### Achievements and performance Church attendance

All are welcome to attend our regular services. There are 114 parishioners on the Church Electoral Roll, 5 of whom are not resident within the parish. A complete revision of the electoral roll took place in 2013. The average weekly attendance at Sunday services including children is approximately 85. The number attending church over Christmas 2016 was approximately 480. As well as our regular services, we enable our community to celebrate and thank God at the milestones of the journey through life. We also host services for our village schools at Christmas and Easter and at other times throughout the year.

#### Review of the Year

The following is a report of the proceedings of the PCC during the year. Other reports on aspects of worship at St. Luke's are in a separate booklet.

"During 2016/17 the PCC met eight times. Membership of the PCC is shown on the front of these statements. The PCC received regular financial reports from the treasurer and the Finance & Stewardship Team.

In April 2016 the PCC considered the role of the PCC and expectations of the members. Members were appointed to each of the PCC teams. Arrangements for the service to mark the Queen's 90<sup>th</sup> birthday were discussed. The design of the etching for the new front entrance was approved and it was noted that the new windows in the Extension had been installed and that work was expected to begin in late July on works to the central aisle.

At the June meeting the PCC considered safeguarding and the need for a review across the benefice and agreed all PCC members should complete the Diocesan training on safeguarding. Reports were received from the Worship and Transforming Presence teams. Liz Barnes talked about her new parish and it was confirmed that we are on the list requesting a Curate in 2017. The Finance team report was received and proposals for legacies received were approved, to include topping up the Organ Fund, a donation to TYPO and replacement of the PA system. Quotes were considered for works to the extension and lighting and it was agreed to apply for a faculty for this work. PCC also agreed to apply for a faculty to upgrade the sound system in the church and extension and install a visual projection system in the church. The works to the front entrance were due to start and access arrangements during the work were agreed.

In July Elaine Randall was appointed to the Team Council to finish David Turner's period of office. Arrangements were discussed for the period while work was done to the central aisle and PCC also agreed to remove some temporary blocks along the front of the font and relay them at the rear of it. Most of the meeting was spent discussing the topic of discipleship, what it means, what responsibilities we have as a church, how we might be able to support different groups of people within the church and the resources available to help us. The Transforming Presence Team were asked to look at introducing prayer on a Sunday after the service and holding quiet study mornings more often, to advertise what we do better and to consider running a course for people to do.

At the September meeting, Jane Lawrence was appointed as the Health and Safety Officer, as Mike Corbett had to stand down. Appointments agreed were Elaine Randall for Home Communion, Mike Weston as Assistant Verger and PCC also noted the appointment of an intern with TYPO. PCC approved the running of an Emmaus Nurture Course to start in October and the offering of prayer after Sunday services on the 4<sup>th</sup> Sunday. Work on the front entrance was due to start in September and PCC agreed to introduce a key deposit charge for the new security keys for the new front door. PCC noted that the Archdeacon had given permission for the works to the ceiling and lighting in the extension and that the new sound system was to be installed the following week. Woodworm has been found in the south aisle chairs.

## Parish of Tolleshunt Knights with Tiptree Annual Report Year ended 31 December 2016 – continued

The October meeting noted that not enough people had attended the Emmaus course to make it viable. The new front door had been installed and the paving laid. Once the framework is in place the glazier will measure for the glass. PCC agreed to apply for a faculty to install the new screen and projector in the church. Also agreed to remove the hedge and extend the car park and mark it out, then to see whether needed to apply for a faculty to remove just the tree by the building or this plus the tree by the car park. Thy Kingdom Come, an initiative for prayer between Ascension and Pentecost, was discussed. Agreed to work for an ecumenical Ascension communion service to launch it and then hold something similar to the prayer space at Thurstable on the Friday and Saturday in church with different prayer stations.

At the November meeting, PCC passed a resolution to apply for a closure order for the churchyard, as there is only one space left, but to retain maintenance of the churchyard. Transforming Presence reported on the Resolve course for those attending Christmas services, based on New Year resolutions. Reports were also received from Team Council, Deanery Synod, the Worship Team and Youth Work Team. It was agreed that collections from the Remembrance Service were to be donated to the Royal British Legion and the Christingle Service to The Children's Society indefinitely and for 2016 the Crib Service collection to go to Little Haven Children's Hospice. The Parish Share allocation for 2017 was discussed, this needs to be considered by all the Treasurers in the Team plus Kelvedon and Feering. The Diocesan tree advisor did not consider there was a need to remove the tree by the building, but that the one by the car park should be removed and it was agreed to follow this advice. The chairs in the south aisle cannot be repaired or treated for woodworm, PCC resolved to seek a faculty to replace the chairs with the type used for the choir stalls. It was agreed to place planted tubs outside the new entrance, to seek quotes for drainage and guttering work around the church and to patch the main driveway.

