SOCIETY OF ACADEMIC & RESEARCH SURGERY

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2016

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2016. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

Principle Objectives

The charity's principal objective as set out in its Memorandum of Association is the advancement of public education in the fields of surgery and clinical practice and their attendant sciences, by the conduct of research into such subjects and the publication of such research.

The following have been adopted in order to further the charity's principal objective:-

- a) To provide for the interchange of information about research related to surgery and surgical disease.
- b) To foster interchange between surgical science and clinical practice.
- c) To promote humanity and high ethical standards in clinical and experimental research.
- d) To comment on the standard, place and educational value of surgical research in the training of surgeons.
- e) To maintain high standards of scientific evaluation of surgical research by ensuring that the format, quality of slides and illustrations, clarity of presentation and ability to respond to questioning of presentations to the society are of the highest quality.
- f) To promote surgical research by providing travelling scholarships and/or research grants.
- g) To promote the interchange of information internationally through collaboration with other national surgical societies.
- h) To maintain low subscriptions and registration fees to encourage young research workers in surgery to participate in the activity of the society.

Development activities and achievements

The remit of the Society is to foster surgical research that encompasses all surgical specialties and 2016 was another successful year.

The 2016 SARS Annual Meeting was held at The Royal College of Surgeons of England and attendance was in line with the previous year. It was a very successful meeting where the focus was on clinical research and translational science. The Society continues to foster links with other surgical societies and this year continued the parallel meetings with British Orthopaedic Association and the British Burn Association. The Society continued to promote surgical research through supporting trainees. This was achieved through the awarding of travel bursaries amounting to a total of £2000 for those attending the Annual Meeting. The Society awarded a total of £1250 across seven prize categories. The Society held another SARS Research Day for Trainees at The Royal College of Surgeons of England 'Academic Surgery - How to get ahead' which was attended by 33 delegates and was well received.

The Society has continued to promote the interchange of information internationally through presentations at our sister societies in Europe, South Africa and America. The President and a Prize Winner attended a meeting in America whilst the Honorary Secretary attended a meeting in South Africa.

The financial pressures on the Society continue but it remains committed to its members and so has maintained very low membership fees, which is then reflected in the Society's income. However it still retains a health reserve of funds which can be accessed if needed in the near future. A small amount of money (£4449.10) was held in Charities Aid Foundation (CAF) Bank but due to an increase in Bank charges this account was closed. The Society has continued to investigate ways to bolster income in the long-term.

Public benefit

All our charitable activities explained above are undertaken to further the advancement of public education in the fields of surgery by the conduct of research, for the public benefit.

SOCIETY OF ACADEMIC & RESEARCH SURGERY

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2016

FINANCIAL REVIEW

Investment policy and objectives

The Charity's powers of investment are governed by its Memorandum and Articles of Association.

Reserves policy

It is the policy of the charity to maintain a break-even position year on year based on normal activities. The unrestricted reserves brought forward represent surpluses arising in previous years and are to be used to cover shortfalls on years where a break-even position is not attained, and also to provide for one-off grants, including research fellowships, should a suitable project arise.

At 31 December 2016, unrestricted funds were £107,101 (2015 £110,342).

Review of the transactions and financial position of the charity

The charity sustained a deficit for the year of £14,417 before gains on investments amounting to £11,176. The resulting net deficit for the year of £3,241 has been deducted from reserves brought forward.

The directors have continued to explore the possibility for obtaining charitable donations from industry.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, its Memorandum and Articles of Association, and constitutes a charitable company limited by guarantee, as defined by the Companies Act 2006.

Recruitment and appointment of new trustees

The directors are appointed according to the Article of Association and are referred to as the "Council of Management".

Organisation

The charity is managed by the Council of Management. There are no paid employees and secretarial services are paid for on a six monthly basis through the Royal College of Surgeons of England, which also provides the postal address.

The sub-committees of the society continue to include;

Programme Committee

Membership Committee

Education/Professional Development Committee

The secretariat based at the Royal College of Surgeons of England continues to be a success with continued improvement in the administration of the Society.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of Society of Academic & Research Surgery for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

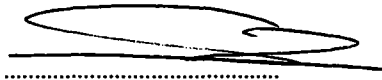

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Trustee

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
SOCIETY OF ACADEMIC & RESEARCH SURGERY**

I report on the accounts for the year ended 31 December 2016 set out on pages seven to thirteen.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
 - to keep accounting records in accordance with Section 386 and 387 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of Sections 394 and 395 of the Companies Act 2006 and with the methods and principles of the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**BALANCE SHEET - CONTINUED
AT 31 DECEMBER 2016**

The charitable company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 December 2016.

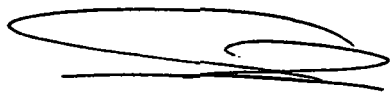

The members have not required the charitable company to obtain an audit of its financial statements for the year ended 31 December 2016 in accordance with Section 476 of the Companies Act 2006.

The trustees acknowledge their responsibilities for

- (a) ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

These financial statements have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small charitable companies.

The financial statements were approved by the Board of Trustees on04/09/17..... and were signed on its behalf by:

SARAH WATTS

Trustee

SOCIETY OF ACADEMIC & RESEARCH SURGERY

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

This is the first year in which the financial statements have been prepared under FRS 102. The transition from preparing the financial statements in accordance with FRSSSE (2015) to FRS 102 (1a) has had no material impact on either the financial position or the financial performance as previously reported by the charitable company.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

2. INVESTMENT INCOME

	2016	2015
	£	£
