ANNUAL REPORT April 2016 - March 2017

THE OLD SCHOOLHOUSE COMMUNITY PROJECT

ANNUAL REPORT April 2016 to March 2017

Chair's report

This year began, once again, with anxiety over the future of the project. Funding for many groups and organizations is still precarious, and this impacts on our own financial situation.

Discussions that began toward the end of last year, with another community based organization, were very productive. They agreed to partner the Old Schoolhouse with financial support for five years. The criteria for the grant is that we work toward a stronger financial base to help the Old Schoolhouse become self-sufficient, and that we explore projects concerned with health and well-being.

This support has enabled us to move forward with our plans this year. We had highlighted issues around staff capacity and promotion of the project. Two new members of staff have been employed – a development worker, and a chef for the kitchen.

Chris Ball started with us as a development worker in September.

Since that time a gardening project has started, the Hall has been refurbished and a Quiet Room established. As the year ends one of the rooms is being developed as a well being room.

In March, David Monaghan was appointed as a resident chef. In the coming year we will be looking at the development of in-house catering, and providing lunches for isolated people. Future plans include healthy cooking sessions.

As we move into the 2017/18 financial year our hopes are higher than they have been for some years. The Old Schoolhouse has a new lease of life, and exciting times ahead.

What's been going on this year

New tenants -

Over the last year we are happy to say that two organizations have taken office space with us; First Step which works with victims of domestic abuse, and the JUST Group who raise awareness of discrimination in the workplace.

Leaving tenants -

Altru Drama have moved on to premises of their own. We wish them every success for their future.

The Old Schoolhouse Community Project Trustees' Report

ON BEHALF OF THE BOARD:		
Trustee		
Date:		

Independent Examiner's Report to the Trustees of

The Old Schoolhouse Community Project

I report on the accounts of the company for the year ended 31 March 2017, which are set out on pages 5 to 15.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the General Directions given by the Charity Commission under section 145 (5) (b) of the 2011 Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the Year Ended 31 March 2017

1 Accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Statement of Recommended Practice 'Accounting and Reporting by Charities (SORP 2005)', issued in March 2005, the Financial Reporting Standard for Smaller Entities (effective January 2015) and the Companies Act 2006.

Fund accounting policy

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Restricted funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Further details of each fund are disclosed in note 17.

Incoming resources

Grants that provide core funding or are of a general nature are recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Investment income is recognised on a receivable basis.

Income from charitable activities includes income recognised as earned (as the related goods or services are provided) under contract.

Resources expended

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs

Governance costs include costs of the preparation and examination of the statutory accounts, the costs of trustee meetings and the cost of any legal advice to trustees on governance or constitutional matters.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Fixed assets

Individual fixed assets costing £500 or more are initially recorded at cost.

..... continued

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Improvements to property 4% on cost

Fixtures and fittings 25% on reducing balance

Computer equipment 33% on cost
