REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2016

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website.

Approved by order of the board of trustees on and signed on its behalf by:

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
FORWARD IN FAITH MINISTRY U.K.

We have audited the financial statements of Forward In Faith Ministry U.K. for the year ended 31 March 2016 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Statement of Trustees Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view.

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with regulations made under Section 154 of that Act.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report of the Trustees to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2016 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
FORWARD IN FAITH MINISTRY U.K.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements ; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

THE LETTER FROM THE APOSTLE EZEKIEL GUTI TO ALL THE CHURCHES OF FORWARD IN FAITH ALL OVER WHERE IT IS IN THE WORLD IN PREPARATION TO ENTER THE NEW YEAR 2015 FOR THE TEN DAYS OF PRAYER AND FASTING.

Greetings to you all in the wonderful name of our Lord Jesus Christ. Grace to you and peace from God our father and the Lord Jesus Christ.

Please read this letter slowly and carefully in every service during 10 days prayer, so that everyone understands.

As we enter the New Year with the 10 days of prayer and fasting, the year 2015 is The year of "Walking in our inheritance practicing the Kingdom of God." Luke 12vs 32, 2Peter 1 vs 4. We need grace and understanding.

Walking in our inheritance is walking in our blessings. Scripture says Prov 10vs22 "The blessing of the Lord makes one rich and He adds no sorrow with it." Those who are rich through the blessing of the Lord they will have peace in mind, peace in family and peace in business.

Scripture says in Prov 28vs20 "A faithful man will abound with blessings but he who hastens to be rich will not go unpunished." True riches you have to first lay a foundation step by step. We need the grace of God to be faithful, so the blessing will abound in us.

Scripture says 2 Peter 1vs4 "by which have been given to us exceedingly great and precious promises that through these you maybe partakers of the divine nature having escaped the corruption that is in the world through lust." We need to escape from corruption by learning to be faithful. When we are faithful, walking and practicing the Kingdom of God, we are partakers of the divine nature.

To become rich you start small and go up step by step. You can only be rich by saving money. Financial breakthrough comes by saving money little by little not short period. The preaching that you must have a house, this and that and yet a person is straight from school or just starting work will cause a person who does not have a house to feel poor. It is not good preaching. It will cause many people to go and borrow and then suffer. In our ministry we do not encourage that kind of preaching.

You only become rich through saving money. To be rich is having enough to eat, enough to send children to school, enough clothes for children, enough to pay bills. You are very rich. All extra is for helping others and your church.

My prayer and desire is for you to prosper in and out.

Let us as usual in all ten days of prayer and fasting have chains of prayer bands and have prayer conventions from 8-10 January 2015.

Thank you for praying for me as I pray for you. God be with you. God bless you. God strengthen you.

Yours servant of the Lord to the servants and saints of the Lord,

E.H. GUTI

Write your ten days prayer list according to the needs in your nation after consulting your Board. Use the main prayer requests in the original except where it does not apply.

FROM THE ADMINSTRATOR'S DESK

Introduction

We thank the God of Ezekiel for being so gracious to us in the UK and are so grateful for what He has done for us this year. The following is our comprehensive report for the year 2015.

Ten Days Prayer

The year started with prayer and fasting as usual, with chains of prayer and conventions being held in all our churches across the Nation. We thank God for the time of prayer as we laid a foundation for the year. More information on the conventions is in the body of the report.

Home Talents

We are so grateful to the Servant and Apostle of God who declared two years of working Home Talents. In UK people heeded to this declaration and worked as the Lord allowed them as we were in the second year. We saw the hand of God during the celebrations to mark the end of this program as many people testified that they bought houses, stands, cars and others saved money which they have never saved before. Indeed this was nothing but the hand of God.

Europe Leaders' Deeper Life

We are thankful to God who allowed our parents the Servants and Apostles of God to be with us during this year's Europe Deeper Life Conference in Birmingham. The Nation worked Missions Fund from January to March 2015 and handed over the money for the work of God to the Apostles and Servants of God. As you will see in the Missions report, over **£330,000.00** [three hundred and thirty thousand pounds] was raised. Glory be to the God of Ezekiel who does great wonders in the lives of His people.

**National Administrator
Rev Mishaal & Leticia Nyambo**

The Archbishop expressed his desire to have this conference end of July instead of March so as to give Pastors more time for updates. The house then unanimously agreed to have the conference from the **3-7 August 2016**.

Evangelist EJ and Pastor Caroline Guti

We were so privileged that soon after the Deeper Life Conference, Evangelist EJ and Pastor Caroline, who were speakers at our conference, stayed on for another three months and toured most of our churches. The reports from the Provinces will give more detail on how God used this couple in UK. The church was edified, with miracles, signs and wonders being witnessed. Glory to God.

June Prayer Conventions

We are so glad to report that the June Prayer conventions were really life transforming. We aligned with the vision and held prayer conventions for all the leadership groups in different centres and finished with the believers' conventions in all the regions. We give glory to God who allowed us to host these conventions according to the vision

National Centre Project

The God of Ezekiel has done it again, and this time in Europe. Work on our National Centre began in June 2015 with the demolition of the existing structure. As we write this report, the foundations are complete, the storm water drainage and the plumbing drainage are almost complete. Work of installing the steel structure will be starting soon. Please read through our Building Committee report for more detail.

Finances

God continues to bless our Nation with adequate finances to do His work. 2015 was a very busy year in terms of expenditure both internally and externally. We managed to meet all our financial obligations and we give glory to God. Our major prayer request is to have money to complete our building project in 2016.

Pastors on the move

We witnessed some transfers of Pastors as follows:-

- Pastors Washington and Evelyn Mujuruki to Scotland
- Pastors Abisha and Annie Mushango were deployed to Wales
- Pastors Sheddy and Regina Mbizvo to Canada
- Pastor Richard Sabvute to USA
- Pastor Leticia Nyambo to Birmingham Region

Conclusion

We thank the God of Ezekiel Guti for what He is doing in our Nation. The reports from the Bishop, various Provinces and ministries will give you a comprehensive detail of the activities of the church in the United Kingdom. We have concluded the year on a high note and believe that 2016 is going to be a very exciting year.

God bless you for taking time to read our report.

NATIONAL SUMMARY

The 2014 totals have been included to facilitate a national comparison with current 2015 totals.

We are gradually seeing the evidence of statistics being used as a management tool. This is a positive development that the nation will continue to cultivate through training and feedback. Without careful statistical analysis at local level there's a danger of using figures that will distort measurement of progress or resource allocation and mislead the decision making process.

1. Leadership: The totals have continued to decrease, 588 (2013); 579 (2014) 572 (2015). This is partly due to appointment and ordination of Elders being put on hold by the National Executive whilst the current leadership is being trained in effective leadership and attending UKMFCC.

2. Membership: There is a generalized increase in all ministries. The overall total increased by 129 from 2014, though 26 less than increase from 2013 to 2014.

3. Activities:

144 new converts were reported against a total membership increase of 129.

The very low totals in water and Holy Spirit baptisms compared to 2014 can only be attributed to inaccurate reporting.

Every province will continue to be assisted in appreciating the power of collecting reliable statistics and analysis, so as to quickly identify and correct any misleading information being obtained.

BISHOP'S REPORT

Bishop's Rotations

The visited all the following Provinces: -

North London Province: July, 2015

Yorkshire Province: August, 2015

Midlands Province: September, 2015

North West Province: Was scheduled for October 2015 but did not materialise as both of us then went on missionary work, Dr Mabel to Canada, Bishop JDK to Argentina. It was then moved to January, 2016.

South London Province: November, 2015 (Dr Mabel only)

Scotland Province: December, 2015 (Dr Mabel only)

The Bishops used the month allocated to each province as the circumstances dictated. Some only needed the Bishops for two weekends, some the whole month.

During these rotations we saw the power of visiting individuals in their homes and how the visits transformed their lives. Where Overseers organized visits to individual Assemblies, these Assemblies were so revived and they were very grateful to their Overseers for organising these visits.

