Registered charity no.1145170

Minister: vacant Moderator: Revd. Graham Clarke BA (Hons), Chartered MCIPD

Trustees' Annual Report and Accounts 2016

Objectives and Activities

Our objective continues to be one of enabling all people to worship at our church and to live out their faith through worship and prayer, learning about the Gospel, and developing knowledge and trust in the Lord Jesus. We provide pastoral care for those in the local community of Markyate and take part in missionary and outreach work. Additionally, to achieve this it is important that we maintain the fabric of the church building and make improvements to the amenities as finances allow.

Achievements and Performance

Church services are open to all: each Sunday morning public worship is at 10.30 am. Regular gatherings are provided for all ages from new-born babies through children and youth, to middle aged and older. We provide a crèche room, a Sunday class for children aged 4-11 and a discussion group for 11-16 year olds.

In the absence of an appointed minister Sunday Services have been organised by members of the Leadership Team(LT) and led by visiting preachers and by our own members.

Each month we have continued with our informal service on the second Sunday of each month called Messy Church which attracts families from our village and on the same Sunday, as an alternative to Messy Church we hold a quieter and more reflective evening service called NightLight led by one of our members.

The trustees have continued to seek to appoint a new minister throughout the year using the Baptist Union settlement process. The trustees have met informally with 5 potential candidates two of whom were invited to take Sunday services but not proceeded with further. An advertisement for the pastoral vacancy was also placed in the monthly magazine 'Premier Christianity' producing two applicants one of whom, after an informal meeting with the LT was invited to take a Sunday service and then invited to return to preach with a view to appointment as minister. However, a special members' meeting called specifically to vote on an invitation to the pastorate failed to secure the necessary majority in favour and the year ended with a request to Central Baptist Association to supply more names of possible candidates.

The Youth Minister indicated his desire to resign at the end of the year after having held the post for 10 years and the trustees accepted this with great reluctance and acknowledge the dedication and success he has shown with young people in the community. There are no immediate plans to seek a replacement.

There were 37 members as at 31 December; 1 member died during the year and there were no additions.

Markyate Baptist church has continued to keep prayer as a priority with opportunities for regular corporate prayer being encouraged throughout the year.

Youth work in 2016 has been active in a variety of after-school clubs, pastoral homegroup-based meetings and residential experiences for young people aged 11 – 18. Assisted by a much valued workforce of committed volunteers, we were able to care for and reach out to many young people from a variety of different backgrounds in our village community. A group of 10 young people with 3 adults flew to Barlad in Romania spending 7 days as volunteers assisting the work of the charity Myosotis Trust among local disadvantaged children.

Most regular church activities have continued through the year including Jack and Jill's toddler group, MBC café, art class, keep fit, a Christian book reading group and Baptist Ladies Fellowship. We held a successful one-day 'Noise Project' which saw young and old working together to provide practical support and help in the community giving the opportunity to share the gospel in words and action. Two 'Christians Against Poverty' money management courses have been held to assist those struggling to control their personal finances and ongoing support is being provided for several attendees; new courses are planned for 2017. The Queen's 90th birthday was celebrated with on open air tea party in the church grounds.

Redecoration of the manse was completed early in the year and quickly let through a local property agent providing a steady rental income until such time as it is required again as a manse for a new minister.

Mission and evangelism

We have continued to support financially a broad range of mission activities, particularly Baptist World Mission and, through our Central Baptist Association, Baptist Home Mission. Our Youth Minister continued to be involved with the primary school in Markyate and with St. Albans Educational Projects. In addition to the £370 shown in the Annual accounts on page 6, Baptist World Mission received £1130 paid by individuals directly to BWM as a result of a harvest time appeal.

Ecumenical relationships

The church is a member of Churches Together in Markyate and joint services with Anglicans, Methodists and Roman Catholics were held in January for Women's World Day of Prayer, a Lent study course, Maundy Thursday meal and communion and a Good Friday Walk of Witness, and on Remembrance Day.

Volunteers

The trustees want to thank all who work so hard and give so freely of their time to keeping our church running and making it the lively and vibrant community that it is. Many also make valuable contributions by bringing their expertise to the benefit of the church by ensuring financial resources are used responsibly and that high standards of workmanship are achieved by those contracted to maintain or repair the fabric of the church or to supply goods or services.

Hopes and dreams for the future

Markyate Baptist Church continues to aspire to being a 'Church without walls' in our village community and we continue to work through what this means. We believe it does mean us to be inclusive, not exclusive in our church life offering Christian love, hospitality and acceptance to all, breaking down barriers between church and village in order to communicate the gospel of Jesus Christ. In 2017 we shall continue to seek a new minister who is gifted in preaching and teaching and a team builder, an approachable, friendly and open hearted person who will enjoy getting involved in village life.

