Report of the Directors and Management Council for the year ended 31 December 2016 continued

Structure, Governance and Management

The organisation is a charitable company limited by guarantee, incorporated on 19 April 2004. The company was established under a Memorandum of Association, which established the objects and powers of the charitable company and is governed under its Articles of Association. The directors review these governing documents on an annual basis.

The charity was an unincorporated association up to 31 December 2004 also called Manchester Jewish Community Care (formerly Manchester Jewish Blind Society) and with the same charity registration number of 257238. With effect from 1 January 2005, the assets and undertaking of Manchester Jewish Community Care (formerly Manchester Jewish Blind Society), including all activities carried out by the charity, were transferred as a going concern to Manchester Jewish Community Care (company limited by guarantee). This transfer was made with the approval of the Charity Commissioners (by letter 21 December 2004).

In accordance with the Articles of Association, the overall management of the charity is vested in the Management Council. All members of the Council (maximum 27) are elected for a period of three years. At the end of the three year period, they are eligible for re-election, if they so wish.

The Management Council appoints an Executive which includes the directors and other ex-officio Honorary Officers as appointed from time to time. The Executive is responsible for the day to day management of the charity and is viewed by the charity as the body of managing directors. The Executive meets as and when required by the chairman and decides policies which are communicated to the Council at Council meetings which are held four times a year.

We are saddened to report the passing of Maisie Goldman and Lita Price in October. They were involved with the organisation for many years both as a volunteer and a Board member. Their loss is greatly felt by the organisation and their contributions will be very much missed.

Investment powers are delegated to an Investment Committee which authorises Barclays Wealth Management to act on its behalf. The Investment Committee meets with their representative to decide investment strategy.

All directors are familiar with the practical work of the charity. Any new director is fully briefed by the Executive on all aspects of the charity, including its operational framework, future plans and objectives and current financial position.

On the recommendation of the Charity Commission, the charity has established the following measures in respect of eligibility:-

- A comprehensive self-declaration of eligibility to act as a director for all directors to sign
- A comprehensive self-declaration of eligibility to act as a Management Council and Executive member for all new members to sign
- Terms of Reference for all members of the Executive and the Investment Committee

The directors examine any major risks that the organisation faces each financial year when preparing and updating the strategic plans. These include operational, governance, external and compliance risks, as well as financial risks. The Directors have not identified any major risks but should they occur they will establish systems to mitigate these risks.

Report of the Directors and Management Council for the year ended 31 December 2016 continued

Structure, Governance and Management continued

The charity works closely with a large number of fellow charities in order to pursue its objectives and, where appropriate, to ensure that there is no duplication of services. Principal amongst these are:

Federation of Jewish Services

Outreach Community and Residential Services

Manchester Jewish Housing Association

Royal National Institute for the Blind

Voluntary Action Manchester

The Brookvale Settlement

Henshaws

League of Jewish Women

Jewish Representative Council

Many of the above use the charity's building to share resources. In addition, the charity also works in partnership with the Social Services Departments of Manchester, Bury and Salford Local Authorities with whom it is contracted for Day Care attendance by certain of their residents.

Objectives and Activities

The objects of the charity as laid down in the Memorandum of Association are the assistance of those members of the Jewish faith who are visually impaired, physically disabled or any other category of individual who is deemed to be in need of such assistance. The Centre is used four days per week and is constantly looking to receive new members. There is a clear need for the continued provision of care in the community enabling our members to maintain their independence with the facilities that are provided.

The charity employs 18 paid full and part time members of staff who undertake care, administration and fundraising responsibilities. In addition to the above over 160 unpaid volunteers are involved in our work and we would not be able to function without them. The volunteers give the equivalent of over 12,000 hours per annum of their time which would cost the charity in excess of £300,000 each year. A list of areas in which we use volunteers is as follows:

Running Day-Centre activities

Staffing the reception desk
Delivering meals-on-wheels
Running the Talking Newspaper
Organising activity programmes
Assisting with enveloping for mail shots
Assisting in the Art Room

Staffing the reception desk
Delivering meals-on-wheels
Running the convenience shop
Computer lessons
Acting as escorts on transport
Driving members to and from the Centre

In order to achieve its objectives the charity has used all reasonable methods to promote and enhance the facilities of the charity. We are currently trying to promote a policy of increased fundraising and a search for new volunteers and a marketing drive to encourage more day centre members.

During the year there have been approximately 8,000 day centre attendances, 3,100 meals on wheels delivered, 400 baths given and 2,000 talking newspapers were distributed. In addition, the building is also used by many other communal organisations and individuals as a Community Centre.

Report of the Directors and Management Council for the year ended 31 December 2016 continued

How Our Activities Achieve Public Benefit

The Charity carries out a wide range of activities in pursuance of its charitable aims. The directors consider that these activities below provided benefit both to those who attend our Day Centre and the wider community.

Day Care: The Centre is open on a Monday to Thursday from 9.30am to 3.30pm. Providing a wide range of stimulating activities including art class, yoga, computer lessons, keep fit, live entertainment and discussion groups. We also have a hairdressing salon, convenience shop and visiting chiropodist. A hot 3 course lunch under Beth Din supervision is also provided.

Meals on Wheels: Meals are sent out twice a week to housebound members of the community or to those who are unable to cook for themselves.

Bathing Service: We offer a culturally sensitive, dignified bathing service in our specially adapted bathroom to those who are unable to bathe themselves.

Northern Jewish Talking Newspaper: This is under the auspices of the League of Jewish Women and is sent out weekly on a memory stick.

