FINANCIAL STATEMENIS FOR THE YEAR ENDED 31 MARCH 2017 FOR

ViVA CHAMBER ORCHESTRA LIMITED Charitable company limited by guarantee

REPORT OF THE DIRECTORS/TRUSTEES FOR THE YEAR ENDED 31 MARCH 2017

The Directors present their annual report with the financial statements of the company for the year ended 31 March 2017. The Directors of the company are its trustees for the purpose of Charity Law, but throughout this report are referred to as directors.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association and Accounting and Reporting by charities statement of Recommended Practice applicable to Charities preparing accounts in accordance with the financial reporting standard applicable in the UK and Republic of Ireland (FRS102) (effective I January 2015).

CHAIR'S REPORT

The financial year 2016/17 has been another successful period for Sinfonia Viva. While the carly months of the year were challenging, the orchestra secured a favourable financial outcome by the year end.

The Mechanical Advantage project, undertaken in collaboration with Rolls-Royce, was a particular success. The team has also developed a new product for corporate clients, and this was successfully delivered at an event for senior Rolls Royce staff.

To support the growing work of the orchestra the team was expanded, with the addition of a Marketing Manager to develop greater awareness of the orchestra and support its fundraising activities.

Sinfonia Viva successfully completed its fundraising for the inflatable venue, and thanks must go to the Board and management team members who undertook a wide range of activities in support of this campaign. Sinfonia Viva Events, which was established in 2015/16, has continued to expand its activity. With growing interest in the use of the venue it is forecast that the financial performance of the company will continue to improve.

The environment in which the orchestra operates remains challenging. Many of our partners and funders face severe financial constraints, and the management team have had to be innovative and creative in their response. The orchestra has been successful in dealing these challenges, and has every prospect of a positive and successful future.

The Board has continued to review its activity and direction, and held a time out to take stock of its progress and identify further opportunities to expand its work into new areas and locations. This approach will remain a key component of our approach going forward.

My thanks must go to the Board, the management team, the players and our many supporters who have helped us achieve so much this year.

REPORT OF THE DIRECTORS/TRUSTEES FOR THE YEAR ENDED 31 MARCH 2017

OUR OBJECTS AND ACTIVITIES

The objects of the company in the year under review were as defined by its Memorandum and charity registration instrument to promote and advance education of the public by encouragement of the Arts in general and, in particular, the art of music. The Directors are satisfied that these aims are being achieved.

To achieve its objects, the company's principal activities are the maintenance and management of the Orchestra; the promotion of concerts by the Orchestra both on its own account and in conjunction with local promoters and the presentation of education and other projects.

The Board of Directors, which met four times during the year, is responsible for the company's affairs. The Chief Executive reports to the Board on behalf of the management and staff. Sub-committees of the Board consider detailed issues and the Directors who are members of these sub-committees are indicated on page 5 (by an asterisk). During the year, there were no material changes in the policies pursued by the company.

The company is a registered charity limited by guarantee and not having a share capital.

PUBLIC BENEFIT

As stated above the objects of the company are to promote and advance education of the public by encouragement of the Arts in general and, in particular, the art of music.

REPORT OF THE DIRECTORS/TRUSTEES FOR THE YEAR ENDED 31 MARCH 2017

During 2016/17 the Orchestra delivered creative education activity to over 5,800 attendances (using ACE reporting system) across a wide range of ages as shown below:

Early Years (0-5 years)	727 attendance
Key Stage 1 (5-7 years)	464 attendance
Key Stage 2 (8-11 years)	2222 attendance
Key Stage 3 (12-14 years)	359 attendance
Key Stage 4 (15-16 years)	744 attendance
Key Stage 5 (17-18 years)	155 attendance
Adult 20+	1,201 attendance

In addition the Orchestra played to over 50,000 people at 51 performances during the year.

The Directors confirm that they have complied with their duties under Section 17 of the Charities Act 2011 with regard to Public Benefit.

ACHIEVEMENTS AND PERFORMANCE 2016/17

The Directors were delighted with another strong year both artistically and financially. The wider operating environment remains challenging. Directors are pleased that demand for the Orchestra's project and produced work remains high, although they note increasing pressure on the organisation to find high proportions of the funding for these projects to take place. There is also an increasing demand for the Orchestra's project management expertise frequently provided through the Charity's trading arm (Sinfonia Viva Events Ltd.).