In January PCC received a presentation from Stuart Keiller on his work as a youth worker in Tiptree and PCC agreed this work needed to be publicised better and to try and raise more funds for TYPO. PCC also brainstormed ideas on other things we can do as a church to support our local community in Tiptree. It was agreed to turn these ideas into a presentation for the APCM. It was noted there were no takers for the Resolve course. It was noted that the churchyard has to be closed or Order of Council via the Ministry of Justice, the paperwork has been sent off to start this process. The extension refurbishment has gone to plan and groups could start to return the following week, which was also when the projector and screen in church were due to be installed.

In March the PCC considered safeguarding and planned for the APCM, family services on Easter Day and Rogation Sunday. Thy Kingdom Come was discussed. The 2016 accounts were received and approved and updates were provided on the faculty applications for new chairs and to remove a tree in the churchyard. Bookings management for the Extension was also discussed.

#### Financial review

Our total income on all funds during the year was £176,750 compared to £214,399 in 2015. Included this year were unexpected legacies of £65,816 (2015: £91,047). We also received £10,640 in Grant from the Mission Opportunity Fund towards administration and youthwork via

## Parish of Tolleshunt Knights with Tiptree Annual Report Year ended 31 December 2016 – continued

TYPO. Excluding these amounts the income for 2016 on the general fund was £91,572 which is more comparable to the income for 2017 of £87,005 after adjusting for the legacy received.

Our total expenditure for the year was £150,982 of which £30,150 was spent on the new front entrance and the new stained glass window in memory of Elaine Corbett. The cost of the window was entirely paid for by donations. General fund expenditure was £103,277 (2015 £99,992). Our contribution to the Diocese towards the costs of providing the stipends and housing for the clergy and providing the support and infrastructure of the Diocese of £47,652 (2015: £54,127) was paid in full. This cost was lower this year due to a reduction made to compensate for the long term vacancy in the other half of the team and also a grant made to all the team parishes for Lydia's role in the Centre of Excellence in Rural Ministry. The expenses of the team administrator and other direct costs are recharged to the other team parishes in proportion to their Parish share. At the end of the year £1,594 was still owing. £576 was also due from other team parishes for clergy expenses. A new sound system in the church cost £8,269 and retiling the centre aisle £2,651. An additional £7,000 was paid to TYPO from the legacy from Bess Taylor to help fund a youth worker.

The net result for the year is an excess of receipts over expenses in total of £25,769 over all funds. However unrestricted funds showed an excess of receipts over payments of £54,111, ignoring the legacies received, and the amounts paid from these legacies during the year this would give a surplus of receipts over payments of £3,563. The parish share was reduced by £5,143 as outlined above, if the reduction had not been received we would have made a small deficit for the year. The total of unrestricted general funds carried forward is £162,015. This includes £142,118 in funds designated by the PCC and £19,897 in the general fund. A transfer was made of £14,212 from general funds to restricted funds to meet the deficit on the new front entrance.

#### Reserves policy

It is the policy of the PCC to maintain a balance on unrestricted funds (if possible) which equates to approximately 6 months unrestricted payments to cover emergency situations which may arise from time to time. The balance of £162,015, which includes designated funds meets this target. Available undesignated funds of £19,897 does not meet this target.

#### **Volunteers**

We would like to thank all the volunteers who work so hard to make our church the vibrant community it is, and who work behind the scenes to maintain the fabric of the church, provide administrative support and do all the unseen jobs that need to be done.

Approved by the PCC on 9 March 2017 and signed on their behalf.

### Independent Examiner's Report to the PCC of the Parish of Tolleshunt Knights with Tiptree

I report on the accounts of the PCC for the year ended 31 December 2016, which are set out on pages 5 to 12.

#### Respective responsibilities of the PCC and examiner

The members of the PCC are responsible for the preparation of the financial statements. The PCC members consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is required.

It is my responsibility to:

- Examine the accounts under section 145 of the 2011 Act:
- To follow procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- To state whether particular matters have come to my attention.

#### Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the PCC and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a "true and fair view" and the report is limited to those matters set out in the statement below.

#### Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that in any material respect the requirements
  - to keep accounting records in accordance with section 130 of the 2011 Act;
  - to prepare financial statements which accord with the accounting records and to comply with the requirements of the 2011 Act

have not been met; or

(2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
