TRUSTEES' REPORT FOR THE YEAR ENDED 31 AUGUST 2016

The trustees are pleased to present their annual directors' report together with the financial statements of the charity for the year ending 31 August 2016 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes. The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Objectives and Aims

The charity's objects are to advance the Christian faith and to promote and fulfil such other charitable purposes beneficial to the community in such areas as the charity may from time to time be operating.

The aim of The Oakes Holiday Centre is three-fold. To provide a holiday centre where 8-18 year olds can:

- hear the Christian message
- be encouraged in their faith
- enjoy a great holiday

Camps are held for various ages at which the Christian message is presented clearly. The Oakes Trust is committed to providing children and young people with the opportunity to hear, discuss and ask questions about what Christianity is, who Jesus is, and what he did and said. There are two meetings per full camp day plus a small group discussion time. The meetings involve music, drama, games, quizzes, small group work as well as direct teaching.

The campers come from a broad spectrum of beliefs including other faiths and no faith. For some they have never had Christianity explained to them before and some describe themselves as committed Christians. For these The Oakes tries to give encouragement and help in living out their faith. The centre is open to anyone who wishes to attend from whatever background, belief or ability.

Camp fees are kept to a minimum, with donations making up over half of the income, to enable maximum participation. There is a Holiday Fund to ensure that subsidised places are available to anyone who requires financial assistance to enable them to take part in a camp.

When planning the activities for the year, the trustees have considered the Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion and on feecharging.

How the centre runs

The activities undertaken during a typical camp are designed to help children and young people to develop a range of abilities, and personal and social skills. Initiative games, Team Building stations, a Climbing Wall and the Ropes course promote team work, problem solving and confidence. Archery is often a new skill for many. Remote Control Cars encourages another new skill and cooperation as they work in pairs to keep the cars on the track. Rafting covers all the above with the added pressure of a different environment, water, to work on (or in sometimes). Survival Club gives the opportunity to sleep outside in a self-made shelter, a first for most of the campers. By taking children from eight years old The Oakes is often their first trip away from home. This experience can greatly boost a child's self-confidence and help them as they grow up. Campers will mix with children from different backgrounds and areas often having to work with them to achieve a task. This helps social cohesion in the short and long term.

How the centre runs - continued

Working with schools provides all of this for their pupils with the added bonus of a clear explanation of Christianity fitting in with the RE curriculum, the PSHE and Citizenship syllabus and the current emphasis on community cohesion and learning outside of the classroom. To quote one school's presentation to parents about their trip to The Oakes...

"The Children's Plan reinforces the five aims of Every Child Matters and learning outside the classroom has clear links to every one of these outcomes. Participation not only encourages healthy lifestyles, it develops the personal attributes and social skills that are vital for achievement, social inclusion, responsible citizenship and enterprise and employability. It also helps young people to learn to manage risk."

A visit to The Oakes develops these personal attributes and social skills for all of the campers and so has long term benefits as well.

The Programme manager and Team manager handle the day-to-day running of the holiday centre. The Programme manager handles the daily organisation of the camps, and the Team manager is responsible for the gap team, under the overall supervision of the Director Dan Thaw. Other managers are responsible for housekeeping, IT, catering and maintenance.

A new (usually multinational) gap team signs on annually to live at The Oakes and work on the camps. When camps are not in session, the team helps with camp preparation, building maintenance, grounds maintenance, kitchen duty, and housekeeping duties. The team also do assemblies and occasional children's clubs or youth groups at churches. No team members receive money from The Oakes.

When not running camps the permanent and gap teams are busy planning and preparing new activities, maintaining the house and grounds, and receiving training in a wide spectrum of areas including food hygiene, life saving and first aid and theological training to enable them to teach and guide the campers.

There is also a support team which helps with the camps. They are generally ages 15-18, and living at home in Sheffield or nearby. They sign up for various camps throughout the year staying on site during camps to help with back-up jobs such as cleaning and setting up activities. They will also have the opportunity to gain experience working with children and young people under supervision.

The office is run by volunteers. Several come in at least one day a week to cover various tasks such as bookkeeping, writing thank-you letters and other correspondence, posting camp bookings, handling special projects, and maintenance work.

Achievements and Performance

Young people hearing the Christian message:

1,989 campers heard the Christian message from September 2015 – August 2016 at 47 camps. This is an increase of 139 campers and 5 camps on the previous year. Camps are typically in the age categories of 8-11, 10-13, 11-15 and 14-18, whilst over 15's are also encouraged to get involved by joining the Support Team which helps behind the scenes during camps.

10 weekend camps were held during the 12 months to 31 August 2016, which typically involve two or three Sunday school or youth groups plus friends, and they are brought by their leaders. The majority of campers come from within one hour's driving distance, for example Leeds, Nottingham, Leicester, Hull and Sheffield itself. Some travel from further afield including groups from Newcastle and Cambridgeshire.