We are very grateful to the National Administrator (Rev Mishael Nyambo) for organising these rotations, and to the Overseers for making them possible through their Regional Pastors. Indeed just as the saints are already looking forward to the 2016 rotations, we also eagerly await the same.

Reports were received that lives had been transformed, that Assemblies and Regions had been revived, and Provinces encouraged.

Home Talents

We are very grateful to our father the Apostle and Servant of God, Apostle Professor E.H.Guti, for declaring Home Talents for 2014 and 2015. In the United Kingdom we saw great enthusiasm amongst the saints as they eagerly worked for their families, raising large amounts of money for their own projects. This has left many families at a good position ready for the 2016 ZEGU MIRACLE TALENTS which many are eagerly waiting for. In actual fact, they have already started, as they were launched at the last National Council of 2015, on Saturday, 21st November, 2015.

On the Mission Field

It was with great joy that the Church in Buenos Aires, Argentina, was registered on 7th October and signed for the Documents (Registration Certificate) on Wednesday, 15th October, 2015. This brought much joy among the saints in the United Kingdom, who had been praying for this Registration. Glory to the God of our father, His Servant Apostle Prof. E.H. Guti, and our mother Apostle Dr. Eunor Guti for their prayers concerning the Registration of the Church in Argentina.

We join together to give glory to the God of our father for the way He used His Servant and Handmaid, Apostles Prof. E.H. Guti and Dr. Eunor Guti, to start new Churches in Boston, Massachusetts, U.S.A; Grand Cayman Island, Jamaica and The Dominican Republic (Santo Domingo). We thank the God of our father, how these Churches are growing, as the saints continue to pray for them.

2016 ZEGU Miracle Talents

We are all excited and looking forward to working these Talents since they have already been launched (21/11/2015). May the Lord God of Ezekiel cause us all to be faithful and avail ourselves to work together to His Praise and Glory.

EXECUTIVE SUMMARY

The grace of God continued to abound and we are excited that a new assembly was born in Mansfield which now has 31 committed members. There are powerful testimonies through the working of Home Talents, people who managed to build houses and start businesses; those who were enslaved by credit cards paying them off and are now free. Despite the challenges of venue and work patterns, believers across the province continued to meet for prayer on Mondays and Fridays. Regions managed to hold conventions and conferences, i.e. Ten Days, Easter, Church Anniversary and the June Prayer Conventions for the first time. Attendance was awesome and we saw the hand of God. Deliverance and healing services were effectively conducted in all regions when Evangelist Dr Ezekiel (Jr) and Pastor Carol graced our province during their tour of duty in the nation. God used him mightily and a child who was unable to walk for two years was healed in Nottingham Region.

We also conducted revivals in our Province and saw the hand of God when 3 people were granted their immigration status following years of refusal. One woman received a miracle and delivered a bouncing baby girl naturally the very night she was prayed for when she was overdue and was scheduled to deliver by Caesarean Section.

Regional Child Evangelism conferences were held and 20 children received Christ. We also had our annual Young Generation conference in Wales, where young people were delivered from demonic attacks and speakers took time counselling and equipping the young people with the word of God. The Youth Ministry of Wolverhampton, Leicestershire and Birmingham held worship nights that saw many being delivered and 16 youth receiving Christ as their personal savior. Single Women also had a powerful worship night, where God healed and delivered five women from spiritual husband attacks. Go Quickly and Tell had a powerful prayer retreat which was attended by 150 women, with a massive deliverance and mighty move of the Holy Ghost. Men of Integrity held three meetings and also a power packed retreat in Wales. A FAMB fun day was held in Coventry, attended by 133 parents and children. It was a wonderful time for families as they played games and engaged in activities together. Girls held a powerful conference in October, attended by 60. We are very excited to report an average increase in tithes by 47% which can only be the doing of the Lord. We thank the God of our Father that in Leicestershire we now have a building that has been leased for 25 years, enabling the church to freely conduct services without disruptions and limitations 24 hours a day.

By continued grace and mercies of the God of our father Ezekiel Guti, we are believing for more souls to come to Christ and the growth of our finances in 2016.

PRAYER: Monday & Fridays prayer meetings are being held across the province at assembly and regional levels with attendance affected by varying working patterns, especially Fridays. All Monday free will offering is directed towards Missions. Some regions faced venue challenges.

PCs: 4 meetings were held and the major highlights were Pastor's Deeper Life feedback, Missions, teaching on Guidance, Rules & Policy and Home Talents.

TEN DAYS PRAYER CONVENTIONS: Regions planned and organised well for their prayer days and prayer convention, for the church to enter into 2015 and walk in their inheritance, practicing the kingdom. Every region had guest speakers who were mightily used of God in deliverance, healing and the word of knowledge and an increase in attendance reported during prayer convention.

YOUTH EASTER CONVENTIONS: This year the Youth held their own convention in Wales. The attendance was high, overall it was a great success and the church experienced a great move of the Holy Spirit, with testimonies of breakthroughs, deliverance and healing. They had many teachers of the word from the Youth, Advisors and their Youth Pastors, the main speaker being Student Pastor Tapiwa Ziswa who preached on forgiveness. There was an opportunity for deep bible studies in the mornings as the delegates were in camp for the conference.

ANNIVERSARY CELEBRATIONS: All Regions celebrated the founding of the church as well as the life of the founder the Servant and Apostle of God who turned 92 this year.

The celebrations included the reading of the history, dramas, choirs, testimonies, cakes cutting, food and singing. Birmingham Region organised a march on the last day of the celebration.

ELDERS' & DEACONS' PRAYER

CONVENTIONS: Prayers for Elders and Deacons were held under Birmingham/Wolverhampton Zone and Leicestershire/Nottingham/Northampton Zone. A high attendance of leaders had a great opportunity to pray together in one accord, pouring their hearts to God with no prayer list according to the letter from our father Dr EH Guti and received life changing teachings and great move of the Holy Spirit witnessed. Great deliverance took place, many people poured out their hearts and received counselling. Both zones elected Zonal Organising Committees to administer the continuity of their future meetings, seminars, prayers and planning of activities.

BELIEVERS PRAYER CONVENTIONS:

All regions held conventions. There was more of prayer and teachings, which revived, recharged and refreshed the church. Deliverance and healing took place across the province.

DELIVERANCE AND HEALING

SERVICES: Wolverhampton Region held 4 evenings (Wednesday to Saturday) healing and miracles services which attracted a huge attendance. Transforming teachings were delivered, several people delivered from demonic oppression and the sick healed from sickness and disease. A mighty move of the Holy Spirit was witnessed on the last day, with many being refilled and slain in the Holy Ghost. Many testimonies followed, how people's lives had been transformed and hope restored.

HOME TALENTS: The God of our father continues to transform people's lives, with registration of business and also establishment of operational businesses like health care and recruitment. Every Sunday was a Home Talents Big Day and saints encouraged to buy land where ever they can. Much celebration was held across the province and people received their hard earned saved money with much joy.

CHILD EVANGELISM: A well-attended conference was hosted by Nottingham Region and the children actively involved in the running of the conference as hosts, ushers, praise and worshippers, musicians, dancers and preachers. The speakers were mightily used by God and the messages life-changing. The Parents Teachers Association (PTA) did a sterling job planning and running the conference with no area of lack. A total of 20 children received Christ as their personal saviour and all ministered to the speakers with gifts. Birmingham Region held a parents awareness conference in March. Children and parents were helped with eye opening teachings on what our children are exposed to in this nation. Leicestershire Region launched a 'Running to Win' course and the first session attended by officials from Braunstone Police Station and Leicester University which made it extra special.

YOUNG GENERATION: 53 children and 11 teachers attended its second annual conference at a purpose built Christian campsite. Teachings included salvation, practicing the Kingdom of God, right christian living and education in a global world. Many children were delivered from all kinds of spirits that included lesbianism and pornography. Over 20 children were baptised by the Holy Spirit and spoke in tongues on the Sunday. Glory be unto God.