Principal Conductor Duncan Ward continued to be involved in all aspects of the Orchestra's work and bringing high performance standards from the players at public events.

The Orchestra's Leader Benedict Holland continues to have a central role within the organisation as Leader, director of smaller orchestral performances soloist and Artistic Advisor. The players continue to be exemplary ambassadors through their contribution to delivery both in workshops and in concert.

The Orchestra had two concerts relayed by Classic FM in its full works programme. Classic FM continued its support of the Orchestra as media partner for Viva's New Year's Eve Classical Gala for the third year running.

The Orchestra continued to work across the East Midlands and beyond. It engaged with most of the music hubs around the region in either delivery or planning of work. The Education Manager and Chief Executive sit on working groups in Derby/Derbyshire and Leicester/Leicestershire Hubs. Whilst the demand for creative produced work continues to be in great demand, the Orchestra also performed on the concert platform in standalone concert performances.

Some highlights of work during the year include:

- Concerts in the Royal Concert Hall both part of the Nottingham International Concert Season and at New Year's Eve were exceptional and attracted record audience attendance
- The Orchestra launched its two year, Arts Council supported "Twilights" concert season in Derby Cathedral
- Creative project work continued to be a strong part of the Orchestra's offering and included a project linked to Science, Technology, Engineering and Maths (STEM) in association with Rolls-Royce.
- The association with Lincoln Drill Hall continued and extended to include specific an early years offering
- Increase demand for both early years activity and work in SEN settings
- An increasing national profile for the Orchestra's work involving project delivery and development outside its home East Midlands region including East Riding, Essex, Norfolk, North Lincolnshire and Yorkshire
- Increased its digital presence and committed to work more on this in the next four years

REPORT OF THE DIRECTORS/TRUSTEES FOR THE YEAR ENDED 31 MARCH 2017

The Orchestra's Chief Executive continued as a Director of the Association of British Orchestras. He co-chairs the ABO's Education managers' group. He also sat on the Project Board for the Family Arts Campaign.

The Directors and the organisation's funding partners were pleased to report that all artistic indicators in terms of performances, education work and commissions for the year were met or exceeded.

The principal funding sources were grants from the Arts Council England and Derby City Council, used as core funding to support overhead running costs. Viva is also supported by an on-going sponsorship arrangement with Rolls-Royce plc plus other grants and sponsorship, as detailed in the notes to the accounts on page 15, plus income generated by the charity from engagements, ticket sales and education projects.

One third of the Derby City Council grant is used to support core costs with the remaining amount supporting two creative outreach projects in the City.

FINANCIAL REVIEW

The accumulated unrestricted income fund at 31 March 2017 amounted to £71,641. The accumulated restricted income fund at 31 March 2017 amounted to £171,719.

INVESTMENT

The Orchestra runs two deposit accounts with its bank and cash not required immediately is invested in these until required to fund the charity's activities. In the 2017/18 financial year these deposit accounts realised £3 in interest. This system is managed on behalf of the Directors by the Finance Management Contractor who reports to the Chief Executive. The Chief Executive reports on all finance management issues to Finance and General Purpose Sub-committee which in turn reports to the Board meetings.

RESERVES POLICY

The Directors have set a reserves policy whereby the unrestricted funds (not committed for use on future activities) which the Charity holds, should be in the region of three months of fixed expenditure, less core funding from Arts Council England. This means holding reserves of £15,000. At this level the Directors feel that they would be able to carry on the Charity's activities in the event of a significant drop in funding and/or engagements. The accumulated unrestricted income fund at 31 March 2017 amounted to $\pounds71,641$. This is split £15,000 for reserves, $\pounds56,641$ to support activity in 2017/18.

PLANS FOR THE FUTURE

Sinfonia Viva is very aware of the changing environment in which it operates. It continues to develop its artistic product. Through its strategic discussions and consultations with industry experts it continues to develop work to match the changing demands of users and to position itself at the forefront that work in the country.

The involvement of players and Directors will ensure that the Orchestra is well placed to face the challenges ahead.

GOING CONCERN

The Orchestra receives much of its core income from Arts Council England. As with most public spending this is currently being reduced by central government. The current three year funding agreement ends at the end of March 2018 and during the current year a new application was for NPO status was submitted for four years staring 1st April 2018.

The Board is confident that the Orchestra has sufficient resources for the next twelve months and on this basis the Accounts have been prepared on a going concern basis.

