### REPORT OF THE TRUSTEES/DIRECTORS FOR THE YEAR ENDED 31 MARCH 2016

#### **Organisational Structure**

PS Foundation has a Board of Trustees which currently comprises of three members and which meets bimonthly. The Board is responsible for the governance, strategic direction and policy of the charity.

The Board occasionally enlists the support of other advisors such as legal or human resource specialists as and when the need occurs. In collaboration with the Board, the Chief Officer is responsible for ensuring that the charity implements the strategy developed by the Board, delivers services which meet the objectives of the charity, enhances the charity's reputation and offers best value to its current and potential stakeholders.

#### **Achievements and Performance**

This year we secured further funding from a UK AIM listed company and a substantial private donation. We are not expecting to achieve these levels in the near future. As in previous years, whilst there is no guarantee that the charity will continue to attract donations, it has received verbal commitments from a founding trustee that she intends to continue to donate in sufficient amounts to fund the charity's needs.

The charity continues to have negligible costs, having no salaries or overheads and being run voluntarily by the three trustees. Those trustees operated in the same manner as previous years and have committed to continue to function this way for the foreseeable future and as a consequence expect running costs to continue to be negligible.

All donations and grants made in its charitable activities are discretionary and none have, nor is it intended will have, future financing commitments. Grants in the period were less than income and surplus funds were transferred to liquid bank balances.

The charity believes that education and family support are major factors in tackling poverty and continues to review ways of providing scholarships and other education facilities to improve the opportunities that would otherwise be denied to poorer families. It makes grants at the discretion of the Board and after carefully considering the needs of the individual or organisation. A number of children have been financed through secondary and tertiary education programmes in both India and the UK. A number of smaller donations have been made to UK charities such as the British Asian Trust and the Royal Marsden hospital along with donations to the UK charity Outward Bound and Macmillan.

As in previous years, a number of individuals and families received grants which were typically in cases of extreme hardship and to vulnerable, disadvantaged sections of the Asian community or to finance education. The current strategy includes providing emergency funds in cases where a disaster has occurred. It also focuses on sustainability within communities by providing grants to create small scale sustainable businesses which can provide future employment opportunities and to finance education which in turns helps families out of the poverty trap. In particular we have helped several families to build a sustainable life following the death of the main bread winner and where no social security systems exist as support

### **Financial Review**

As reported last year, we received lower donations in the period totalling £20k. As in previous years, whilst there is no guarantee that the charity will continue to attract donations, it has received verbal commitments from a founding trustee that she intends to continue to donate in sufficient amounts to fund the charity's needs. We received an additional £40k in interest from cash balances held in UK banks.

The charity continues to have negligible costs, having no salaries or overheads and being run voluntarily by the three trustees. Those trustees operated in the same manner as previous years and have committed to continue to function this way for the foreseeable future and as a consequence expect running costs to continue to be negligible.

All donations and grants made in its charitable activities are discretionary and none have, nor is it intended will have, future financing commitments. Grants in the period exceeded income by £186k in the period and the deficit was withdrawn from liquid bank balances.

### REPORT OF THE TRUSTEES/DIRECTORS FOR THE YEAR ENDED 31 MARCH 2016

### Financial Review (cont'd)

The charity retains sufficient liquid resources to meet its needs and adjusts its donations accordingly based on income received in the current year and current balances. As such it maintains sufficient liquid resources without excess exposure in a top tier UK bank. At the end of the reporting period the charity held £13.6m in cash reserves (2015: £14.1m) and £1.8m in land and financial assets (2015: £1.5m).

The charity has a net surplus of income over expenditure and the Board has determined there is no requirement to realise investments having substantial cash reserves. A small investment of £335k was made as a minority share in an unconnected UK unlisted company from which we expect a capital return within five years.

The level of operational expenditure continues to be low as the Trustees offer their time to the charity voluntarily and liabilities are consequently low. All funds are unrestricted and the charity retains sufficient reserves in liquid form to ensure that the Company is able to meet its foreseeable liabilities as they fall due. As at the close of the year and at the current level of grant activity, the charity has sufficient cash reserves and as grants are discretionary and currently create no long term obligation, the Board are satisfied that sufficient reserves are maintained.