YOUTH: Birmingham Region youth, the "Christ-Like Generation" hosted a concert in November. 400 people attended from all over the country and 16 young people got saved. They raised over £3,000.00, ploughed back into the Youth Ministry coffers and some to Missions. 4 youths who had left the ministry came back after the event. Their main activities target the Greater Birmingham Universities, the City Centre & outreach at Coventry University. The region have held many events such as worship nights, movie nights, fellowships, leader's workshops, leadership all night prayers and many other that aim at bringing more young people to Christ. They are a strong region and will continue to hold youth services such as all night prayers, business fellowships and outreach services. Wolverhampton Region Youth are Born Again Believers (BAB) and growing. They held their outreach concert in August themed "Arise and Shine". Leicester Youth are "Addicted to Jesus" and meeting regularly every month for fellowships, prayer and services. They hosted 2 worship nights attended by 100 people from all over the province. They are strong and increasing in number, had a prayer convention at the end of January and were revived by a wave of the Holy Spirit. God is faithful as the youth had continued meeting for prayer on Fridays even after the 10 days ended.

GIRLS FELLOWSHIP: They had their first provincial conference in October attended by 60 girls with mightily used speakers.

GO QUICKLY & TELL: 12 women attended Today's Woman in Zimbabwe and brought back life giving testimonies of how their lives were changed by the Word and prayer. More women were inspired to attend future conferences. 60 women attended a Big Saturday in March with a powerful speaker. 2 Big Tuesdays were held and we were privileged to have Pastor Carol Guti who encouraged us to stay in the word of God, to work with our hands as we work Home Talents. She also encouraged the ladies to continue praying for the Servant and Apostles of Jesus, Prof E.H and Dr. Eunor Guti. The following Big Tuesday, Dr Mabel Samasuwo also taught about deeper intercession, specifically pertaining to praying for the Apostles Prof Ezekiel & Dr. Eunor Guti. The ladies also went to Wales on a prayer retreat with powerful teachings, deliverance and counselling taking place throughout the retreat. A great move of the Holy Spirit was experienced on Sunday so much that some people were not laid hands on but they just bubbled in tongues, laughed in the spirit. We also had a powerful Business Empowerment session, where women were encouraged to start businesses. Many women were delivered from bitterness, unforgiveness, gossip, lying and many other spirits. Last year 80 women attended and this year the attendance was 150 women!! We give glory to God.

MEN OF INTEGRITY: The ministry has been vibrant with 36 men attending a prayer retreat in Wales. There were teachings, prayer, and deliverance as well as fellowship activities with many powerful speakers. The men also arranged a recreational family fun outing attended by 40 people. In August a men's regional mega-service was attended by 22 men, the bbq fellowship attracted men who do not worship in our church and men were taught the Word of God and their role in the home. The finance coffers are healthy and we have managed to plan 2 events from these funds as well as paying a deposit to secure venue for the 2016 men's conference. We thank God and are planning for a Big Sunday and all night prayer in early 2016.

SINGLE WOMEN: There are 32 active single women who continued their fast for the whole January seeking the face of the Lord. This ended with a Holy Spirit filled all night prayer with the Overseers. 47 ladies had a life changing worship night in June to Worship the Lord with their children. A successful single ladies conference was held, ministered to by the Bishops and National Umbrellas. We pray that more of the single women will understand the power of interceding for the man of God.

FAMB: 133 parents and children attended the Family Fun Day in Coventry. It was a day filled with fun as families had games, fellowship and food. There were competitive games and winners received awards.

COUPLES: This year the couple organised Valentine's Day dinners and activities. We pray for more couples fellowships next year.

DELIVERANCE SESSIONS

We were privileged and know God remembered us by sending Evangelist Dr. E.J. and Pastor Carol Gutti who ministered in every region in a mighty way. Many miracles took place as people were healed and delivered. Other sessions included Dr. Mukanga from Zimbabwe at the Home Talents Conference in August and a crusade in Northern Ireland in October, all with demonstration of the power of the Kingdom of God.

MAJOR HIGHLIGHTS: Some assemblies who were struggling to meet for home cell groups have managed to start, but others still facing challenges. Many students have been enrolled into UKMFCC Bible School and are excited, looking forward to their graduation in 2016.

HOME TALENTS: Our Overseers and Pastors worked very hard during the year, equipping saints with God's word on how to develop a Godly character, walking in our inheritance, practising the kingdom of God. They have also encouraged people to start their own businesses and all those who obeyed have had their lives transformed tremendously. A number of people have started their own businesses, some have bought houses and others have worked and accumulated a lot of money. They are now testifying the goodness of the God of ZAOGA, Forward in Faith. Home Talents were celebrated at regions and assemblies

PC's: Bishops attended one of the PCs and Big Sunday where God used them in an extraordinary way, to empower His people through the Word. The National Administrator M & L Nyambo attended the September PC and were used mightily.

OTHER CONFERENCES: 10 days prayers and conventions were awesome.

Blessed Region was privileged to have Evangelist E.J and Pastor Carol Gutti for their anniversary, one of its own kind. The spirit of God moved in a mighty way, people receiving their deliverance and healing, and the speakers taught on effective leadership. Glory be to God. Shiloh Region was also blessed with the teachings from the Bishops, Pastor Chibwana in Wales Region, Pastors A & A Mushango in Belfast. We thank God for using all the speakers in a mighty way.

EASTER CONFERENCE: All the Regions had successful Easter conferences. Seven people gave their lives to Christ.

PRAYER CONVENTIONS: Blessed Region had a combined powerful conference for Elders and Deacons with the Overseers. The other regions were also equipped as the speakers were used by God.

MINISTRY ACTIVITIES: Child evangelism and Young Generation are active in some regions and others continue to face challenges in finding committed teachers. We are requesting for prayers for God to supply venues and teachers for our children. We are encouraged to see Young Generation taking part in praise and worship, which we believe will cause them to look forward to coming to church, because of having something to do in church.

YOUTH: The highlight of the year was the Youth Big Sunday with the Overseers, where they were inspired by his preaching and teaching to pursue their goals and trust God. In February, the youth accompanied the Youth Pastor to Belgium. They witnessed the challenges brought by language, different laws and the need for finances but came back with a greater burden for souls. All the regions each hosted a get together, where mighty speakers equipped them about the right way to marry in this church and living a holy life. We give glory to God for a number of youth who got married in church, during the months of July, August and September this year. They organised, financed and managed a power packed Easter conference. Many youths were delivered from generational bondage, curses and other unclean spirits. The desire is to have youth services operating at assembly level, but this has been a challenge due to smaller numbers. In Blessed Region, the youth had an all-night prayer, and indeed, we thank God for such a commitment from our children. Many youth worked Home Talents and looking forward to working ZEGU talents. Our Youth continue to do the work of God in our regions although they still have to understand the importance of tithing.

Prayer request: Please pray for our youth to be protected from sin which is disguised in technology and first world advancement.

GO QUICKLY & TELL: A prayer retreat was hosted by Overseer Greater Chikwawawa in Cambridge, from 24th - 26th of July, with Dr Mabel Samasuwo as guest speaker. There was a mighty move of the spirit of God experienced by most women who were in attendance and they were delivered from the spirit of bitterness. Another prayer retreat was held in South Wales, from 4 to 6 December 2015, again the God of our father revealed himself to

the ladies, including some from other denominations. Deliverance took place, the teachings received were amazing. We thank God for using Pastor Pricilla Gono during deliverance session and on ministering the holy Ghost, praise be to God who also used our Pastor Annie Mushango to teach woman on how to pray for the man of God. God was also faithful at this retreat, using Pastor Mhlanga and Pastor Emily Marango who both empowered women on working ZEGU Talents. Some of our Elders were also used mightily in encouraging other women to work talents by their testimonial preaching. Everyone who attended this retreat is now geared up to work ZEGU talents. The women raised a lot of money for thanks giving and for ZEGU Talents. Women continue to meet every Tuesday at their respective assemblies praying for the Servant & Apostle and the work of God.