Community Centre/Other Organisations: The Centre rents out offices to the IIC and Jewish Housing Association, Care Concern, The League of Jewish Women, B'nai Brith, and Jewish Representative Council also use our Centre for their meetings.

In December 2016 Special Spirits, a registered charity, which runs an after school club for children with special needs started to use our facilities once the Centre is closed to members. The Group also uses our mini bus to bring the children to and from their homes. We are delighted to be working alongside this wonderful organisation whilst at the same time making maximum use of the Centre.

Achievements and Performance

The charity continues to meet all of its objectives. Membership of the Day Centre once again achieved high attendances during the year reflecting the wide range of activities and services available to its members.

Many fundraising events were held by the charity including a bridge tournament and three direct mail appeals and a telethon.

Financial Review

Incoming resources have decreased by £293,641.

Costs of operating the day centre are around £705,000 per annum. There is a net decrease in funds of £18,694.

Report of the Directors and Management Council for the year ended 31 December 2016 continued

Financial Review continued

The Investment Committee have been guided by Barclays Wealth Management and have continued to adopt a prudent approach for the charity.

Reserves Policy

The directors have examined the needs, risks and challenges faced by the charity in both the short and medium term, along with relevant financial forecasts and have formulated a policy to meet those needs. It intends to review this policy at least annually. The directors believe that to maintain a target level of free reserves equal to 12 months operating expenses is appropriate at the current time.

The directors are confident that at present levels reserves match the target level and they are able to continue the current activities of the charity in the event of a significant drop in funding.

Plans for Future Periods

The charity plans to continue the activities outlined above in the forthcoming years subject to satisfactory funding arrangements.

The capital refurbishment plans for 2016 were achieved with a new wet room and bath in the bathing room, a fully equipped podiatry room and a new refurbished convenience shop with funds generously donated from Jonny and Avril Manson in memory of their daughter Katie after whom the shop is named. We also replaced the roof which had been in a bad state of disrepair for many years and was causing damage to the offices whenever there was a severe rainfall.

Our efforts will also continue in the need to raise awareness of the charity, not just in North Manchester but also in Manchester as a whole and continue to reach out to those who would benefit from the wide range of services available. Although we currently operate at very high levels of attendances, we foresee that the standard of facilities that we offer from a very dedicated and committed team of both staff and volunteers will increase and therefore we intend to rise to the challenge of making the Day Centre a 'beacon' of the community. We intend to continue with our advertising campaign during 2017 to raise the profile of the organisation and to reach out to those who are unaware of our services.

We are also looking to bring new members on to our Executive committee to strengthen the range of skills.

The directors are confident of achieving all their long-term objectives and increasing the charity's services to the community.

Report of the Directors and Management Council for the year ended 31 December 2016 continued

Responsibilities of the directors

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing those financial statements, the directors should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charitable company will continue on that basis.

The directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. The directors are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In accordance with company law, as the charitable company's directors we certify that:

so far as we are aware, there is no relevant information of which the charitable company's accountants are unaware; and

as the directors of the company we have taken all steps that we ought to have taken in order to make ourselves aware of any relevant information and to establish that the charity's auditors are aware of that information

Reporting Accountants

A resolution that H Davies FCCA of Accounts & Business Solutions Ltd be reappointed as the charitable company's Independent Examiner will be put to the Annual General Meeting.

This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (issued in March 2005) and in accordance with the special provisions of Part VII of the Companies Act 2006 relating to small entities.

Independent Examiners' report to the trustees of 'Manchester Jewish Community Care'

I report on the accounts of the company for the year ended 31st December 2016, which are set out on pages 10 to 19.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Association of Chartered Certified Accountants.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act
- to state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's report to the trustees of 'Manchester Jewish Community Care' cont.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
- to keep accounting records in accordance with section 386 of the Companies Act 2006 and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1 **Accounting Policies**

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year.

a Basis of accounting

The financial statements have been prepared in accordance with applicable accounting standards, the Statement of Recommended Practice: Accounting and Reporting by Charities issued in March 2005, and the Companies Act 2006.

b Fund accounting

- Unrestricted funds are available for use at the discretion of the directors in furtherance of the general objectives of the charity. Unrestricted funds include a revaluation reserve representing the restatement of investment assets at market values.
- Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

c Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.
- Legacies are accounted for as incoming resources when receivable.
- Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.
- Merchandise and other items donated for resale through the charity's shop are included as incoming resources within activities for generating funds when they are sold.
- Investment income is included when receivable.
- Incoming resources from charitable trading activity are accounted for when earned.
- Incoming resources from grants, where related to performance and specific deliverables are accounted for as the charity earns the right to consideration by its performance.

d Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- Costs of generating funds comprise the costs associated with attracting voluntary income, the costs of trading for fundraising purposes including the charity's shop and investment management costs.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its
 activities and services for its beneficiaries. It includes both costs that can be allocated
 directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit and accountancy fees and costs linked to the strategic management of the charity.
- All overhead and support costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis as set out in note 6.

e Tangible Fixed Assets and Depreciation

Tangible fixed assets acquired after 1 January 1992 are capitalised and depreciated over their expected useful lives at the following rates:

Buildings 2% of cost per annum Motor vehicles 20% of cost per annum

Fixtures, fittings and equipment 10% - 33.33% of cost per annum

f Investments and investment income

Investments are included at closing mid-market value at the Balance Sheet date. Any realised/unrealised gains/losses for the year are dealt with through the Statement of Financial Activities. Investment income is accounted for in the period in which the charity is entitled to receipt.

g Stock

Stock is valued at the lower of cost and net realisable value.

h Pensions

The pension costs charged in the financial statements represent the contributions payable by the charity during the year in accordance with FRS17.