Structure, governance and management

The Church is governed and regulated by its own members where all aspects of the work of the church are subject to the approval of the members at meetings held approximately every three months. The Leadership Team is composed of all the trustees who meet monthly to deal with church administration and pastoral concerns and jointly are responsible for preparing the agenda for members' meetings. The moderator, a Baptist minister appointed by the church – currently Revd. G. Clarke of St. Albans - chairs LT meetings and Members' meetings of the church.

The church's constitution takes the form of the model Baptist Union Approved Governing Document which describes, amongst other matters, the objectives and activities of the church and the appointment of trustees.

Administrative information

Markyate Baptist Church is situated in Buckwood Road, Markyate, AL3 8JF. On the Internet, details of church activities can be accessed at www.MarkyateBaptistChurch.org and from which recent services of worship can be downloaded.

Financial review

Total income in 2016 amounted to £93,688 compared with £89,195 in 2015 and total expenditure was £57,815 (£102,303).

Donations to a variety of missions totaled £8,828 (£9,490).

The Building Fund – a restricted fund – intended for improvements and extensions to the church building grew modestly during 2016 to £88,969.

The reserves policy of the church is to maintain the equivalent of approximately 3 months' general running costs estimated at £15,000.

The church has no external source of income, other than the occasional hiring out of the church premises and the church minibus. While the pastoral vacancy lasts, the manse is being let at a commercial rate and these rentals together with voluntary donations are used to meet the running costs and maintenance of the church building, salaries and associated employment costs, and for other purposes in accordance with the church's constitution. It is with regret that we report that the minibus, purchased in February 2015, was stolen from the church car park just before Christmas; police investigations are ongoing but hope of recovering the vehicle is not encouraging. Any money paid out by the insurance company will be placed in a special restricted fund for such time as a decision is reached regarding its replacement.

The continuing pastoral vacancy has resulted in low ministerial costs and very modest manse expenses. The financial health of the church remains good and adequate controls are in place to give early warning of any changes for better or worse.

Accounting Policies

The accounts are prepared in accordance with "Accounting and Reporting by Charities -Statement of Recommended Practice" (SORP 2005) issued by the Charity Commission.

Donations and Grants are accounted for when received.

No **Legacies** were received during 2016.

Unrestricted funds represent income which has no specific instructions from the donor about how it can be used and is therefore used by the trustees for any of the church's ordinary purposes.

Designated funds represent sums set aside out of unrestricted funds for specific purposes but which can be transferred in whole or in part back into general funds at any time.

Restricted funds represent donations received or invited for a specific purpose. The funds may only be spent on the specific purpose for which they were given.

Endowment funds are funds whose capital must be maintained, only income from the investment being used as restricted or unrestricted depending on the purpose for which the endowment was established. The church has no such funds.

Fixed assets - the church premises and the manse 50 Buckwood Road, Markyate are included in the Statement of Assets and Liabilities at insurance value because reliable cost information is not available and in the opinion of the trustees a valuation would incur costs out of proportion to the benefit gained by a user of the accounts.

Other assets retained for the church's own use are shown at their latest insured value.

Governance costs – such as legal advice or fees have not been incurred in 2016.

Pensions. The previous minister was a member of the Baptist Pension Scheme, a final salary defined benefit scheme which is not contracted out of the State second pension. The scheme is a multi-employer scheme and it is not possible to identify the assets and liabilities of the scheme which are attributable to the church. With the employment of the active member ceasing in April 2015, a cessation event occurred and as a participating employer, the church became liable for an employer debt. The church took advantage of initiating a period of grace in order to be treated as if it still employed an active member and continued through 2016 to make deficit contributions at a rate calculated by the scheme's administrator.

The former youth minister had a personal flexible pension plan policy with Scottish Equitable plc into which the church paid an employer's contribution. These payments ceased on 31 December 2016.

Staff and Trustees. The church employs 1 person as a cleaner part time. No person earned more than £60,000 during 2016. No trustee received remuneration during the year other than reimbursements incurred solely for minor purchases of provisions for church use.

Independent Examiner's Report

Report to the trustees of: Markyate Baptist Church

On accounts for the year ended: December 31st 2016

Charity Number: 1145170

Financial statements as set out on pages 5 to 8 of the report.

Respective responsibilities of trustees and examiner:

As trustees you are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year (under section 144(2) of the Charities Act 2011 (The 2011 Act) and that an independent examination is needed. As a retired Fellow of the Association of Certified Chartered Accountants I consider myself suitably qualified to carry out the independent examination.

Having satisfied myself that the charity is not subject to audit and is eligible for independent examination, it is my responsibility to:

- Examine the accounts under section 145 of the 2011 Act;
- To follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- To state whether particular matters have come to my attention.

Basis of independent examiner's statement:

My examination was carried out in accordance with General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the financial statements.

Independent examiner's statement:

In connection with my examination, no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that, in any material respect, the trustees have not met the requirements to ensure that:
 - Proper accounting records are kept; and
 - Accounts are prepared which agree with the accounting records and comply with the accounting requirements of the Act; or
- (2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Signed:

Date: April 4th 2017