TRUSTEES' REPORT - continued FOR THE YEAR ENDED 31 AUGUST 2016

Achievements and Performance – continued

10 camps of between 3 and 5 nights were held during school holidays at which individuals or small clusters of friends book independently of leaders. We are always really encouraged to welcome back campers who have visited before with groups. For 2016 the summer theme was "Vikings". The 7 camps in summer 2016 saw 371 campers hear the Christian message (2015, 330 campers). The theme for the 2017 summer camps is the "Hollywood".

The camps bring young people together from diverse social backgrounds for example a group from a deprived area of Sheffield with a group from an urban priority area of Rugby and those from Peak District villages.

During this 12 month period there were 19 school camps from 15 different schools, primarily from Years 4 and 5. A clear presentation is given of what Christians believe, as part of the National Curriculum, and the Oakes works in partnership with the school to adhere to school guidelines. These school trips encourage community/social cohesion, provide "Learning outside the Classroom", adventurous activities and develop team work skills. A number of children from other faith backgrounds came on these camps. These schools varied from Queen Elizabeth's Academy, Mansfield in a high urban priority catchment to Norton Free School, which is half a mile from the front door. There was an increase to 5 camps for secondary school groups.

Young people encouraged in their faith:

Discipleship camps were held which encouraged Christian young people to be strengthened in their faith. There were three in this 12 month period covering the age ranges of 8-11's, 11-15's and 14-18's. The meetings for these camps are aimed at deepening a young person's faith rather than the usual explanation of Christianity. Throughout the rest of the year young Christians will come on camps and still get encouragement from the meetings and small group times as well as from interacting with members of the Oakes team.

The over 15's are encouraged to get involved by joining the Support Team which helps behind the scenes during camps. We had 28 camps which involved Support Team between September 2015 – August 2016. They will also join in with staff prayers and have bible study times. Being on the Support Team has proved to be the main source of encouragement for many young Christians who are not part of a church youth group.

The Oakes' web site provides campers with the opportunity for post-camp help and support should they want it and there is a camper mailing twice a year aimed at keeping campers informed about what is happening at The Oakes.

Team members doing a gap year have regular study days throughout the year often with outside speakers and the opportunity to attend conferences. They are encouraged to study the bible and live out their faith in their daily lives. The Oakes has a Team manager whose role is to disciple and encourage the team.

Young people enjoy a great holiday:

Over the year many young people have enjoyed a great holiday. The Oakes does not advertise and is recommended by word of mouth. Success for us is whether or not young people want to come back and want to bring friends too. This is what happens. A good indicator of this is the summer camps. This year (Summer 2016) three of the 6 camps were fully booked. A further indicator is the feedback we receive. After each camp the children and their leaders fill out feedback forms. Between September 2015 – August 2016 98.3% of feedback forms rated The Oakes as excellent or good.

The Holiday Fund provides for those who cannot afford full camp fees. This 12 month period it has helped 129 families, some with multiple children and 3 school groups, bringing 59 young people. Without this help these young people may not have had a holiday. In some cases it has provided respite for single parents and carers for children with special needs including autism and Attention Deficit Disorder.

TRUSTEES' REPORT - continued FOR THE YEAR ENDED 31 AUGUST 2016

Achievements and Performance – continued

During the year local groups such as the Brownies came and enjoyed the use of the activities such as the Ropes Course. On Bonfire Night (5 November) we ran a joint firework display with our local Scouts group welcoming over 300 local people. There were also 1 open day, 2 coffee mornings and 1 Family Funday where the general public could hear about the work of the centre and look round the listed building and grounds.

Work on house:

The historic gates have now been restored thanks in the main to a large grant from Heritage England. Several ground floor rooms have had their floors re-sealed. New chairs were bought for the meeting rooms and the dormitories have had new mattresses.

Financial Review

The Statement of Financial Activities for the year is set out on page 9 of the financial statements. Income for the period amounted to £364,790 (2015: £362,816). Total expenditure amounted to £393,569, which included £79,025 on the Gates restoration (2015: £361,478 including £23,576 on the Gates restoration).

Net movements in funds for the year were a deficit of £28,779 (2015: surplus of £1,338) resulting in net assets at the year-end of £1,049,128 (2015: £1,077,907).

The Gates restoration project cost in total £102,601 of which £89,674 was funded by Historic England, £5,567 by other supporters and £7,360 from the Oakes general funds.

Reserves policy

The trustees have reconsidered the reserves policy during the year and subsequently adopted a risk based approach to the level of reserves held.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at $\pounds 10,000 - \pounds 20,000$. The trustees consider that reserves at this level will ensure that, in the event of unforeseen costs, they will be able to immediately address the issue whilst also taking into account the Oakes ethos which calls us to demonstrate our dependence on God in any financial difficulty.

Free reserves at 31 August 2016 were £10,250 which is within the range set.

Properties and associated loans are set aside in a designated fund as described in note 14. There were $\pm 1,021,781$ designated funds held at 31 August 2016 (2015: $\pm 990,920$).

There were £nil restricted funds held at 31 August 2016 (2015: £30,665).

Plans for Future Periods

In the year to August 2017 there are 46 camps planned of which 20 are school groups and 26 are open camps booked by church groups or individuals/groups of friends.