SINGLE WOMEN: There was a well-attended Provincial Big Sunday, an all-night prayer in March and a Christmas dinner in November, also attended by umbrellas Elders Joseph and Mary Piti. Overseer J. Chikwawawa spoke and encouraged them in the Word of God. We are still facing challenges as some single women have not understood the benefit of attending the single women services and events.

COUPLES: Ministry is functional at regional level. Wales and Bristol are active with a planned weekend away. Wales's Region Men of Integrity meet for breakfast on Saturdays, where they invite different speakers. Men of Integrity in Ireland meet on Saturdays for football match.

General Remarks: 2015 has been a peaceful year, with many believers having new jobs, promotions and 9 weddings. Please pray for our Couples and Men of Integrity ministries to arise and take their positions.

North West Province

We thank the God of our father Dr Ezekiel Guti for giving us Overseers Knowledge and Lawrence Vheremu, presented to us on 4th April 2015 by Bishop Dr JDK Samasuwo.

HOME TALENTS: We thank the God of our Father who gave us grace to work home talents. Through teachings and encouragement during big days, we saw buying of houses, stands in Zimbabwe and in the UK, as well as starting new businesses by many. The grand finale was the celebrations on the 15th of November 2015.

PROVINCIAL EASTER FAMILY CONVENTION: The Youth did a splendid job in hosting the Easter Family Convention registering the highest attendance of 210 people. God used the speakers mightily, Dr D & F Simango, Overseers L & K Vheremu in the areas of deliverance and faith. It was a true family gathering where everyone took part as Youth speakers also ministered the Word of God with power.

PCs: 4 meetings were held and notable items are the encouragement of the province to have a desire for soul winning through Evangelism. The Youth have also been alerted to include outreach activities in their programmes.

PROVINCIAL INSTRUMENTS: A massive project spearheaded by the Praise and Worship Team to buy a full kit of Provincial instruments was started. And just over £2000.00 raised. 2 Speakers, 5 Microphones, Codes and Stands have already been purchased.

ANNIVERSARY CELEBRATIONS: The 55th Anniversary celebrations were held regionally, with drama items from the Youth and numerous testimonies as major highlights. Activities and the message of the day was "Knowing the History of Our Church".

Overseers Lawrence & Knowledge Vheremu

EVANGELIST DR EZEKIEL

JUNIOR VISIT: We give glory to God for grace to host Evangelist Dr EJ and Pastor Caroline Guti for one week. Two ladies' meetings with Pastor Carol attracted 25 and 48 respectively. Leaders were privileged to have a service with them and be encouraged to read Baba's books, then counselled and prayed for individually. A certain lawyer who is not a FIFM member drove from very far to have the opportunity to be counselled and prayed for by the evangelist. We give glory to God. The Youths also had a power packed service, how to have a personal vision and obeying parents, using Ephesians 6:1-3 and his own personal testimony. Deliverance was ministered to the young people. During evening services and final Big Sunday, we saw the hand of God in a mighty way in the preaching of the word by Dr EJ and instant healing and deliverance of many, e.g. removal of breast lump and fibroids, evil spirits and spirits of depression, migraine headache. Parents struggling with teenagers were prayed for and people didn't want to go to their homes because of the sweet spirit of the Lord.

JUNE PRAYER

CONVENTIONS: The Elders and Deacons were combined and the hand of God experienced in a mighty way. There was intense prayer at the Believers Conventions, with a great move of the Holy Spirit, followed by repentance, confession, worship, thanksgiving, healing and deliverance.

LEADERSHIP

SEMINAR: Was held on 11th July for 40 leaders, themed "Gilgal", for the province to renew the Kingdom with fresh anointing. Workshops were held separately for Elders, Deacons and Head of Departments, to be equipped and anointed to excel in their various callings in the Kingdom.

FELLOWSHIPS: They were initiated by the Overseers and are ongoing successfully, for Pastor on Friday and for chairing elders. The chairing elders have been invited a few times to join the Pastors for their Friday prayers.

PROVINCIAL FINANCE TRAINING: This was held at our Provincial offices on 3rd October 2015, conducted by the national finance team. It was a success though attendance was not as expected and thank God for a word of encouragement at the end by the Overseer.

DEACONS TRAINING: Deacons were gathered on 31st October 2015 to be trained and equipped on their roles, faithfulness in tithes and offerings, as well as reading Baba's books which will ground them in the ministry. At the end they wrote a test and we thank God that most of them did well.

PCs: At the last PC of the year Administrator and Pastor L Nyambo encouraged the leaders to seek righteousness, to seek God not money as we go into working ZEGU talents in 2016, to stay in the vision of this church, and not to just wait for the blessings of God which are in the vision. The leaders are excited about ZEGU Talents and believe God for a miracle.

CHILD EVANGELISM: The register currently has 133 members. The ministry is performing very well with a steady increase in the number of children attending services. The ODCF (Orphans and Destitute Charity Fund) was launched and the CE Magazine is still being published and distributed within Province and beyond, sold at a donation cost of £5.

YOUNG GENERATION: a Miracle Big Sunday was held on Sunday 19th July with the Overseers and more activities planned for Young Generation in 2016.

YOUTH: Pastors I & E Chipfatsura were appointed Youth Pastors. The Youth Ministry is functional and they successfully hosted the Easter Family Conventions as well as holding a Youth Big Sunday and fellowship on 26th July attended by 42 youths. They successfully hosted the 3 day Youth Seminar in August with Pastor N. Zisengwe as guest speaker, who encouraged and equipped the youth to excel in the Kingdom of God.

GO QUICKLY & TELL: We thank God for Overseer Mrs Vheremu's encouragement and teaching to the ladies, in all areas including home talents. The August prayer retreat in Wales had much deliverance and healing after teachings on opening businesses and working for our own families by speakers Overseer Greater Chikwawawa Pastor F. Simango. The ladies have managed to have several big Saturdays after being encouraged to pray for the work of God. Tuesday prayers continued in assemblies and regions.

MEN OF INTEGRITY: A board will soon be elected to encourage activities to start.

SINGLE WOMEN: Prayer meetings have increased greatly and 2 Big Sundays held so far by the 10 single ladies, who also organised fellowship and a Christmas party.

COUPLES: Activity has not increased but remains the most improved ministry in the Province. More revival is expected in 2016.

FINANCE: Income decreased by 6.5% but we continue to believe God for a change in 2016.

MAJOR BREAKTHROUGHS: We thank God for the granting of immigration status for some Youth members and the miraculous recovery of Elder B. Muswe from cancer.

Scotland Province

**Overseers Washington & Evelyn
Mujuruki**

EXECUTIVE SUMMARY

The Overseers W & E Mujuruki arrived on 11th October, under a great commission from the Apostle & Servant of God, Prof EH Guti to bring revival and we have seen a huge improvement and the impact they have made within the 3 months they have been in the province. Through obedience to God, they have introduced a series of strategic measures to bring that revival.

They have introduced Prophetic, Healing and Deliverance sessions held at regional level and a total of 13 have been held so far. Although the majority of these sessions were in Success Region, we take note of the one that took place in Glasgow Region, which was so powerful with a mighty presence and move of the Spirit that changed peoples' lives. The attendance at these sessions has steadily increased from 15 at the beginning to 44 on average and we have seen:-

People being healed from a lot of diseases and delivered from generational curses, bad dreams, sleepless nights and demonic attacks to mention but a few.

Many people who had stopped coming to church starting to come after hearing about the great acts of God that were taking place during these sessions.

The Overseers are empowering the leadership as they are training them on how to conduct deliverance sessions.

The Overseers have also visited the homes of many believers, praying for them and showing them the AGAPE love, which has uplifted believers in Scotland Province. These home visitations have been extended to backslidden believers who felt that love and are now coming to church which has resulted in increased church attendance. In particular, Edinburgh Assembly where they are based, church attendance has risen from an average of 35 to 75. Glory to God!