This was complemented by support from Warrick Matthews as a Director and Chairman of the Board's Finance and General Purpose Committee. Carl Muldal, a Rolls-Royce employee, remained a Director and joined the Sponsorship sub-committee in the year. This long term relationship reflects the company's commitment to supporting the Arts and the communities in which it operates and the Orchestra's contribution to delivering Rolls-Royce's STEM outreach commitment and the engagement & development of its people.

PAY POLICY FOR SENIOR STAFF

The pay of the senior staff is presented to the Finance and General Purpose sub-committee annually for approval. There are plans to form a remuneration sub-committee in the future.

RISK MANAGEMENT

The Directors have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced, so that the necessary steps can be taken to lessen these risks.

The Directors are fully aware of the uncertain public funding position and wider economic situation. Budgets for future years have been reviewed in light of this and the management team continues to explore alternative models as a way of supporting the Orchestra's core work.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017

1. ACCOUNTING POLICIES

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the period.

Basis of Preparation

The financial statements have been prepared in accordance with the Accounting and Reporting by Charities; Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) – (Charities SORP (FRS102)), The Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Companies Act 2006. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The Charity meets the definition of a public benefit entity under FRS102.

The accounts are prepared on a going concern basis. If at any time in the future, Arts Council England were to withdraw funding then the ability of the charity to continue as a going concern could be threatened.

Reconciliation with Previous Generally Accepted Accounting Practice

In preparing the accounts, the directors have considered whether in applying the accounting policies required by the FRS102 and the Charities SORP FRS102 the restatement of comparative items was required.

No restatement was required.

The principal accounting policies adopted in the preparation of the financial statements are as follows:-

Fund Accounting

- Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.
- Designated funds are unrestricted funds earmarked by the Trustees for particular purposes after the year end date.
- Restricted funds are subjected to restrictions on their expenditure imposed by the donor.

Incoming Resources

Incoming resources represents income from performances and sponsorship thereof, (excluding value added tax), plus grants from public bodies and donations.

Core funding from public bodies is allocated to the year for which it is granted. Sponsorship of, and donations towards specific performances and projects are allocated to the period in which the events occur. Where donors do not specify to which performance donations and grants given to the Charity should be allocated, this income is included in incoming resources when receivable.

Interest Receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017 - continued

Resources Expended and Irrecoverable VAT

Resources expended are included in the Statement of Financial Activities on an accruals basis, excluding recoverable VAT.

- Costs of raising funds comprise the costs associated with attracting voluntary income (see note 6).
- Charitable activity expenditure comprises those costs incurred by the charity in the delivery of its musical and educational activities and services. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them (see note 7).
- All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use
 of the resource. Costs relating to a particular activity are allocated directly, other costs are apportioned on an
 estimated basis between charitable activities and support costs.
- Irrecoverable VAT is charged as a total cost against the activity cost centre.

Expenditure relating to specific performances and projects are allocated to the period in which the events occur.

Donated Services and Facilities

Donated services or facilities are recognised as income when the charity has control over the item, any condition associated with the donated item have been met, the receipt of the economic benefit from use by the charity of the item is probable and that economic benefit can be measured reliably. On receipt donated services and facilities are recognised on the base of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market, a corresponding amount is then recognised in expenditure in the period of receipt.

Tangible Fixed Assets

Capital additions of equipment are written off to the Income and Expenditure Account in the year of acquisition and there is therefore no charge for depreciation. The assets comprise of office furniture, office equipment, computers and printers. This is a departure from the requirement of Financial Reporting Standard 15: Tangible Fixed Assets, and is necessary to give a true and fair view. The normal requirement would be for capitalisation of office equipment and for depreciation to be charged thereon. This position cannot be easily quantified due to the mixture of purchased, funded, partly funded and donated equipment. Thus for clarity, this policy has been adopted to give a true and fair view. The non-capitalised fixed assets are insured for a total of $\pounds 24,750$.

Leasehold Improvements – 20% - straight line from 1 September 2015

Taxation

Being a registered charity, the company is not generally subject to taxation on income.

A new government initiative, 'Orchestra Tax Relief' commenced in the year – this gives rise to a claim for Corporation Tax Relief to total $\pounds 29,199$.

Status of Company

The company is limited by guarantee and in the event of it being wound up, every member is liable to contribute a sum not exceeding $\pounds 1$. There are no shares of any class either authorised or allotted.

Pensions

The company operates a defined contributions pension scheme. Contributions payable to the company's pension scheme are charged in the period in which they relate.
