINGHAM DISTRICT NURSING CHARITABLE TRUST INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

I report on the financial statements of The Birmingham District Nursing Charitable Trust for the year ended 18 July 2023, which are set out on pages 8 to 16.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the financial statements. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

This report, including my statement, has been prepared for and only for the charity's trustees as a body. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body for my examination work, for this report, or for the statements I have made.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, which is complete, no matters have come to my attention which give me reasonable cause to believe that in any material respect:

- accounting records were not kept in respect of The Birmingham District Nursing Charitable Trust in accordance with section 130 of the 2011 Act; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination.

Charity No. 215652

THE BIRMINGHAM DISTRICT NURSING CHARITABLE TRUST
INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

I have no concerns and have come across no other matters in connection with the examination to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.
