Butler has stated he will not be standing for re-election. A.L. Barratt, D.P. Hunt and P. Grint have stated their intention to stand for Council, which means there are eight members standing for six places and will, therefore necessitate a vote.

COUNCIL MEMBERS' ATTENDANCE: There were six scheduled Council meetings in 2015. Mrs. S. Barnes, Mrs. T. J. Booker, Miss J. Broughton, D.M. Jenkins and M.J. Martin attended all six. A. L. Barratt, Ms S-A Grimwood, T.R Mancey and S.E.W. Temple attended four. Mrs. E.A Blunt, R.H. Smith and J.R. Williams attended three. P. Grint, Mrs. S. Mahon and S. Phelps attended two whilst Miss H.R. Artan, R. Beecroft and Miss E. Grint attended one. J.S. Butler and I.N.Tompson did not attend any meetings.

WORK OF THE COUNCIL: The Council is responsible for the promotion of the Red Poll breed in general and in particular to maintain the beef and milking qualities of the breed. The Council's activities are governed by the Articles of Association of the Society. Meetings of the Council and the Annual

General Meeting were held at the Jersey Pavilion, Stoneleigh. The number of Council meetings was increased to six a year, attendance at Council meetings continued to be excellent. Council is starting to implement, a Strategic Plan so as to provide a framework for the future development of the breed. The following resolution is what the Society is working towards.

The Council of the Red Poll Cattle Society recognises that there are a variety of valid herd objectives amongst its members and a number of strategies to meet those objectives. Council confirms that it is not its role to promote any one objective or strategy but to support all its members with such assistance as they may require. Council further recognises that it should encourage the use of Red Poll cattle and the resulting product so as to expand the overall market.

PROMOTIONAL ACTIVITIES: The Society has continued to subsidise beef recording, directed towards identifying and improving the beef characteristics of the breed. This work is being done by subsidising individual membership of the Signet Beef Breeder Scheme, which is open to all breeders. To encourage new herds to join the scheme, the Council continues to subsidise their membership fees for two years. The scheme is now producing data of considerable interest and the Council would urge more breeders to take part in the scheme.

The Society has continued the milk recording subsidy in order to gather data from the dairy sector of the Society.

The Breeding Committee considers bulls for semen collection to ensure the future of the breed's AI stocks and to preserve bloodlines.

Regional Herd Competitions and other regional events have taken place and have proved to be popular and successful, the regional winners going forward to the National competition.

The Society re-instated a National Show, the first for over 20 years, which was held at the Suffolk Show. Entries were excellent with over 60 animals forward.

The Society's new display units were taken to a number of shows and events during the year and the Society thanks all who have helped promote the breed.

EDUCATION: The Society encourages Junior and Student Members to attend events and shows to learn and improve their showing of cattle and stock judging and also plans workshop events open to all members of the Society on various subjects relating to the keeping and breeding of cattle.

MEMBERSHIP: 22 new members joined the Society during the year, 26 resigned for a variety of reasons. The total membership at the end of the year was 383 in comparison with 387 at the end of 2014.

<u>THE WEBSITE</u>: Members may have their cattle for sale advertised on the website without charge, a commission of 2.5% being payable upon any subsequent sale. The website is fully operational which is going to be invaluable in taking the Society forward. The Society has its own Facebook page and Twitter account which are also proving popular.

ANNUAL GENERAL MEETING: The Annual General Meeting was held on Saturday, 9th May 2015 at Stoneleigh Park, Warwickshire on the same day as the Youngstock Show and was well attended.

SOCIETY FIELD DAY: The Field Day was held at Lagan Farms, Gillingham, Dorset by kind invitation of Ron Clarke. Guests were able to view the Lagan Herd followed by an excellent lunch, with a visit to the Farm Shop and Garden Centre in he afternoon.

ANNUAL DINNER: The ninth Annual Dinner was held at Tillington Hall Hotel, Stafford with over fifty members and guests attending. During the evening trophies for the National Herd Competitions were presented by Society President, Mrs. Terina Booker. A very well supported raffle with prizes generously given by members raised valuable funds for the Society. The following day many of the guests had a most enjoyable visit to Trentham Garden, Stoke-on-Trent, not only to view the gardens and shops, but to view cattle owned by Terry & Helen Mancy which graze the extensive woodland in the park.