Leadership seminars have been held through regional worker's platforms, to empower leaders on good and effective leadership. They have taught on other topics that are important for the church, including the pillars of the church. Their focus on giving has resulted in more than 50% increase in tithes and all assemblies now have adequate funds to sustain them through free will offerings.

As we enter into 2016, they are already encouraging the church and Scotland Province has started working ZEGU talents and raised a lot of money. The level of zeal and enthusiasm is allowing us to believe that our province will excel in working God's talents.

HOME TALENTS: Many teachings by various speakers throughout the year encouraged many individuals to work hard for themselves, the majority of the big days being held at assembly level. The closing celebrations on 5th November appreciated many families and individuals for their achievements and obedience to the word of The Prophet with certificates of achievement. Celebration testimonies included buying of furniture, buying and building of houses in Africa, including a youth member who was building a house for her parents in Zimbabwe. Many have started thriving businesses. There was jubilation as people praised God for His faithfulness, with many who had saved money receiving their cheques. Glory to God.

PC MEETINGS: The leaders were gathered to receive feedback from the Pastors Deeper Life Conference and encouragement to walk in unity. In October the Bishops Drs JDK & M Samasuwo introduced the new Overseers Washington & Evelyn Mujuruki.

OTHER CONFERENCES: The year begun with the 10 days of prayer and fasting and a powerful convention. Over 20 leaders attended the March Deeper Life Conference. The Easter Conference was organised and run by the youth and the whole province uplifted as they celebrated the death and resurrection Jesus. The May Anniversary Celebrations were exciting as the church reached 55 years of age and the province revived once again remembering the things that have allowed the church to continue steadfastly to date.

PRAYER CONVENTIONS: The month of June was packed with prayer, starting the Pastors in this province. The elders and deacons had a joint prayer convention,

with teaching on how to wait upon the Lord. Those anticipating something from the Lord were prayed for on the Sunday service. The believer's prayer convention was held in regions and speakers used by God in a mighty way. On Sunday there was word of prophesy as the Holy Spirit moved mightily.

EVENTS: From the 8th to 14th June, we hosted Evangelist Ezekiel Junior & Pastor Caroline with services held in each of the two regions, a big Saturday for ladies on 13th and Big Sunday to conclude the week. Many people attended the Sunday service the province lifted to a higher through deliverance. It was a great blessing to be ministered to as individuals by Dr EJ and Pastor Carol Guti.

MINISTRY ACTIVITIES: There were no CE or YG services though regular Sunday school classes are held in most assemblies. The Youth organized the Easter Conference for the first time without the financial support of the rest of the church and a Youth Committee elected. They managed to have a Big Sunday, 2 fellowships and attend all national youth events. The Couples & Men of Integrity ministries were not active in 2015 and are praying for a revival in 2016. Single women have conference call prayers every Friday at midnight to pray.

GO QUICKLY & TELL: The women had a Big Saturday on 13th June with Pastor Caroline Guti and were taught on many areas including having a good heart and talents. The tea party fellowship in Falkirk was attended by 50 women and a 2 week prayer & fasting was declared in September, concluded by 3 days and 3 nights to intercede for the Servant & Apostle of God. The move of God was overwhelming. Tuesday prayers continued in the regions and assemblies.

EXECUTIVE SUMMARY

2015 was a wonderful year for us as we had a number of families who joined us from other churches and also managing to maintain our membership strength despite general migration of all age groups. We saw a lot of our members starting businesses by hearkening to the word of home talents from the Servant and Apostle of God. Our province was highest in the working of Missions at the beginning of the year; the Go Quickly ministry did well as they worked towards the building of the borehole at Bindura, Zimbabwe above working home talents. They were also persistent in meeting for prayer. We also managed to complete refurbishment of our provincial offices. We are thankful to God for all the progress and value mostly the spirit of joy, peace and tranquility that is prevailing in our province.

We did experience some challenges through the economic situation in the nation which affected a lot of assemblies especially through increase in rentals and a decline of tithes. We managed to overcome by persistent teachings on the benefits of tithing.

We are continuing to look forward to doing the work of God in 2016 with the following as our main projections: -

- *Maintain our membership strength*
- *Soul winning by all age groups*
- *Engaging all ministries and groups in prayer retreats*
- *Excelling in the working of ZEGU talents with all saints participating*
- *Embark on reaching out to other nationalities especially the indigenous people*
- *To encourage all ministries to be active*
- *To teach the word as written in the bible scriptures with the additional support from the books of the Servant and Apostle of God.*
- *To encourage all our leaders to attend UKMFCC bible school*

SUMMARY OF STATISTICS: In 2015 our membership increased by 1.8% as a result of new converts and newborn babies. We have an increase in the leadership by 2 Elders and 1 Deacon who came in as transfers. A decline in youth numbers has been due to their enrolling to other parts of the country for university. Water baptism was a priority following the Europe Deeper Life conference teachings on salvation from the Servant & Apostle of God, Professor E.H. Guti.

DELIVERANCE SESSIONS: Evangelist Dr Gamuchirai Mutanda who was the guest speaker at our September PC and also visited East London and Essex and Southbank Regions to minister deliverance. Regions have reported deliverance sessions during the Easter Celebrations, Anniversary Celebrations, June Prayer Conventions and during the services we held with Evangelist Ezekiel Guti Junior and at prayer bands.

UKMFCC BIBLE SCHOOL: There are four groups of students who are attending lessons, one in Bumper Harvester and East London & Essex regions and two in Southbank Region.

BUSINESS SEMINAR: East London & Essex, Bumper Harvester and Southbank region held empowering business fellowship seminars with Elder Matangi as the speaker.

HOME TALENTS: Big Days across the province motivated people to work and Talents Conferences took place in all the regions. Overseers O. & C. Zezani were speakers in East London Region where over £60,000 was worked for Home Talents. Many people have registered companies and people are seeing the hand of God in their businesses. Many building projects are underway, including farming, egg hatching projects, shipping business, healthcare and clothing boutiques, in obedience to the vision of home talents

The Overseers taught and encouraged the church to obey, work hard in faith, then wait to see the results at one of the talents conferences in East Anglia.

EVANGELIST DR. E.J GUTI's VISIT

All the regions held powerful services with the Evangelist and Pastor Carol with miracles being witnessed. Their visit left the church revived and filled with the spirit of joy, after healings, deliverances and miracles were witnessed. The Evangelist also empowered the leaders through teaching on leadership.

10 DAYS PRAYER CONVETIONS: All regions had successful prayer conventions with different speakers who taught on what it is to walk in our inheritance and ministered with demonstration of power. The Bishops, Drs JDK & Mable Samasuwo shared what the God of Ezekiel was doing in the mission field in Argentina, which left the saints seeing the bigger picture of what "Go ye therefore" is all about.

EASTER & CHURCH ANNIVERSARY

CONFERENCES: All regions held successful conferences with Southbank Region doing a march down the Sutton High Street which attracted some indigenous locals to giving their life to Christ.

PRAYER CONVENTIONS: The first Elders & Deacons conventions were powerful in East London and Essex, with servants of God mightily used in empowering and repositioning the leadership to their rightful positions through teachings, great deliverance and refilling with the Holy Ghost. Together with the Believers' Convention, it was a time of revival and grounding the church on principles of prayer, the foundation of this Ministry. There is a great revival in the province, saints are filled with the spirit of prayer, Deacons are on fire and taking care of business like being early in church, cleaning, ushering and igniting the spirit of prayer. There is a sweet spirit in the region.

Southbank Region also had powerful prayer conventions, with great revival in prayer. Saints were refilled with Holy Spirit at the Believers' Convention and the spirit of laughter brought breakthroughs to many. Joy is in the region and the Elders were left on fire to do the work of God after their prayer convention. Most families now have registered businesses after the powerful teachings on working Home Talents.