An ongoing programme to draught proof the windows has started. Two ground floor shower rooms will be refurbished and plans to change the games room into a café/lounge are being investigated. The Lodge is also in need of renovation and planning permission continues to be sought to perform this building work.

Ongoing maintenance to the house and grounds will be undertaken and additions to the camp activities offered (eg: Tunnelling).

TRUSTEES' REPORT - continued FOR THE YEAR ENDED 31 AUGUST 2016

The trustees wish to record their gratitude to God for the life of Joy Lockwood who died on 12th October 2016; together with her husband John she was from the beginning a generous, faithful and unstinting supporter of the vision and work of The Oakes and is sorely missed.

Structure, Governance and Management

Governing document

The charity is a company limited by guarantee. The charity was incorporated on 1 May 1997 and registered as a charity on 28 August 1997. The company is governed by its Memorandum and Articles of Association.

Every member of the company has however guaranteed an amount not exceeding £10 each.

Trustees

New trustees are short listed and discussed by the board of trustees. Those deemed suitable are then invited to join the board of trustees. New trustees are fully inducted in the management structure of the trust and all requirements on them as trustees. Trustee training is delivered via the quarterly meetings and upon request if specific needs arise (i.e. new legislation).

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £10 in the event of a winding up.

All trustees give of their time voluntarily and receive no benefits from the charity. Any expenses reclaimed from the charity are set out in note 7 to the accounts.

Organisational structure

Day-to-day decisions regarding the running of the trust and holiday centre are delegated to Daniel Thaw, as director and the individual responsible for day to day management, and managers. Major decisions concerning the long-term direction of the trust (i.e. financial, number of camps per annum, housing or land purchases) are taken by the trustees.

Risk management

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

The major risks to which the charity is exposed, as identified by the trustees, are reviewed annually (or sooner if the need arises) as are the management procedures of these risks.

TRUSTEES' REPORT - continued FOR THE YEAR ENDED 31 AUGUST 2016

Trustees' responsibilities in relation to the financial statements

The charity trustees (who are also the directors of the Oakes Trust (Sheffield) for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE OAKES TRUST SHEFFIELD

I report on the accounts of the company for the year ended 31 August 2016 which are set out on pages 9 to 17.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this period under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England and Wales.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 AUGUST 2016

1. Accounting policies

1.1 Basis of preparation

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value convention except for the valuation of certain property and investment assets, which are shown at capitalised or market value as below. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), early adoption of Charities SORP (FRS102) Bulletin 1 and the Companies Act 2006.

The charity constitutes a public benefit entity as defined by FRS 102. This is the first year that FRS102 has been adopted.

In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required. Details of the change in accounting estimate are detailed in note 1.4.

1.2 Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Donations, legacies and other forms of voluntary income are recognised as income when receivable, except insofar as they are incapable of financial measurement. Income from trading activities is recognised as earned. Investment income is recognised on a receivable basis. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income from charitable activities is included in the year in which the activity takes place.

1.3 Expenditure and Irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

The following apportionments in respect of costs of charitable activities have been reflected in note 6:

annan wana baaran a 💻 1999 menungkan kenangkan berangkan berang iku laber berang laber daram senangkan su senangkan perangkan berangkan berang	Camp costs	Team costs
Food and catering	70%	30%
Housekeeping costs	70%	30%
Office costs	85%	15%
Utilities and fuel	70%	30%
Transport costs	25%	75%

All costs are considered direct costs or governance costs, as they are all attributable directly towards the objects and aims of the charity.

Costs are then split between camp costs, for when camps are in progress, and team costs to cover costs when camps are not in progress but the team continue to live in the centre and receive training and undertake preparation for camps.

Property costs, such as depreciation and loan interest, are allocated between camp costs and team costs where houses have been purchased to accommodate team members.

NOTES TO THE ACCOUNTS - continued FOR THE YEAR ENDED 31 AUGUST 2016

1. Accounting policies - continued

1.4 Tangible fixed assets and depreciation

This accouting policy has changed with effect from 1 September 2015 - see note 19.

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Fixtures, fittings & equipment: Freehold buildings; and Leasehold property 20% straight line It is the policy of the charity to maintain properties to such a standard that their value is not impaired by the passage of time. The residual value is similar to it's intial cost therefore depreciation would be immaterial.

This is a change in accounting estimate, with effect from 1 September 2015. Previously Freehold buildings and Leasehold property were depreciated at 2% straight line. The effect of this change is to apply £34,720 less expenditure to the designated land and buildings fund.

No depreciation is provided in respect of freehold land.

An Impairment review is carried out annually on freehold land and buildings and leasehold properties.

A de minimis limit on capitalising items has been set on individual items at £500.

1.5 Stock

Clothing stock is valued at the lower of cost and net realisable value.

1.6 Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offerered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.7 Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

1.8 Financial instruments

The trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1.9 Accumulated funds

General funds are expendable at the discretion of the trustees in furtherance of the objectives of The Oakes Trust.

Designated funds comprise funds which have been set aside at the discretion of the trustees for specific purposes. The purposes and uses of the designated funds are set out in the notes to the accounts.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts.