SHOWS: Classes for Red Polls were offered at the Three Counties, Suffolk, Westmorland, Cheshire and Royal Norfolk shows, as well as the Rare Breeds Survival Trust Rare & Minority Breed Shows at

the Three Counties Show and the Smithfield Festival at the East of England Showground, which incorporated a Calf Show. The re-instated National Show was held at the Suffolk Show with the trophies awarded at the annual dinner. Red Polls were also shown with considerable success at a number of other shows throughout the country in classes for Any Other Native Breed.

SHOWS & SALES: To increase the opportunities for members to sell their cattle, the Society participated in the RBST Native Sock Sale at Melton Mowbray.

JUDGES' STANDARDISATION DAY: The Hunt family hosted a Judges' Standardisation day at Watergate Farm, Hockcliffe, Leighton Buzzard in October at which the Society's judges were presented with groups of animals for assessment. A delicious lunch was provided, which rounded off a very useful but social day. It was an opportunity to view and discuss the Hunts' turkey enterprise.

HERD COMPETITIONS: The regional Herd Competitions continue to go from strength to strength with more members entering each year. The awards are presented at farm walks on each area's winning farm which prove to be enjoyable social and cohesive events. The National Herd Competition winners are presented with their trophies at the Annual Dinner.

<u>DATA PROTECTION</u>: The Society reserves the right to release the Herd Book to interested parties who might be able to give members products or services that they would find of interest. If you do not want us to release your name, please let the office know.

RISK ASSESSMENT: During 2004 the Council carried out a detailed review of the Society's activities and produced a comprehensive strategic plan, setting out the major opportunities available to the Society and the risks to which it is exposed.

The Council will monitor progress against the strategic objectives set out in the plan at each meeting and a comprehensive review of the plan will be carried out annually. As part of this process the Council will implement a risk management strategy that covers:

- Financial risks.
- 2. Reputational risk.
- 3. Statutory and legal requirements.
- 4. Operational risk.

The Council will establish systems and procedures to mitigate those risks identified in the plan. The implementation of procedures as set out below is designed to minimise any potential impact on the charity, should any of these risks materialise:

- 1. A budget will be produced at the beginning of each year and a financial statement issued at each meeting showing financial performance against budget. All cheques are signed by two people. Year end accounts are examined by an independent examiner.
- 2. The maintenance of good governance in the running of the affairs of the Society is monitored at each meeting to avoid any occurrence of bad practice that might lead to adverse publicity.
- 3. The Society will insure, insofar as is possible, against known risks. Our current insurance policy meets the known risks identified by Council.
- 4. It is believed that the Council has the resources to deliver the objectives of the Society, taking into account all known risks. To this end the Council intends to maintain reserves sufficient to meet one year's commitments in full.

The strategy was updated in 2009.

<u>THE FUTURE</u>: The Council believes the breed is well placed to benefit from EU and UK government supported initiatives to move agriculture towards low input, extensive and environmentally sensitive management systems. The Council will seek to capitalise on these trends by finding ways to promote the beef and milking properties of the Red Poll.

The Society are undertaking a consultation to see if the membership feel it is worth pursuing an initiative to gain TSG status for our beef. Once the consultation process is over, if positive feedback is gained, 2016 will see this progressed with a full proposal submitted to DEFRA.

REPORT OF THE COUNCIL (Continued)

Council Members' Responsibilities

Company law requires the Council Members to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Company, and of the result of the Company for that period. In preparing those Financial Statements the Council Members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent, and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Council Members are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company, and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

Small Company Provisions

This Report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

INDEPENDENT EXAMINER'S REPORT ON THE UNAUDITED FINANCIAL STATEMENTS TO THE COUNCIL MEMBERS OF THE RED POLL CATTLE SOCIETY (A COMPANY LIMITED BY GUARANTEE)

I report on the accounts for the year ended 31st December 2015 set out on pages 8 to 15.

Respective responsibilities of trustees and examiner

The council members (who are also directors of the company for the purposes of company law) are responsible for the preparation of the Financial Statements. The council members consider that the Company is exempt from an audit under Section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
 - to keep accounting records in accordance with Section 386 and 387 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of Sections 394 and 395 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