CHILD EVANGELISM: There's a strong team of Sunday school teachers in the province who continue to teach our children through dance, drama, poetry and continue to build relationships through family friendly activities.

YOUNG GENERATION: There has been a revival of this ministry, with a weekend of getting together and fellowshiping in East Anglia, which they greatly enjoyed and planning to have more. Water baptism of 4 members was witnessed in East London.

GIRLS MINISTRY: The girls are on fire, are active in regional, provincial and national events, and participating in the working of home talents. Most of them attended their Zonal conference.

YOUTH MINISTRY: The May "Bring a Friend Get Together and Concert" went well as planned and God favored our youth with the Evangelist E.J. Guti as their guest speaker. In July they had a Big Sunday and a successful Youth Trip to Kent in August.

SINGLES MINISTRY: The Provincial Big Sunday on 26th July was well attended. It is a prayerful ministry, with members who hold provincial and national leadership positions. Their strength is prayer and giving.

MEN OF INTEGRITY: East London & Essex men meet every first three days of the month for prayer, under the guidance of their regional Pastors, are strong and many have started businesses through empowerment received from these prayers. Women are testifying of God's goodness as they are seeing God transforming the lives of their husbands. Southbank region men met on the 30th May for a barbecue with Evangelist E.J. during which they received powerful teachings, after which they went on a joyous tour of London with the Evangelist.

COUPLES: Had a Provincial Big Sunday on 26th July attended by 51 couples and testify being greatly helped by the teachings received through the guest speakers Administrators Mishaël and Leticia Nyambo.

GO QUICKLY & TELL: Tuesday prayer meetings continue in all regions, together Big Thursdays and Saturdays respectively. Prayer retreats have become a regular feature and on one of them, the ladies were fired up to pray after watching a video of Dr. Eunor Guti launching 3 days and nights prayer and fasting for the servant and Apostle of God. The momentum has been gathered for 2016 ZEGU Talents after wrapping up Home Talents. Pastor Carol Guti took 45 women to another level in May and over 70 in June at a Big Saturday themed ***“fill my cup”***, how a business can be taken from half empty to full when working talents.

The women continue to work towards the Bindura Borehole Project and have pledged over £3,000.00 towards this good cause and will continue until there is water at the Cathedral. The Provincial Committee actively encourages women to be faithful in paying their provincial subscriptions.

4 ladies attended the Today’s Woman Conference in Zimbabwe and came back with powerful testimonies that charged many women. The ministry ended the year in style, with a Christmas dinner at Dagenham Church on 4/12/2015.

PRAYER: The spirit of prayer is prevailing as evidenced by prayer and fasting programmes, Friday prayer bands across the province. This is bringing breakthroughs, peace and joy in our province.

EXECUTIVE SUMMARY

We thank the God of Ezekiel who saw us through 2015, a year that we experienced the faithfulness of God in a special way. It was the final year of working Home Talents and we witnessed the fulfilment of the vision when some believers bought stands, houses and others started businesses.

A lot of saints who used to be spectators became fully involved during seminars, conferences and prayer retreats. A great improvement in attendance was witnessed. The God of our Father blessed us with a white couple who fellowship at Leeds Assembly and are very committed to the work of God. Every Thursday they come to clean the church and maintain the grounds by cutting the lawn during summer holidays. We thank God for the two families who once left to join other churches and are now back with us. All our ministries are fully functional.

The ZEGU Miracle Talents were launched at the last PC and the atmosphere was outstanding. Everyone is geared up to work hard in supporting the work of God and Talent Committees were set up. We are all excited about being ushered into another year where we are going to do mighty and great things through the grace of the God of our Father Ezekiel Guti.

HOME TALENTS: In this second year of working, saints worked towards their savings with a lot of effort and enthusiasm, the encouragement and emphasis having been to bring in cash worked, not receipts for household items bought. We celebrated on Sunday 15th November 2015 and rejoiced as there was evidence of saints having already started businesses which are going strong

PC MEETING: Since the birth of Yorkshire Province in 2012, a total of 16 PC meetings have been held and the work growing from strength to strength. The Overseers, Pastors, Elders and Deacons work together to work through and resolve any issues or challenges. The last PC of 2015 was on 5TH December 2015.

OTHER CONFERENCES: The ladies held a successful Provincial Prayer Retreat in October. Pastor Nelia Chakanyuka also attended the Today's Woman Conference held in Harare.

MINISTRY ACTIVITIES: Men of Integrity are strong, now have their own dedicated prayer day on Tuesday evenings and have managed to hold a Men of Integrity Provincial Big Sunday. There are strong indications that the men are getting more motivated to be good leaders in their families and the church. Ladies continue to meet for Tuesday Prayer sessions and Single Women very active both in their ministry and church in general. The Youth are very active and held a big event, namely a Worship Night on 21st November 2015 themed "United In Christ Jesus". God is good.

FINANCE: The finance team continue to work very hard and stressing the need for all leaders to be faithful in their tithing. Much work still needs to be done and team held a successful fund-raising initiative to boost the coffers.

Assets Acquired: We are near the end process as regards purchasing our Church of England building. The paperwork still in process and we believe the God of our father EH Guti for a miracle.

GENERAL REMARKS: Some saints still experience challenges in tithing and pray that all leaders in the province will tithe faithfully as well as experiencing great favor as we work ZEGU Talents in 2016.

MINISTERIAL REPORTS

Youth For the Nations

Leadership Team

National Youth Director: Pastors Enock & Virginia Tigere

National Youth Chairman: Joe Katsande

The National Coordination Committee (includes Board of Advisors): led by Elder Ruzivo Chigwende

UK National Youth Big Sunday

The Sunday after the Europe Deeper Life Conference, the Youth had a Big Sunday with the Apostles Professor E. H. Guti and Dr. Eunor Guti, where all the Bishops, Overseers, Pastors and international delegates who were at the Deeperlife also attended. 700 Youth from all over the UK attended, including many visitors and young people from other churches, to hear the Word from the legendary Apostle Ezekiel Guti. Baba taught on self-control and the need to be delivered from pornography & other internet addictions. 12 Youths repented. Many gave their lives to Christ and some were in tears! Evangelist Dr. EJ ministered deliverance to over a hundred youths mainly in the area of destructive internet activity and bondage to electrical gadgets.

The International Youth Seminar:

A team of 5 UK delegates attended the seminar in Harare, led by the National Youth Director, Pastor E Tigere. A feedback strategy is currently being worked on which will greatly benefit the Youth from the treasure which was imparted at this great gathering.

National Youth Field Trips:

Field trips are being planned for all provinces, with a purpose to empower local structures in effective leadership. North West Provinces held theirs in September.

National Youth Leadership Seminar:

It was held in July in Birmingham and attended by 140 youth leaders. Teachings were extensively on leadership, the History of ZAOGA FIFMI, young people to love the church and the man of God. Other topics included were faithful tithing, careers development, giving, holiness and organisation, after which deliverance was ministered.

Youth Prayer Conventions

The youth continued fasting after the 10 days to the end of the month as they interceded for the Apostles who were ministering at the Pastors' Deeper Life Conference in Zimbabwe. They concluded with zonal prayer conventions, from 25th to 27th January 2013, where mighty deliverance was reported.

January Youth Prayer Conventions:

These were conducted provincially at the end of January and the theme of the year, with emphasis on the theme of the year "Walking in our Inheritance, Practising the Kingdom of God". Mighty deliverances, signs and wonders were reported in the respective provinces.

**Youth Easter Conventions:**

These were held in all the provinces and the lives of many changed through speakers mightily used of God, although attendance in some provinces could have been better.

Provincial Events:

Youth services, prayer bands and get togethers, as well as recreational youth activities are taking part regularly in most provinces. Scotland youth still need to catch up and plans underway to send a team from the National youth office to revive the province.

