Description of the charity's trusts

Type of governing document

(eg. trust deed, constitution

The Group's governing documents are those of the The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

How the charity is constituted (eg. trust, association, company)

The Group is a trust established under its rules which are common to all Scouts.

Trustee selection methods

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

Additional governance issues (Optional information)

You may choose to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The Group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The Committee consists of 3 independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leaders, individual section leaders and parent's representation and meets at least every 2 months.

This Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:

The maintenance of Group property; The raising of funds and the administration of Group finance; The insurance of persons, property and equipment; Group public occasions; Assisting in the recruitment of leaders and other adult support; Appointing any sub committees that may be required;

Appointing Group Administrators and Advisors other than those who are elected.

Risk and Internal Control

The Group Executive Committee has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Damage to the building, property and equipment, including flooding. The Group would request the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout Groups. Similar reciorocal a ments exist with these organisations.

The Group has sufficient buildings and contents insurance in

place to mitigate against permanent loss, except for that due to flooding.

Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.

Reduced income from fund raising and island camping, including due to flooding. The Group is primarily reliant upon income from subscriptions, fundraising and island income. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.

Reduction or loss of leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario, the complete closure of the Group.

Reduction or loss of members. The Group provides activities for all young people aged 8 to 14. If there was a reduction in membership in a particular section or the group as whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario, the complete closure of the Group.

The group has in place systems of *internal controls* that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and comprehensive insurance policies to ensure that insurable risks are covered.

Objectives and activities

Summary of the objects of the charity set out in its governing document

The objectives of the group are as a unit of the Scout Association.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Aim of The Scout Association is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as members of their local national and international communities. The method of achieving the Aim of the Association is by providing an enjoyable and attractive scheme of progressive training, based on the Scout Promise and Law and guided by adult leadership.

The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

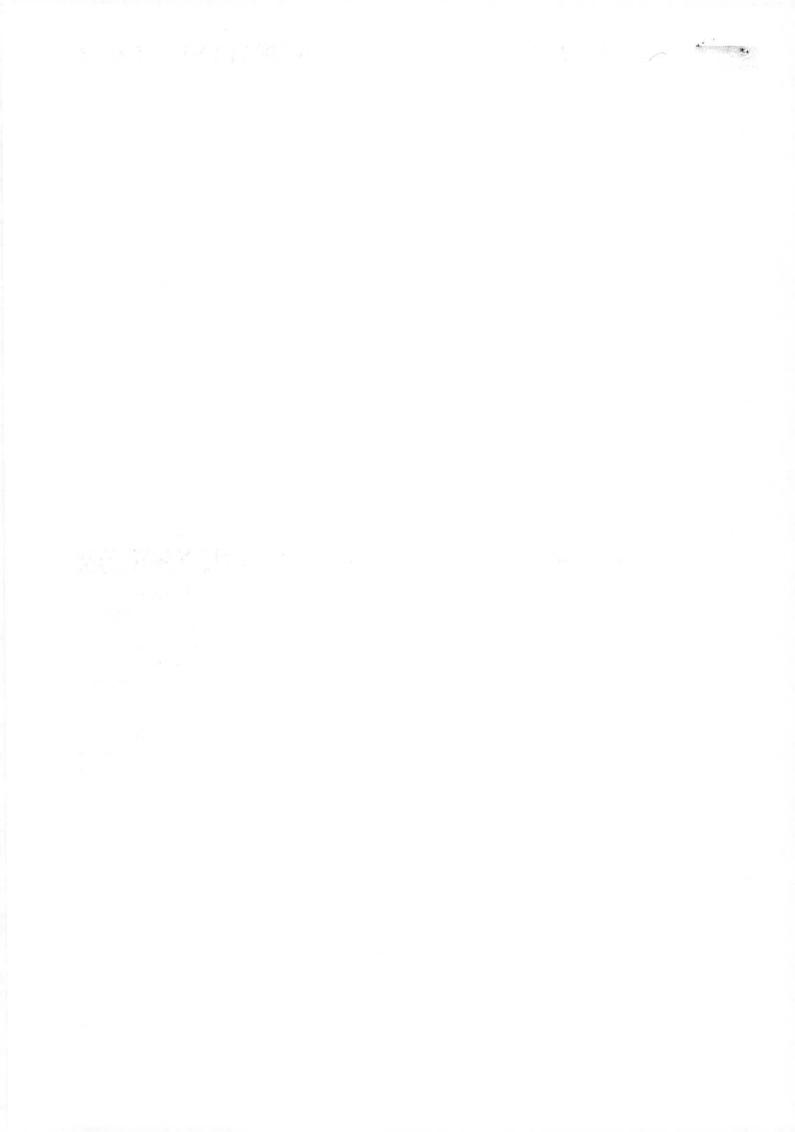

Additional details of objectives and activities (Optional information)

The Group supports the Royal British Legion at the Annual Remembrance Parade.

The Group makes available the island facilities to other Scout and Youth Groups.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. Additionally, due to the nature of Holt Island, the Group holds reserves to fund maintenance and repair work as required. The Group Executive Committee considers that the group should hold a sum equivalent to 6 months running costs, plus £10,000 circa £16,000.

If the reserves at year end are significantly above this, the Group Executive may designate an amount towards the Hut Fund project.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The Group's principal sources of funds are Membership Subscriptions, Fundraising, Donations, Grants, Hire of Island facilities to other Scout and Youth Groups.

The Group Executive has identified a range of maintenance projects for 2017 including re-felting of the existing hut, replacement Kayak Store, Tree Maintenance, re-laying of slabs and pathways, raising of path to bridge to provide access during any flooding, main landing stage and dockyard repairs.

The group is raising funds to replace the existing Scout Hut.

The Group does not have sufficient funds to invest in longer term investments. The Group has therefore adopted a risk averse strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies.

Independent examiner's report on the accounts

Section A

Independent Examiner's Report

Report to the trustees/ members of

2nd St Ives Sea Scout Group

On accounts for the year ended

31st December 2016 Charity no (if any) 279852

Set out on pages

1 - 3

(remember to include the page numbers of additional sheets)

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. [The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [named body]]. Delete [] if not applicable.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act.
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- · to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

- 1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
- 2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Disclosure

Only complete if the examiner needs to highlight material problems. (E.g. accounting records have not been kept in accordance with s132 of the Charities' Act 2011 and those accounts do not comply with the requirements of the 2008 Regulations setting out the form and content of charity accounts; any material expenditure or action which appears not to be in accordance with the trusts of the charity; any failure to be provided with information and explanations by any past or present trustee, officer or employee; and any material consistency between the accounts and the trustees' annual report.)

Give here brief details of any items that the examiner wishes to disclose.
