TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2016

The trustees present their annual report and financial statements of the charity for the year ended 31 December 2016. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

22 Sackville Street, Mayfair, London W1S 3DN

Independent Examiners Couch Bright King & Co

91 Gower Street, London WC1E 6AB

Trustees SG Kleinwort Hambros Trust Company (UK) Limited

Philip Edward Carne

Mrs Marjorie Christine Carne

Philip Edward Carne has the power to appoint new trustees.

On 30 November 2016, the legal name and registered address of the corporate trustee changed from Kleinwort Benson Trustees Limited, 14 St. George Street, London W1S 1FE to SG Kleinwort Hambros Trust Company (UK) Limited 8 St James's Square, London SW1Y 4JU.

On 1 January 2017, the name of the trust was changed from The Richard Came Trust to The Carne Trust. Consent to the change was obtained from the Charity Commission.

On 13 February 2017, Couch Bright King & Co were appointed as the new Independent Examiners.

Objects of the Charity

The objects of the charity are to assist young people in the performing arts, and will be largely focused towards individuals in institutions dedicated to music and theatre. In addition, the trust may also wish to help fringe theatrical groups or musical groups and individuals in the early stages of their careers. The Trust aims to advance the education of the public in general and young persons in particular and to encourage the interest of the public in and to increase their knowledge, appreciation and enjoyment of the performing arts. In furtherance of this, the trustees may provide financial assistance to institutions, bodies or persons or groups of persons or companies to promote or support plays or concerts and lectures, meetings, seminars, workshops, programmes or performance of, or to do with, the performing arts of drama or music or their development, presentation or dissemination by the general public. This may include a contribution to capital projects at associate academies such a new theatre, renovation of a performing space, building for student accommodation.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2016

Grant making policy

The trustees' current policy is to consider all written appeals received, but only successful applicants are notified of the trustees' decision. The trustees' current policy is to annually distribute the Trust's income and capital to certain selected charities, although no commitment is given to the recipients, and to a number of individuals to support their career development in the performing arts field. The trustees regularly review the selected charities and their support of individuals and consider new appeals received at their annual trustee meeting, normally held in June. During the year under review, the trustees made 50 donations as detailed on pages 9 and 10 of the financial statements.

Appointment of Trustees and Charity Organisation

The charity is managed by the trustees who are appointed under the terms of the Trust Deed, with daily administration being dealt with by the corporate trustee, SG Kleinwort Hambros Trust Company (UK) Limited. No fundraising is undertaken to support the work of the charity.

Financial review and investment policy

The financial statements cover all the activities of the charity during the year. Gross income totalled £219,069.86 (£372,308.30 in 2015). Under the governing document, there are no restrictions on the charity's power to invest. The overall investment policy is to acheive long term capital growth in real terms.

Review of the activities and future developments

The trustees are satisfied with the financial position of the charity and confirm that they have adequate assets available to fulfil their obligations. There are no plans to alter the charity's activities next year.

Charity's public benefit

The trustees have ensured that all activities throughout the period have been for the public benefit. This is evidenced by the contributions made to individuals and institutions totalling £316,960.00 (£491,410.00 in 2015).

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities.

Reserves policy and risk management

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to respond to applications for grants and ensure that the support and governance costs are covered. The trustees consider that a level of three months is sufficient given the flexibility afforded by the total return approach towards the investment of the permanent endowment which allows trustees to transfer amounts from the unapplied total element of the endowment fund in the case of urgent need. The balance held as unrestricted funds at 31 December 2016 was £808,984.24 which is regarded as free reserves. Actual three month cash payments totalled £83,743.34. The current level of reserves is therefore higher than is needed and this will be adjusted by reducing the amount from the unapplied total return in 2017. It is the trustees' intention to maintain an unrestricted fund at least equivalent to the historic cost of investments, together with a small cash balance of income, partly to offset any fluctuation in investment income in future periods and to enable them to continue their policy of responding quickly to appeals for significant support where appropriate, the timing of which is unpredictable.

The trustees have considered what risks the charity faces and believe these to be fraud or poor investment performance. Adequate systems are in place to mitigate fraud and investment performance is regularly monitored.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2016

Trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

INDEPENDENT EXAMINER'S REPORT

Independent Examiner's Report to the Trustees of The Carne Trust

I report on the financial statements of the charity for the year ended 31 December 2016 which are set out on pages 5 to 14.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the financial statements. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act:
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the financial statements present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1) which gives me reasonable cause to believe that, in any material respect, the requirements;
- a) to keep accounting records in accordance with Section 130 of the 2011 Act; and
- b) to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

1 Accounting Policies

These financial statements have been prepared in accordance with the particular accounting policies described below.

Basis of Preparation and Assessment of Going Concern

The financial statements have been prepared under the historical cost convention except for investments, which have been included at market value. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their Financial Statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) published on 16 July 2014 and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102. The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Basis of Accounting

- Income recognition

All incoming resources are included in the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Income tax recoverable in relation to investment income is recognised at the time investment income is receivable.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due. This is normally upon notification by our investment manager of the dividend yield of the investment portfolio.

- Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

Fund Structure

Income funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Capital funds comprise expendable endowments, whereby there is no requirement to spend the capital unless, or until, the charity trustees decide to do so. These funds are invested to produce unrestricted income which can be spent in accordance with the charitable objectives.

Investment income, gains and losses are allocated to the appropriate fund.

Investments

Listed investments are included in the financial statements at mid-market value at the balance sheet date. Unlisted investments are included in the balance sheet at their historical cost less any amounts written off. Investments include cash held for investment purposes.

Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value.

2 Information regarding Trustees and Employees

SG Kleinwort Hambros Trust Company (UK) Limited received a fee of £9,150.00 (£8,880.00 in 2015) for its services as corporate trustee. No other trustee received remuneration (2015: nil) and no expenses were paid (2015: nil).