The organisation has mitigated its financial risk by adopting a reserves policy which is outlined below. Annual accounts and returns are filed with Companies House and the Charity Commission. In-house financial monitoring is undertaken to ensure charity funds are being properly controlled and in accordance with its Governing Document and Objects. A quarterly income and expenditure review is undertaken by the Roard

During the year the charity did not employ anyone and was managed and operated by the Trustees voluntarily. The charity's policies for staff include the requirement to adhere to its financial policies and procedures. Staff recruitment, supervision and contractual procedures are in line with employment law and regularly reviewed. The organisation carries out health and safety risk assessments and ensures staff are properly trained.

The charity plans to continue the activities outlined previously in the forthcoming years, subject to satisfactory funding arrangements. In particular the charity intends to promote its activities and achievements through a community website where individuals can both access the charity and share experiences and successes. PS Foundation hopes that by supporting individuals they will eventually turn their success into supporting others, thus furthering the charity's aims.

### Structure, Governance and Management

The organisation is a charitable company limited by guarantee, incorporated on 5th March 2008. The company was established under a Memorandum and Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £10.

PS Foundation has a Board of Trustees which currently comprises of three members and which meets quarterly. The Board is responsible for the governance, strategic direction and policy of the charity. The Board occasionally enlists the support of other advisors such as legal or human resource specialists as and when the need occurs. In collaboration with the Board, the Chief Officer is responsible for ensuring that the charity implements the strategy developed by the Board, delivers services which meet the objectives of the charity, enhances the charity's reputation and offers best value to its current and potential stakeholders.

The directors of the company are known as the Board of Trustees. The Board carries out regular reviews of its skill sets and endeavours to recruit as required in order to forward the work of the charity. Each Trustee serves for a period of a year after which they must be re-elected at the next Annual General Meeting.

Procedures have been implemented by the Board which are designed to identify and manage conflicts of interest and loyalty and provide for management of donations which are typically given in cases of hardship.

## REPORT OF THE TRUSTEES/DIRECTORS OR THE YEAR ENDED 31 MARCH 2016

### **Trustees' Responsibilities Statement**

The trustees (who are also directors of PS Foundation for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statement in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the year. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

### Trustees' Responsibilities Statement (cont'd)

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

This report has been prepared in accordance with the Statement of Recommended Practice: Account and Reporting by Charities (issued in March 2005) and in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Approved by the Board of Trustees and signed on its behalf by:

### Independent Examiner's Report to the Members of:

#### **PS FOUNDATION**

(A Company Limited by Guarantee and not having a Share Capital)

I report on the accounts of the PS Foundation for the year ended 31 March 2016, which are set out on pages 6 to 11.

### Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

### Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

### Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1.) which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
  - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

### NOTES TO THE FINANCIAL STATEMENTS

#### FOR THE YEAR ENDED 31 MARCH 2016

### 1. ACCOUNTING POLICIES

### **Company Status**

The company is limited by guarantee, has no share capital and is also a registered charity. The members of the company are the trustees listed on page 1. In the event of the charity being wound-up the liability in respect of the guarantee is limited to £10 per member.

### **Basis of preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015) and the Companies Act 2006. Assets and liabilities are initially recognised at historical cost unless otherwise stated.

### Income recognition

Items of income are recognised in the financial statements when all of the following criteria are met:

- The charity has entitlement to the funds;
- any performance conditions have been met or are fully within the control of the charity;
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

### **Expenditure recognition**

Expenditure is recognised once there is a legal or constructive obligation to make payment to a third party, it is probable that settlement will be required and the amount can be measured reliably. Expenditure on charitable activities comprises mainly of grants to institutions and individuals.

Expenditure includes those costs of a direct nature which can be allocated to a specific activity. It also includes indirect costs, including governance costs that do not relate to a specific activity but are necessary to support those activities.

### **Fund accounting**

Unrestricted general funds are freely available for use in furtherance of the objects of the charity and which have not been designated for particular purposes.

Designated funds are unrestricted funds set aside by the trustees for particular purposes.

Restricted funds are funds which can only be used in accordance with specific restrictions imposed by the donor or which have been raised for a particular purpose.

#### **Taxation**

The company is a registered charity and is exempt from Corporation Tax on its charitable activities.

### Investments

Investment properties are stated at their market value at the Balance Sheet date. No depreciation is provided for in respect of investment properties in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015). Such properties are held for their investment potential and not for consumption within the Charity's operations. This is a departure from the Companies Act 2006 which requires all properties to be depreciated and the trustees/directors consider that to depreciate them would not enable the financial statements to give a true and fair view.

Unlisted equity investments are stated at cost.
