TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2015

The Trustees submit their annual report and the financial statements of SADS UK, the Ashley Jolly SAD Trust, for the year ended 31st December 2015. The Trustees confirm that the annual report and financial statement of the charity comply with the current statutory requirements, the requirements of the charity's governing document and statement of recommended practice (SORP) accounting and reporting by charities issued in 2005 and under section 162 of the 2011 Charities Act.

The company was Registered in England and Wales No. 5679989. Registered Office: 22 Rowhedge, Brentwood, Essex CM13 2TS. It retained charitable status and the Charities Commission granted a new registered charity no. 1113681.

The trustees, who are also the directors for the purpose of company law, and who served during the year were:

Mr J Jolly
Ms C Carson

All new trustees are appointed by the existing committee members after consultation and deliberation. New trustees undergo an induction session. During the session existing trustees brief them on responsibilities of Trustees and aims and objectives of the charity.

The trustees has assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Objectives and activities

SADS UK is a cardiac charity working to prevent Sudden Arrhythmic Death due to abnormalities of the heart, which may affect a person at any age, even children. Conditions covered are those such as, Hypertrophic Cardiomyopathy, Long QT Syndrome, Short QT, Wolff-Parkinson-White Syndrome, Brugada Syndrome, Catecholaminergic Polymorphic Ventricular Tachycardia, Cardiomyopathy and Arrhythmogenic Right Ventricular Dysplasia/Cardiomyopathy.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2015

The Charity's Mission Statement is:

To save lives and support individuals and families who are predisposed to sudden death due to heart rhythm abnormalities (cardiac arrhythmia).

The Charity's Vision Statement is:

General Practitioners, primary care personnel and the general public all understand symptoms (and possible genetic implications) of cardiac abnormalities enabling them to gain early diagnosis and treatment. Defibrillators will be widely placed in the community and all schools and youth establishments will have defibrillators on site to use in the case of a cardiac arrest emergency.

Objects registered with Charities Commission

To relieve the distress of persons who have suffered from sudden bereavement or who are aware that they or a family member are susceptible to potentially sudden death through certain medical conditions, particularly, but not exclusively, by the provision of support and information and the provision of funds to supply appropriate preventative equipment (not normally met from statutory funds) to assist in diminishing the risk of sudden death. The objects comply with the duty in section 17(5) of the 2011 Charities Act to have due regard to guidance published by the Charity Commission with respect to public benefit.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

The charity has four main objectives:

- 1. To provide support to families who have suffered a sudden and unexpected cardiac death within their family and to individuals and families who are living with conditions that cause abnormality of the heart rhythm.
- To raise awareness and educate the general public and healthcare professionals regarding cardiac conditions affecting the heart, in order that those at risk of Sudden Arrhythmic Death (SAD) may be referred for specialist cardiac treatment.
- 3. To keep up to date with medical technology and new research advances, providing equipment to organisations and health care professionals to assist with the prevention of Sudden Arrhythmic Death and supporting research.
- 4. To guide government legislation and policy to safeguard people who may be at risk from Sudden Arrhythmic Death Syndrome if not treated. To assist with their objectives SADS UK works with other organisations.

Achievements and performance

The AED (Automated External Defibrillator) Campaign continued apace. One hundred and ninety AEDs were placed during the year. 150 SADS UK cabinets were used in Public Access Defibrillator projects. SADS UK kept its membership and supporters up to date with developments in cardiac care and activities of the charity, seeking opinions and sharing articles through the SADS UK Newsletter, 'Sensitive Hearts'. The Heart to Heart Conference and Lifesaver Awards was well attended, with Dr Christian Jennen presenting the awards. SADS UK worked with Tesco Northwest and placed 30 defibrillators in Tesco Convenience Stores.

The stories of SADS UK members were featured in newspapers, magazines, TV and radio.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2015

Research

The charity supported work looking into the basic mechanisms that cause sudden cardiac death at Papworth Heart Hospital. The charity funded the University Hospital of Wales, Medical Institute supporting a PhD student examining the intersection of medical and medico-legal knowledge, looking at the movement of genetic testing practice around SADS into the coronial system, exploring impediments to the uptake of genetic testing on the part of coroners. Bristol Heart Institute was also funded to look into the Short QT Syndrome.

Highlights of the Year

The Conference and Lifesaver Awards were well attended. SADS UK were delighted to work with Tesco Convenience Stores to put defibrillators and lifesaving skills in place.

Financial review

The total income for the year amounted to £406,402 an increase of £61,901 upon last year. The Trustees are pleased with the increase in income which, after expenses resulted in a small net deficit of £6,655.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to one year's expenditure. The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

On behalf of the board of trustees

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF SADS UK

I report on the accounts of the charity for the year ended 31 December 2015, which are set out on pages 5 to 13.

Respective responsibilities of trustees and examiner

The trustees, who are also the directors of SADS UK for the purposes of company law, are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144 (2) of the Charities Act 2011, the 2011 Act, and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination being a qualified member of the Institute of Chartered Accountants in England and Wales.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- (i) examine the accounts under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - (ii) to prepare accounts which accord with the accounting records, comply with the accounting requirements of 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities;

(b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