Missions:

The passion and drive to support missionary work continues to be encouraged in the Youth. Following a team trip to Rome in May 2014, \$5000.00 was worked by the youth to purchase instruments for the church and a full kit purchased in Rome in August this year. The youth are planning another visit to the church in Rome for the official presentation. Another trip was made to visit and strengthen the church in Belgium, by a team from North London Province together with the Provincial Youth Pastor, Charles Marango. The church was greatly supported and encouraged. We are planning a trip to Cyprus in 2016.

Developments:

Many young people are proving to be growing by attending UKMFCC Bible School. More are coming into leadership as Elders and Deacons.

PRAYER REQUESTS:

Many young people are going to universities away from home and need prayers for them to be able to remain strong and firm in their faith; to refrain from sin and all ungodly activities.

We want to see our young people mature in Christ and realise their call even in ministry.

Our young people are in need of mentors who will guide them in their Christian walk with a deep understanding of their church.

CHILD EVANGELISM

“Behold, children are a heritage from the Lord.” Psalms 127:3

It is encouraging to note that the Child Evangelism (C.E.) ministry continues to function and grow, albeit slowly in all the regions and assemblies. Through our Director Pastor Phyllis Burke, almost all provinces now have functional Provincial and Regional Child Evangelism Committees. We thank God for a very small team of dedicated and hardworking individuals who are making sure that the ministry continues to be visible during all church activities. The National Child Evangelism Committee met and agreed that the current committee would continue with the work, but do more to build Provincial Committees to become more vibrant and active, filtering down to the Regional and Assembly committees. The following were also resolved: -

- *All provinces to re-launch the Tin Mission Fund.*
- *Conduct provincial and regional training seminars for all teachers.*
- *Do more parents’ awareness events across the country on Child Evangelism related issues to get the full support of parents and church leaders.*
- *Below are the summaries of provincial activities.*

Midlands Province

The CE Board is in place and managed to organise a successful Young Generation conference in Wales attended by 53 children and 11 teachers. There was a mighty move of the Holy Ghost with a massive deliverance which lasted until midnight, many children delivered from all kinds of spirits including lesbianism and pornography. The speakers and Pastors were mightily used in ministering this deliverance to our children. Glory be unto God. Many issues that are troubling today’s young generation children came out from the children during the question and answer session, including sexuality, sexual perversions and pornography. A Holy Spirit session and baptism of over 20 children was conducted on the Sunday with many children receiving the gift of speaking in tongues. Glory be unto God.

Various regional activities are being done. 6 weeks Salvation and 6 weeks “Running to Win” programmes were held in Leicester, deep teachings on salvation and encouraging children to aim at achieving high grades (speakers included the local police, school teachers, local council official and university officials). A Parents Awareness event was held and well attended in Nottingham Region.

The other regions have functional committees and two have held events that specifically focused on CE.

North West Province

There is significant progress; the Provincial CE Board is functioning and very instrumental in establishing regional and assembly boards.

Children active on most Sundays at both the assembly and regional level. Some assemblies meeting with children on Saturdays for CE activities

Yorkshire Province

The CE Board is fully functional and have managed to establish assembly and regional structures.

The two regions with a total of 10 assemblies have a total of 127 children and 15 teachers.

South London Province

The CE Board is in place and active, with regional committees who are functioning though affected by lack of continuity due to unsuitable venues for accommodating CE services. The few dedicated teachers are doing the best they can to keep the ministry alive.

North London Province

The CE Board is in place and spearheading CE related activities; children meeting and being taught in assemblies, mostly on the junior and intermediate group levels. Some assemblies don't have teachers for the Young Generation group but they are being given opportunities to participate during Sunday church activities.

Though not at provincial level, the Young Generation had regional prayer bands and big Sundays which were well attended.

Scotland

There is no functional CE Board as yet but active regional committees; appropriate warm venues are their main challenge especially in the winter season.

Children are being taught, with two new teachers in Edinburgh and programmes being held almost every Sunday for 30 minutes.

One region had a Sunday specifically dedicated to CE and big improvements from parents supporting the ministry is being seen.

Conclusion

The CE Ministry is functioning, with notable significant improvements during the year though more still needs to be done. Provinces and regions are facing their main challenge of continuity, where CE activities still need to be made an integral part of every church activity and to have permanent slots on Sunday programmes. We are believing the God of our father that in this year of pulling down strongholds, our eyes will be opened to see and understand the importance of this ministry.

We continue to ask for your prayers that God may increase the very few existing teachers and for those enthusiastic few to be fully supported and encouraged as opposed to being led to drop off from being discouraged by some parents and church leaders.

We thank the God of our Father Dr E. H. Guti for this vision and continue to pray that true disciples of Ezekiel will emerge, who will prophesy, see visions and be mightily used of God (Joel 2:28). Our God is able.

GO QUICKLY & TELL

The Go Quickly Ministry continued to excel to greater heights just as our Father prophesied a different year in January that 2015. A sense of excitement and achievement within the ministry even as the National Office was furnished in 2014 and is up and running. This has been a benchmark that has brought a lot of joy and anticipation as we look forward to upcoming events and projects.

Intercession

We agreed as a nation to stand with our mother Apostle Eunor Gutti in the special intercession programme for our Father which she mentioned at our Europe Deeper Life Conference. Regardless of our busy work schedules, the National Executive gave guidance on how this kind of prayer can be implemented. Provinces were allocated two weeks each and Midlands managed to cover the first two weeks of July. Intercession for the man of God and the work of God at large has grown to a greater magnitude as ladies do an absolute fast for 3 days and 3 nights. Other provinces like Midlands doubled their attendance from the previous year while North London actually did two prayer retreats in this same year. Ladies continued to meet for Tuesday prayers throughout the nation while in some provinces like South London, some ladies pray over the phone in the early hours each day. The spirit of prayer has no boundaries and is increasing as evidenced by prayer retreats in all the Provinces.

Events

Many activities took place as we hearkened to the word of the great Apostle of our time, Prof E.H. Gutti at the Pastors' Deeper Life Conference, that 2015 is a different year and the church would grow thick through teaching. We have therefore engaged in teaching the ladies diverse subjects and expect to see growth just as was prophesied by the man of God.

Yorkshire Province had a modelling night which attracted a high attendance. A "Young Mothers Event" followed, where specific teachings were given then a pampering weekend event where ladies enjoyed a refreshing spa experience with facials, massages, steam and sauna rooms, to mention but a few. At the end of it all the word was preached.

South London Province had a similar weekend break as well and are holding successful Ladies Tea meetings. The wave is indeed sweeping the nation; Midlands had an energizing Zuma dance class on one of their Provincial Big Saturdays. Such fellowships and events, which were presented in different styles excited the ladies. The nation benefited greatly from Pastor Carol's teachings which were enriching and touched on every aspect of a woman. All the meetings were fruitful and had good turnout

Go Quickly National Event

The Go Quickly National Board met once and have scheduled for a National Event which will bring together ladies from all over the Nation as it has been a while since it was last done. The momentum is building as quite a number of events have been lined up.

Today's Woman Conference

Over 20 women excluding Pastors attended Today's Woman Conference in Harare. The selling of the event entry tickets by every Province attracted a better response and many Elders attended. The nation was blessed through powerful feedback by those Female Pastors and Elders at the Female Leaders' Talents launch on 20th November.

Home Talents

This report will not be complete if we do not mention the game of the season. Through Home Talents Conferences and Big Days, the nation has birthed a lot of Lady Entrepreneurs. North West Province is particularly proud in this area as their set targets at Big Days were doubled or trebled. The vibe is real and the fruits are evident, that indeed we now have business ladies who did not only catch the vision of the moment but continue to run with it.

SINGLE WOMEN

Introduction

2015 was a remarkable year for the ministry, with great strides being made in most of the provinces, slowly but surely. It was all by the grace of the God of His Servant & Apostle Prof EH Guti, who gave him the vision for this ministry in September 1985, making it 30 years. Having National Umbrellas is surely having a positive impact on the ministry and it can only get better and better.

