# SIR ROBERT SPEED CHARITABLE TRUST FOR THE YEAR ENDED 30 JUNE 2023 TRUSTEE'S ANNUAL REPORT (CONTINUED)

The Trustee presents its report and financial statements for the year ended 30 June 2023.

#### Structure governance, objectives and management

Sir Robert Speed Charitable Trust was set up by deed dated 15 September 1980 by Sir Robert Speed CB QC.

The Trust up to November 2020 was divided into two parts, the first being the Original Fund which is held by the Trustee, upon trust to apply the same (at the direction of the Council) either as capital or income for the purpose of providing recreational facilities for the physical education and development of persons who are from time to time Resident Junior Members of the Universities of Oxford and Cambridge. No part of the whole of the Trust fund need be retained or shall be treated as a permanent endowment, so that the whole of the Trust fund, whether capital or income, may at the discretion of the Council, be expended on the objects of the Trust.

The second part is the Ladies Fund which was set up following receipt in February 2007 of a personal gift from Mr David Gilchrist of 50,000 shares in Kiln Group Plc. This fund and the income therefrom are kept separate from the other charity investments, so that the income can be used to assist with the running and coaching costs for the Oxford and Cambridge University Ladies Golf Clubs. During the year £3,500 (2022: £3,500) was paid out to the Ladies Golf Clubs from the Ladies Fund.

In November 2020, The Council decided to set up a new Fund "Divots/Stymies Fund " to help second team golf at the Universities. Money paid into the Fund can only be distributed to those teams. During the year £3,500 (2022: £2,000) was paid out to the Divots and Stymies from the Divots/Stymies Fund.

### Risk Management

The Trustee have considered the major risks to which the Trust is exposed and have reviewed those risks and established systems and procedures to manage those risks. The Trustee considers the variability of investment returns on the expendable endowment to constitute the Charity's main risk. The Trustee and Council have contracted the services of Canaccord Genuity, the investment manager, to provide services and advice on investments. The Trustee and Council consider that the investment advice received from Canaccord Genuity will help grow the resources available for generating income and capital growth so as to achieve the Charity's objectives. The variability of the donations is also a risk and the Council monitor all donations.

#### Investments

In accordance with the provisions of the Trust Deed, the control and management of the Trust's funds is vested in the Council, who, in consultation with the Trust's Investment Manager, decide the investment policies to be followed. The Trust's investment policy was changed in the 2021 accounting year. The Trust now invests in a maximum of 8 collective funds/investment trusts and no one fund should ordinarily exceed 30% of the overall value of the investment portfolio. Separate investment reports are made by the Investment Manager direct to the Council and accordingly no further comment is appropriate in this report, with the exception of comparing the value of the Funds with the values as at 30 June 2022.

The investments held as at 30 June 2023 had a value of £663,623. Adding to this figure the cash in hand and debtors and deducting the creditors gives a total net value for the fund of £743,406 which compares with a value at 30 June 2022 of £675,084. This represents a increase in value of £68,323 or 10%, which has arisen as a result of the rise in markets. The Council has reviewed the performance of the investments since year end and has concluded that the mid to long term investment strategy adopted is appropriate for the Trust.

#### **Financial Review**

	2023	2022
Donations subject to Gift Aid	£ 36,129	£ 39,351
Other Donations	£ 12,408	£ 14,754

During the period 34 (2022: 33) new Gift Aid forms were received totaling £2,645 (2022: £8,422) including one off payments.

£53,030 (2022: £58,805) of the Trust income was distributed to the Oxford and Cambridge University Golf Clubs to cover expenses incurred during the year and a contribution to the golf coaching costs of Resident Junior Members.

#### **Reserves Policy**

The appropriate level of financial reserves is considered each year by the Council. Reserves comprise unrestricted general and endowment funds, and restricted general and endowment funds which are only available for the Universities' Ladies teams and the Universities' second teams. Whilst the Trust Deeds state that no part of the Trust property shall be treated as a permanent endowment so that the whole of the Trust fund, whether capital or income, may be expended on the objects of the Trust, the Council adopts a long-term plan in generating sufficient funds to support future generations of University golfers. The Council wishes to generate sufficient endowment funds (defined as significant one-off donations intended by the donor for permanent investment and not current spend) to support the Charity's objectives.

# SIR ROBERT SPEED CHARITABLE TRUST FOR THE YEAR ENDED 30 JUNE 2023 TRUSTEE'S ANNUAL REPORT (CONTINUED)

#### **Reserves Policy (continued)**

The Council expects the Trust to hold, under normal circumstances, not more than £50,000 of unrestricted general funds at year end, to allow for significant fluctuations in income and expenditure and the potential need for a major grant to one or other University for a one-off purpose. At the year end, unrestricted general funds were £34,238.

#### **Taxation**

A provision for income tax recoverable has been made as shown. A claim for refund of this tax in respect of Gift Aid has been submitted to HMRC.

### Generally

The Trustee has power to charge fees under the terms of the Trust deed in accordance with its published fee scale. The fee charged is shown on page 12.
