Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Charitable Trust Deed dated 13 November 2007
How the charity is constituted (eg. trust, association, company)	Charitable Trust
Trustee selection methods (eg. appointed by, elected by)	Appointed by existing Trustees

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

On agreeing to become a trustee of the charity, the trustees are thoroughly briefed by the existing co-trustees on the history of the trust, the day-to-day management, the responsibilities of the trustees, the current objectives and future plans.

The trustees have assessed the major risks to which the charity is exposed, in particular those relating to its investments and its finances. The trustees believe that by ensuring controls exist over key financial systems incorporating NatWest Bank's systems and controls, and by delegating the investment management function to investment managers, subject to regular monitoring, including periodic reviews of performance against benchmark, they have established effective systems to mitigate those risks.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The Deed of Settlement authorises the trustees to apply the income or the capital to or for the benefit of such exclusively charitable objects and purposes in any part of the world as the trustees may in their absolute discretion think fit.

The Trustees will take into account the Letter of Wishes which requests that consideration be given to benefit the following charities: NSPCC, Demelza House Childrens Hospice, PDSA, RSPCA, Cats Protection.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Trust achieves this object by the provision of grants. In determining the means by which the Trust shall achieve its object, the trustees have had regard to the guidance on public benefit issued by the Charity Commission.

During the year under review the Trust awarded 5 Grants of £11,093 to charitable organisations. In the opinion of the trustees the Trust, by making grants only to charitable organisations which are themselves for the benefit of the public, is fulfilling its own obligation to deliver public benefit in the furtherance of its object.

The Sum of £27,313 has been expended from the endowment funds and for Charity Commission accounting purposes is now classed as income.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Regular meetings are held by the Trustees where they discuss any applications received and consider which grants they wish to award.

In pursuance of its objectives, the charity's income is applied in making grants to a number of charitable organisations and bodies involved in activities which further the charity's objectives.

Applicants for grants must be in writing.

Recipients of grants are required to sign a formal receipt. Where relevant, the trustees also ask to be provided with copies of receipts for expenditure and the grant may be subject to an ongoing monitoring programme and further instalments of grants only released subject to timescales being reached.

Summary of the main achievements of the charity during the year

Five Grants totalling £55,465 were made to the following charities:-

NSPCC
Demelza House Children's Hospice
PDSA
RSPCA
Cats Protection League

Brief statement of the charity's policy on reserves

Independent Examiner's Report to the Trustees of The Seaby Foundation

Registered Charity No:1129062

I report on the Receipts and Payments Accounts of the Trust for the period ended 13 November 2016, which are set out on pages 1 and 2.

Respective responsibilities of the Trustees and the Examiner

As the charity's Trustees you are responsible for the preparation of the accounts; you consider that the audit requirement of section 43(2) of the Charities Act 1993 (the Act) does not apply. It is my responsibility to state, on the basis of procedures specified in the General Directions given by the Charity Commissioners under section 43(7)(b) of the Act, whether particular matters have come to my attention.

Basis of Independent Examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's statement

In connection with my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that in any material respect the requirements
 - to keep accounting records in accordance with section 41 of the Act; and
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Act
- have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