National Activities

A unique 2-day National Board Seminar was held in February at the National Centre, to equip the board members on leadership skills, together with the Umbrellas. Powerful teachings were delivered, from resource speakers that included Rev M Nyambo, the National Administrator and the National Umbrellas, Overseers B & N Chakanyuka. They delivered powerful teachings around the following topics:-

- Understanding the Vision of the Ministry
- Duties of Board Members
- Qualities of an Effective Leader
- Power of Prayer
- Working with other Ministries

Four out of the six provinces were represented, which was indeed a great achievement, considering that the aim was to then take the same content to provincial level through provincial seminars during the course of the year.

Provincial Activities

Three provinces actually managed to hold powerful seminars as a follow up to the National Seminar and those who didn't were able to hold Provincial Big Sundays. Mainstream activities like prayer, fellowship and ministering continued to be held, with one province going as far as holding a 3-day prayer retreat. The ministry continued to be that of strong intercession for the Servant and Apostle of God as well as the work of God.

Many single ladies faithfully worked Home Talents, with many testifying great works through working with their hands, including buying land and building homes back in Zimbabwe.

Though by definition there are many single women who exist, some of them are still reluctant to join the ministry, especially the younger ones. God continued to raise mature Elders (couples) with a burden to see the ministry rebranded, as regional Umbrellas who will make it more attractive to the younger single ladies by God's grace.

We are grateful and excited that some provinces wrapped up 2015 in style, by organising Christmas dinners, a true sign that the ministry is growing to another level and better things coming our way. Plans were also put in place for ensuring that we become financially sound, through encouragement of provincial contributions and adhering to the standing banking procedures.

Through working with Overseers and Umbrellas, provincial boards will ensure that new boards are elected for 2016. We are all in agreement that we can only benefit from a ministry that is led by people who are mature, faithful stewards with passion and a burden for the ministry, as it is only such people who can steer the ministry to catch the vision as was given to the Servant and Apostle of God.

2016 Plans

On the basis of the success of the first national seminar for board members, we desire that it be an annual event, to also include a separate session for Umbrellas. The coming year is a unique year for ZEGU talents and will require wise consultation with Provincial Overseers, from where all ministries get the vision and support for all provincial activities.

Activities like worship nights, get together fellowships and social outings that include our children must remain high on our agenda if the ministry is to attract young single ladies who may be still unsure where they belong.

We thank the God of Ezekiel for grace and favour.

MISSIONS

Motto: “Go ye therefore and make disciples of all nations....” Matthew 28:19 (NKJV)

Introduction

*United Kingdom continued to find favour before the God of our father, the Apostle and Servant, Dr EH Guti and chief missionary of this ministry. The support of the Great Commission for lost souls was awesome and took our father beyond many borders. It is our hope and prayer that the same spirit that is in our father to ‘go ye therefore’ will continue to grow so that this great vision can march on, as **“the harvest is still plentiful....” Matthew 9:37 (NKJV).***

Income

Individuals and Assemblies continued to support Missions Fund through cash and standing orders. With much prayer the nation committed itself to a special project “It’s All About Missions” from January to March. We can only testify that that the amount of **£335,265.00** raised sacrificially was the doing of the Lord and give all the glory to Him. The total income for the year including contributions by Provinces (3% of tithes) was **£474,000.00**. God has remained faithful to His Apostle and Servant that even after that 3 months period, the number of people with the burden for this vision has continued to increase as evidenced by the increase in standing orders

The total for the year was **£376,000.00** and was in the following:-

This report is on this year's progress and developments on the project to build the National Centre in Birmingham. We thank the God of our father for the progress made through the year 2015, particularly that construction work on the ground has actually started. Praise be to God for thus far He has brought us.

Building Committee

The Committee has several members within it but a small sub-committee was selected to oversee the planning and design stages of the project. This sub-committee has continued to be in place throughout 2015, dealing with matters as the construction phase has started. Progress Update

Some of the progress that we made through the year has been as follows:-

1. December 2014 - we obtained revised planning permission for the new design to keep an existing building for use as a local church and community centre.
2. March 2015 - we had enough design drawings completed to enable us to invite tenders from building contractors to do the work.
3. March to April 2015 - obtained quotations for the two options that we were considering, i.e. whether to refurbish the existing structure or to demolish it and re-build.
4. April 2015 - we made the decision to demolish the existing structure and re-build. This was based on the quotations that we obtained which showed that it would be cheaper to re-build instead of refurbish.
5. May 2015 – we started some preliminary work on site which was to remove some asbestos from site
6. June 2015 – Appointed a Construction Management Company to oversee the construction phase.
7. June 2015 - Purchased Site Fencing
8. June 2015 – Demolition of Existing Structure started
9. July 2015 – Demolish of the existing structure was completed
10. August 2015 – Foundation Piles Completed
11. October 2015 – Foundation ground beams completed.
12. December 2015 – Drainage pipes installed and drainage tanks installed.
13. The Contract for the Steelwork construction has also been awarded.

Looking Ahead

The foundation work has now been completed and are looking forward to the following programme of works on site for Phase 1:

- ▶ January 2016 Steel Fabrication starts in the factory
- ▶ March 2016 – Steelwork erection on site.
- ▶ May/June – Installation of wall cladding and roofing
- ▶ July/August 2016 – Completion of Phase 1.

Financial Update

As of 17th November 2015 the total expenditure to date was **£779,034.00**.

Forecast for completion of Phase 1 is **£1,321,930.00**

We have not yet obtained firm quotations for Phases 2, 3 and 4 but our estimate is that the total cost of the project will be around **£3.1million** excluding VAT.

Closing Remarks

We thank God for all the progress that has been made this year and are also thankful that He took us over the obstacles that were in the way. We request that you continue to pray for us to work on this project with wisdom that comes from God and that God may continue to reveal and lead us to companies and professionals that will work on this project with a true understanding of our requirements.

NATIONAL FINANCE REPORT

Financial Overview

We thank the God of our father Ezekiel, guidance and prayers from our father that enabled and strengthened the National Finance Board composed of Elder Michael Masimbarasi (Chairman), Elder Ronald Bevan (Deputy Chairman), Elder Mercy Masiye, Elder Memory Mandisodza (Finance Director) and Elder Gwen Kanyangu (National General Secretary) to plan and manage the finances of the Ministry in the United Kingdom.

The Board is happy to report that 2015 was a fruitful year. All our provinces and ministries were able to raise sufficient funds to enable them to operate without any financial difficulties though we still need prayers for our smaller provinces to be able to increase their tithing. Some changes were implemented following the audits by the tax office in 2014, and these have not had a negative effect on our finances and operations. We pray that as we work ZEGU Miracle Talents in 2016, our members will remain faithful in tithing.

2015 was also a year where the Lord did great things through His children. There was an increase of 17% on tithing despite the working of Home Talents, which is a sign of faithfulness in tithing made by the children of God.

International Projects - ZEGU& MBUYA DORCAS HOSPITAL CONTRIBUTIONS

We thank the God of our father Ezekiel that we were able to fulfil our obligation towards ZEGU and Mbuya Dorcas hospital, as requested by our International Headquarters.

Assets Management

The Board has revisited the issue of our assets management. The Chairman of the Board of Trustees, who is also head of the assets team within the National Finance Board, remains overall in charge. There is now a new team who will also include representatives from each province. A Pastor has been assigned to work with this team, who will offer pastoral cover on behalf of the National Executive.

The team are responsible for the management of all assets, namely mission houses and their contents, as well as church equipment within offices and assemblies. The team will make periodical visits to Mission Houses, assemblies and every other place where church assets are kept.

The construction of the National Centre started during the year.

Audits

We are continuing to comply with the laws of this nation, and are happy to report that our books of accounts have been audited and filed to the regulating bodies on time.

2016 Plans

We are taking on the process of conducting elections for Finance Committees in our 6 Provinces and 20 Regions. We are planning to train these new committees and support them in every way possible as they start their new terms.
